256I.01 CITATION.

Sections 256I.01 to 256I.06 shall be cited as the "Group Residential Housing Act."

History: 1989 c 282 art 5 s 115; 1992 c 513 art 8 s 33; 1Sp1993 c 1 art 8 s 7

256I.02 PURPOSE.

The Group Residential Housing Act establishes a comprehensive system of rates and payments for persons who reside in the community and who meet the eligibility criteria under section 256I.04, subdivision 1.

History: 1989 c 282 art 5 s 116; 1992 c 513 art 8 s 34; 1Sp1993 c 1 art 8 s 8; 1Sp2003 c 14 art 2 s 42

256I.03 DEFINITIONS.

Subdivision 1. **Scope.** For the purposes of sections 256I.01 to 256I.06, the terms defined in this section have the meanings given them.

Subd. 1a. **Agency.** "Agency" has the meaning given in section 256P.01, subdivision 2.

Subd. 1b. **Assistance unit.** "Assistance unit" means an individual who is applying for or receiving benefits under this chapter.

[See Note.]

Subd. 2. **Group residential housing rate.** "Group residential housing rate" means a monthly rate set for shelter, fuel, food, utilities, household supplies, and other costs necessary to provide room and board for eligible individuals. Group residential housing rate does not include payments for foster care for children who are not blind, child welfare services, medical care, dental care, hospitalization, nursing care, drugs or medical supplies, program costs, or other social services. The rate is negotiated by the county agency according to the provisions of sections 256I.01 to 256I.06.

Subd. 3. **Group residential housing.** "Group residential housing" means a group living situation that provides at a minimum room and board to unrelated persons who meet the eligibility requirements of section 256I.04. To receive payment for a group residence rate, the residence must meet the requirements under section 256I.04, subdivisions 2a to 2f.

Subd. 4. [Repealed, 1Sp1993 c 1 art 8 s 29]

Subd. 5. **MSA equivalent rate.** "MSA equivalent rate" means an amount equal to the total of:

(1) the combined maximum shelter and basic needs standards for MSA recipients living alone specified in section 256D.44, subdivisions 2, paragraph (a); and 3, paragraph (a); plus

(2) the maximum allotment authorized by the federal Food Stamp Program for a single individual which is in effect on the first day of July each year; less

(3) the personal needs allowance authorized for medical assistance recipients under section 256B.35.

The MSA equivalent rate is to be adjusted on the first day of July each year to reflect changes in any of the component rates under clauses (1) to (3).

Subd. 6. **Medical assistance room and board rate.** "Medical assistance room and board rate" means an amount equal to the medical assistance income standard for a single individual living alone in the community less the medical assistance personal needs allowance under section 256B.35. For the purposes of this section, the amount of the group residential housing rate that exceeds the medical assistance room and board rate is considered a remedial care cost. A remedial care cost may be used to meet a spenddown obligation under section 256B.056, subdivision 5. The medical assistance room and board rate is to be adjusted on the first day of January of each year.

Subd. 7. **Countable income.** "Countable income" means all income received by an applicant or recipient as described under section 256P.06, less any applicable exclusions or disregards. For a recipient of any cash benefit from the SSI program, countable income means the SSI benefit limit in effect at the time the person is a recipient of group residential housing, less the medical assistance personal needs allowance under section 256B.35. If the SSI limit or benefit is reduced for a person due to events other than receipt of additional income, countable income means actual income less any applicable exclusions and disregards.

[See Note.]

Subd. 8. **Supplementary services.** "Supplementary services" means services provided to residents of group residential housing providers in addition to room and board including, but not limited to, oversight and up to 24-hour supervision, medication reminders, assistance with transportation, arranging for meetings and appointments, and arranging for medical and social services.

Subd. 9. **Direct contact.** "Direct contact" means providing face-to-face care, training, supervision, counseling, consultation, or medication assistance to recipients of group residential housing.

Subd. 10. **Habitability inspection.** "Habitability inspection" means an inspection to determine whether the housing occupied by an individual meets the habitability standards specified by the commissioner. The standards must be provided to the applicant in writing and posted on the Department of Human Services Web site.

Subd. 11. **Long-term homelessness.** "Long-term homelessness" means lacking a permanent place to live:

(1) continuously for one year or more; or

(2) at least four times in the past three years.

Subd. 12. **Professional statement of need.** "Professional statement of need" means a statement about an individual's illness, injury, or incapacity that is signed by a qualified professional. The statement must

specify that the individual has an illness or incapacity which limits the individual's ability to work and provide self-support. The statement must also specify that the individual needs assistance to access or maintain housing, as evidenced by the need for two or more of the following services:

(1) tenancy supports to assist an individual with finding the individual's own home, landlord negotiation, securing furniture and household supplies, understanding and maintaining tenant responsibilities, conflict negotiation, and budgeting and financial education;

(2) supportive services to assist with basic living and social skills, household management, monitoring of overall well-being, and problem solving;

(3) employment supports to assist with maintaining or increasing employment, increasing earnings, understanding and utilizing appropriate benefits and services, improving physical or mental health, moving toward self-sufficiency, and achieving personal goals; or

(4) health supervision services to assist in the preparation and administration of medications other than injectables, the provision of therapeutic diets, taking vital signs, or providing assistance in dressing, grooming, bathing, or with walking devices.

Subd. 13. **Prospective budgeting.** "Prospective budgeting" means estimating the amount of monthly income a person will have in the payment month.

Subd. 14. **Qualified professional.** "Qualified professional" means an individual as defined in section 256J.08, subdivision 73a, or Minnesota Rules, part 9530.6450, subpart 3, 4, or 5; or an individual approved by the director of human services or a designee of the director.

Subd. 15. **Supportive housing.** "Supportive housing" means housing with support services according to the continuum of care coordinated assessment system established under Code of Federal Regulations, title 24, section 578.3.

History: 1989 c 282 art 5 s 117; 1992 c 513 art 8 s 35,36; 1Sp1993 c 1 art 8 s 9-12; 1995 c 207 art 5 s 28,29; 2009 c 79 art 2 s 11; 1Sp2011 c 9 art 1 s 16; 2014 c 291 art 8 s 15; 2014 c 312 art 28 s 12; 2015 c 71 art 1 s 15-23; art 5 s 11,12,35

NOTE: Subdivision 1b, as added by Laws 2015, chapter 71, article 5, section 11, is effective August 1, 2016. Laws 2015, chapter 71, article 5, section 35.

NOTE: The amendment to subdivision 7 by Laws 2015, chapter 71, article 5, section 12, is effective August 1, 2016. Laws 2015, chapter 71, article 5, section 35.

256I.04 ELIGIBILITY FOR GROUP RESIDENTIAL HOUSING PAYMENT.

Subdivision 1. **Individual eligibility requirements.** An individual is eligible for and entitled to a group residential housing payment to be made on the individual's behalf if the agency has approved the individual's residence in a group residential housing setting and the individual meets the requirements in paragraph (a) or (b).

(a) The individual is aged, blind, or is over 18 years of age and disabled as determined under the criteria used by the title II program of the Social Security Act, and meets the resource restrictions and standards of section 256P.02, and the individual's countable income after deducting the (1) exclusions and disregards

of the SSI program, (2) the medical assistance personal needs allowance under section 256B.35, and (3) an amount equal to the income actually made available to a community spouse by an elderly waiver participant under the provisions of sections 256B.0575, paragraph (a), clause (4), and 256B.058, subdivision 2, is less than the monthly rate specified in the agency's agreement with the provider of group residential housing in which the individual resides.

(b) The individual meets a category of eligibility under section 256D.05, subdivision 1, paragraph (a), clauses (1), (3), (5) to (9), and (14), and paragraph (b), if applicable, and the individual's resources are less than the standards specified by section 256P.02, and the individual's countable income as determined under section 256P.06, less the medical assistance personal needs allowance under section 256B.35 is less than the monthly rate specified in the agency's agreement with the provider of group residential housing in which the individual resides.

[See Note.]

Subd. 1a. **County approval.** (a) A county agency may not approve a group residential housing payment for an individual in any setting with a rate in excess of the MSA equivalent rate for more than 30 days in a calendar year unless the individual has a professional statement of need under section 256I.03, subdivision 12.

(b) If a county agency determines that an applicant is ineligible due to not meeting eligibility requirements under this section, a county agency may accept a signed personal statement from the applicant in lieu of documentation verifying ineligibility.

(c) Effective July 1, 2016, to be eligible for supplementary service payments, providers must enroll in the provider enrollment system identified by the commissioner.

Subd. 1b. **Optional state supplements to SSI.** Group residential housing payments made on behalf of persons eligible under subdivision 1, paragraph (a), are optional state supplements to the SSI program.

Subd. 1c. **Interim assistance.** Group residential housing payments made on behalf of persons eligible under subdivision 1, paragraph (b), are considered interim assistance payments to applicants for the federal SSI program.

Subd. 2. **Date of eligibility.** An individual who has met the eligibility requirements of subdivision 1, shall have a group residential housing payment made on the individual's behalf from the first day of the month in which a signed application form is received by a county agency, or the first day of the month in which all eligibility factors have been met, whichever is later.

Subd. 2a. **License required; staffing qualifications.** (a) Except as provided in paragraph (b), an agency may not enter into an agreement with an establishment to provide group residential housing unless:

(1) the establishment is licensed by the Department of Health as a hotel and restaurant; a board and lodging establishment; a boarding care home before March 1, 1985; or a supervised living facility, and the service provider for residents of the facility is licensed under chapter 245A. However, an establishment licensed by the Department of Health to provide lodging need not also be licensed to provide board if meals are being supplied to residents under a contract with a food vendor who is licensed by the Department of Health;

(2) the residence is: (i) licensed by the commissioner of human services under Minnesota Rules, parts 9555.5050 to 9555.6265; (ii) certified by a county human services agency prior to July 1, 1992, using the

standards under Minnesota Rules, parts 9555.5050 to 9555.6265; (iii) licensed by the commissioner under Minnesota Rules, parts 2960.0010 to 2960.0120, with a variance under section 245A.04, subdivision 9; or (iv) licensed under section 245D.02, subdivision 4a, as a community residential setting by the commissioner of human services; or

(3) the establishment is registered under chapter 144D and provides three meals a day.

(b) The requirements under paragraph (a) do not apply to establishments exempt from state licensure because they are:

(1) located on Indian reservations and subject to tribal health and safety requirements; or

(2) a supportive housing establishment that has an approved habitability inspection and an individual lease agreement and that serves people who have experienced long-term homelessness and were referred through a coordinated assessment in section 256I.03, subdivision 15.

(c) Supportive housing establishments and emergency shelters must participate in the homeless management information system.

(d) Effective July 1, 2016, an agency shall not have an agreement with a provider of group residential housing or supplementary services unless all staff members who have direct contact with recipients:

(1) have skills and knowledge acquired through one or more of the following:

(i) a course of study in a health- or human services-related field leading to a bachelor of arts, bachelor of science, or associate's degree;

(ii) one year of experience with the target population served;

(iii) experience as a certified peer specialist according to section 256B.0615; or

(iv) meeting the requirements for unlicensed personnel under sections 144A.43 to 144A.483;

(2) hold a current Minnesota driver's license appropriate to the vehicle driven if transporting recipients;

(3) complete training on vulnerable adults mandated reporting and child maltreatment mandated reporting, where applicable; and

(4) complete group residential housing orientation training offered by the commissioner.

Subd. 2b. Group residential housing agreements. (a) Agreements between agencies and providers of group residential housing or supplementary services must be in writing on a form developed and approved by the commissioner and must specify the name and address under which the establishment subject to the agreement does business and under which the establishment, or service provider, if different from the group residential housing establishment, is licensed by the Department of Health or the Department of Human Services; the specific license or registration from the Department of Health or the Department of Human Services held by the provider and the number of beds subject to that license; the address of the location or locations at which group residential housing is provided under this agreement; the per diem and monthly rates that are to be paid from group residential housing or supplementary service funds for each eligible resident at each location; the number of beds at each location which are subject to the agreement; whether

the license holder is a not-for-profit corporation under section 501(c)(3) of the Internal Revenue Code; and a statement that the agreement is subject to the provisions of sections 256I.01 to 256I.06 and subject to any changes to those sections.

(b) Providers are required to verify the following minimum requirements in the agreement:

- (1) current license or registration, including authorization if managing or monitoring medications;
- (2) all staff who have direct contact with recipients meet the staff qualifications;
- (3) the provision of group residential housing;
- (4) the provision of supplementary services, if applicable;
- (5) reports of adverse events, including recipient death or serious injury; and
- (6) submission of residency requirements that could result in recipient eviction.

(c) Agreements may be terminated with or without cause by the commissioner, the agency, or the provider with two calendar months prior notice. The commissioner may immediately terminate an agreement under subdivision 2d.

Subd. 2c. **Background study requirements.** (a) Effective July 1, 2016, a provider of group residential housing or supplementary services must initiate background studies in accordance with chapter 245C of the following individuals:

- (1) controlling individuals as defined in section 245A.02;
- (2) managerial officials as defined in section 245A.02; and
- (3) all employees and volunteers of the establishment who have direct contact with recipients, or who have unsupervised access to recipients, their personal property, or their private data.

(b) The provider of group residential housing or supplementary services must maintain compliance with all requirements established for entities initiating background studies under chapter 245C.

(c) Effective July 1, 2017, a provider of group residential housing or supplementary services must demonstrate that all individuals required to have a background study according to paragraph (a) have a notice stating either that:

- (1) the individual is not disqualified under section 245C.14; or
- (2) the individual is disqualified, but the individual has been issued a set-aside of the disqualification for that setting under section 245C.22.

Subd. 2d. **Conditions of payment; commissioner's right to suspend or terminate agreement.** (a) Group residential housing or supplementary services must be provided to the satisfaction of the commissioner, as determined at the sole discretion of the commissioner's authorized representative, and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations, including business registration requirements of the Office of the Secretary of State. A provider shall not receive

payment for services or housing found by the commissioner to be performed or provided in violation of federal, state, or local law, ordinance, rule, or regulation.

(b) The commissioner has the right to suspend or terminate the agreement immediately when the commissioner determines the health or welfare of the housing or service recipients is endangered, or when the commissioner has reasonable cause to believe that the provider has breached a material term of the agreement under subdivision 2b.

(c) Notwithstanding paragraph (b), if the commissioner learns of a curable material breach of the agreement by the provider, the commissioner shall provide the provider with a written notice of the breach and allow ten days to cure the breach. If the provider does not cure the breach within the time allowed, the provider shall be in default of the agreement and the commissioner may terminate the agreement immediately thereafter. If the provider has breached a material term of the agreement and cure is not possible, the commissioner may immediately terminate the agreement.

Subd. 2e. Providers holding health or human services licenses. (a) Except for facilities with only a board and lodging license, when group residential housing or supplementary service staff are also operating under a license issued by the Department of Health or the Department of Human Services, the minimum staff qualification requirements for the setting shall be the qualifications listed under the related licensing standards.

(b) A background study completed for the licensed service must also satisfy the background study requirements under this section, if the provider has established the background study contact person according to chapter 245C and as directed by the Department of Human Services.

Subd. 2f. Required services. In licensed and registered settings under subdivision 2a, providers shall ensure that participants have at a minimum:

- (1) food preparation and service for three nutritional meals a day on site;
- (2) a bed, clothing storage, linen, bedding, laundering, and laundry supplies or service;
- (3) housekeeping, including cleaning and lavatory supplies or service; and

(4) maintenance and operation of the building and grounds, including heat, water, garbage removal, electricity, telephone for the site, cooling, supplies, and parts and tools to repair and maintain equipment and facilities.

Subd. 2g. Crisis shelters. Secure crisis shelters for battered women and their children designated by the Minnesota Department of Corrections are not group residences under this chapter.

Subd. 3. Moratorium on development of group residential housing beds. (a) Agencies shall not enter into agreements for new group residential housing beds with total rates in excess of the MSA equivalent rate except:

(1) for group residential housing establishments licensed under Minnesota Rules, parts 9525.0215 to 9525.0355, provided the facility is needed to meet the census reduction targets for persons with developmental disabilities at regional treatment centers;

(2) up to 80 beds in a single, specialized facility located in Hennepin County that will provide housing for chronic inebriates who are repetitive users of detoxification centers and are refused placement in emergency

shelters because of their state of intoxication, and planning for the specialized facility must have been initiated before July 1, 1991, in anticipation of receiving a grant from the Housing Finance Agency under section 462A.05, subdivision 20a, paragraph (b);

(3) notwithstanding the provisions of subdivision 2a, for up to 190 supportive housing units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental illness, a history of substance abuse, or human immunodeficiency virus or acquired immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person who is living on the street or in a shelter or discharged from a regional treatment center, community hospital, or residential treatment program and has no appropriate housing available and lacks the resources and support necessary to access appropriate housing. At least 70 percent of the supportive housing units must serve homeless adults with mental illness, substance abuse problems, or human immunodeficiency virus or acquired immunodeficiency syndrome who are about to be or, within the previous six months, has been discharged from a regional treatment center, or a state-contracted psychiatric bed in a community hospital, or a residential mental health or chemical dependency treatment program. If a person meets the requirements of subdivision 1, paragraph (a), and receives a federal or state housing subsidy, the group residential housing rate for that person is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting the amount of the person's countable income that exceeds the MSA equivalent rate from the group residential housing supplementary rate. A resident in a demonstration project site who no longer participates in the demonstration program shall retain eligibility for a group residential housing payment in an amount determined under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are available and the services can be provided through a managed care entity. If federal matching funds are not available, then service funding will continue under section 256I.05, subdivision 1a;

(4) for an additional two beds, resulting in a total of 32 beds, for a facility located in Hennepin County providing services for recovering and chemically dependent men that has had a group residential housing contract with the county and has been licensed as a board and lodge facility with special services since 1980;

(5) for a group residential housing provider located in the city of St. Cloud, or a county contiguous to the city of St. Cloud, that operates a 40-bed facility, that received financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

(6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent persons, operated by a group residential housing provider that currently operates a 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

(7) for a group residential housing provider that operates two ten-bed facilities, one located in Hennepin County and one located in Ramsey County, that provide community support and 24-hour-a-day supervision to serve the mental health needs of individuals who have chronically lived unsheltered; and

(8) for a group residential facility in Hennepin County with a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility and that until August 1, 2007, operated as a licensed chemical dependency treatment program.

(b) An agency may enter into a group residential housing agreement for beds with rates in excess of the MSA equivalent rate in addition to those currently covered under a group residential housing agreement if the additional beds are only a replacement of beds with rates in excess of the MSA equivalent rate which

have been made available due to closure of a setting, a change of licensure or certification which removes the beds from group residential housing payment, or as a result of the downsizing of a group residential housing setting. The transfer of available beds from one agency to another can only occur by the agreement of both agencies.

Subd. 4. **Rental assistance.** For participants in the Minnesota supportive housing demonstration program under subdivision 3, paragraph (a), clause (5), notwithstanding the provisions of section 256I.06, subdivision 8, the amount of the group residential housing payment for room and board must be calculated by subtracting 30 percent of the recipient's adjusted income as defined by the United States Department of Housing and Urban Development for the Section 8 program from the fair market rent established for the recipient's living unit by the federal Department of Housing and Urban Development. This payment shall be regarded as a state housing subsidy for the purposes of subdivision 3. Notwithstanding the provisions of section 256I.06, subdivision 6, the recipient's countable income will only be adjusted when a change of greater than \$100 in a month occurs or upon annual redetermination of eligibility, whichever is sooner.

256I.05 MONTHLY RATES.

Subdivision 1. **Maximum rates.** Monthly room and board rates negotiated by a county agency for a recipient living in group residential housing must not exceed the MSA equivalent rate specified under section 256I.03, subdivision 5.

Subd. 1a. **Supplementary service rates.** (a) Subject to the provisions of section 256I.04, subdivision 3, the county agency may negotiate a payment not to exceed \$426.37 for other services necessary to provide room and board provided by the group residence if the residence is licensed by or registered by the Department of Health, or licensed by the Department of Human Services to provide services in addition to room and board, and if the provider of services is not also concurrently receiving funding for services for a recipient under a home and community-based waiver under title XIX of the Social Security Act; or funding from the medical assistance program under section 256B.0659, for personal care services for residents in the setting; or residing in a setting which receives funding under Minnesota Rules, parts 9535.2000 to 9535.3000. If funding is available for other necessary services through a home and community-based waiver, or personal care services under section 256B.0659, then the GRH rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case may the supplementary service rate exceed \$426.37. The registration and licensure requirement does not apply to establishments which are exempt from state licensure because they are located on Indian reservations and for which the tribe has prescribed health and safety requirements. Service payments under this section may be prohibited under rules to prevent the supplanting of federal funds with state funds. The commissioner shall pursue the feasibility of obtaining the approval of the Secretary of Health and Human Services to provide home and community-based waiver

services under title XIX of the Social Security Act for residents who are not eligible for an existing home and community-based waiver due to a primary diagnosis of mental illness or chemical dependency and shall apply for a waiver if it is determined to be cost-effective.

(b) The commissioner is authorized to make cost-neutral transfers from the GRH fund for beds under this section to other funding programs administered by the department after consultation with the county or counties in which the affected beds are located. The commissioner may also make cost-neutral transfers from the GRH fund to county human service agencies for beds permanently removed from the GRH census under a plan submitted by the county agency and approved by the commissioner. The commissioner shall report the amount of any transfers under this provision annually to the legislature.

(c) The provisions of paragraph (b) do not apply to a facility that has its reimbursement rate established under section 256B.431, subdivision 4, paragraph (c).

(d) Counties must not negotiate supplementary service rates with providers of group residential housing that are licensed as board and lodging with special services and that do not encourage a policy of sobriety on their premises and make referrals to available community services for volunteer and employment opportunities for residents.

Subd. 1b. [Repealed, 2014 c 262 art 1 s 12]

Subd. 1c. **Rate increases.** An agency may not increase the rates negotiated for group residential housing above those in effect on June 30, 1993, except as provided in paragraphs (a) to (f).

(a) An agency may increase the rates for group residential housing settings to the MSA equivalent rate for those settings whose current rate is below the MSA equivalent rate.

(b) An agency may increase the rates for residents in adult foster care whose difficulty of care has increased. The total group residential housing rate for these residents must not exceed the maximum rate specified in subdivisions 1 and 1a. Agencies must not include nor increase group residential housing difficulty of care rates for adults in foster care whose difficulty of care is eligible for funding by home and community-based waiver programs under title XIX of the Social Security Act.

(c) The room and board rates will be increased each year when the MSA equivalent rate is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase, less the amount of the increase in the medical assistance personal needs allowance under section 256B.35.

(d) When a group residential housing rate is used to pay for an individual's room and board, or other costs necessary to provide room and board, the rate payable to the residence must continue for up to 18 calendar days per incident that the person is temporarily absent from the residence, not to exceed 60 days in a calendar year, if the absence or absences have received the prior approval of the county agency's social service staff. Prior approval is not required for emergency absences due to crisis, illness, or injury.

(e) For facilities meeting substantial change criteria within the prior year. Substantial change criteria exists if the group residential housing establishment experiences a 25 percent increase or decrease in the total number of its beds, if the net cost of capital additions or improvements is in excess of 15 percent of the current market value of the residence, or if the residence physically moves, or changes its licensure, and incurs a resulting increase in operation and property costs.

(f) Until June 30, 1994, an agency may increase by up to five percent the total rate paid for recipients of assistance under sections 256D.01 to 256D.21 or 256D.33 to 256D.54 who reside in residences that are

licensed by the commissioner of health as a boarding care home, but are not certified for the purposes of the medical assistance program. However, an increase under this clause must not exceed an amount equivalent to 65 percent of the 1991 medical assistance reimbursement rate for nursing home resident class A, in the geographic grouping in which the facility is located, as established under Minnesota Rules, parts 9549.0050 to 9549.0058.

256I.06 PAYMENT METHODS.

Subdivision 1. **Monthly payments.** Monthly payments made on an individual's behalf for group residential housing must be issued as a voucher or vendor payment.

Subd. 2. **Time of payment.** A county agency may make payments to a group residence in advance for an individual whose stay in the group residence is expected to last beyond the calendar month for which the payment is made. Group residential housing payments made by a county agency on behalf of an individual who is not expected to remain in the group residence beyond the month for which payment is made must be made subsequent to the individual's departure from the group residence.

[See Note.]

Subd. 3. **Filing of application.** The county agency must immediately provide an application form to any person requesting group residential housing. Application for group residential housing must be in writing on a form prescribed by the commissioner. The county agency must determine an applicant's eligibility for group residential housing as soon as the required verifications are received by the county agency and within 30 days after a signed application is received by the county agency for the aged or blind or within 60 days for the disabled.

Subd. 4. **Verification.** The county agency must request, and applicants and recipients must provide and verify, all information necessary to determine initial and continuing eligibility and group residential housing payment amounts. If necessary, the county agency shall assist the applicant or recipient in obtaining verifications. If the applicant or recipient refuses or fails without good cause to provide the information or verification, the county agency shall deny or terminate eligibility for group residential housing payments.

Subd. 5. **Redetermination of eligibility.** The eligibility of each recipient must be redetermined at least once every 12 months.

Subd. 6. **Reports.** Recipients must report changes in circumstances according to section 256P.07 that affect eligibility or group residential housing payment amounts, other than changes in earned income, within ten days of the change. Recipients with countable earned income must complete a household report form at least once every six months. If the report form is not received before the end of the month in which it is due, the county agency must terminate eligibility for group residential housing payments. The termination shall be effective on the first day of the month following the month in which the report was due. If a complete report is received within the month eligibility was terminated, the individual is considered to have continued an application for group residential housing payment effective the first day of the month the eligibility was terminated.

[See Note.]

Subd. 7. **Determination of rates.** The agency in the county in which a residence is located shall determine the amount of group residential housing rate to be paid on behalf of an individual in the residence regardless of the individual's agency of financial responsibility.

Subd. 8. **Amount of group residential housing payment.** (a) The amount of a group residential housing payment to be made on behalf of an eligible individual is determined by subtracting the individual's countable income under section 256I.04, subdivision 1, for a whole calendar month from the group residential housing charge for that same month. The group residential housing charge is determined by mul-

tipling the group residential housing rate times the period of time the individual was a resident or temporarily absent under section 256I.05, subdivision 1c, paragraph (d).

(b) For an individual with earned income under paragraph (a), prospective budgeting must be used to determine the amount of the individual's payment for the following six-month period. An increase in income shall not affect an individual's eligibility or payment amount until the month following the reporting month. A decrease in income shall be effective the first day of the month after the month in which the decrease is reported.
