

245.4889 CHILDREN'S MENTAL HEALTH GRANTS.

Subdivision 1. **Establishment and authority.** (a) The commissioner is authorized to make grants from available appropriations to assist:

- (1) counties;
- (2) Indian tribes;
- (3) children's collaboratives under section 124D.23 or 245.493; or
- (4) mental health service providers.

(b) The following services are eligible for grants under this section:

(1) services to children with emotional disturbances as defined in section 245.4871, subdivision 15, and their families;

(2) transition services under section 245.4875, subdivision 8, for young adults under age 21 and their families;

(3) respite care services for children with severe emotional disturbances who are at risk of out-of-home placement;

(4) children's mental health crisis services;

(5) mental health services for people from cultural and ethnic minorities;

(6) children's mental health screening and follow-up diagnostic assessment and treatment;

(7) services to promote and develop the capacity of providers to use evidence-based practices in providing children's mental health services;

(8) school-linked mental health services;

(9) building evidence-based mental health intervention capacity for children birth to age five;

(10) suicide prevention and counseling services that use text messaging statewide;

(11) mental health first aid training;

(12) training for parents, collaborative partners, and mental health providers on the impact of adverse childhood experiences and trauma and development of an interactive Web site to share information and strategies to promote resilience and prevent trauma;

(13) transition age services to develop or expand mental health treatment and supports for adolescents and young adults 26 years of age or younger;

(14) early childhood mental health consultation;

(15) evidence-based interventions for youth at risk of developing or experiencing a first episode of psychosis, and a public awareness campaign on the signs and symptoms of psychosis; and

(16) psychiatric consultation for primary care practitioners.

(c) Services under paragraph (b) must be designed to help each child to function and remain with the child's family in the community and delivered consistent with the child's treatment plan. Transition services to eligible young adults under paragraph (b) must be designed to foster independent living in the community.

Subd. 2. **Grant application and reporting requirements.** To apply for a grant, an applicant organization shall submit an application and budget for the use of the money in the form specified by the commissioner. The commissioner shall make grants only to entities whose applications and budgets are approved by the commissioner. In awarding grants, the commissioner shall give priority to applications that indicate plans to collaborate in the development, funding, and delivery of services with other agencies in the local system of care. The commissioner shall specify requirements for reports, including quarterly fiscal reports under section 256.01, subdivision 2, paragraph (q). The commissioner shall require collection of data and periodic reports that the commissioner deems necessary to demonstrate the effectiveness of each service.

Subd. 3. **Commissioner duty to report on use of grant funds biennially.** By November 1, 2016, and biennially thereafter, the commissioner of human services shall provide sufficient information to the members of the legislative committees having jurisdiction over mental health funding and policy issues to evaluate the use of funds appropriated under this section. The commissioner shall provide, at a minimum, the following information:

(1) the amount of funding for children's mental health grants, what programs and services were funded in the previous two years, and outcome data for the programs and services that were funded; and

(2) the amount of funding for other targeted services and the location of services.
