

245C.31 INDIVIDUAL REGULATED BY A HEALTH-RELATED LICENSING BOARD; DISQUALIFICATION BASED ON MALTREATMENT.

Subdivision 1. **Board determines disciplinary or corrective action.** (a) When the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the commissioner determines that the regulated individual is responsible for substantiated maltreatment under section 626.556 or 626.557, instead of the commissioner making a decision regarding disqualification, the board shall make a determination whether to impose disciplinary or corrective action under chapter 214.

(b) This section does not apply to a background study of an individual regulated by a health-related licensing board if the individual's study is related to child foster care, adult foster care, or family child care licensure.

Subd. 2. **Commissioner's notice to board.** (a) The commissioner shall notify the health-related licensing board:

(1) upon completion of a background study that produces a record showing that the individual was determined to have been responsible for substantiated maltreatment;

(2) upon the commissioner's completion of an investigation that determined the individual was responsible for substantiated maltreatment; or

(3) upon receipt from another agency of a finding of substantiated maltreatment for which the individual was responsible.

(b) The commissioner's notice to the health-related licensing board shall indicate whether the commissioner would have disqualified the individual for the substantiated maltreatment if the individual were not regulated by the board.

(c) The commissioner shall concurrently send the notice under this subdivision to the individual who is the subject of the background study.

Subd. 3. **Commissioner's or local agency's referral to board.** (a) When the commissioner or a local agency has reason to believe that the direct contact services provided by an individual may fall within the jurisdiction of a health-related licensing board, the commissioner or local agency shall refer the matter to the board as provided in this section.

(b) If, upon review of the information provided by the commissioner, a health-related licensing board informs the commissioner that the board does not have jurisdiction to take disciplinary or corrective action, the commissioner shall make the appropriate disqualification decision regarding the individual as otherwise provided in this chapter.

Subd. 4. **Facility monitoring.** (a) The commissioner has the authority to monitor the facility's compliance with any requirements that the health-related licensing board places on regulated individuals practicing in a facility either during the period pending a final decision on a disciplinary or corrective action or as a result of a disciplinary or corrective action. The commissioner has the authority to order the immediate removal of a regulated individual from direct contact or access when a board issues an order

of temporary suspension based on a determination that the regulated individual poses an immediate risk of harm to persons receiving services in a licensed facility.

(b) A facility that allows a regulated individual to provide direct contact services while not complying with the requirements imposed by the health-related licensing board is subject to action by the commissioner as specified under sections 245A.06 and 245A.07.

(c) The commissioner shall notify a health-related licensing board immediately upon receipt of knowledge of a facility's or individual's noncompliance with requirements the board placed on a facility or upon an individual regulated by the board.
