#### 353.01 DEFINITIONS.

Subdivision 1. **Terms.** Unless the language or context clearly indicates that a different meaning is intended, each of the following terms, for the purposes of this chapter, has the meaning given it.

Subd. 2. **Public employee.** "Public employee" means a governmental employee or a public officer performing personal services for a governmental subdivision defined in subdivision 6, whose salary is paid, in whole or in part, from revenue derived from taxation, fees, assessments, or from other sources. For purposes of membership in the association, the term includes the classes of persons listed in subdivision 2a and excludes the classes of persons listed in subdivision 2b. The term also includes persons who elect association membership under subdivision 2d, paragraph (a), and persons for whom the applicable governmental subdivision had elected association membership under subdivision 2d, paragraph (b).

Subd. 2a. **Included employees; mandatory membership.** (a) Public employees whose annual salary from one governmental subdivision is stipulated in advance to exceed \$5,100 if the person is not a school year employee or \$3,800 if the person is a school year employee and who are not specifically excluded under subdivision 2b or who have not been provided an option to participate under subdivision 2d, whether individually or by action of the governmental subdivision, must participate as members of the association with retirement coverage by the general employees retirement plan under this chapter, the public employees police and fire retirement plan under this chapter, or the local government correctional employees retirement plan under chapter 353E, whichever applies. Membership commences as a condition of their employment on the first day of their employment or on the first day that the eligibility criteria are met, whichever is later. Public employees include but are not limited to:

(1) persons whose salary meets the threshold in this paragraph from employment in one or more positions within one governmental subdivision;

(2) elected county sheriffs;

(3) persons who are appointed, employed, or contracted to perform governmental functions that by law or local ordinance are required of a public officer, including, but not limited to:

(i) town and city clerk or treasurer;

(ii) county auditor, treasurer, or recorder;

(iii) city manager as defined in section 353.028 who does not exercise the option provided under subdivision 2d; or

(iv) emergency management director, as provided under section 12.25;

(4) physicians under section 353D.01, subdivision 2, who do not elect public employees defined contribution plan coverage under section 353D.02, subdivision 2;

(5) full-time employees of the Dakota County Agricultural Society;

(6) employees of the Red Wing Port Authority who were first employed by the Red Wing Port Authority before May 1, 2011, and who are not excluded employees under subdivision 2b;

(7) employees of the Seaway Port Authority of Duluth who are not excluded employees under subdivision 2b;

(8) employees of the Stevens County Housing and Redevelopment Authority who were first employed by the Stevens County Housing and Redevelopment Authority before May 1, 2014, and who are not excluded employees under subdivision 2b;

(9) employees of the Minnesota River Area Agency on Aging who were first employed by a Regional Development Commission before January 1, 2016, and who are not excluded employees under subdivision 2b; and

(10) employees of the Public Employees Retirement Association.

(b) A public employee or elected official who was a member of the association on June 30, 2002, based on employment that qualified for membership coverage by the public employees retirement plan or the public employees police and fire plan under this chapter, or the local government correctional employees retirement plan under chapter 353E as of June 30, 2002, retains that membership for the duration of the person's employment in that position or incumbency in elected office. Except as provided in subdivision 28, the person shall participate as a member until the employee or elected official terminates public employment under subdivision 11a or terminates membership under subdivision 11b.

(c) If in any subsequent year the annual salary of an included public employee is less than the minimum salary threshold specified in this subdivision, the member retains membership eligibility.

(d) For the purpose of participation in the general employees retirement plan, public employees include employees who were members of the former Minneapolis Employees Retirement Fund on June 29, 2010.

Subd. 2b. **Excluded employees.** (a) The following public employees are not eligible to participate as members of the association with retirement coverage by the general employees retirement plan, the local government correctional employees retirement plan under chapter 353E, or the public employees police and fire retirement plan:

(1) persons whose annual salary from one governmental subdivision never exceeds an amount, stipulated in writing in advance, of \$5,100 if the person is not a school district employee or \$3,800 if the person is a school year employee. (2) public officers who are elected to a governing body, city mayors, or persons who are appointed to fill a vacancy in an elective office of a governing body, whose term of office commences on or after July 1, 2002, for the service to be rendered in that elective position;

(7) employees who by virtue of their employment in one governmental subdivision are required by law to be a member of and to contribute to any of the plans or funds administered by the Minnesota State Retirement

System, the Teachers Retirement Association, or the St. Paul Teachers Retirement Fund Association, but this exclusion must not be construed to prevent a person from being a member of and contributing to the Public Employees Retirement Association and also belonging to and contributing to another public pension plan or fund for other service occurring during the same period of time, and a person who meets the definition of "public employee" in subdivision 2 by virtue of other service occurring during the same period of time becomes a member of the association unless contributions are made to another public retirement plan on the salary based on the other service or to the Teachers Retirement Association by a teacher as defined in section 354.05, subdivision 2;

Subd. 11a. **Termination of public service.** (a) "Termination of public service" occurs when:

(1) a member resigns or is dismissed from public service by the employing governmental subdivision and the employee does not, within 30 days of the date the employment relationship ended, return to an employment position with a governmental subdivision; or

(2) the employer-employee relationship is severed due to the expiration of a layoff under subdivision 12 or 12c.

(b) The termination of public service must be recorded in the association records upon receipt of an appropriate notice from the governmental subdivision.

(c) A termination of public service does not occur if:

(1) prior to termination of service, the member has an agreement, verbal or written, to provide service to a governmental subdivision as an employee or to the same governmental subdivision as an independent contractor or employee of an independent contractor; or

(2) within 30 days after the date the employment relationship ended, the member provides service to the same governmental subdivision as an independent contractor or employee of an independent contractor.

Subd. 11b. **Termination of membership.** (a) "Termination of membership" means the conclusion of membership in the association for a person who has not terminated public service under subdivision 11a and occurs:

(1) when a person files a written election with the association to discontinue employee deductions under section 353.27, subdivision 7, paragraph (a), clause (1);

(2) when a city manager files a written election with the association to discontinue employee deductions under section 353.028, subdivision 2;

(3) when a member transfers to a temporary position and becomes excluded from membership under subdivision 2b, clause (5); or

(4) when a member is approved to participate in the postretirement option authorized under section 353.371.

(b) The termination of membership under paragraph (a), clauses (3) and (4), must be reported to the association by the governmental subdivision.

Subd. 12. **Authorized temporary or seasonal layoff.** "Authorized temporary or seasonal layoff," including seasonal leave of absence, means a suspension of public service for a limited period during a year that is authorized by the employing governmental subdivision for a member who is expected at the start of the period to return to the same position at the end of the layoff period and for whom there has been no termination of public service under subdivision 11a.

Subd. 12a. **Temporary position.** (a) "Temporary position" means an employment position predetermined by the employer at the time of hiring to be a period of six months or less. Temporary position also means an employment position occupied by a person hired by the employer as a temporary replacement who is employed for a predetermined period of six months or less.

(b) "Temporary position" does not mean an employment position for a specified or unspecified term in which a person serves a probationary period as a requirement for subsequent employment on a permanent or unlimited basis.

(c) If employment in a temporary position extends beyond six consecutive months, the head of the department shall report the employee for membership if salary in any month exceeds the salary threshold specified in subdivision 2a. The membership eligibility of an employee who resigns or is dismissed from a temporary position and accepts another temporary position in the same governmental subdivision within 30 days must be determined on the total length of employment rather than on each separate position.

Subd. 12b. **Seasonal position.** "Seasonal position" means a position where the nature of the work or its duration are related to a specific season or seasons of the year, regardless of whether or not the employing agency anticipates that the same employee will return to the position each season in which it becomes available. The entire period of employment in a year must be used to determine whether or not a position may be excluded as seasonal when there is less than a 30-day break between one seasonal position and a subsequent seasonal position for employment with the same governmental employer. Seasonal positions include, but are not limited to, coaching athletic activities or employment to plow snow or to maintain roads or parks, or to operate skating rinks, ski lodges, golf courses, or swimming pools.

Subd. 12c. **Indefinite layoff.** "Indefinite layoff" occurs when a member is placed on a layoff that is not a temporary or seasonal layoff under subdivision 12, for which no date has been specified by the employing governmental subdivision for the employee's return to work, and there has been no termination of public service under subdivision 11a.

Subd. 13. [Repealed, 1963 c 641 s 38]

Subd. 14. **Actuarial equivalent.** (a) "Actuarial equivalent" means the condition of one annuity or benefit having an equal actuarial present value as another annuity or benefit, determined as of a given date with each actuarial present value based on the appropriate mortality table adopted by the board of trustees based

on the experience of the fund as recommended by the actuary retained under section 356.214, and approved under section 356.215, subdivision 18, and using the applicable preretirement or postretirement interest rate assumption specified in section 356.215, subdivision 8.

(b) For purposes of computing a joint and survivor annuity, the postretirement interest rate assumption specified in section 356.461 must be used rather than the postretirement interest rate specified in section 356.215, subdivision 8.

*[See Note.]*

Subd. 15. **Dependent child.** For the purpose of survivor benefit eligibility under sections 353.31, subdivision 1, and 353.657, subdivision 3, "dependent child" means a biological or adopted child of a deceased member who is unmarried, and under the age of 18, or age 18 to 23, so long as the child submits evidence of full-time enrollment in an accredited educational institution. "Dependent child" also includes a child of the member conceived during the member's lifetime and born after the member's death. It also means a dependent child who is the subject of adoption proceedings filed by a member, and who within two years after death of the member, by judgment and decree duly entered, is adjudged to be the adopted child of the deceased member; subject, however, to the qualifying conditions of age and dependency under this subdivision. The dependency of the child dates from the decree of adoption. "Dependent child" also includes a child age 18 to 23 who had submitted evidence of full-time enrollment in an accredited educational institution but was determined to be medically unable to continue school on a full-time basis. The board of trustees shall adopt written procedures to make determinations regarding eligibility based on a student being medically unable to continue school, and may not continue a benefit for medical reasons for a period greater than one year.

Subd. 15a. **Dependent child.** For the purpose of survivor benefit eligibility under section 353.32, subdivision 1c, "dependent child" means any biological or adopted child of a deceased member who has not reached the age of 20 and is dependent for more than one-half of support upon the member. It also includes any child of the member conceived during the member's lifetime and born after the member's death.

Subd. 16. **Allowable service; limits and computation.** (a) "Allowable service" means:

(1) service during years of actual membership in the course of which employee deductions were withheld from salary and contributions were made at the applicable rates under section 353.27, 353.65, or 353E.03;

(2) periods of service covered by payments in lieu of salary deductions under sections 353.27, subdivisions 12 and 12a, and 353.35;

(3) service in years during which the public employee was not a member but for which the member later elected, while a member, to obtain credit by making payments to the fund as permitted by any law then in effect;

(4) a period of authorized leave of absence during which the employee receives pay as specified in subdivision 10, paragraph (a), clause (4) or (5), from which deductions for employee contributions are made, deposited, and credited to the fund;

(5) a period of authorized leave of absence without pay, or with pay that is not included in the definition of salary under subdivision 10, paragraph (a), clause (4) or (5), for which salary deductions are not authorized, and for which a member obtained service credit for up to 12 months of the authorized leave period by payment under section 353.0161 or 353.0162, to the fund made in place of salary deductions;

(6) a periodic, repetitive leave that is offered to all employees of a governmental subdivision. The leave program may not exceed 208 hours per annual normal work cycle as certified to the association by the employer. A participating member obtains service credit by making employee contributions in an amount or amounts based on the member's average salary, excluding overtime pay, that would have been paid if the leave had not been taken. The employer shall pay the employer and additional employer contributions on behalf of the participating member. The employee and the employer are responsible to pay interest on their respective shares at the rate of 8.5 percent until June 30, 2015, and eight percent thereafter, compounded annually, from the end of the normal cycle until full payment is made. An employer shall also make the employer and additional employer contributions, plus 8.5 percent interest until June 30, 2015, and eight percent interest thereafter, compounded annually, on behalf of an employee who makes employee contributions but terminates public service. The employee contributions must be made within one year after the end of the annual normal working cycle or within 30 days after termination of public service, whichever is sooner. The executive director shall prescribe the manner and forms to be used by a governmental subdivision in administering a periodic, repetitive leave. Upon payment, the member must be granted allowable service credit for the purchased period;

(7) an authorized temporary or seasonal layoff under subdivision 12, limited to three months allowable service per authorized temporary or seasonal layoff in one calendar year. An employee who has received the maximum service credit allowed for an authorized temporary or seasonal layoff must return to public service and must obtain a minimum of three months of allowable service subsequent to the layoff in order to receive allowable service for a subsequent authorized temporary or seasonal layoff;

(8) a period during which a member is absent from employment by a governmental subdivision by reason of service in the uniformed services, as defined in United States Code, title 38, section 4303(13), if the member returns to public service with the same governmental subdivision upon discharge from service in the uniformed service within the time frames required under United States Code, title 38, section 4312(e), provided that the member did not separate from uniformed service with a dishonorable or bad conduct discharge or under other than honorable conditions. The service must be credited if the member pays into the fund equivalent employee contributions based upon the contribution rate or rates in effect at the time that the uniformed service was performed multiplied by the full and fractional years being purchased and applied to the annual salary rate. The annual salary rate is the average annual salary during the purchase period that the member would have received if the member had continued to be employed in covered employment rather than to provide uniformed service, or, if the determination of that rate is not reasonably certain, the annual salary rate is the member's average salary rate during the 12-month period of covered employment rendered immediately preceding the period of the uniformed service. Payment of the member equivalent contributions must be made during a period that begins with the date on which the individual returns to public employment and that is three times the length of the military leave period, or within five years of the date of discharge from the military service, whichever is less. If the determined payment period is less than one year, the contributions required under this clause to receive service credit may be made within one year of the discharge date. Payment may not be accepted following 30 days after termination of public service under subdivision 11a. If the member equivalent contributions provided for in this clause are not paid in full, the member's allowable service credit must be prorated by multiplying the full and fractional number of years of uniformed service eligible for purchase by the ratio obtained by dividing the total member contributions received by the total member contributions otherwise required under this clause. The equivalent employer contribution, and, if applicable, the equivalent additional employer contribution must be paid by the governmental subdivision employing the member if the member makes the equivalent employee contributions. The employer payments must be made from funds available to the employing unit, using the employer and additional employer contribution rate or rates in effect at the time that the uniformed service

was performed, applied to the same annual salary rate or rates used to compute the equivalent member contribution. The governmental subdivision involved may appropriate money for those payments. The amount of service credit obtainable under this section may not exceed five years unless a longer purchase period is required under United States Code, title 38, section 4312. The employing unit shall pay interest on all equivalent member and employer contribution amounts payable under this clause. Interest must be computed at the rate of 8.5 percent until June 30, 2015, and eight percent thereafter, compounded annually, from the end of each fiscal year of the leave or the break in service to the end of the month in which the payment is received. Upon payment, the employee must be granted allowable service credit for the purchased period; or

(9) a period specified under section 353.0162.

(b) No member may receive more than 12 months of allowable service credit in a year either for vesting purposes or for benefit calculation purposes.

(c) For an active member who was an active member of the former Minneapolis Firefighters Relief Association on December 29, 2011, "allowable service" is the period of service credited by the Minneapolis Firefighters Relief Association as reflected in the transferred records of the association up to December 30, 2011, and the period of service credited under paragraph (a), clause (1), after December 30, 2011. For an active member who was an active member of the former Minneapolis Police Relief Association on December 29, 2011, "allowable service" is the period of service credited by the Minneapolis Police Relief Association as reflected in the transferred records of the association up to December 30, 2011, and the period of service credited under paragraph (a), clause (1), after December 30, 2011.

Subd. 17a. **Average salary.** (a) "Average salary," unless otherwise specified, means an amount equivalent to the average of the highest salary of the member, police officer, or firefighter, whichever applies, upon which employee contributions were paid for any five successive years of allowable service, based on dates of salary periods as listed on salary deduction reports. "Average salary" includes the salary of the employee during the period of covered employment rendered after reaching the allowable service credit limit of section 353.651, subdivision 3, paragraph (b). Average salary must be based upon all allowable service if this service is less than five years.

(b) "Average salary" may not include any reduced salary paid during a period in which the employee is entitled to benefit payments from workers' compensation for temporary disability, unless the average salary is higher, including this period.

(c) "Average salary," for purposes of calculating benefits for a surviving spouse or dependent children under section 353.657, subdivision 2 or 3, means the average of the full-time monthly base salary rate in effect during the last six months of allowable service. If the employment during the last six months of allowable service was part time, the average salary must be prorated based on the actual number of hours worked.

A retirement annuity is also payable from a defined benefit plan under this chapter to an eligible member who terminates public service and who, within 30 days of separation, takes office as an elected official of a governmental subdivision.

(c) Elected officials included in association membership under subdivisions 2a and 2d meet the 30-day separation requirement under this section by resigning from office before filing for a subsequent term in the same office and by remaining completely and continuously separated from that office for 30 days prior to the date of the election.

Subd. 29. **Designated beneficiary.** "Designated beneficiary" means the person, organization, trust, or estate designated by a member, former member, or a person legally authorized to act on behalf of the member or former member to receive a refund of the balance of the member's or former member's accumulated deductions after death. A beneficiary designation is valid if it is made in the form prescribed by the executive director and is received by the association on or before the date of death of the member or former member. If a beneficiary designation is deemed to be invalid for any reason, any remaining balance of the member's

Subd. 2. **Purchase procedure.** (a) An employee covered by a plan specified in subdivision 1 may purchase credit for allowable service in that plan for a period specified in subdivision 1 if the employee makes a payment as specified in paragraph (b) or (c), whichever applies. The employing unit, at its option, may pay the employer portion of the amount specified in paragraph (b) on behalf of its employees.

(b) If payment is received by the executive director within one year from the date the member returned to work following the authorized leave, or within 30 days after the date of termination of public service if the member did not return to work, the payment amount is equal to the employee and employer contribution rates specified in law for the applicable plan at the end of the leave period, or at termination of public service, whichever is earlier, multiplied by the employee's average monthly salary, excluding overtime, upon which deductions were paid during the six months, or portion thereof, before the commencement of the leave of absence and by the number of months of the leave of absence for which the employee wants allowable service credit. Payments made under this paragraph must include compound interest at the monthly rate of 0.71 percent until June 30, 2015, and 0.667 percent per month thereafter from the last day of the leave period until the last day of the month in which payment is received.

(2) on an authorized leave of absence; or

(3) on an authorized partial paid leave of absence as a result of a budgetary or salary savings program offered or mandated by a governmental subdivision.

(3) plus, if applicable, an equivalent employer additional amount equal to the additional employer contribution rate in section 353.27, subdivision 3a, multiplied by the differential salary amount.

(e) The employer, by appropriate action of its governing body and documented in its official records, may pay the employer equivalent contributions and, as applicable, the equivalent employer additional contributions on behalf of the member.

(f) Payment under this section must include interest on the contribution amount or amounts, whichever applies, at an 8.5 percent annual rate until June 30, 2015, and at an eight percent annual rate thereafter, prorated for applicable months from the date on which the period of reduced salary specified under this section terminates to the date on which the payment or payments are received by the executive director. Payment under this section must be completed within the earlier of 30 days from termination of public service by the employee under section 353.01, subdivision 11a, or one year after the termination of the period specified in paragraph (b), as further restricted under this section.

(b) "City manager" means (1) a person who is duly appointed to and is holding the position of city manager in a Plan B statutory city or in a home rule city operating under the "council-manager" form of government, or (2) a person who is appointed to and is holding the position of chief administrative officer of a home rule charter city or a statutory city under a charter provision, ordinance, or resolution establishing such a position and prescribing its duties and responsibilities.

(c) "Governing body" means the city council of the city employing the city manager.

(d) "Election" means the election described in subdivision 2.

Subd. 2. **Election.** (a) A city manager may elect to be excluded from membership in the general employees retirement plan of the Public Employees Retirement Association. The election of exclusion must be made within six months following the commencement of employment, must be made in writing on a form prescribed by the executive director, and must be approved by a resolution adopted by the governing body of the city. The election of exclusion is not effective until it is filed with the executive director. Membership of a city manager in the general employees retirement plan ceases on the date the written election is received by the executive director or upon a later date specified. Employee and employer contributions made on behalf of a person exercising the option to be excluded from membership under this section must be refunded in accordance with section 353.27, subdivision 7.

(c) An election under paragraph (b) is irrevocable. Any election under paragraph (a) or (b) must include a statement that the individual will not seek authorization to purchase service credit for any period of excluded service.

**Subd. 3. (b) Alternatively, if an election of exclusion under subdivision 2 is made, the city manager and the governing body of the city may agree in writing that the equivalent employer contribution to the contribution under section 353.27, subdivision 3, be contributed by the city to the defined contribution plan of the Public Employees Retirement Association under chapter 353D.

**Subd. 4. Refunds; deferred annuity.** A city manager who makes an election to be excluded from membership is entitled to a refund of accumulated deductions or, if otherwise qualified, a deferred annuity under section 353.34, at the option of the manager.

Management; composition; election.** (a) The management of the Public Employees Retirement Association is vested in an 11-member board of trustees consisting of ten members and the state auditor. The state auditor may designate a deputy auditor with expertise in pension matters as the auditor's representative on the board. The governor shall appoint five trustees to four-year terms, one of whom shall be designated to represent school boards, one to represent cities, one to represent counties, one who is a retired annuitant, and one who is a public member knowledgeable in pension matters. The membership of the association, including recipients of retirement annuities and disability and survivor benefits, shall elect five trustees for terms of four years, one of whom must be a member of the police and fire fund and one of whom must be a former member who met the definition of public employee under section 353.01, subdivisions 2 and 2a, for at least five years prior to terminating membership and who is receiving a retirement annuity or a member who receives a disability benefit. Except as provided in this subdivision, trustees elected by the membership of the association must be public employees and members of the association.

(b) For seven days beginning October 1 of each year preceding a year in which an election is held, the association shall accept filings of candidates for the board of trustees. A candidate shall submit at the time of

filing a nominating petition signed by 25 or more members of the association. No name may be withdrawn from nomination by the nominee after October 15. At the request of a candidate for an elected position on the board of trustees, the board shall provide a statement of up to 300 words prepared by the candidate to all persons eligible to vote in the election of the candidate. The board may adopt policies and procedures to govern the form and length of these statements and the timing and deadlines for submitting materials to be distributed to the eligible voters.

(c) By January 10 of each year in which elections are to be held, the board shall distribute to the eligible voters the instructions and materials necessary to vote for the candidates seeking terms on the board of trustees. Eligible voters are the members, retirees, and other benefit recipients. No voter may vote for more than one candidate for each board position to be filled. A vote for more than one person for any position is void. No special marking may be used to indicate incumbents. Votes cast by using paper ballots mailed to the association must be postmarked no later than January 31. Votes cast by using telephone or other electronic means authorized under the board's procedures must be entered by the end of the day on January 31. The design of the voting response media must ensure that each voter's vote is secret.

(d) A candidate who receives contributions, who makes expenditures in excess of \$100, or who has given implicit or explicit consent for any other person to receive contributions or make expenditures in excess of \$100 for the purpose of bringing about the candidate's election shall file a report with the campaign finance and public disclosure board disclosing the source and amount of all contributions to the candidate's campaign. The campaign finance and public disclosure board shall prescribe forms governing these disclosures. Expenditures and contributions have the meaning defined in section 10A.01. These terms do not include any distribution made by the association board on behalf of the candidate. A candidate shall file a report within 30 days from the day that the results of the election are announced. The Campaign Finance and Public Disclosure Board shall maintain these reports and make them available for public inspection in the same manner as the board maintains and makes available other reports filed with it.

(e) The secretary of state shall review and comment on the procedures defined by the board of trustees for conducting the elections specified in this subdivision, including board policies adopted under paragraph (b).

(f) The board of trustees and the executive director shall undertake their activities consistent with chapter 356A.

Subd. 1a. **Vacancy.** Any vacancy on the board caused by death, resignation, or removal of any trustee, or occurring because an elected trustee ceases to be a public employee and an active member of the association, must be filled by the board for trustees elected by members, and by the governor for other trustees, for the unexpired portion of the term in which the vacancy occurs. The board shall adopt policies and procedures governing how the vacancy of an elected trustee is to be filled.

Subd. 2. **No compensation; expenses paid.** The members of the board of trustees shall serve without compensation, but shall be reimbursed out of the retirement fund for expenses actually and necessarily paid or incurred in the performance of their duties. (10) approve early retirement and optional annuity factors, subject to review by the actuary retained by the Legislative Commission on Pensions and Retirement; establish the schedule for implementation of the approved factors; and notify the Legislative Commission on Pensions and Retirement of the implementation schedule.

(b) In passing upon all applications and claims, the board may summon, swear, hear, and examine witnesses and, in the case of claims for disability benefits, may require the claimant to submit to a medical examination by a physician of the board's choice, at the expense of the fund, as a condition precedent to the passing on the claim, and, in the case of all applications and claims, may conduct investigations necessary to determine their validity and merit.

(c) The board may continue to authorize the sale of life insurance to members under the insurance program in effect on January 1, 1985, but must not change that program without the approval of the commissioner of management and budget. The association shall not receive any financial benefit from the life insurance program beyond the amount necessary to reimburse the association for costs incurred in administering the program. The association shall not engage directly or indirectly in any other activity involving the sale or promotion of goods or services, or both, whether to members or nonmembers.

(d) The board shall establish procedures governing reimbursement of expenses to board members. These procedures must define the types of activities and expenses that qualify for reimbursement, must provide that all out-of-state travel be authorized by the board, and must provide for the independent verification of claims for expense reimbursement. The procedures must comply with the applicable rules and policies of the Department of Management and Budget and the Department of Administration.

(e) The board may purchase fiduciary liability insurance and official bonds for the officers and members of the board of trustees and employees of the association and may purchase property insurance or may establish a self-insurance risk reserve including, but not limited to, data processing insurance and "extra-expense" coverage.

Subd. 3a. **Executive director.** (a) **Appointment.** The board shall appoint an executive director on the basis of education, experience in the retirement field, and leadership ability. The executive director must have had at least five years' experience in an executive level management position, which has included responsibility for pensions, deferred compensation, or employee benefits. ### **353.031 DISABILITY DETERMINATION PROCEDURES.**

Subdivision 1. **Application.** This section applies to all disability determinations for the public employees general fund, the public employees police and fire fund, and the local government correctional service retirement plan and any other disability determination subject to approval by the board, except as otherwise specified in section 353.33, 353.656, or 353E.05. These requirements and the requirements of section 353.03, subdivision 3, are in addition to the specific requirements of each plan and govern in the event there is any conflict between these sections and the procedures specific to any of those plans under section 353.33, 353.656, or 353E.06.

Subd. 2. **Plan document policy statement.** Disability determinations for the public employees general fund must be made subject to section 353.01, subdivision 19; and for the police and fire plan and the local government correctional service retirement plan must be made consistent with the legislative policy and intent set forth in section 353.63.

Subd. 3. **Procedure to determine eligibility; generally.** (a) Every claim for a disability benefit must be initiated in writing on an application form and in the manner prescribed by the executive director and filed with the executive director. An application for disability benefits must be made within 18 months following termination of public service as defined under section 353.01, subdivision 11a.

(b) All medical reports must support a finding that the disability arose before the employee was placed on any paid or unpaid leave of absence or terminated public service, as defined under section 353.01, subdivision 11a.

(c) An applicant for disability shall provide a detailed report signed by a licensed medical doctor and at least one additional report signed by a medical doctor, psychologist, or chiropractor. The applicant shall authorize the release of all medical and health care evidence, including all medical records and relevant information from any source, to support the application for initial, or the continuing payment of, disability benefits.

(d) All reports must contain an opinion regarding the claimant's prognosis, the duration of the disability, and the expectations for improvement. Any report that does not contain and support a finding that the disability will last for at least one year may not be relied upon to support eligibility for benefits.

(e) Where the medical evidence supports the expectation that at some point in time the claimant will no longer be disabled, any decision granting disability may provide for a termination date upon which disability can be expected to no longer exist. In the event a termination date is made part of the decision granting benefits, prior to the actual termination of benefits, the claimant shall have the opportunity to show that the disabling condition for which benefits were initially granted continues. In the event the benefits terminate in accordance with the original decision, the claimant may petition for a review by the board of trustees under section 353.03, subdivision 3, or may reapply for disability in accordance with these procedures and section 353.33, 353.656, or 353E.06, as applicable.

(f) Any claim to disability must be supported by a report from the employer indicating that there is no available work that the employee can perform in the employee's disabled condition and that all reasonable accommodations have been considered. Upon request of the executive director, an employer shall provide evidence of the steps the employer has taken to attempt to provide reasonable accommodations

and continued employment to the claimant. The employer shall also provide a certification of the member's past public service; the dates of any paid sick leave, vacation, or any other employer-paid salary continuation plan beyond the last working day; and whether or not any sick or annual leave has been allowed.

(g) An employee who is placed on leave of absence without compensation because of a disability is not barred from receiving a disability benefit.

(h) An applicant for disability benefits may file a retirement annuity application under section 353.29, subdivision 4, simultaneously with an application for disability benefits. If the application for disability benefits is approved, the retirement annuity application is canceled. If disability benefits are denied, the retirement annuity application must be processed upon the request of the applicant. No member of the public employees general plan, the public employees police and fire plan, or the local government correctional service retirement plan may receive a disability benefit and a retirement annuity simultaneously from the same plan.

**Subd. 4. Additional requirements; eligibility for police and fire or local government correctional service retirement plan disability benefits.** (a) If an application for disability benefits is filed within two years of the date of the injury or the onset of the illness that gave rise to the disability application, the application must be supported by evidence that the applicant is unable to perform the duties of the position held by the applicant on the date of the injury or the onset of the illness causing the disability. The employer must provide evidence indicating whether the applicant is able or unable to perform the duties of the position held on the date of the injury or onset of the illness causing the disability, a clear explanation of any duties that the individual can or cannot perform, and an explanation of why the employer may or may not authorize continued employment to the applicant in the current or other position.

(b) If an application for disability benefits is filed more than two years after the date of injury or the onset of an illness causing the disability, the application must be supported by evidence that the applicant is unable to perform the duties that were expected to be performed by the applicant during the 90 days preceding the last day the applicant performed services for the employer. The employer must provide evidence of the duties that were expected to be performed by the applicant during the 90 days preceding the last day the applicant performed services, whether the applicant can or cannot perform those duties overall, a clear explanation of any duties that the applicant can or cannot perform, and an explanation of why the employer may or may not authorize continued employment to the applicant in the current or other position.

(c) Any report supporting a claim to disability benefits under section 353.656 or 353E.06 must specifically relate the disability to its cause; and for any claim to duty disability from an injury or illness arising out of an act of duty, the report must state the specific act of duty giving rise to the claim, and relate the cause of disability to inherently dangerous duties specific to the positions covered by the public employees police and fire plan and the local government correctional service retirement plan. Any report that does not relate the cause of disability to specific inherently dangerous duties performed by the employee may not be relied upon as evidence to support eligibility for benefits and may be disregarded in the executive director's decision-making process.

(d) Any application for duty disability must be supported by a first report of injury as defined in section 176.231.

(e) If a member who has applied for and been approved for disability benefits before the termination of service does not terminate service or is not placed on an authorized leave of absence as certified by the governmental subdivision within 45 days following the date on which the application is approved, the ap-

plication shall be canceled. If an approved application for disability benefits has been canceled, a subsequent application for disability benefits may not be filed on the basis of the same medical condition for a minimum of one year from the date on which the previous application was canceled.

Subd. 5. **Medical adviser.** The executive director may contract with an accredited independent organization specializing in disability determinations or a licensed physician to be the medical adviser of the association. The medical adviser shall review all medical reports submitted to the association, including the findings of an independent medical examination requested under this section, and shall advise the executive director.

Subd. 6. **Independent medical examination.** Any individual applying for or receiving disability benefits must submit to an independent medical examination if requested by the executive director. The medical examination must be paid for by the association.

Subd. 7. **Refusal of examination or medical evidence.** If a person applying for or receiving a disability benefit refuses to submit to a medical examination under subdivision 6, or fails to provide or to authorize the release of medical evidence under subdivision 3, the association shall cease the application process or shall discontinue the payment of a disability benefit, whichever is applicable. Upon the receipt of the requested medical evidence, the association shall resume the application process or the payment of a disability benefit upon approval for the continuation, whichever is applicable.

Subd. 8. **Proof of continuing disability.** (a) A disability benefit payment must not be made except upon adequate proof furnished to the executive director of the association that the person remains disabled.

(b) During the time when disability benefits are being paid, the executive director of the association has the right, at reasonable times, to require the disabled member to submit proof of the continuance of the disability claimed.

(c) Adequate proof of a disability must include a written expert report by a licensed physician, a licensed chiropractor, or, with respect to a mental impairment, a licensed psychologist.

Subd. 9. **Application approval or denial; decision of executive director.** Any decision of the executive director is final, except that a member whose application for disability benefits or whose continuation of disability benefits is denied may appeal the executive director's decision to the board of trustees within 60 days of receipt of a certified letter notifying the member of the decision to deny the application or continuation of benefits. In developing the record for review by the board when a decision is appealed, the executive director may direct that the applicant participate in a fact-finding session conducted by an administrative law judge assigned by the Office of Administrative Hearings, and, as applicable, a vocational assessment conducted by the qualified rehabilitation counselor on contract with the Public Employees Retirement Association.

Subd. 10. **Restoring forfeited service and salary credit.** (a) To restore forfeited service and salary credit, a repayment of a refund must be made within six months after the effective date of disability benefits or within six months after the date of the filing of the disability application, whichever is later.

(b) Except for the salary credit purchase authorized under section 353.0162, paragraph (b), clause (1), no purchase of prior service or payment made in lieu of salary deductions otherwise authorized under section 353.01 or 353.0162 may be made after the occurrence of the disability for which an application is filed under this section.

(2) a contribution deficiency exists if the total of the employee contributions under subdivision 2, the employer contributions under subdivision 3, the additional employer contribution under subdivision 3a, and any additional contribution previously imposed under this subdivision is less than the total of the normal cost, the administrative expenses, and the amortization contribution of the general employees retirement plan as

reported in the most recent actuarial valuation of the retirement plan prepared by the actuary retained under section 356.214 and prepared under section 356.215 and the standards for actuarial work of the Legislative Commission on Pensions and Retirement.

(b) Notwithstanding the contribution rate provision specified under subdivisions 2, 3, and 3a, the board of trustees of the Public Employees Retirement Association may adjust the employee and employer contributions to the general employees retirement plan under subdivisions 2 and 3 if the regular actuarial valuation of the general employees retirement plan of the Public Employees Retirement Association prepared under section 356.215 indicates that there is a contribution sufficiency under paragraph (a) greater than one percent of covered payroll or that there is a contribution deficiency under paragraph (a) equal to or greater than one-half of one percent of covered payroll.

(c) If the actuarially determined contribution of the general employees retirement plan is less than the total support provided by the combined employee and employer contribution rates under subdivisions 2, 3, and 3a, by more than one percent of covered payroll, the general employees retirement plan coordinated program employee and employer contribution rates under subdivisions 2 and 3 may be decreased over one or more years to a level such that there remains a contribution sufficiency of at least one percent of covered payroll. Any decrease in employee and employer contribution rates must not result in total contributions that are less than the total of the normal cost of the retirement plan and the administrative expenses of the retirement plan.

(d) If the actuarially determined contribution exceeds the total support provided by the combined employee and employer contribution rates under subdivisions 2, 3, and 3a, the board of trustees may increase the employee and matching employer contribution rates to eliminate that contribution deficiency.

(e) To determine if an adjustment is to be made, the board of trustees shall consult with the approved actuary retained under section 356.214 and shall take into consideration factors that include, but are not limited to, the contribution rates based on actuarial value of assets and contribution rates based on the market value of assets; the funded ratio based on the actuarial value of assets and based on the market value of assets; the number of years remaining to the amortization target date; the recent experience of the investment markets; and the results of the 30-year funding, disbursements, and contributions projections prepared every other year as required under the standards for actuarial work adopted by the Legislative Commission on Pensions and Retirement.

(f) Any adjustment to the contribution rates must be reported to the chair and the executive director of the Legislative Commission on Pensions and Retirement by January 15 following the receipt of the most recent annual actuarial valuation prepared under section 356.215. If the Legislative Commission on Pensions and Retirement does not recommend against the rate change or does not recommend a modification in the rate change, the recommended adjustment becomes effective for any salary paid on or after the January 1 next following the legislative session in which the Legislative Commission on Pensions and Retirement did not take any action to disapprove or modify the Public Employees Retirement Association Board of Trustees' adjustment to the employee and employer rates.

(g) A contribution sufficiency of up to one percent of covered payroll must be held in reserve to be used to offset any future actuarially determined contributions that are more than the total combined employee and employer contributions under subdivisions 2, 3, and 3a.

(h) Before any reduction in contributions to eliminate a sufficiency in excess of one percent of covered pay may be made, the executive director must review any need for a change in actuarial assumptions, as recommended by the actuary retained under section 356.214 in the most recent experience study of the

general employees retirement plan prepared under section 356.215 and the standards for actuarial work promulgated by the Legislative Commission on Pensions and Retirement that may result in an increase in the actuarially determined contribution and must report to the Legislative Commission on Pensions and Retirement any decision by the board to use the sufficiency exceeding one percent of covered payroll to offset the impact of an actuarial assumption change recommended by the actuary retained under section 356.214, subdivision 1, and reviewed by the actuary retained by the commission under section 356.214, subdivision 4.

(i) No contribution sufficiency in excess of one percent of covered pay may be proposed to be used to increase benefits, and no benefit increase may be proposed that would initiate an adjustment to increase contributions under this subdivision. Any proposed benefit improvement must include a recommendation, prepared by the approved actuary retained under section 356.214, subdivision 1, and reviewed by the actuary retained by the Legislative Commission on Pensions and Retirement as provided under section 356.214, subdivision 4, on how the benefit modification will be funded.

Subd. 3c. **Former MERF members; member and employer contributions.** (a) For the period July 1, 2015, through December 31, 2031, the member contributions for former members of the Minneapolis Employees Retirement Fund and by the former Minneapolis Employees Retirement Fund-covered employing units are governed by this subdivision.

(b) The member contribution for a public employee who was a member of the former Minneapolis Employees Retirement Fund on June 29, 2010, is 9.75 percent of the salary of the employee.

(c) The employer regular contribution with respect to a public employee who was a member of the former Minneapolis Employees Retirement Fund on June 29, 2010, is 9.75 percent of the salary of the employee.

(d) For calendar years 2015 and 2016, the employer supplemental contribution is the employing unit's share of \$31,000,000. For calendar years 2017 through 2031, the employer supplemental contribution is the employing unit's share of \$21,000,000.

(e) Each employing unit's share under paragraph (d) is the amount determined from an allocation between each employing unit in the portion equal to the unit's employer supplemental contribution paid or payable under Minnesota Statutes 2012, section 353.50, during calendar year 2014.

(f) The employer supplemental contribution amount under paragraph (d) for calendar year 2015 must be invoiced by the executive director of the Public Employees Retirement Association by July 1, 2015. The calendar year 2015 payment is payable in a single amount on or before September 30, 2015. For subsequent calendar years, the employer supplemental contribution under paragraph (d) must be invoiced on January 31 of each year and is payable in two parts, with the first half payable on or before July 31 and with the second half payable on or before December 15. Late payments are payable with compound interest at the rate of 0.71 percent per month for each month or portion of a month that has elapsed after the due date.

(g) The employer supplemental contribution under paragraph (d) terminates on December 31, 2031.

Subd. 4. **Employer reporting requirements; contributions; member status.** (a) A representative authorized by the head of each department shall deduct employee contributions from the salary of each public employee who qualifies for membership in the general employees retirement plan of the Public Employees Retirement Association or in the public employees police and fire retirement plan under this chapter or

chapter 353D or 353E at the rate under section 353.27, 353.65, 353D.03, or 353E.03, whichever is applicable, that is in effect on the date the salary is paid. The employer representative must also remit payment in a manner prescribed by the executive director for the aggregate amount of the employee contributions and the required employer contributions to be received by the association within 14 calendar days after each pay date. If the payment is less than the amount required, the employer must pay the shortage amount to the association and collect reimbursement of any employee contribution shortage paid on behalf of a member through subsequent payroll withholdings from the wages of the employee. Payment of shortages in employee contributions and associated employer contributions, if applicable, must include interest at the rate specified in section 353.28, subdivision 5, if not received within 30 days following the date the amount was initially due under this section.

(b) The head of each department or the person's designee shall submit for each pay period to the association a salary deduction report in the format prescribed by the executive director. The report must be received by the association within 14 calendar days after each pay date or the employer may be assessed a fine of \$5 per calendar day until the association receives the required data. Data required as part of salary deduction reporting must include, but are not limited to:

(1) the legal names and Social Security numbers of employees who are members;

(2) the amount of each employee's salary deduction;

(3) the amount of salary defined in section 353.01, subdivision 10, earned in the pay period from which each deduction was made, including a breakdown of the portion of the salary that represents overtime pay that the employee was paid for additional hours worked beyond the regularly scheduled hours, pay for unused compensatory time, and the salary amount earned by a reemployed annuitant under section 353.37, subdivision 1, or 353.371, subdivision 1, or by a disabled member under section 353.33, subdivision 7 or 7a;

(4) the beginning and ending dates of the payroll period covered and the date of actual payment; and

(5) adjustments or corrections covering past pay periods as authorized by the executive director.

(c) Employers must furnish the data required for enrollment for each new or reinstated employee who qualifies for membership in the general employees retirement plan of the Public Employees Retirement Association or in the public employees police and fire retirement plan in the format prescribed by the executive director. The required enrollment data on new members must be submitted to the association prior to or concurrent with the submission of the initial employee salary deduction. Also, the employer shall report to the association all member employment status changes, such as leaves of absence, terminations, and death, and shall report the effective dates of those changes, on an ongoing basis for the payroll cycle in which they occur. If an employer fails to comply with the reporting requirements under this paragraph, the executive director may assess a fine of \$25 for each failure if the association staff has notified the employer of the noncompliance and attempted to obtain the missing data or form from the employer for a period of more than three months.

(d) The employer shall furnish data, forms, and reports as may be required by the executive director for proper administration of the retirement system. Before implementing new or different computerized reporting requirements, the executive director shall give appropriate advance notice to governmental subdivisions to allow time for system modifications.

(e) Notwithstanding paragraph (a), the executive director may provide for less frequent reporting and payments for small employers.

(f) The executive director may establish reporting procedures and methods as required to review compliance by employers with the salary and contribution reporting requirements in this chapter. A review of the payroll records of a participating employer may be conducted by the association on a periodic basis or as a result of concerns known to exist within a governmental subdivision. An employer under review must extract requested data and provide records to the association after receiving reasonable advanced notice. Failure to provide requested information or materials will result in the employer being liable to the association for any expenses associated with a field audit, which may include staff salaries, administrative expenses, and travel expenses.

Subd. 5. [Repealed, 1973 c 753 s 85]

Subd. 5a. [Repealed, 1992 c 443 s 2]

Subd. 6. [Repealed, 1971 c 106 s 40]

Subd. 7. **Adjustment for erroneous receipts or disbursements.** (a) Except as provided in paragraph (b), erroneous employee deductions and erroneous employer contributions and additional employer contributions to the general employees retirement plan of the Public Employees Retirement Association or to the public employees police and fire retirement plan for a person who otherwise does not qualify for membership under this chapter, are considered:

(1) valid if the initial erroneous deduction began before January 1, 1990. Upon determination of the error by the association, the person may continue membership in the association while employed in the same position for which erroneous deductions were taken, or file a written election to terminate membership and apply for a refund upon termination of public service or defer an annuity under section 353.34; or

(2) invalid, if the initial erroneous employee deduction began on or after January 1, 1990. Upon determination of the error, the association shall refund all erroneous employee deductions and all erroneous employer contributions as specified in paragraph (e). No person may claim a right to continued or past membership in the association based on erroneous deductions which began on or after January 1, 1990.

(b) Erroneous deductions taken from the salary of a person who did not qualify for membership in the general employees retirement plan of the Public Employees Retirement Association or in the public employees police and fire retirement plan by virtue of concurrent employment before July 1, 1978, which required contributions to another retirement fund or relief association established for the benefit of officers and employees of a governmental subdivision, are invalid. Upon discovery of the error, allowable service credit for all invalid service is forfeited and, upon termination of public service, the association shall refund all erroneous employee deductions to the person, with interest as determined under section 353.34, subdivision 2, and all erroneous employer contributions without interest to the employer. This paragraph has both retroactive and prospective application.

(c) Adjustments to correct employer contributions and employee deductions taken in error from amounts which are not salary under section 353.01, subdivision 10, must be made as specified in paragraph (e). The period of adjustment must be limited to the fiscal year in which the error is discovered by the association and the immediate two preceding fiscal years.

(d) If there is evidence of fraud or other misconduct on the part of the employee or the employer, the board of trustees may authorize adjustments to the account of a member or former member to correct erroneous employee deductions and employer contributions on invalid salary and the recovery of any overpayments for a period longer than provided for under paragraph (c).

(e) Upon discovery of the receipt of erroneous employee deductions and employer contributions under paragraph (a), clause (2), or paragraph (c), the association must require the employer to discontinue the erroneous employee deductions and erroneous employer contributions reported on behalf of a member. Upon discontinuation, the association must:

(1) for a member, provide a refund in the amount of the invalid employee deductions with interest on the invalid employee deductions at the rate specified under section 353.34, subdivision 2, from the received date of each invalid salary transaction through the date the credit or refund is made;

(2) for a former member who:

(i) is not receiving a retirement annuity or benefit, return the erroneous employee deductions to the former member through a refund with interest at the rate specified under section 353.34, subdivision 2, from the received date of each invalid salary transaction through the date the credit or refund is made; or

(ii) is receiving a retirement annuity or disability benefit, or a person who is receiving an optional annuity or survivor benefit, for whom it has been determined an overpayment must be recovered, adjust the payment amount and recover the overpayments as provided under this section; and

(3) return the invalid employer contributions reported on behalf of a member or former member to the employer by providing a credit against future contributions payable by the employer.

(f) In the event that a salary warrant or check from which a deduction for the retirement fund was taken has been canceled or the amount of the warrant or check returned to the funds of the department making the payment, a refund of the sum deducted, or any portion of it that is required to adjust the deductions, must be made to the department or institution.

(g) If the association discovers that a retirement annuity, survivor benefit, or disability benefit has been incorrectly calculated by using invalid service or salary, or due to any erroneous calculation procedure, the association must recalculate the annuity or benefit payable and begin payment of the corrected annuity or benefit effective the first of the month following discovery of the error. Any overpayment resulting from the incorrect calculation must be recovered as provided under subdivision 7b, if the accrual date, or any adjustment in the amount of the annuity or benefit calculated after the accrual date, except adjustments required under section 353.656, subdivision 4, falls within the current fiscal year and the two immediate previous fiscal years.

(h) Notwithstanding the provisions of this subdivision, the association may apply the Revenue Procedures defined in the federal Internal Revenue Service Employee Plans Compliance Resolution System and not issue a refund of erroneous employee deductions and employer contributions or not recover a small overpayment of benefits if the cost to correct the error would exceed the amount of the member refund or overpayment.

(i) Any fees or penalties assessed by the federal Internal Revenue Service for any failure by an employer to follow the statutory requirements for reporting eligible members and salary must be paid by the employer.

**Subd. 7a. Deductions or contributions transmitted by error.** (a) If employee deductions and employer contributions under this section, section 353.50, 353.65, or 353E.03 were erroneously transmitted to the association, but should have been transmitted to a plan covered by chapter 352D, 353D, 354B, or 354D, the executive director shall transfer the erroneous employee deductions and employer contributions to the appropriate retirement fund or individual account, as applicable. The time limitations specified in sub-

divisions 7 and 12 do not apply. The transfer to the applicable defined contribution plan account must include interest at the rate of 0.71 percent per month until June 30, 2015, and 0.667 percent per month thereafter, compounded annually, from the first day of the month following the month in which coverage should have commenced in the defined contribution plan until the end of the month in which the transfer occurs.

(b) A potential transfer under paragraph (a) that is reasonably determined to cause the plan to fail to be a qualified plan under section 401(a) of the federal Internal Revenue Code, as amended, must not be made by the executive director of the association. Within 30 days after being notified by the Public Employees Retirement Association of an unmade potential transfer under this paragraph, the employer of the affected person must transmit an amount representing the applicable salary deductions and employer contributions, without interest, to the retirement fund of the appropriate Minnesota public pension plan, or to the applicable individual account if the proper coverage is by a defined contribution plan. The association must provide the employing unit a credit for the amount of the erroneous salary deductions and employer contributions against future contributions from the employer. If the employing unit receives a credit under this paragraph, the employing unit is responsible for refunding to the applicable employee any amount that had been erroneously deducted from the person's salary.

(c) If erroneous employee deductions and employer contributions reflect a plan coverage error involving any Public Employees Retirement Association plan specified in section 356.99 and any other plan specified in that section, section 356.99 applies.

Subd. 7b. **Recovery of overpayments.** (a) In the event the executive director determines that an overpaid annuity or benefit from the general employees retirement plan of the Public Employees Retirement Association, the public employees police and fire retirement plan, or the local government correctional employees retirement plan is the result of invalid salary included in the average salary used to calculate the payment amount must be recovered, the association must determine the amount of the employee deductions taken in error on the invalid salary, with interest determined in the manner provided for a former member under subdivision 7, paragraph (e), clause (2), item (i), and must subtract that amount from the total annuity or benefit overpayment, and the remaining balance of the overpaid annuity or benefit, if any, must be recovered.

(b) If the invalid employee deductions plus interest exceed the amount of the overpaid benefits, the balance must be refunded to the person to whom the benefit or annuity is being paid.

(c) Any invalid employer contributions reported on the invalid salary must be credited to the employer as provided in subdivision 7, paragraph (e).

(d) If a member or former member, who is receiving a retirement annuity or disability benefit for which an overpayment is being recovered, dies before recovery of the overpayment is completed and a joint and survivor optional annuity is payable, the remaining balance of the overpaid annuity or benefit must continue to be recovered from the payment to the optional annuity beneficiary.

(e) If the association finds that a refund has been overpaid to a former member, beneficiary or other person, the amount of the overpayment must be recovered for the benefit of the respective retirement fund or account.

(f) The board of trustees shall adopt policies directing the period of time and manner for the collection of any overpaid retirement or optional annuity, and survivor or disability benefit, or a refund that the executive director determines must be recovered as provided under this section.

Subd. 7c. **Limitation on additional plan coverage.** No deductions for any plan under this chapter or chapter 353E may be taken from the salary of a person who is employed by a governmental subdivision under section 353.01, subdivision 6, and who is receiving disability benefit payments from any plan under this chapter or chapter 353E unless the person waives the right to further disability benefit payments.

Subd. 8. **District court reporters; salary deductions.** Deductions from the salary of a district court reporter in a judicial district consisting of two or more counties must be made by the auditor of the county in which the bond and official oath of such district court reporter are filed, from the portion of salary paid by such county.

Subd. 9. **Fee officers; contributions; obligations of employers.** Any appointed or elected officer of a governmental subdivision who was or is a "public employee" within the meaning of section 353.01 and was or is a member of the general employees retirement plan of the Public Employees Retirement Association and whose salary was or is paid in whole or in part from revenue derived by fees and assessments, shall pay employee contribution in the amount, at the time, and in the manner provided in subdivisions 2 and 4. This subdivision does not apply to district court reporters. The employer contribution as provided in subdivision 3, and the additional employer contribution as provided in subdivision 3a, with respect to such service must be paid by the governmental subdivision. This subdivision has both retroactive and prospective application as to all such members; and every employing governmental subdivision is deemed liable, retroactively and prospectively, for all employer and additional employer contributions for every such member of the general employees retirement plan in its employ. Delinquencies under this section are governed in all respects by section 353.28.

Subd. 10. **Employer exclusion reports.** (a) The head of a department or a designated representative shall annually furnish the executive director with an exclusion report listing and certifying only those employees in potentially PERA general employees retirement plan-eligible positions who were not reported as members of the general employees retirement plan and who worked during the school year for school employees and calendar year for nonschool employees. The executive director shall prescribe the manner and forms, including standardized exclusion codes, to be used by a governmental subdivision in preparing and filing exclusion reports. Also, the executive director shall check the exclusion report to ascertain whether any omissions have been made in the reporting of new public employees for membership. The executive director may delegate an association employee under section 353.03, subdivision 3a, paragraph (b), clause (5), to conduct a field audit to review the payroll records of a governmental subdivision.

(b) If an employer fails to comply with the reporting requirements under this subdivision, the executive director may assess a fine of \$25 for each failure if the association staff has notified the employer of the noncompliance and attempted to obtain the missing data or form from the employer for a period of more than three months.

Subd. 10a. **Written disclosure of membership exclusion determination.** If the determination by the employer under section 353.01, subdivision 2a, paragraph (a), is to exclude a public employee from membership, the governmental subdivision shall provide the employee with a written notice of the exclusion on a form prescribed by the executive director. The notice must include the statutory basis for the exclusion and information about the employee's right to appeal the determination to the association under section 356.96. The employer must provide the exclusion notice to the employee within two weeks of the date of the determination and shall retain a copy in the person's personnel file.

Subd. 11. **Employers; required to furnish requested information.** (a) All governmental subdivisions shall furnish promptly such other information relative to the employment status of all employees or former

employees, including, but not limited to, payroll abstracts pertaining to all past and present employees, as may be requested by the executive director, including schedules of salaries applicable to various categories of employment.

(b) In the event payroll abstract records have been lost or destroyed, for whatever reason or in whatever manner, so that such schedules of salaries cannot be furnished therefrom, the employing governmental subdivision, in lieu thereof, shall furnish to the association an estimate of the earnings of any employee or former employee for any period as may be requested by the executive director. If the association is provided a schedule of estimated earnings, the executive director is authorized to use the same as a basis for making whatever computations might be necessary for determining obligations of the employee and employer to the general employees retirement plan, the public employees police and fire retirement plan, or the local government correctional employees retirement plan. If estimates are not furnished by the employer at the request of the executive director, the executive director may estimate the obligations of the employee and employer to the general employees retirement fund, the public employees police and fire retirement plan, or the local government correctional employees retirement plan based upon those records that are in its possession.

**Subd. 12. Omitted salary deductions; obligations.** (a) In the case of omission of required deductions for the general employees retirement plan, the public employees police and fire retirement plan, or the local government correctional employees retirement plan from the salary of an employee, the department head or designee shall immediately, upon discovery, report the employee for membership and deduct the employee deductions under subdivision 4 during the current pay period or during the pay period immediately following the discovery of the omission. Payment for the omitted obligations may only be made in accordance with reporting procedures and methods established by the executive director.

(b) When the entire omission period of an employee does not exceed 60 days, the governmental subdivision may report and submit payment of the omitted employee deductions and the omitted employer contributions through the reporting processes under subdivision 4.

(c) When the omission period of an employee exceeds 60 days, the governmental subdivision shall furnish to the association sufficient data and documentation upon which the obligation for omitted employee and employer contributions can be calculated. The omitted employee deductions must be deducted from the employee's subsequent salary payment or payments and remitted to the association for deposit in the applicable retirement fund. The employee shall pay omitted employee deductions due for the 60 days prior to the end of the last pay period in the omission period during which salary was earned. The employer shall pay any remaining omitted employee deductions and any omitted employer contributions, plus cumulative interest at the annual rate of 8.5 percent until June 30, 2015, and eight percent thereafter compounded annually, from the date or dates each omitted employee contribution was first payable.

(d) An employer shall not hold an employee liable for omitted employee deductions beyond the pay period dates under paragraph (c), nor attempt to recover from the employee those employee deductions paid by the employer on behalf of the employee. Omitted deductions due under paragraph (c) which are not paid by the employee constitute a liability of the employer that failed to deduct the omitted deductions from the employee's salary. The employer shall make payment with interest at the annual rate of 8.5 percent until June 30, 2015, and eight percent thereafter compounded annually. Omitted employee deductions are no longer due if an employee terminates public service before making payment of omitted employee deductions to the association, but the employer remains liable to pay omitted employer contributions plus interest at the annual rate of 8.5 percent until June 30, 2015, and eight percent thereafter compounded annually from the date the contributions were first payable.

(e) The association may not commence action for the recovery of omitted employee deductions and employer contributions after the expiration of three calendar years after the calendar year in which the contributions and deductions were omitted. Except as provided under paragraph (b), no payment may be made or accepted unless the association has already commenced action for recovery of omitted deductions. An action for recovery commences on the date of the mailing of any written correspondence from the association requesting information from the governmental subdivision upon which to determine whether or not omitted deductions occurred.

Subd. 12a. **Terminated employees: omitted deductions.** A terminated employee who was a member of the general employees retirement plan of the Public Employees Retirement Association, the public employees police and fire retirement plan, or the local government correctional employees retirement plan and who has a period of employment in which previously omitted employer contributions were made under subdivision 12 but for whom no, or only partial, omitted employee contributions have been made, or a member who had prior coverage in the association for which previously omitted employer contributions were made under subdivision 12 but who terminated service before required omitted employee deductions could be withheld from salary, may pay the omitted employee deductions for the period on which omitted employer contributions were previously paid plus interest at the annual rate of 8.5 percent until June 30, 2015, and eight percent thereafter compounded annually. A terminated employee may pay the omitted employee deductions plus interest within six months of an initial notification from the association of eligibility to pay those omitted deductions. If a terminated employee is reemployed in a position covered under a public pension fund under section 356.30, subdivision 3, and elects to pay omitted employee deductions, payment must be made no later than six months after a subsequent termination of public service.

Subd. 12b. **Terminated employees: immediate eligibility.** If deductions were omitted from salary adjustments or final salary of a terminated employee who was a member of the general employees retirement plan, the public employees police and fire retirement plan, or the local government correctional employees retirement plan and who is immediately eligible to draw a monthly benefit, the employer shall pay the omitted employer and employer additional contributions plus interest on both the employer and employee amounts due at an annual rate of 8.5 percent compounded annually. The employee shall pay the employee deductions within six months of an initial notification from the association of eligibility to pay omitted deductions or the employee forfeits the right to make the payment.

Subd. 13. **Certain warrants canceled.** A warrant payable from the general employees retirement fund, the public employees police and fire retirement fund, or the local government correctional retirement fund remaining unpaid for a period of six months must be canceled into the applicable retirement fund and not canceled into the state's general fund.

Subd. 14. **Periods before initial coverage date.** (a) If an entity is determined to be a governmental subdivision due to receipt of a written notice of eligibility from the association with respect to the general employees retirement plan, the public employees police and fire retirement plan, or the local government correctional retirement plan, that employer and its employees are subject to the requirements of subdivision 12, effective retroactively to the date that the executive director of the association determines that the entity first met the definition of a governmental subdivision, if that date predates the notice of eligibility.

(b) If the retroactive time period under paragraph (a) exceeds three years, an employee is authorized to purchase service credit in the applicable Public Employees Retirement Association plan for the portion of the period in excess of three years, by making payment under section 356.551. Notwithstanding any provision of section 356.551, subdivision 2, to the contrary, regarding time limits on purchases, payment of a service credit purchase amount may be made anytime before the termination of public service.

(c) This subdivision does not apply if the applicable employment under paragraph (a) included coverage by any public or private defined benefit or defined contribution retirement plan, other than a volunteer firefighters relief association. If this paragraph applies, an individual is prohibited from purchasing service credit from a Public Employees Retirement Association plan for any period or periods specified in paragraph (a).

**NOTE:** Subdivision 3b, paragraph (e), was also amended by Laws 2015, chapter 68, article 14, section 8, to read as follows:

"(e) The general employees retirement plan contribution sufficiency or deficiency determination under paragraphs (a) to (d) must be made including the contributions credited under section 353.27, subdivision 3c, and state aid under section 353.505."

### **353.28 FINANCING OF EMPLOYER CONTRIBUTIONS.**

Subdivision 1. **General requirement.** Each governmental subdivision shall secure its employer contributions and its additional employer contributions and shall pay these contributions to the retirement fund out of moneys collected from taxes or other revenue of the governmental subdivision, as its obligation for all members employed by such subdivision and these contributions shall be charged as administrative costs.

Subd. 2. [Repealed, 1973 c 753 s 85]

Subd. 3. [Repealed, 1973 c 753 s 85]

Subd. 4. [Repealed, 1973 c 753 s 85]

Subd. 5. **Interest chargeable on amounts due.** Any amount due under this section or section 353.27, subdivision 4, is payable with interest at the annual compound rate of 8.5 percent until June 30, 2015, and eight percent thereafter from the date due until the date payment is received by the association, with a minimum interest charge of \$10.

Subd. 6. **Collection of unpaid amounts.** (a) If a governmental subdivision which receives the direct proceeds of property taxation fails to pay an amount due under this chapter or chapter 353C or 353D, the executive director shall certify the amount to the governmental subdivision for payment. If the governmental

subdivision fails to remit the sum so due in a timely fashion, the executive director shall certify the amount to the applicable county auditor for collection. The county auditor shall collect the amount out of the revenue of the governmental subdivision, or shall add the amount to the levy of the governmental subdivision and make payment directly to the association. This tax must be levied, collected, and apportioned in the manner that other taxes are levied, collected, and apportioned.

(b) If a governmental subdivision which is not funded directly from the proceeds of property taxation fails to pay an amount due under this chapter, the executive director shall certify the amount to the governmental subdivision for payment. If the governmental subdivision fails to pay the amount for a period of 60 days after the date of the certification, the executive director shall certify the amount to the commissioner of management and budget, who shall deduct the amount from any subsequent state-aid payment or state appropriation amount applicable to the governmental subdivision and make payment directly to the association. If the amount of the state-aid payment or state appropriation is not sufficient to pay the full sum due, the amounts paid to the association must be applied first to the unpaid employee deductions withheld from the employees' wages and next to the unpaid employer contributions. Any remaining amount received by the association must be applied to the interest due on the employee and employer contribution amounts. If a governmental subdivision under this paragraph owes amounts to more than one public retirement plan, section 356.98 applies.

(c) If a governmental subdivision has been dissolved or closed, the requirements in paragraph (b) of a certification to the governmental subdivision and the related 60-day waiting period do not apply. The executive director is authorized to immediately certify the applicable amount to the commissioner of management and budget.

Subd. 7. [Repealed, 1973 c 753 s 85]

Subd. 8. **Excess levy authority.** If the taxes authorized to be levied under this section cause the total amount of taxes levied to exceed any limitation upon the power of a county, city, town, or school district to levy taxes, the governmental subdivision concerned, if it is other than a school district, may levy taxes in excess of the limitation in such amount as is necessary to meet its obligations under this section. The expenditures authorized to be made under this chapter by any municipality are not included in computing the cost of government as defined in any home rule charter of any municipality which employs members covered by the retirement fund.

### **353.29 RETIREMENT ANNUITY UPON TERMINATION OF MEMBERSHIP.**

Subdivision 1. **Age and allowable service requirements.** Upon termination of membership, a person who has attained normal retirement age and who is vested under section 353.01, subdivision 47, is entitled

upon application to a retirement annuity. The retirement annuity is known as the "normal" retirement annuity.

Subd. 2. [Repealed, 1Sp2005 c 8 art 1 s 32]

Subd. 3. **Retirement annuity formula.** (a) This paragraph, in conjunction with section 353.30, subdivisions 1a, 1b, and 1c, applies to any member who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless paragraph (b), in conjunction with section 353.30, subdivision 5, produces a higher annuity amount, in which case paragraph (b) applies. The average salary as defined in section 353.01, subdivision 17a, multiplied by 2.2 percent for each year of allowable service for the first ten years and thereafter by 2.7 percent per year of allowable service and completed months less than a full year for a basic member, and 1.2 percent for each year of allowable service for the first ten years and thereafter by 1.7 percent per year of allowable service and completed months less than a full year for a coordinated member determines the amount of the normal retirement annuity.

(b) This paragraph applies to a member who has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with section 353.30, subdivision 5, is higher than it is when calculated under paragraph (a), in conjunction with section 353.30, subdivisions 1a, 1b, and 1c. The average salary, as defined in section 353.01, subdivision 17a, multiplied by 2.7 percent for each year of allowable service and completed months less than a full year for a basic member and 1.7 percent per year of allowable service and completed months less than a full year for a coordinated member, determines the amount of the normal retirement annuity.

Subd. 4. **Application for annuity.** Application for a retirement annuity may be made by a member or by a person authorized to act on behalf of the member. Every application for retirement must be made in writing on a form prescribed by the executive director and must be substantiated by written proof of the member's age and identity. The notarized signature of a member's spouse on a retirement annuity application acknowledging the member's annuity selection meets the notice requirement to the spouse under section 356.46, subdivision 3. An application for a retirement annuity is not complete until all necessary supporting documents are received by the executive director.

Subd. 5. [Repealed, 1959 c 650 s 57]

Subd. 6. [Repealed, 2013 c 111 art 3 s 31]

Subd. 7. **Annuities; accrual.** (a) Except as to elected public officials, a retirement annuity granted under this chapter begins with the first day of the first calendar month after the date of termination of public service. The annuity must be paid in equal monthly installments and does not accrue beyond the end of the month in which entitlement to the annuity has terminated.

(b) An annuity granted to an elective public official accrues on the day following expiration of public office or expiration of the right to hold that office. The annuity for the month during which the expiration occurred is prorated accordingly.

(c) An annuity, once granted, must not be increased, decreased, or revoked except under this chapter.

(d) An annuity payment may be made retroactive for up to one year prior to that month in which a complete application is received by the executive director under subdivision 4.

(e) If an annuitant dies before negotiating the check for the month in which death occurs, payment must first be made to the surviving spouse, or if none, then to the designated beneficiary, or if none, lastly to the estate.

Subd. 8. **Annuities; payment.** Payment of any annuity or benefit for a given month must be mailed by the association to the annuitant, recipient of a disability benefit, or survivor, or must be automatically deposited under section 356.401, subdivision 2, during the first week of that month. The board may contract for professional services to identify deceased annuitants and benefit recipients through a review of nationally maintained death records.

Subd. 9. **Postretirement adjustment eligibility.** An annuity under this section or section 353.30 is eligible for postretirement adjustments under section 356.415.

**History:** 1957 c 935 s 9; 1959 c 650 s 13-16; 1963 c 639 s 1; 1965 c 714 s 4; 1965 c 880 s 4; Ex1967 c 53 s 4; 1971 c 106 s 19-21; 1973 c 753 s 39-42; 1974 c 229 s 14; 1975 c 102 s 6,11,12; 1976 c 329 s 21; 1977 c 429 s 25,26; 1978 c 471 s 2,3; 1979 c 216 s 8,9; 1981 c 180 s 8; 1981 c 224 s 83; 1983 c 73 s 4,5; 1986 c 444; 1987 c 259 s 28; 1987 c 284 art 5 s 8; 1987 c 372 art 9 s 10,11; 1988 c 709 art 5 s 16; 1989 c 319 art 3 s 10,11; art 13 s 31-33; 1990 c 570 art 12 s 20; 1991 c 341 s 16; 1992 c 432 art 2 s 9; 1993 c 307 art 4 s 18; 1997 c 233 art 1 s 40; 2002 c 392 art 11 s 52; 1Sp2005 c 8 art 1 s 11; 2006 c 271 art 3 s 20,47; 2007 c 134 art 2 s 24; 2009 c 169 art 1 s 33; 2010 c 359 art 1 s 27; 2013 c 111 art 4 s 7; 2014 c 275 art 2 s 8; 2015 c 68 art 12 s 15

### **353.30 ANNUITIES UPON RETIREMENT.**

Subdivision 1. [Repealed, 2007 c 134 art 2 s 50]

Subd. 1a. **Pre-July 1, 1989, members: rule of 90.** Upon termination of public service under section 353.01, subdivision 11a, a person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose attained age plus credited allowable service totals 90 years is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivision 3, paragraph (a), without any reduction in annuity due to early retirement.

Subd. 1b. **Pre-July 1, 1989, members: 30 years of service.** Upon termination of public service under section 353.01, subdivision 11a, a person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, with 30 years or more of allowable service credit, who elects to retire prior to normal retirement age, shall receive an annuity in an amount equal to the normal annuity provided under section 353.29, subdivision 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under age 62 at the time of retirement.

Subd. 1c. **Pre-July 1, 1989, members: early retirement.** Upon termination of public service, a person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, who has become at least 55 years old but not normal retirement age, and is vested under section 353.01, subdivision 47, is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivision 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement.

Subd. 2. [Repealed, 1971 c 106 s 40]

Subd. 3. **Optional retirement annuity forms.** (a) The board of trustees shall establish optional annuities which shall take the form of a joint and survivor annuity. Except as provided in subdivision 3a, the optional

annuity forms shall be actuarially equivalent to the forms provided in section 353.29 and subdivisions 1, 1a, 1b, 1c, and 5. In establishing those optional forms, the board shall obtain the written recommendation of the actuary retained under section 356.214. The recommendations shall be a part of the permanent records of the board. A member or former member may select an optional form of annuity, subject to the provisions of section 356.46, in lieu of accepting any other form of annuity which might otherwise be available.

(b) For purposes of computing a joint and survivor annuity, the postretirement interest rate assumption specified in section 356.461 must be used rather than the postretirement interest rate specified in section 356.215, subdivision 8.

*[See Note.]*

Subd. 3a. **Bounce-back annuity.** (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 3 after June 30, 1989, the former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) The annuity adjustment specified in paragraph (a) also applies to joint and survivor annuity options under subdivision 3 elected before July 1, 1989. The annuity adjustment under this paragraph occurs on July 1, 1989, or on the first day of the first month following the death of the designated optional annuity beneficiary, whichever is later. This paragraph may not be interpreted as authorizing retroactive payments.

Subd. 3b. **Bounce-back annuity; police and fire fund option.** (a) The board of trustees must provide a joint and survivor annuity option to members of the police and fire fund. If a joint and survivor annuity is elected on or after July 1, 1989, the former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) The annuity adjustment specified in paragraph (a) also applies to joint and survivor annuity options under subdivision 3 elected before July 1, 1989. The annuity adjustment under this paragraph occurs on July 1, 1989, or on the first day of the first month following the death of the designated optional annuity beneficiary, whichever is later. This paragraph may not be interpreted as authorizing retroactive payments.

Subd. 3c. **Effective date of bounce-back annuity.** In the event of the death of the designated optional annuity beneficiary before the retired employee or disabilitant, the restoration of the normal single life annuity under subdivision 3a or 3b will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the death record is received in the office of the public employees retirement association, whichever date is later.

Subd. 4. **Reduction in monthly payments.** Monthly payments to which any person may be entitled under this chapter may be reduced upon application to the association, provided that the person shall first relinquish in writing all claim to that part of the full monthly payment which is the difference between the monthly payment which that person would be otherwise entitled to receive and the monthly payment which that person will receive. The reduced monthly payment shall be payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced monthly payment releases the retirement association from all obligation to pay to the person the difference between the amount of the reduced monthly payment and the full amount of the monthly payment which the person

would otherwise have received. Upon application of the person who is entitled to such monthly payment, it may be increased prospectively to not more than the amount to which the person would have been entitled had no portion thereof been waived.

Subd. 5. **Actuarial reduction for early retirement.** This subdivision applies to a member who has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under section 353.29, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 353.29, subdivision 3, paragraph (a), in conjunction with subdivision 1, 1a, 1b, or 1c. An employee who retires before normal retirement age shall be paid the retirement annuity provided in section 353.29, subdivision 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age if the employee became an employee before July 1, 2006, and at 2.5 percent compounded annually from the day the annuity begins to accrue until the normal retirement age if the employee initially becomes an employee after June 30, 2006.

**NOTE:** The amendment to subdivision 3 by Laws 2014, chapter 296, article 4, section 6, is effective on the same date as the next mortality assumption adjustment or on July 1, 2017, whichever is earlier. Laws 2014, chapter 296, article 4, section 6, the effective date.

### 353.31 SURVIVOR BENEFITS.

Subdivision 1. **Benefits for surviving spouse and dependent children; before retirement.** Upon the death of a basic member before retirement or upon the death of a basic member who was disabled and receiving disability benefits under section 353.33 at the time of death who has had at least 18 months of credited allowable service, the surviving spouse and dependent child or children of the member, as defined in section 353.01, subdivisions 15 and 20, are entitled to receive the monthly benefit provided below:

- |                          |  |
|--------------------------|--|
| (a) Surviving spouse     | 50 percent of the member's monthly average salary in effect over the last full six months of allowable service preceding the month in which death occurred |
| (b) Each dependent child | 10 percent of the member's monthly average salary in effect over the last full six months of allowable service preceding the month in which death occurred |

Notwithstanding the definition of surviving spouse under section 353.01, subdivision 20, a former spouse of the member, if any, is entitled to a portion of the monthly surviving spouse benefit if stipulated under the terms of a marriage dissolution decree that is filed with the association. If there is no surviving spouse or child or children, a former spouse may be entitled to a lump-sum refund payment under section 353.32,

subdivision 1, if provided for in a marriage dissolution decree but not a monthly surviving spouse benefit even if required by the decree.

Subd. 1a. **Maximum family benefit.** Payments for the benefit of a dependent child or children, as defined in section 353.01, subdivision 15, must be made to the surviving parent, or to the legal guardian of the child. The maximum monthly benefit for a family must not exceed an amount equal to 70 percent of the member's specified average monthly salary, and the minimum benefit for a family including a 100 percent joint and survivor annuity under subdivision 1b, must not be less than 50 percent of the basic member's specified average monthly salary.

Subd. 1b. **Joint and survivor option.** (a) Prior to payment of a surviving spouse benefit under subdivision 1, the surviving spouse may elect to receive the 100 percent joint and survivor optional annuity under section 353.32, subdivision 1a, rather than a surviving spouse benefit.

(b) If there is a dependent child or children, and the 100 percent joint and survivor optional annuity for the surviving spouse, when added to the dependent children's benefit under subdivisions 1 and 1a, exceeds an amount equal to 70 percent of the member's specified average monthly salary, the 100 percent joint and survivor annuity under section 353.32, subdivision 1a, must be reduced by the amount necessary so that the total family benefit does not exceed the 70 percent maximum family benefit amount under subdivision 1a.

(c) The 100 percent joint and survivor optional annuity must be restored to the surviving spouse, plus applicable postretirement adjustments under Minnesota Statutes 2008, section 356.41, through January 1, 2009, and thereafter under section 356.415, as the dependent child or children become no longer dependent under section 353.01, subdivision 15.

Subd. 1c. **Coordinated members.** Except for benefits provided under section 353.32, no survivor benefits are payable to the surviving spouse or dependent children of a deceased coordinated member.

Subd. 7. [Repealed, 1973 c 753 s 85]

Subd. 8. **Accrual of benefits.** All benefits under this section and survivor benefits otherwise provided in this chapter when payable to persons qualifying therefor shall accrue on the first day following the death of a "basic member" or the first day of the month following the death of an annuitant or disabilitant. No payment may be made retroactively for more than 12 months prior to that month in which the application is filed, and no benefit shall accrue beyond the end of the month in which entitlement to such benefits has terminated.

Subd. 9. **Application for benefits.** Every claim or demand for a survivor benefit or spouse's annuity shall be initiated by written application in the manner and form prescribed by the executive director, filed in the office of the retirement association, showing compliance with the statutory conditions qualifying the applicant for such survivor benefit or spouse's annuity.

Subd. 10. [Repealed, 1973 c 753 s 85]

Subd. 11. [Repealed, 1977 c 429 s 65]

Subd. 12. **Postretirement adjustment eligibility.** A survivor benefit under subdivision 1 or 1b or section 353.32, subdivision 1a, 1b, or 1c, is eligible for postretirement adjustments under section 356.415.

### **353.32 REFUNDS AFTER DEATH OF MEMBER OR FORMER MEMBER.**

Subdivision 1. **Before retirement.** If a member or former member who terminated public service dies before retirement or before receiving any retirement annuity and no other payment of any kind is or may become payable to any person, a refund is payable to the designated beneficiary or, if there be none, to the surviving spouse, or, if none, to the legal representative of the decedent's estate. The refund must be in an amount equal to accumulated deductions plus annual compound interest thereon at the rate specified in section 353.34, subdivision 2, and less the sum of any disability or survivor benefits, if any, that may have been paid by the fund; provided that a survivor who has a right to benefits under section 353.31 may waive such benefits in writing, except such benefits for a dependent child under the age of 18 years may only be waived under an order of the district court.

Subd. 1a. **Surviving spouse optional annuity.** (a) If a member or former member who is vested under section 353.01, subdivision 47, and who dies before the annuity or disability benefit begins to accrue under section 353.29, subdivision 7, or 353.33, subdivision 2, notwithstanding any designation of beneficiary to the contrary, the surviving spouse may elect to receive, instead of a refund with interest under subdivision 1, or surviving spouse benefits otherwise payable under section 353.31, an annuity equal to a 100 percent joint and survivor annuity computed consistent with section 353.30, subdivision 1a, 1c, or 5, whichever is applicable.

(b) If a member first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and has credit for at least 30 years of allowable service on the date of death, the surviving spouse may elect to receive a 100 percent joint and survivor annuity computed using section 353.30, subdivision 1b, except that the early retirement reduction under that provision will be applied from age 62 back to age 55 and one-half of the early retirement reduction from age 55 back to the age payment begins.

(c) If a member who was under age 55 and who is vested under section 353.01, subdivision 47, dies, but did not qualify for retirement on the date of death, the surviving spouse may elect to receive a 100 percent joint and survivor annuity computed using section 353.30, subdivision 1c or 5, as applicable, except that the early retirement reduction specified in the applicable subdivision will be applied to age 55 and one-half of the early retirement reduction from age 55 back to the age payment begins.

(d) Notwithstanding the definition of surviving spouse in section 353.01, subdivision 20, a former spouse of the member, if any, is entitled to a portion of the monthly surviving spouse optional annuity if stipulated under the terms of a marriage dissolution decree filed with the association. If there is no surviving spouse or child or children, a former spouse may be entitled to a lump-sum refund payment under subdivision 1, if provided for in a marriage dissolution decree, but not a monthly surviving spouse optional annuity, despite the terms of a marriage dissolution decree filed with the association.

(e) The surviving spouse eligible for surviving spouse benefits under paragraph (a) may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. The surviving spouse eligible for surviving spouse benefits under paragraph (b) or (c) may apply for an annuity any time after the member's death.

(f) Sections 353.34, subdivision 3, and 353.71, subdivision 2, apply to a deferred annuity or surviving spouse benefit payable under this subdivision.

(g) An amount equal to any excess of the accumulated contributions that were credited to the account of the deceased employee over and above the total of the annuities paid and payable to the surviving spouse must be paid to the surviving spouse's estate.

(h) A member may specify in writing, with the signed consent of the spouse, that this subdivision does not apply and that payment may be made only to the designated beneficiary as otherwise provided by this chapter. The waiver of a surviving spouse annuity under this section does not make a dependent child eligible for benefits under subdivision 1c.

(i) If the deceased member or former member first became a public employee or a member of a public pension plan listed in section 356.30, subdivision 3, on or after July 1, 1989, a survivor annuity computed under paragraph (a) or (c) must be computed as specified in section 353.30, subdivision 5, except for the revised early retirement reduction specified in paragraph (c), if paragraph (c) is the applicable provision.

(j) For any survivor annuity determined under this subdivision, the payment is to be based on the total allowable service that the member had accrued as of the date of death and the age of the member and surviving spouse on that date.

**Subd. 1b. Survivor coverage term certain.** (a) In lieu of the 100 percent optional annuity under subdivision 1a, or a refund under subdivision 1, the surviving spouse of a deceased member may elect to receive survivor coverage for a term certain period of ten, 15, or 20 years, but monthly payments must not exceed 75 percent of the average high-five monthly salary of the deceased member. The benefit terminates at the end of the specified term certain period. Except as otherwise specified in this subdivision, the monthly term certain annuity must be actuarially equivalent to the 100 percent optional annuity under subdivision 1a.

(b) If a surviving spouse elects a term certain annuity and dies before the expiration of the specified term certain period, the commuted value of the remaining annuity payments must be paid in a lump sum to the survivor's estate.

**Subd. 1c. Dependent child survivor coverage.** If there is no surviving spouse eligible for benefits under subdivision 1a, a dependent child or children as defined in section 353.01, subdivision 15a, is eligible for monthly payments. Payments to a dependent child must be paid from the date of the member's death to the date the dependent child attains age 20 if the child is under age 15. If the child is 15 years or older on the date of death, payment must be made for five years. The payment to a dependent child is an amount actuarially equivalent to the value of a 100 percent optional annuity under subdivision 1a using the age of the member and age of the dependent child at the date of death in lieu of the age of the surviving spouse. If there is more than one dependent child, each dependent child shall receive a proportionate share of the actuarial value of the employee's account.

**Subd. 2. After retirement.** If a former member dies after retirement and no payment of any kind is or may become payable to any person, including any deferred benefit or annuity, there shall be paid to the same succession of payees set forth in subdivision 1, a refund of accumulated deductions, less the total

payments of all kinds made by the fund to the former member during the former member's lifetime or to any authorized person after death, without interest.

Subd. 3. **Optional survivor annuities; designated beneficiary.** If a former member selected an optional annuity by the terms of which an optional survivor's annuity was paid to a survivor after the former member's death, upon the death of the survivor there shall be paid to the former member's designated beneficiary a refund of accumulated deductions less the total payments of all kinds made by the fund to the former member during the former member's lifetime or to any authorized person after death. If said beneficiary should die before making application for such refund, the same shall be paid to the legal representative of the estate of the former member.

Subd. 4. **Lack, or death, of beneficiary.** If a member or former member dies without having designated a beneficiary or if the beneficiary should die before making application for refund, and if there is no surviving spouse, and if the legal representative of such member or former member does not apply for refund within five years from the date of death of the member or former member, the accumulated deductions to the member or former member's credit at the time of death shall be disposed of in the manner provided in section 353.34, subdivision 6.

Subd. 5. **\$1,500 or less, limited.** If a member or former member dies without having designated a beneficiary, or if the beneficiary should die before making application for refund of the sum to the credit of such decedent, and the amount of the refund is \$1,500 or less, the board of trustees may 90 days after the date of death, in the absence of probate proceedings, make payment to the surviving spouse of the decedent or, if none, to the decedent's personal representative or, if none, to the estate. A payment under this subdivision is a bar to recovery by any other person or persons. A retirement annuity or disability or survivor benefit that has accrued at the time of death of an annuitant, disabilitant, or survivor may be paid in the same manner.

Subd. 7. [Repealed, 1978 c 796 s 46]

Subd. 8. [Repealed, 1971 c 106 s 40]

Subd. 9. **Payment to a minor.** If a member or former member dies having named as beneficiary a person who is a minor at the time of the application for refund, the board may make the payment (1) directly to the minor, (2) to a person who has legally qualified and is acting as guardian of the minor's person or property in any jurisdiction, or (3) to either parent of the minor or to an adult person with whom the minor may at the time be living. The parent or other person to whom any amount is to be paid must advise the board in writing that the amount will be held or used in trust for the benefit of such minor. Any annuity or disability benefit payable at the time of death of an annuitant or recipient of a disability benefit, which is payable to a beneficiary who is a minor, may be paid in the same manner. The payment is a bar to recovery by any other person or persons.

**353.33 TOTAL AND PERMANENT DISABILITY BENEFITS.**

Subdivision 1. **Age, service, and salary requirements.** (a) A coordinated or basic member who is vested under section 353.01, subdivision 47, and who becomes totally and permanently disabled before normal retirement age, upon application as defined under section 353.031, is entitled to a disability benefit in an amount determined under subdivision 3.

(b) If the disabled person's public service has terminated at any time, at least two of the years of allowable service required to be vested under section 353.01, subdivision 47, must have been rendered after last becoming an active member.

Subd. 1a. **Benefit restriction.** No person is entitled to receive disability benefits and a retirement annuity at the same time.

Subd. 2. **Accrual of benefits.** (a) This benefit begins to accrue when the applicant is no longer receiving any form of compensation, whether salary or paid leave; 90 days preceding the filing of the application, or, if annual or sick leave or any other employer-paid salary continuation plan is paid for more than the 90-day period, from the date salary ceased, whichever is later. No member is entitled to receive a disability benefit payment when there remains to the member's credit any unused annual leave, sick leave, or any other employer-paid salary continuation plan, or under any other circumstances when, during the period of disability, there has been no impairment of the person's salary.

(b) Payment must not accrue beyond the end of the month in which entitlement has terminated. If the disabled member dies prior to negotiating the check for the month in which death occurs, payment is made to the surviving spouse, or if none, to the designated beneficiary, or if none, to the estate.

Subd. 3. **Computation of benefits.** (a) This disability benefit is an amount equal to the normal annuity payable to a member who has reached normal retirement age with the same number of years of allowable service and the same average salary, as provided in section 353.01, subdivision 17a, and section 353.29, subdivision 3.

(b) A basic member shall receive a supplementary monthly benefit of \$25 to age 65 or the five-year anniversary of the effective date of the disability benefit, whichever is later.

(c) If the disability benefits under this subdivision exceed the average salary as defined in section 353.01, subdivision 17a, the disability benefits must be reduced to an amount equal to the average salary.

Subd. 3a. [Repealed, 1999 c 222 art 2 s 20]

Subd. 3b. **Optional annuity election.** A disabled member may elect to receive the normal disability benefit or an optional annuity under section 353.30, subdivision 3. The election of an optional annuity must be made prior to the commencement of payment of the disability benefit. The optional annuity must begin to accrue on the same date as provided for the disability benefit.

(1) If a person who is not the spouse of a member is named as beneficiary of the joint and survivor optional annuity, the person is eligible to receive the annuity only if the spouse, on the disability application form prescribed by the executive director, permanently waives the surviving spouse benefits under sections 353.31, subdivision 1, and 353.32, subdivision 1a. If the spouse of the member refuses to permanently waive the surviving spouse coverage, the selection of a person other than the spouse of the member as a joint annuitant is invalid.

(2) If the spouse of the member permanently waives survivor coverage, the dependent children, if any, continue to be eligible for survivor benefits under section 353.31, subdivision 1, including the minimum benefit in section 353.31, subdivision 1a. The designated optional annuity beneficiary may draw the monthly benefit; however, the amount payable to the dependent child or children and joint annuitant must not exceed the 70 percent maximum family benefit under section 353.31, subdivision 1a. If the maximum is exceeded, the benefit of the joint annuitant must be reduced to the amount necessary so that the total family benefit does not exceed the 70 percent maximum family benefit amount.

(3) If the spouse is named as the beneficiary of the joint and survivor optional annuity, the spouse may draw the monthly benefits; however, the amount payable to the dependent child or children and the joint annuitant must not exceed the 70 percent maximum family benefit under section 353.31, subdivision 1a. If the maximum is exceeded, each dependent child will receive ten percent of the member's specified average monthly salary, and the benefit to the joint annuitant must be reduced to the amount necessary so that the total family benefit does not exceed the 70 percent maximum family benefit amount. The joint and survivor optional annuity must be restored to the surviving spouse, plus applicable postretirement adjustments under Minnesota Statutes 2008, section 356.41 or section 356.415, as the dependent child or children become no longer dependent under section 353.01, subdivision 15.

**Subd. 4. Procedure to determine eligibility.** (a) Eligibility for disability benefits must be determined following the procedures defined in section 353.031.

(b) If, after following the procedures for determining eligibility for benefits under section 353.031, and upon consideration of the medical evidence received and the recommendations of the medical adviser, it is determined by the executive director that the applicant is totally and permanently disabled within the meaning of the law, the association shall grant the person a disability benefit.

**Subd. 5. Benefits paid under workers' compensation law.** (a) Disability benefits paid shall be coordinated with any amounts, other than those amounts excluded under paragraph (b), received or receivable under workers' compensation law in either periodic or lump-sum payments from the employer under applicable workers' compensation laws, after deduction of amount of attorney fees, authorized under applicable workers' compensation laws, paid by a disabilitant. If the total of the single life annuity actuarial equivalent disability benefit and the workers' compensation benefit exceeds: (1) the salary the disabled member received as of the date of the disability or (2) the salary currently payable for the same employment position or an employment position substantially similar to the one the person held as of the date of the disability, whichever is greater, the disability benefit must be reduced to that amount which, when added to the workers' compensation benefits, does not exceed the greater of the salaries described in clauses (1) and (2).

(b) Permanent partial disability payments provided for in section 176.101, subdivision 2a, and retraining payments provided for in section 176.102, subdivision 11, must not be offset from disability payments due under paragraph (a) if the amounts of the permanent partial or retraining payments are reported to the executive director in a manner specified by the executive director.

Subd. 5a. [Repealed, 1991 c 341 s 51]

Subd. 5b. [Repealed, 2004 c 267 art 8 s 41]

**Subd. 6. Continuing eligibility for benefits.** Disability benefits are contingent upon a disabled person's participation in a vocational assessment if the executive director determines that the disabled person may be able to return to a gainful occupation. If, after a review by the executive director under section 353.031,

subdivision 8, a member is found to be no longer totally and permanently disabled, payments must cease the first of the month following the expiration of a 30-day period after the member receives a certified letter notifying the member that payments will cease.

Subd. 6a. [Repealed, 2007 c 134 art 4 s 36]

Subd. 6b. [Repealed, 2007 c 134 art 4 s 36]

Subd. 7. **Partial reemployment.** If, following a work or non-work-related injury or illness, a disabled person who remains totally and permanently disabled as defined in section 353.01, subdivision 19, has income from employment that is not substantial gainful activity and the rate of earnings from that employment are less than the salary rate at the date of disability or the salary rate currently paid for positions similar to the employment position held by the disabled person immediately before becoming disabled, whichever is greater, the executive director shall continue the disability benefit in an amount that, when added to the earnings and any workers' compensation benefit, does not exceed the salary rate at the date of disability or the salary currently paid for positions similar to the employment position held by the disabled person immediately before becoming disabled, whichever is higher. The disability benefit under this subdivision may not exceed the disability benefit originally allowed, plus any postretirement adjustments payable after December 31, 1988, in accordance with Minnesota Statutes 2008, section 11A.18, subdivision 10, or Minnesota Statutes 2008, section 356.41, through January 1, 2009, and thereafter as provided in section 356.415. No deductions for the retirement fund may be taken from the salary of a disabled person who is receiving a disability benefit as provided in this subdivision.

Subd. 7a. **Trial work period.** (a) This subdivision applies only to the Public Employees Retirement Association general employees retirement plan.

(b) If, following a work or non-work-related injury or illness, a disabled member attempts to return to work for their previous public employer or attempts to return to a similar position with another public employer, on a full-time or less than full-time basis, the Public Employees Retirement Association shall continue paying the disability benefit for a period not to exceed six months. The disability benefit must continue in an amount that, when added to the subsequent employment earnings and workers' compensation benefit, does not exceed the salary at the date of disability or the salary currently paid for similar positions, whichever is higher.

(c) No deductions for the general employees retirement plan may be taken from the salary of a disabled person who is attempting to return to work under this provision unless the member waives further disability benefits.

(d) A member only may return to employment and continue disability benefit payments once while receiving disability benefits from the general employees retirement plan administered by the Public Employees Retirement Association.

Subd. 8. [Repealed, 2007 c 134 art 4 s 36]

Subd. 9. **Return to employment.** (a) Any person receiving a disability benefit under this section who is restored to employment not covered by subdivision 7 or 7a must have the disability benefit discontinued on the first day of the month following the return to employment.

(b) If the person is employed by a governmental subdivision as defined under section 353.01, subdivision 6, deductions must be taken for the retirement fund and, upon subsequent retirement, the person

is entitled to a retirement annuity payable based upon all allowable service including the allowable service upon which the disability benefits were based.

(c) If the employment is not through public service covered under this chapter, the account may be placed on a deferred status and the subsequent retirement annuity must be calculated as provided in section 353.34, subdivision 3, if the person meets the length of allowable service requirement stated in that subdivision; or the person may request a refund of any remaining employee deductions. The refund must be in an amount equal to the accumulated employee deductions plus six percent interest compounded annually and must be reduced by the sum of the disability benefits paid to the member.

Subd. 10. [Repealed, 1973 c 753 s 85]

Subd. 11. **Coordinated member disabilitant transfer to retirement status.** The disability benefits paid to a coordinated member must terminate when the person reaches normal retirement age. If the coordinated member is still totally and permanently disabled upon attaining normal retirement age, the coordinated member is deemed to be on retirement status. If an optional annuity is elected under subdivision 3a, the coordinated member shall receive an annuity under the terms of the optional annuity previously elected, or, if an optional annuity is not elected under subdivision 3a, the coordinated member may elect to receive a normal retirement annuity under section 353.29 or an annuity equal to the disability benefit paid before the coordinated member reaches normal retirement age, whichever amount is greater, or elect to receive an optional annuity under section 353.30, subdivision 3. The annuity of a disabled coordinated member who attains normal retirement age must be computed under the law in effect upon attainment of normal retirement age. Election of an optional annuity must be made before the coordinated member attains normal retirement age. If an optional annuity is elected, the election is effective on the date on which the person attains normal retirement age and the optional annuity begins to accrue on the first day of the month next following the month in which the person attains that age.

Subd. 12. **Basic disabilitant transfer to retirement status; survivor benefits.** (a) If a basic member who is receiving a disability benefit under subdivision 3 dies before attaining age 65 or within five years of the effective date of the disability, whichever is later, the surviving spouse is entitled to receive a survivor benefit under section 353.31, and any dependent child or children are entitled to dependent child benefits under section 353.31, subdivision 1b, paragraph (b). If there are no dependent children, in lieu of the survivor benefit specified under section 353.31, the surviving spouse may elect to receive a refund under section 353.32, subdivision 1.

(b) If a basic member who is receiving a disability benefit under subdivision 3 is living at age 65 or five years after the effective date of the disability, whichever is later, the basic member may receive a normal retirement annuity equal to the disability benefit previously received, adjusted for the amount no longer payable under subdivision 3, paragraph (b), or the person may elect a joint and survivor optional annuity under section 353.31, subdivision 1b. The election of the joint and survivor optional annuity must occur within 90 days of attaining age 65 or of reaching the five-year anniversary of the effective date of the disability benefit, whichever is later. The optional annuity takes effect on the first day of the month following the month in which the person attains age 65 or reaches the five-year anniversary of the effective date of the disability benefit, whichever is later.

Subd. 13. **Postretirement adjustment eligibility.** (a) A disability benefit under this section is eligible for postretirement adjustments under section 356.415.

(b) When a disability benefit terminates under subdivision 11, the retirement annuity elected by the individual must include all prior adjustments provided under Minnesota Statutes 2008, section 11A.18, through January 1, 2009, and thereafter as provided in section 356.415.

### **353.335 DISABILITANT EARNINGS REPORTS.**

Disability benefit recipients must report all earnings from reemployment and from income from workers' compensation to the association annually by May 15 in a format prescribed by the executive director. If the form is not submitted by May 15, benefits must be suspended effective June 1. Upon receipt of the form by the association, if the disability benefit recipient is deemed by the executive director to be eligible for continued payment, benefits must be reinstated retroactive to June 1.

**History:** 2006 c 271 art 3 s 27

### **353.34 RIGHTS UPON TERMINATION OF MEMBERSHIP.**

Subdivision 1. **Refund or deferred annuity.** (a) A former member is entitled to either a refund of accumulated employee deductions under subdivision 2, or to a deferred annuity under subdivision 3. Application for a refund may not be made before the date of termination of public service. A refund must be paid within 120 days following receipt of the application unless the applicant has again become a public employee required to be covered by the association.

(b) If an individual was placed on layoff under section 353.01, subdivision 12 or 12c, a refund is not payable before termination of service under section 353.01, subdivision 11a.

(c) An individual who terminates public service covered by the Public Employees Retirement Association general employees retirement plan, except members of the former Minneapolis Employees Retirement Fund under section 353.01, subdivision 2b, paragraph (d), the Public Employees Retirement Association police and fire retirement plan, or the public employees local government correctional service retirement plan, and who is employed by a different employer and who becomes an active member covered by one of the other two plans, may receive a refund of employee contributions plus annual compound interest from the plan from which the member terminated service at the applicable rate specified in subdivision 2.

(d) Refunds payable to members of the former Minneapolis Employees Retirement Fund under section 353.01, subdivision 2a, paragraph (d), are governed by Minnesota Statutes 2008, chapter 422A.

Subd. 2. **Refund with interest.** (a) Except as provided in subdivision 1, any person who ceases to be a public employee is entitled to receive a refund in an amount equal to accumulated deductions with annual compound interest to the first day of the month in which the refund is processed.

(b) For a person who ceases to be a public employee before July 1, 2011, the refund interest is at the rate of six percent to June 30, 2011, and at the rate of four percent after June 30, 2011. (d) If the refund payable to a member is based on employee deductions that are determined to be invalid under section 353.27, subdivision 7, the interest payable on the invalid employee deductions is four percent.

Subd. 3. **Deferred annuity; eligibility; computation.** (a) A member who is vested under section 353.01, subdivision 47, when termination of public service or termination of membership occurs has the option of leaving the accumulated deductions in the fund and being entitled to a deferred retirement annuity commencing at normal retirement age or to a deferred early retirement annuity under section 353.30, subdivision 1a, 1b, 1c, or 5.

(b) The deferred annuity must be computed under section 353.29, subdivision 3, on the basis of the law in effect on the date of termination of public service or termination of membership, whichever is earlier, and must be augmented as provided in section 353.71, subdivision 2.

(c) A former member qualified to apply for a deferred retirement annuity may revoke this option at any time before the commencement of deferred annuity payments by making application for a refund. The person is entitled to a refund of accumulated member contributions within 30 days following date of receipt of the application by the executive director.

Subd. 3a. **Deferred annuity; certain hospital employees.** Any member employed by a public hospital, as defined in section 355.01, subdivision 3k, who has at least three years of allowable service credit on the date the public hospital is taken over by a private corporation or organization, may elect to receive a deferred annuity pursuant to subdivision 3 notwithstanding the length of service requirement contained therein.

**353.37 REEMPLOYMENT OF ANNUITANT.**

Subdivision 1. **Salary maximums.** (a) The annuity of a person otherwise eligible for an annuity from the general employees retirement plan of the Public Employees Retirement Association, the public employees police and fire retirement plan, or the local government correctional employees retirement plan must be suspended under subdivision 2 or reduced under subdivision 3, whichever results in the higher annual annuity amount, if the person reenters public service as a nonelective employee of a governmental subdivision or returns to work as an employee of a labor organization that represents public employees who are association members under this chapter and salary for the reemployment service exceeds the annual maximum earnings allowable for that age for the continued receipt of full benefit amounts monthly under the federal Old Age, Survivors and Disability Insurance Program as set by the secretary of health and human services under United States Code, title 42, section 403, in any calendar year. If the person has not yet reached the minimum age for the receipt of Social Security benefits, the maximum salary for the person is equal to the annual maximum earnings allowable for the minimum age for the receipt of Social Security benefits.

(b) The provisions of paragraph (a) do not apply to the members of the general employees plan of the Public Employees Retirement Association who were former members of MERF.

Subd. 1a. [Repealed, 1981 c 180 s 18]

Subd. 1b. **Retirement age.** For purposes of this section, "retirement age" means retirement age as defined in United States Code, title 42, section 416(l).

Subd. 2. MS 1971 [Repealed, 1973 c 753 s 85]

Subd. 2. **Suspension of annuity.** (a) The association shall suspend the annuity on the first of the month after the month in which the salary of the reemployed annuitant described in subdivision 1, paragraph (a), exceeds the maximums set in subdivision 1, paragraph (a), based only on those months in which the annuitant is actually employed in nonelective public service in a position covered under this chapter or employment with a labor organization that represents public employees who are members of a retirement plan under this chapter or chapter 353E.

(b) An annuitant who is elected to public office after retirement may hold that office and receive an annuity otherwise payable from a retirement plan administered by the association.

Subd. 3. MS 1971 [Repealed, 1973 c 753 s 85]

Subd. 3. **Reduction of annuity.** (a) The association shall reduce the amount of the annuity of a person who has not reached the retirement age by one-half of the amount in excess of the applicable reemployment income maximum under subdivision 1, paragraph (a).

(b) There is no reduction upon reemployment, regardless of income, for a person who has reached the retirement age.

Subd. 3a. **Disposition of suspension or reduction amount.** (a) The balance of the annual retirement annuity after suspension or the amount of the retirement annuity reduction must be handled or disposed of as provided in section 356.47.

(b) If a reemployed annuitant whose annuity is suspended is having insurance premium amounts withheld under section 356.87, subdivision 2, insurance premium amounts must continue to be withheld and

transferred from the suspended portion of the annuity. The balance of the annual retirement annuity after cessation, after deduction of the insurance premium amounts, must be treated as specified in paragraph (a).

**Subd. 4. Resumption of annuity.** The association shall resume paying a full annuity to the reemployed annuitant described in subdivision 1, paragraph (a), at the start of each calendar year until the salary exceeds the maximums under subdivision 1, paragraph (a), or on the first of the month following the termination of the employment which resulted in the suspension of the annuity. The executive director may adopt policies regarding the suspension and reduction of annuities under this section.

**Subd. 5. Effect on annuity.** Except as provided under this section, public service performed by an annuitant described in subdivision 1, paragraph (a), subsequent to retirement from the general employees retirement plan, the public employees police and fire retirement plan, or the local government correctional employees retirement plan does not increase or decrease the amount of an annuity. The annuitant shall not make any further contributions to a defined benefit plan administered by the association by reason of this subsequent public service.

**Subd. 6. Treatment in certain divorce situations.** Notwithstanding other subdivisions of this section, if a reemployed annuitant whose annuity is suspended or reduced under this section has a former spouse receiving a portion of the annuity under section 518.58, subdivision 1, the portion payable to the former spouse must not be suspended or deferred.

No change may be made to a monthly annuity or retirement allowance based on employment under this section.

Subd. 7. **Subsequent employment.** If a person has been in a postretirement option position and accepts any other position in public service beyond the period of time for which the person participated in the postretirement option provided under this section, the person may not earn service credit in the general employees retirement plan of the Public Employees Retirement Association, no employer contributions or payroll deductions for the retirement fund may be made, and the provisions of section 353.37 apply.

It is the recognized policy of the state that special consideration should be given to employees of governmental subdivisions who devote their time and skills to protecting the property and personal safety of others. Since this work is hazardous, special provisions are hereby made for retirement pensions, disability benefits and survivors benefits based on the particular dangers inherent in these occupations. The benefits provided in sections 353.63 to 353.68 are more costly than similar benefits for other public employees since they are computed on the basis of a shorter working lifetime taking into account experience which has been universally recognized. This extra cost should be borne by the employee and employer alike at the ratio of 40 percent employee contributions and 60 percent employer contributions.

### **353.651 RETIREMENT ANNUITY UPON SEPARATION FROM PUBLIC SERVICE.**

Subdivision 1. **Age and allowable service requirements.** Upon separation from public service, any police officer or firefighter member, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, who has attained the age of at least 55 years and who is vested under section 353.01, subdivision 47, is entitled upon application to a retirement annuity, known as the "normal" retirement annuity.

Subd. 2. [Repealed, 1Sp2005 c 8 art 1 s 32]

Subd. 3. **Retirement annuity formula.** (a) The average salary as defined in section 353.01, subdivision 17a, multiplied by 3.0 percent, multiplied by years of allowable service, multiplied by the applicable vesting percentage indicated in section 353.01, subdivision 47, determines the amount of the normal retirement annuity. If the member has earned allowable service for performing services other than those of a police officer or firefighter, the annuity representing that service must be computed under sections 353.29 and 353.30.

(b) For a member first enrolled in the public employees police and fire retirement plan after June 30, 2014, the average salary as defined in section 353.01, subdivision 17a, paragraph (a), includes salary for all years for which contributions have been reported to the public employees police and fire retirement plan, but allowable service included in the calculation is limited to 33 years and the normal retirement annuity must not exceed 99 percent of the average salary.

(c) When the annuity begins for members of the public employees police and fire retirement plan enrolled after June 30, 2014, a prorated share of the contributions for allowable service exceeding 33 years must be refunded to the member. The prorated share of the contributions to be refunded is determined by multiplying the accumulated deductions paid by the member to the public employees police and fire retirement plan by a percentage determined using the number of months of service in excess of 396 as the numerator and the total number of months of allowable service on which contributions were reported as the denominator. Interest as defined in section 353.34, subdivision 2, is to be applied to the prorated share of contributions from the first of the 397th month of allowable service reported to the public employees police and fire retirement plan to the first of the month the annuity begins.

Subd. 4. **Early retirement.** (a) A person who becomes a public employees police and fire retirement plan member after June 30, 2007, or a former member who is reinstated as a member of the plan after that date, who is at least 50 years of age and is at least partially vested under section 353.01, subdivision 47, upon the termination of public employees police and fire retirement plan membership before July 1, 2014, is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced by two-tenths of one percent for each month that the member is under age 55 at the time of retirement.

(b) Upon the termination of public employees police and fire retirement plan membership before July 1, 2014, any public employees police and fire retirement plan member who first became a member of the plan before July 1, 2007, and who is not specified in paragraph (a), upon attaining at least 50 years of age with at least three years of allowable service is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced by one-tenth of one percent for each month that the member is under age 55 at the time of retirement.

(c) A person who is a member of the public employees police and fire retirement plan on or after July 1, 2014, and who is at least 50 years old and is at least partially vested under section 353.01, subdivision 47, and whose benefit effective date is after July 1, 2014, and on or before July 1, 2019, is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced for each month the member is under age 55 at the time of retirement by applying a blended monthly rate that is equivalent to the sum of:

(1) one-sixtieth of the annual rate of five percent, prorated for each month the person's benefit effective date is after July 1, 2014; and

(2) one-sixtieth of the annual rate provided under paragraph (a) or (b), whichever applies, for each month the person's benefit effective date is before July 1, 2019.

(d) A person who is a member of the public employees police and fire retirement plan on or after July 1, 2014, and who is at least 50 years old and is at least partially vested under section 353.01, subdivision 47, whose benefit effective date is after July 1, 2019, is entitled, upon application, to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced by five percent annually, prorated for each month that the member is under age 55.

(b) The member, upon application, if the person is at least age 50 and has credit for at least 20 years of allowable service, is entitled to a normal retirement annuity. The normal retirement annuity is the following amount based on the service credit of the retiring member as a Minneapolis police officer:

years of service	retirement annuity amount
20	35 units
21	36.6 units
22	38.2 units
23	39.8 units
24	41.4 units
25 or more	43 units

Subd. 3. **Disability benefit.** A member described in subdivision 1, if the member is disabled under section 353.01, subdivision 41 or 46, and has not yet attained the age of 50 years, is entitled to a disability benefit equal to 34 units.

Subd. 4. **Surviving spouse benefit.** A surviving spouse under section 353.01, subdivision 20, of a deceased member described in subdivision 1 is entitled to a surviving spouse benefit equal to 23 units.

Subd. 6. **Surviving family benefit maximum.** The surviving spouse and surviving dependent child under subdivisions 4 and 5 are entitled to a combined family benefit under subdivisions 4 and 5 of 41 units.

Subd. 7. **Postretirement adjustments.** Retirement annuities, service pensions, disability benefits, and survivor benefits after December 31, 2015, are eligible for postretirement adjustments under section 356.415, subdivision 1c. The unit value for the calculation of a retirement annuity first payable after December 31, 2015, is the calendar year 2015 unit value, plus any annual postretirement adjustment percentage amount payable after December 31, 2015, under section 356.415, subdivision 1c, paragraph (a), clause (1), or, when applicable, under section 356.415, subdivision 1c, paragraph (b), clause (1).

Subd. 8. **Savings clause; dispute resolution.** In the event of any dispute by or on behalf of any former member of the consolidating relief association after the effective date of consolidation over the amount of a benefit to which the person may be entitled, the proper interpretation of a provision of Laws 2011, First Special Session chapter 8, article 7, or the conformity of the provisions of Laws 2011, First Special Session chapter 8, article 7, to the provisions of the benefit plan of the consolidating relief association in effect immediately before the date of the consolidation, the dispute shall be submitted in writing to the Legislative Commission on Pensions and Retirement by the person who is a party to the dispute, by the fraternal organization related to the former relief association, or by the executive director of the Public Employees Retirement Association. The Legislative Commission on Pensions and Retirement shall review the dispute as part of its deliberations on proposed or pending retirement legislation and shall make its

recommendation on the resolution of the dispute, if any, to the appropriate committees of the senate and house of representatives with jurisdiction over public employee pension matters in the form of the necessary legislation amending the provisions of Laws 2011, First Special Session chapter 8, article 7, which proposed legislation must include retroactivity of any increase in a benefit amount to the date on which the benefit subject to dispute accrued or would have accrued.

### **353.656 DISABILITY BENEFITS.**

Subdivision 1. **Duty disability; computation of benefits.** (a) A member of the police and fire plan, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, who is determined to qualify for duty disability as defined in section 353.01, subdivision 41, is entitled to receive disability benefits during the period of such disability in an amount equal to 60 percent of the average salary as defined in section 353.01, subdivision 17a, plus an additional 3.0 percent of that average salary for each year of service in excess of 20 years.

(b) To be eligible for a benefit under paragraph (a), the member must have:

(1) not met the requirements for a retirement annuity under section 353.651, subdivision 1; or

(2) met the requirements under that subdivision, but does not have at least 20 years of allowable service credit.

(c) If paragraph (b), clause (2), applies, the disability benefit must be paid for a period of 60 months from the disability benefit accrual date and at the end of that period is subject to provisions of subdivision 5a.

(d) If the disability under this subdivision occurs before the member has at least five years of allowable service credit in the police and fire plan, the disability benefit must be computed on the average salary from which deductions were made for contribution to the police and fire fund.

Subd. 1a. MS 2006 [Renumbered, subd 1b]

Subd. 1a. **Total and permanent duty disability; computation of benefits.** (a) A member of the police and fire plan, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, whose disabling condition is determined to be a duty disability that is also a permanent and total disability as defined in section 353.01, subdivision 19, is entitled to receive, for life, disability benefits in an amount equal to 60 percent of the average salary as defined in section 353.01, subdivision 17a, plus an additional 3.0 percent of that average salary for each year of service in excess of 20 years.

(b) A disability benefit payable under paragraph (a) is subject to eligibility review under section 353.33, subdivision 6, but the review may be waived if the executive director receives a written statement from the association's medical advisor that no improvement can be expected in the member's disabling condition that was the basis for payment of the benefit under paragraph (a). A member receiving a disability benefit under this subdivision who is found to no longer be permanently and totally disabled as defined under section 353.01, subdivision 19, but continues to meet the definition for receipt of a duty disability under section 353.01, subdivision 41, is subject to subdivision 1 upon written notice from the association's medical advisor that the person is no longer considered permanently and totally disabled, and may, upon application, elect an optional annuity under subdivision 1b.

(c) If a member approved for disability benefits under this subdivision dies before attaining normal retirement age as defined in section 353.01, subdivision 37, paragraph (b), or within 60 months of the effective date of the disability, whichever is later, the surviving spouse is entitled to receive a survivor benefit under section 353.657, subdivision 2, paragraph (a), clause (1), if the death is the direct result of the disabling condition for which disability benefits were approved, or section 353.657, subdivision 2, paragraph (a), clause (2), if the death is not directly related to the disabling condition for which benefits were approved under this subdivision.

(d) If the election of an actuarial equivalent optional annuity is not made at the time the permanent and total disability benefit accrues, an election must be made within 90 days before the member attains normal retirement age as defined under section 353.01, subdivision 37, paragraph (b), or having collected total and permanent disability benefits for 60 months, whichever is later. If a member receiving disability benefits who has dependent children dies, subdivision 6a, paragraph (c), applies.

Subd. 1b. **Optional annuity election.** (a) A disabled member of the police and fire fund may elect to receive the normal disability benefit or an actuarial equivalent optional annuity. If the election of an actuarial equivalent optional annuity is made before the commencement of payment of the disability benefit, the optional annuity must begin to accrue on the same date as the disability benefit covering only the disability benefit recipient would have accrued.

(b) If an election of an optional annuity is not made before the commencement of the disability benefit, the disability benefit recipient may elect an optional annuity:

(1) within 90 days before normal retirement age;

(2) upon the filing of an application to convert to an early retirement annuity, if electing to convert to an early retirement annuity before the normal retirement age;

(3) within 90 days before the expiration of the 60-month period for which a disability benefit is paid, if the disability benefit is payable because the disabled member did not have at least 20 years of allowable service at normal retirement age; or

(4) upon being determined that the disability benefit recipient continues to be disabled under subdivision 1, but is no longer totally and permanently disabled under subdivision 1a.

(c) If a disabled member who has named a joint and survivor optional annuity beneficiary dies before the disability benefit ceases and is recalculated under subdivision 5a, the beneficiary eligible to receive the joint and survivor annuity may elect to have the annuity converted at the times designated in paragraph (b), clause (1), (2), or (3), whichever allows for the earliest payment of a higher joint and survivor annuity option resulting from recalculation under subdivision 5a, paragraph (e).

(d) A disabled member may name a person other than the spouse as beneficiary of a joint and survivor annuity only if the spouse of the disabled member permanently waives surviving spouse coverage on the disability application form prescribed by the executive director.

(e) If the spouse of the member permanently waives survivor coverage, the dependent child or children, if any, continue to be eligible for dependent child benefits under section 353.657, subdivision 3, and the designated optional annuity beneficiary may draw the monthly benefit.

(f) Any optional annuity under this subdivision, plus dependent child benefits, if applicable, are subject to the maximum and minimum family benefit amounts specified in section 353.657, subdivision 3a.

**Subd. 2. Benefits paid under workers' compensation law.** (a) When the amount determined under paragraph (b) exceeds the equivalent salary determined under paragraph (c), the disability benefit amount must be reduced to that amount which, when added to the workers' compensation benefits, equals the equivalent salary.

(b) When a member receiving a disability benefit as specified in this section is also entitled to receive lump sum or periodic benefits under workers' compensation laws, the single life annuity actuarial equivalent disability benefit amount and the workers' compensation amount must be added. The computation must exclude any attorney fees paid by the disability benefit recipient as authorized under applicable workers' compensation laws. The computation must also exclude permanent partial disability payments provided under section 176.101, subdivision 2a, and retraining payments under section 176.102, subdivision 11, if the permanent partial disability or retraining payments are reported to the executive director in a manner specified by the executive director.

(c) The equivalent salary is the amount determined under clause (1) or (2), whichever is greater:

(1) the salary the disabled member received as of the date of the disability; or

(2) the salary currently payable for the same employment position or substantially similar positions in the applicable government subdivision.

**Subd. 2a. Reduction restored; overpayment.** A disabled member who is eligible to receive a disability benefit under subdivision 2 as of June 30, 1987, and whose disability benefit amount had been reduced prior to July 1, 1987, as a result of the receipt of workers' compensation benefits, must have the disability benefit payment amount restored, as of July 1, 1987, calculated in accordance with subdivision 2. However, a disabled member is not entitled to receive retroactive repayment of any disability benefit amounts lost before July 1, 1987, as a result of the reduction required before that date because of the receipt of workers' compensation benefits.

Any disability benefit overpayments made before July 1, 1987, and occurring because of the failure to reduce the disability benefit payment to the extent required because of the receipt of workers' compensation

benefits, may be collected by the association through the reduction of disability benefit or annuity payment made on or after July 1, 1987, until the overpayment is fully recovered.

Subd. 3. **Regular disability benefit.** (a) A member of the police and fire plan, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, who qualifies for a regular disability benefit as defined in section 353.01, subdivision 46, is entitled to receive a disability benefit, after filing a valid application, in an amount equal to 45 percent of the average salary as defined in section 353.01, subdivision 17a.

(b) To be eligible for a benefit under paragraph (a), the member must have at least one year of allowable service credit and have:

(1) not met the requirements for a retirement annuity under section 353.651, subdivision 1, or

(2) met the requirements under that subdivision, but does not have at least 15 years of allowable service credit.

(c) If paragraph (b), clause (2), applies, the disability benefit must be paid for a period of 60 months from the disability benefit accrual date and, at the end of that period, is subject to provisions of subdivision 5a.

(d) For a member who is employed as a full-time firefighter by the Department of Military Affairs of the state of Minnesota, allowable service as a full-time state Military Affairs Department firefighter credited by the Minnesota State Retirement System may be used in meeting the minimum allowable service requirement of this subdivision.

Subd. 3a. **Total and permanent regular disability; computation of benefits.** (a) A member of the police and fire plan, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, whose disabling condition is determined to be a regular disability under section 353.01, subdivision 46, that is also a permanent and total disability as defined in section 353.01, subdivision 19, is entitled to receive, for life, a disability benefit in an amount equal to 45 percent of the average salary as defined in section 353.01, subdivision 17a, plus an additional 3.0 percent of that average salary for each year of service in excess of 15 years.

(b) A disability benefit payable under paragraph (a) is subject to eligibility review under section 353.33, subdivision 6, but the review may be waived if the executive director receives a written statement from the association's medical advisor that no improvement can be expected in the member's disabling condition that was the basis for payment of the benefit under paragraph (a). A member receiving a disability benefit under this subdivision who is found to no longer be permanently and totally disabled as defined under section 353.01, subdivision 19, but continues to meet the definition for receipt of a regular disability under section 353.01, subdivision 46, is subject to subdivision 3 upon written notice from the association's medical advisor that the person is no longer considered permanently and totally disabled.

(c) A member approved for disability benefits under this subdivision may elect to receive a normal disability benefit or an actuarial equivalent optional annuity. If the election of an actuarial equivalent optional annuity is not made at the time the total and permanent disability benefit accrues, an election must be made within 90 days before the member attains normal retirement age as defined in section 353.01, subdivision 37, paragraph (b), or having collected disability benefits for 60 months, whichever is later. No surviving spouse benefits are payable if the member dies during the period in which a normal total and permanent disability benefit is being paid. If a member receiving disability benefits who has dependent children dies, subdivision 6a, paragraph (c), applies.

Subd. 4. **Limitation on disability benefit payments.** (a) No member is entitled to receive a disability benefit payment when there remains to the member's credit unused annual leave, sick leave, or any other employer-provided salary continuation plan, or under any other circumstances when, during the period of disability, there has been no impairment of the person's salary as a police officer, a firefighter, or a paramedic as defined in section 353.64, subdivision 10, whichever applies.

(b) If a disabled member resumes a gainful occupation with earnings that, when added to the single life disability benefit, and workers' compensation benefit if applicable, exceed the disability benefit recipient's reemployment earnings limit, the amount of the disability benefit must be reduced during the months of employment and receipt of workers' compensation benefits, if applicable, as provided in this paragraph. The disability benefit recipient's reemployment earnings limit is the greater of:

(1) the monthly salary earned at the date of disability; or

(2) 125 percent of the base monthly salary currently paid by the employing governmental subdivision for similar positions.

(c) The disability benefit must be reduced by one dollar for each three dollars by which the total amount of the current monthly disability benefit, any monthly workers' compensation benefits if applicable, and actual monthly earnings exceed the greater disability benefit recipient's reemployment earnings limit. In no event may the monthly disability benefit as adjusted under this subdivision exceed the disability benefit originally allowed.

Subd. 5. [Repealed, 2007 c 134 art 4 s 36]

Subd. 5a. **Cessation of disability benefit.** (a) The association shall cease the payment of any disability benefit the first of the month following the reinstatement of a member to full time or less than full-time service in a position covered by the police and fire fund.

(b) A disability benefit paid to a disabled member of the police and fire plan, that was granted under laws in effect after June 30, 2007, terminates at the end of the month in which the member:

(1) reaches normal retirement age;

(2) if the disability benefit is payable for a 60-month period as determined under subdivisions 1 and 3, as applicable, the first of the month following the expiration of the 60-month period; or

(3) if the disabled member so chooses, the end of the month in which the member has elected to convert to an early retirement annuity under section 353.651, subdivision 4.

(c) If the police and fire plan member continues to be disabled when the disability benefit terminates under this subdivision, the member is deemed to be retired. The individual is entitled to receive a normal retirement annuity or an early retirement annuity under section 353.651, whichever is applicable, as further specified in paragraph (d) or (e). If the individual did not previously elect an optional annuity under subdivision 1b, paragraph (a), the individual may elect an optional annuity under subdivision 1b, paragraph (b).

(d) A member of the police and fire plan who is receiving a disability benefit under this section may, upon application, elect to receive an early retirement annuity under section 353.651, subdivision 4, at any time after attaining age 50, but must convert to a retirement annuity no later than the end of the month in which the disabled member attains normal retirement age. An early retirement annuity elected under this

subdivision must be calculated on the disabled member's accrued years of service and average salary as defined in section 353.01, subdivision 17a, and when elected, the member is deemed to be retired.

(e) When an individual's disability benefit terminates under paragraph (b), clause (1) or (2), and is recalculated as a retirement annuity, the annuity must be based on clause (1) or (2), whichever provides the greater amount:

(1) the benefit amount at the time of reclassification, including all prior adjustments provided under Minnesota Statutes 2008, section 11A.18, through January 1, 2009, and thereafter as provided in section 356.415; or

(2) a benefit amount computed on the member's actual years of accrued allowable service credit and the law in effect at the time the disability benefit first accrued, plus any increases that would have applied since that date under Minnesota Statutes 2008, section 11A.18, through January 1, 2009, and thereafter as provided in section 356.415.

Subd. 6. [Repealed, 1993 c 307 art 4 s 54]

Subd. 6a. **Disability survivor benefits for pre-July 1, 2007, disabilitants.** (a) If a member who is receiving a disability benefit that was granted under the laws in effect before July 1, 2007, dies before attaining normal retirement age as defined under section 353.01, subdivision 37, paragraph (b), or within five years of the effective date of the disability, whichever is later, the surviving spouse shall receive a survivor benefit under section 353.657, subdivision 2, paragraph (a), clause (2); or 2a, unless the surviving spouse elected to receive a refund under section 353.32, subdivision 1. The joint and survivor optional annuity under subdivision 2a is based on the minimum disability benefit under subdivision 1 or 3, or the deceased member's allowable service, whichever is greater.

(b) If the disability benefit was granted under the laws in effect before July 1, 2007, and the disabilitant is living at the age required for receipt of a retirement annuity under section 353.651, subdivision 1, or five years after the effective date of the disability, whichever is later, the disabled member may continue to receive a normal disability benefit, or the member may elect a joint and survivor optional annuity under section 353.30. The optional annuity is based on the minimum disability benefit under subdivision 1 or 3, or the member's allowable service, whichever is greater. The election of this joint and survivor annuity must occur within 90 days before attaining normal retirement age as defined under section 353.01, subdivision 37, paragraph (b), or within 90 days before the five-year anniversary of the effective date of the disability benefit, whichever is later. The optional annuity takes effect the first of the month following the month in which the person attains the age required for receipt of a retirement annuity under section 353.651, subdivision 1, or reaches the five-year anniversary of the effective date of the disability benefit, whichever is later.

(c) If any disabled member dies while receiving a benefit and has a dependent child or children, the association shall grant a dependent child benefit under section 353.657, subdivision 3.

Subd. 7. [Repealed, 1992 c 432 art 2 s 51]

Subd. 8. **Application procedure to determine eligibility for police and fire plan disability benefits.** The application procedures to determine eligibility for police and fire plan disability benefits are defined under section 353.031.

Subd. 9. [Repealed, 2007 c 134 art 4 s 36]

Subd. 10. **Accrual of benefits.** (a) Except for a total and permanent disability under subdivision 1a, a disability benefit begins to accrue when the applicant is no longer receiving any form of compensation, whether salary or paid leave 90 days preceding the filing of an application; or, if annual or sick leave, or any other employer-paid salary continuation plan is paid for more than the 90-day period, from the date on which the payment of salary ceased, whichever is later. Except for a total and permanent disability under subdivision 1a, no member is entitled to receive a disability benefit payment when there remains to the member's credit any unused annual leave, sick leave, or any other employer-paid salary continuation benefit, or under any other circumstances when, during the period of disability, there has been no impairment of the person's salary.

(b) Payment of the disability benefit must not continue beyond the end of the month in which entitlement has terminated. If the disability benefit recipient dies prior to negotiating the check for the month in which death occurs, payment must be made to the surviving spouse or, if none, to the designated beneficiary or, if none, to the estate.

Subd. 11. [Repealed, 2007 c 134 art 4 s 36]

Subd. 12. [Repealed, 2007 c 134 art 4 s 36]

Subd. 13. **Chemical dependency limitations to disability benefit eligibility.** (a) No benefits are payable for any disability resulting in whole or in part from the member's current use of illegal drugs. This exclusion does not apply to a member who:

(1) has successfully completed a supervised drug rehabilitation program or has otherwise been rehabilitated successfully and is no longer engaging in such use; or

(2) is participating in a supervised rehabilitation program and is no longer engaging in such use.

(b) "Illegal use of drugs" means the use of drugs, the possession or distribution of which is unlawful under United States Code, title 21, section 801. "Illegal use of drugs" does not include the use of a drug taken under the supervision of a licensed health care professional, or other uses authorized by United States Code, title 21, or other provisions of law.

Subd. 14. **Postretirement adjustment eligibility.** A disability benefit under this section is eligible for postretirement adjustments under section 356.415.

### 353.657 SURVIVOR BENEFITS.

Subdivision 1. **Generally.** (a) In the event that a member of the police and fire fund, other than a firefighter covered by section 353.6511, or a police officer covered by section 353.6512, dies from any cause before retirement or before becoming disabled and receiving disability benefits, the association shall grant

survivor benefits to a surviving spouse, as defined in section 353.01, subdivision 20, and to a dependent child or children, as defined in section 353.01, subdivision 15, except that if the death is not a line of duty death, the member must be vested under section 353.01, subdivision 47.

(b) Notwithstanding the definition of surviving spouse, a former spouse of the member, if any, is entitled to a portion of the monthly surviving spouse benefit if stipulated under the terms of a marriage dissolution decree filed with the association. If there is no surviving spouse or child or children, a former spouse may be entitled to a lump-sum refund payment under section 353.32, subdivision 1, if provided for in a marriage dissolution decree but not a monthly surviving spouse benefit despite the terms of a marriage dissolution decree filed with the association.

(c) The spouse and child or children are entitled to monthly benefits as provided in subdivisions 2 to 4.

Subd. 2. **Benefit amount.** (a) The spouse of a deceased member is entitled to receive a monthly benefit for life equal to the following percentage of the member's average salary, as defined in section 353.01, subdivision 17a, paragraph (c), as a member of the police and fire plan:

(1) if the death was a line of duty death, 60 percent of the average salary is payable; and

(2) if the death was not a line of duty death or if death occurred while receiving disability benefits that accrued before July 1, 2007, 50 percent of the average salary is payable.

(b) If the member's status changed from full time to part time due to health reasons during the last 12 months of employment, notwithstanding the definition of average salary in section 353.01, subdivision 17a, paragraph (c), the average salary used to compute the monthly survivor benefit must be based on the full-time salary rate of the position held as a member of the police and fire plan in effect over the last six months of allowable service preceding the month in which the death occurred.

Subd. 2a. **Death while eligible survivor benefit.** (a) If a member or former member who has attained the age of at least 50 years and either who is vested under section 353.01, subdivision 47, or who has credit for at least 30 years of allowable service, regardless of age attained, dies before the annuity or disability benefit becomes payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse may elect to receive a death while eligible survivor benefit.

(b) Notwithstanding the definition of surviving spouse in section 353.01, subdivision 20, a former spouse of the member, if any, is entitled to a portion of the death while eligible survivor benefit if stipulated under the terms of a marriage dissolution decree filed with the association. If there is no surviving spouse or child or children, a former spouse may be entitled to a lump-sum refund payment under section 353.32, subdivision 1, if provided for in a marriage dissolution decree but not a death while eligible survivor benefit despite the terms of a marriage dissolution decree filed with the association.

(c) The benefit may be elected instead of a refund with interest under section 353.32, subdivision 1, or surviving spouse benefits otherwise payable under subdivisions 1 and 2. The benefit must be an annuity equal to the 100 percent joint and survivor annuity which the member could have qualified for on the date of death, computed as provided in sections 353.651, subdivision 3, and 353.30, subdivision 3.

(d) The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. Sections 353.34, subdivision 3, and 353.71, subdivision 2, apply to a deferred annuity payable under this subdivision.

(e) No payment accrues beyond the end of the month in which entitlement to such annuity has terminated. An amount equal to the excess, if any, of the accumulated contributions which were credited to the account of the deceased employee over and above the total of the annuities paid and payable to the surviving spouse must be paid to the deceased member's last designated beneficiary or, if none, to the legal representative of the estate of such deceased member.

(f) Any member may request in writing, with the signed consent of the spouse, that this subdivision not apply and that payment be made only to the designated beneficiary, as otherwise provided by this chapter.

(g) For a member who is employed as a full-time firefighter by the Department of Military Affairs of the state of Minnesota, allowable service as a full-time state Military Affairs Department firefighter credited by the Minnesota State Retirement System may be used in meeting the minimum allowable service requirement of this subdivision.

Subd. 3. **Dependent children.** (a) A dependent child, as defined in section 353.01, subdivision 15, is entitled to receive a monthly benefit equal to ten percent of the member's average salary, as defined in section 353.01, subdivision 17a, paragraph (c), as a member of the police and fire plan.

(b) If the member's status changed from full time to part time due to health reasons during the last 12 months of employment, notwithstanding the definition of average salary in section 353.01, subdivision 17a, paragraph (c), the average salary used to compute the monthly dependent child benefit must be based on the full-time salary rate of the position held as a member of the police and fire plan in effect over the last six months of allowable service preceding the month in which the death occurred.

(c) Payments for the benefit of a dependent child must be made to the surviving parent, or to the legal guardian of the child or to any adult person with whom the child may at the time be living, provided only that the parent or other person to whom any amount is to be paid advises the board in writing that the amount will be held or used in trust for the benefit of the child.

Subd. 3a. **Maximum and minimum family benefits.** (a) The maximum monthly benefit per family must not exceed the following percentages of the member's average monthly salary as specified in subdivision 3:

(1) 80 percent, if the member's death was a line of duty death; or

(2) 70 percent, if the member's death was not a line of duty death or occurred while the member was receiving a disability benefit that accrued before July 1, 2007.

(b) The minimum monthly benefit per family, including the joint and survivor optional annuity under subdivision 2a, and section 353.656, subdivision 1a, must not be less than the following percentage of the member's average monthly salary as specified in subdivision 3:

(1) 60 percent, if the death was a line of duty death; or

(2) 50 percent, if the death was not a line of duty death or occurred while the member was receiving a disability benefit that accrued before July 1, 2007.

(c) If the maximum under paragraph (a) is exceeded, the monthly benefit of the joint annuitant, surviving spouse, and dependent children, as applicable, must each be reduced proportionately so that the total family benefit does not exceed the applicable maximum. The joint and survivor optional annuity, surviving spouse, or dependent children benefit, as applicable, must be restored, plus applicable postretirement adjustments under Minnesota Statutes 2008, section 356.41 or section 356.415, as the dependent child or children become

no longer dependent under section 353.01, subdivision 15, or in the event of the death of the joint and survivor annuity recipient or the surviving spouse.

Subd. 4. **Relation to workers' compensation law.** If the member shall die under circumstances which entitle a surviving spouse and dependent children to receive benefits under the workers' compensation law, the amounts so received by them shall not be deducted from the benefits payable under this section.

Subd. 5. **Postretirement adjustment eligibility.** A survivor benefit under this section is eligible for postretirement adjustments under section 356.415.

The public employees police and fire retirement plan may assert any applicable defense to any claim in any judicial or administrative proceeding that the applicable Minneapolis relief association, its board, or its administrative staff would otherwise have been entitled to assert, and the public employees police and fire retirement plan may assert any applicable defense that it has in its capacity as a statewide agency.

(b) With respect to active members of the merged former Minneapolis Firefighters Relief Association and the merged former Minneapolis Police Relief Association, there are no employee contributions payable and the employer contribution on behalf of those active members is at the rate specified in section 353.65,

subdivision 3, applied to the active member's salary. In addition, an additional municipal contribution is payable by the city of Minneapolis annually on July 15, set at the amount calculated as of December 30, 2011, as sufficient to amortize, on a level annual dollar basis by December 31, 2031, the unfunded present value figure calculated as required by Minnesota Statutes 2012, section 353.667, subdivision 6, paragraph (a), and Minnesota Statutes 2012, section 353.668, subdivision 6, paragraph (a). (c) If there are assets of the former Fairmont Police Relief Association in excess of the present value of future benefits as of June 29, 2012, these assets must be credited to an interest-bearing suspense account within the public employees police and fire retirement fund, must be used to offset any amount payable under paragraph (a) until June 30, 2015, and, after June 30, 2015, must be paid to the city of Fairmont. The suspense account must be credited with the same rate of investment return as the public employees police and fire retirement fund. If, after June 29, 2012, the postretirement or preretirement interest rate actuarial assumption applicable to the public employees police and fire retirement plan under section 356.215, subdivision 8, is modified from the rates specified in Minnesota Statutes 2010, section 356.215, subdivision 8, the remainder present value of future benefits amount calculation under paragraph (a), updated for the passage of time, must be revised and the amortization contribution by the city of Fairmont for the balance of the amortization period must be redetermined by the actuary retained under section 356.214 and certified by the executive director to the city of Fairmont.

(d) If there was a remainder present value of future benefits amounts under Minnesota Statutes 2012, section 353.6691, subdivision 5, paragraph (a), the city of Virginia shall pay an additional municipal contribution annually on or before December 31 sufficient to amortize on a level annual dollar basis by December 31, 2020, that remainder present value of future benefits amounts of the former Virginia fire department consolidation account. If, after June 29, 2012, the postretirement or preretirement interest rate actuarial assumption applicable to the public employees police and fire retirement plan under section 356.215, subdivision 8, is modified from the rates specified in Minnesota Statutes 2010, section 356.215, subdivision 8, the remainder present value of future benefits amount calculation under paragraph (a), updated for the passage of time, must be revised and any amortization contribution by the city of Virginia for the balance of the amortization period must be redetermined by the actuary retained under section 356.214 and certified by the executive director to the city of Virginia.

### **353.666 PAST SERVICE CREDIT FOR CERTAIN MEMBERS EXTENDED COVERAGE.**

(a) A member to whom public employees police and fire retirement plan membership was extended under section 353.64, subdivision 11, may receive retroactive service credit in the public employees police

and fire retirement plan for service as a tribal police officer rendered before the effective date of membership of the tribal police department employee in the police and fire fund, provided that the employee and the police department did not make contributions into a qualified tax-deferred retirement plan for that employment period.

(b) The request for retroactive coverage must be in writing and must be filed with the association within 60 days of when police and fire fund membership commenced. The prior service credit purchase payment is governed by section 356.551, except that the member must pay an amount equal to the employee salary deductions. The employee salary deductions for the retroactive period must be based on the police and fire pension plan member contribution rates in effect when the service was rendered and applied to the salary amount that was earned and paid to the police officer. **353.70** [Repealed, 1963 c 641 s 38]

**353.71 COVERAGE BY MORE THAN ONE RETIREMENT SYSTEM; DEFERRED ANNUITY; AUGMENTATION.**

Subdivision 1. **Eligibility.** Any person who has been a member of a defined benefit retirement plan administered by the Public Employees Retirement Association, or a retirement plan administered by the Minnesota State Retirement System, or the Teachers Retirement Association, or any other public retirement system in the state of Minnesota having a like provision, except a retirement plan providing benefits for police officers or firefighters governed by sections 424A.091 to 424A.096, or by Laws 2013, chapter 111, article 5, sections 31 to 42, is entitled, when qualified, to an annuity from each retirement plan if the total allowable service in all retirement plans or in any two of these retirement plans totals the number of years of allowable service required to receive a normal retirement annuity for that retirement plan, provided that no portion of the allowable service upon which the retirement annuity from one retirement plan is based is again used in the computation for benefits from another retirement plan and provided further that the person has not taken a refund from any one of these retirement plans since the person's membership in that association or system last terminated. The annuity from each fund must be determined by the appropriate provisions of the law except that the requirement that a person must have at least a specific minimum period of allowable service in the respective association or system does not apply for the purposes of this section if the combined service in two or more of these retirement plans equals the number of years of allowable service required to receive a normal retirement annuity for that retirement plan.

Subd. 2. **Deferred annuity computation; augmentation.** (a) The deferred annuity accruing under subdivision 1, or under sections 353.34, subdivision 3, and 353.68, subdivision 4, must be computed on the basis of allowable service prior to the termination of public service and augmented as provided in this subdivision. The required reserves applicable to a deferred annuity, or to any deferred segment of an annuity must be determined as of the first day of the month following the month in which the former member ceased to be a public employee, or July 1, 1971, whichever is later.

(b) For a person who became a public employee before July 1, 2006, whose period of deferral began after June 30, 1971, and who terminated public employment before January 1, 2012, the required reserves of the deferred annuity must be augmented at the following applicable rate or rates:

(1) five percent annual compound interest until January 1, 1981;

(2) three percent annual compound interest after January 1, 1981, or until the earlier of December 31, 2011, or after the date of the termination of public service or the termination of membership, whichever is later, until January 1 of the year following the year in which the former member attains age 55;

(3) five percent annual compound interest from January 1 of the year following the year in which the former member attains age 55, or until December 31, 2011, whichever is earlier; and

(4) one percent annual compound interest from January 1, 2012.

(c) For a person who became a public employee after June 30, 2006, and who terminated public employment before January 1, 2012, the required reserves of the deferred annuity must be augmented at 2.5 percent annual compound interest from the date of termination of public service or termination of membership, whichever is earlier, until December 31, 2011, and one percent annual compound interest after December 31, 2011.

(d) For a person who terminates public employment after December 31, 2011, the required reserves of the deferred annuity must not be augmented.

(e) If a person has more than one period of uninterrupted service, the required reserves related to each period must be augmented as specified in this paragraph. The sum of the augmented required reserves is the present value of the annuity. Uninterrupted service for the purpose of this subdivision means periods of covered employment during which the employee has not been separated from public service for more than two years. If a person repays a refund, the restored service must be considered as continuous with the next period of service for which the employee has credit with this association. This section must not reduce the annuity otherwise payable under this chapter. This paragraph applies to individuals who become deferred annuitants on or after July 1, 1971. For a member who became a deferred annuitant before July 1, 1971, the paragraph applies from July 1, 1971, if the former active member applies for an annuity after July 1, 1973.

(f) The retirement annuity or disability benefit of, or the survivor benefit payable on behalf of, a former member who terminated service before July 1, 1997, or the survivor benefit payable on behalf of a basic or police and fire member who was receiving disability benefits before July 1, 1997, which is first payable after June 30, 1997, must be increased on an actuarial equivalent basis to reflect the change in the postretirement interest rate actuarial assumption under section 356.215, subdivision 8, from five percent to six percent under a calculation procedure and tables adopted by the board and approved by the actuary retained under section 356.214.

Subd. 3. [Repealed, 1992 c 432 art 2 s 51]

Subd. 4. **Repayment of refund.** Any person who has received a refund from the Public Employees Retirement Association and who is a member of any public retirement system referred to in subdivision 1, may repay such refund to the Public Employees Retirement Association as provided in section 353.35.

Subd. 5. **Early retirement.** The requirements and provisions for retirement prior to normal retirement age contained in section 353.30, shall also apply to a person fulfilling such requirements with a combination of service as provided in subdivision 1.
