DEFINITIONS AND GENERAL PROVISIONS

611A.01 DEFINITIONS.

For the purposes of sections 611A.01 to 611A.06:

(a) "Crime" means conduct that is prohibited by local ordinance and results in bodily harm to an individual; or conduct that is included within the definition of "crime" in section 609.02, subdivision 1, or would be included within that definition but for the fact that (1) the person engaging in the conduct lacked capacity to commit the crime under the laws of this state, or (2) the act was alleged or found to have been committed by a juvenile.

(b) "Victim" means a natural person who incurs loss or harm as a result of a crime, including a good faith effort to prevent a crime, and for purposes of sections 611A.04 and 611A.045, also includes (1) a corporation that incurs loss or harm as a result of a crime, (2) a government entity that incurs loss or harm as a result of a crime, and (3) any other entity authorized to receive restitution under section 609.10 or 609.125. The term "victim" includes the family members, guardian, or custodian of a minor, incompetent, incapacitated, or deceased person. In a case where the prosecutor finds that the number of family members makes it impracticable to accord all of the family members the rights described in sections 611A.02 to 611A.0395, the prosecutor shall establish a reasonable procedure to give effect to those rights. The procedure may not limit the number of victim impact statements submitted to the court under section 611A.038. The term "victim" does not include the person charged with or alleged to have committed the crime.

(c) "Juvenile" has the same meaning as given to the term "child" in section 260B.007, subdivision 3.

611A.015 SCOPE OF VICTIMS' RIGHTS.

The rights afforded to crime victims in sections 611A.01 to 611A.06 are applicable to adult criminal cases, juvenile delinquency proceedings, juvenile traffic proceedings involving driving under the influence

of alcohol or drugs, and proceedings involving any other act committed by a juvenile that would be a crime as defined in section 609.02, if committed by an adult.

- (3) the victim's or witness's home or employment address, telephone number, or date of birth is not relevant to the prosecution's case.

(b) If such a certification is made, the prosecutor must make a motion with proper notice for the court's permission to continue to withhold this information. The court shall either:

- (2) order the prosecutor to contact the victim or witness to arrange a confidential meeting between defense counsel, or defense counsel's agent, and the victim or witness, at a neutral location, if the victim or witness consents to a meeting.

This subdivision shall not be construed to compel a victim or witness to give any statement to or attend any meeting with defense counsel or defense counsel's agent.

611A.04 ORDER OF RESTITUTION.

Subdivision 1. **Request; decision.** (a) A victim of a crime has the right to receive restitution as part of the disposition of a criminal charge or juvenile delinquency proceeding against the offender if the offender is convicted or found delinquent. The court, or a person or agency designated by the court, shall request information from the victim to determine the amount of restitution owed. The court or its designee shall obtain the information from the victim in affidavit form or by other competent evidence. Information submitted relating to restitution must describe the items or elements of loss, itemize the total dollar amounts of restitution claimed, and specify the reasons justifying these amounts, if restitution is in the form of money or property. A request for restitution may include, but is not limited to, any out-of-pocket losses resulting from the crime, including medical and therapy costs, replacement of wages and services, expenses incurred to return a child who was a victim of a crime under section 609.26 to the child's parents or lawful custodian, and funeral expenses. An actual or prospective civil action involving the alleged crime shall not be used by the court as a basis to deny a victim's right to obtain court-ordered restitution under this section. In order to be considered at the sentencing or dispositional hearing, all information regarding restitution must be received by the court administrator of the appropriate court at least three business days before the sentencing or dispositional hearing. The court administrator shall provide copies of this request to the prosecutor and the offender or the offender's attorney at least 24 hours before the sentencing or dispositional hearing. The issue of restitution is reserved or the sentencing or dispositional hearing or hearing on the restitution request may be continued if the victim's affidavit or other competent evidence submitted by the victim is not received in

time. At the sentencing or dispositional hearing, the court shall give the offender an opportunity to respond to specific items of restitution and their dollar amounts in accordance with the procedures established in section 611A.045, subdivision 3.

(b) The court may amend or issue an order of restitution after the sentencing or dispositional hearing if:

- (1) the offender is on probation, committed to the commissioner of corrections, or on supervised release;
- (2) sufficient evidence of a right to restitution has been submitted; and

(3) the true extent of the victim's loss or the loss of the Crime Victims Reparations Board was not known at the time of the sentencing or dispositional hearing, or hearing on the restitution request.

If the court holds a hearing on the restitution request, the court must notify the offender, the offender's attorney, the victim, the prosecutor, and the Crime Victims Reparations Board at least five business days before the hearing. The court's restitution decision is governed by this section and section 611A.045.

(c) The court shall grant or deny restitution or partial restitution and shall state on the record its reasons for its decision on restitution if information relating to restitution has been presented. If the court grants partial restitution it shall also specify the full amount of restitution that may be docketed as a civil judgment under subdivision 3. The court may not require that the victim waive or otherwise forfeit any rights or causes of action as a condition of granting restitution or partial restitution. In the case of a defendant who is on probation, the court may not refuse to enforce an order for restitution solely on the grounds that the order has been docketed as a civil judgment.

Subd. 1a. Crime board request. The Crime Victims Reparations Board may request restitution on behalf of a victim by filing a copy of orders of the board, if any, which detail any amounts paid by the board to the victim. The board may file the payment order with the court administrator or with the person or agency the court has designated to obtain information relating to restitution. The board shall submit the payment order not less than three business days after it is issued by the board. The court administrator shall provide copies of the payment order to the prosecutor and the offender or the offender's attorney within 48 hours of receiving it from the board or at least 24 hours before the sentencing or dispositional hearing, whichever is earlier. By operation of law, the issue of restitution is reserved if the payment order is not received at least three days before the sentencing or dispositional hearing. The filing of a payment order for reparations with the court administrator shall also serve as a request for restitution by the victim. The restitution requested by the board may be considered to be both on its own behalf and on behalf of the victim. If the board has not paid reparations to the victim or on the victim's behalf, restitution may be made directly to the victim. If the board has paid reparations to the victim or on the victim's behalf, the court shall order restitution payments to be made directly to the board.

Subd. 1b. Affidavit of disclosure. An offender who has been ordered by the court to make restitution in an amount of \$500 or more shall file an affidavit of financial disclosure with the correctional agency responsible for investigating the financial resources of the offender on request of the agency. The commissioner of corrections shall prescribe what financial information the affidavit must contain.

Subd. 2. Procedures. The offender shall make restitution payments to the court administrator of the county, municipal, or district court of the county in which the restitution is to be paid. The court administrator shall disburse restitution in incremental payments and may not keep a restitution payment for longer than 30 days; except that the court administrator is not required to disburse a restitution payment that is under \$10 unless the payment would fulfill the offender's restitution obligation. The court administrator shall keep records of the amount of restitution ordered in each case, any change made to the restitution order, and the

amount of restitution actually paid by the offender. The court administrator shall forward the data collected to the state court administrator who shall compile the data and make it available to the Supreme Court and the legislature upon request.

Subd. 3. Effect of order for restitution. An order of restitution may be enforced by any person named in the order to receive the restitution, or by the Crime Victims Reparations Board in the same manner as a judgment in a civil action. Any order for restitution in favor of a victim shall also operate as an order for restitution in favor of the Crime Victims Reparations Board, if the board has paid reparations to the victim or on the victim's behalf. Filing fees for docketing an order of restitution as a civil judgment are waived for any victim named in the restitution order. An order of restitution shall be docketed as a civil judgment, in the name of any person named in the order and in the name of the crime victims reparations board, by the court administrator of the district court in the county in which the order of restitution was entered. The court administrator also shall notify the commissioner of revenue of the restitution debt in the manner provided in chapter 270A, the Revenue Recapture Act. A juvenile court is not required to appoint a guardian ad litem for a juvenile offender before docketing a restitution order. Interest shall accrue on the unpaid balance of the judgment as provided in section 549.09. Whether the order of restitution has been docketed or not, it is a debt that is not dischargeable in bankruptcy. A decision for or against restitution in any criminal or juvenile proceeding is not a bar to any civil action by the victim or by the state pursuant to section 611A.61 against the offender. The offender shall be given credit, in any order for judgment in favor of a victim in a civil action, for any restitution paid to the victim for the same injuries for which the judgment is awarded.

Subd. 4. Payment of restitution. When the court orders the payment of restitution and the payment of a fine, fees, surcharges, or other financial obligations, the court administrator shall apply any payments to the restitution obligation before applying payments to the fine, fees, surcharges, or other financial obligations, unless otherwise ordered by the court.

Subd. 5. Unclaimed restitution payments. Restitution payments held by the court for a victim that remain unclaimed by the victim for more than three years shall be deposited in the crime victims account created in section 611A.612.

At the time the deposit is made, the court shall record the name and last known address of the victim and the amount being deposited, and shall forward the data to the Crime Victims Reparations Board.

Subd. 6. Estate of victim. If a victim dies before or after a request for restitution is made or an order for restitution is issued, the personal representative of the victim's estate may request or enforce an order for restitution on behalf of the victim. If a personal representative is not appointed and no application is pending, an heir of the victim may file an affidavit to request or enforce an order for restitution pursuant to this subdivision. Appointment of a personal representative does not affect the right of other victims, as defined in section 611A.01, to request an order for restitution on their behalf.

611A.045 PROCEDURE FOR ISSUING ORDER OF RESTITUTION.

Subdivision 1. **Criteria.** (a) The court, in determining whether to order restitution and the amount of the restitution, shall consider the following factors:

- (1) the amount of economic loss sustained by the victim as a result of the offense; and

(2) the income, resources, and obligations of the defendant.

(b) If there is more than one victim of a crime, the court shall give priority to victims who are not governmental entities when ordering restitution.

Subd. 2. **Presentence investigation.** The presentence investigation report made pursuant to section 609.115, subdivision 1, must contain information pertaining to the factors set forth in subdivision 1.

Subd. 2a. **Payment structure.** The court shall include in every restitution order a provision requiring a payment schedule or structure. The court may assign the responsibility for developing the schedule or structure to the court administrator, a probation officer, or another designated person. The person who develops the payment schedule or structure shall consider relevant information supplied by the defendant. If the defendant is placed on supervised probation, the payment schedule or structure must be incorporated into the probation agreement and must provide that the obligation to pay restitution continues throughout the term of probation. If the defendant is not placed on probation, the structure or schedule must provide that the obligation to pay restitution begins no later than 60 days after the restitution order is issued.

Subd. 3. **Dispute; evidentiary burden; procedures.** (a) At the sentencing, dispositional hearing, or hearing on the restitution request, the offender shall have the burden to produce evidence if the offender intends to challenge the amount of restitution or specific items of restitution or their dollar amounts. This burden of production must include a detailed sworn affidavit of the offender setting forth all challenges to the restitution or items of restitution, and specifying all reasons justifying dollar amounts of restitution which differ from the amounts requested by the victim or victims. The affidavit must be served on the prosecuting attorney and the court at least five business days before the hearing. A dispute as to the proper amount or type of restitution must be resolved by the court by the preponderance of the evidence. The burden of demonstrating the amount of loss sustained by a victim as a result of the offense and the appropriateness of a particular type of restitution is on the prosecution.

(b) An offender may challenge restitution, but must do so by requesting a hearing within 30 days of receiving written notification of the amount of restitution requested, or within 30 days of sentencing, whichever is later. The hearing request must be made in writing and filed with the court administrator. A defendant may not challenge restitution after the 30-day time period has passed.

Subdivision 1. **Domestic fatality review teams; purpose.** A judicial district may establish a domestic fatality review team to review domestic violence deaths that have occurred in the district. The team may review cases in which prosecution has been completed or the prosecutorial authority has decided not to pursue the case. The purpose of the review team is to assess domestic violence deaths in order to develop recommendations for policies and protocols for community prevention and intervention initiatives to reduce and eliminate the incidence of domestic violence and resulting fatalities.

Subd. 2. **Definition of domestic violence death.** "Domestic violence death" means a homicide or suicide under any of the following circumstances:

- (1) the alleged perpetrator and victim resided together at any time;
- (2) the alleged perpetrator and victim have a child in common, regardless of whether they were married or lived together at any time;

- (8) any other circumstances that the domestic fatality review team decides fall within the parameters of its mission.

"Domestic violence death" must be interpreted broadly to give the domestic fatality review team discretion to review fatalities that have occurred both directly and peripherally to domestic relationships.

Subd. 3. **Membership.** (a) The chief judge, in consultation with the family violence coordinating council, shall appoint the members of the domestic fatality review team. Membership must reflect a commitment to diversity and relevant professional experience. The review team members must include:

- (1) the medical examiner;

(b) There must be at least three domestic violence advocates or shelter workers on the domestic fatality review team. No two members may represent the same agency. Members representing advocates or shelters must be selected by the advocacy community. At least one position must be designated for a minority representative and one position must rotate in order to include an advocate from the community in which the fatality under review took place.

(c) The domestic fatality review team may also invite other relevant persons to serve on an ad hoc basis and participate as full members of the review team for a particular review. These persons may include, but are not limited to:

- (1) individuals with particular expertise that would be helpful to the review panel; or
- (2) representatives of organizations or agencies that had contact with or provided services to the homicide victim, or to the alleged perpetrator, a victim who experienced or was threatened with domestic abuse by the alleged perpetrator, or a family member of one of those individuals.

Subd. 4. **Duties; access to data.** (a) The domestic fatality review team shall collect, review, and analyze death certificates and death data, including investigative reports, medical and counseling records, victim service records, employment records, child abuse reports, or other information concerning domestic violence deaths, survivor interviews and surveys, and other information deemed by the team as necessary and appropriate concerning the causes and manner of domestic violence deaths.

(b) The review team has access to the following not public data, as defined in section 13.02, subdivision 8a, relating to a case being reviewed by the team: inactive law enforcement investigative data under section 13.82; autopsy records and coroner or medical examiner investigative data under section 13.83; hospital,

public health, or other medical records of the victim under section 13.384; records under section 13.46, created by social service agencies that provided services to the victim, the alleged perpetrator, or another victim who experienced or was threatened with domestic abuse by the perpetrator; and child maltreatment records under section 626.556, relating to the victim or a family or household member of the victim. Subd. 5. Confidentiality; data privacy. A person attending a domestic fatality review team meeting may not disclose what transpired at the meeting, except to carry out the purposes of the review team or as otherwise provided in this subdivision. The review team may disclose the names of the victims in the cases it reviewed. The proceedings and records of the review team are confidential data as defined in section 13.02, subdivision 3, or protected nonpublic data as defined in section 13.02, subdivision 13, regardless of their classification in the hands of the person who provided the data, and are not subject to discovery or introduction into evidence in a civil or criminal action against a professional, the state, or a county agency, arising out of the matters the team is reviewing. Information, documents, and records otherwise available from other sources are not immune from discovery or use in a civil or criminal action solely because they were presented during proceedings of the review team. This section does not limit a person who presented information before the review team or who is a member of the panel from testifying about matters within the person's knowledge. However, in a civil or criminal proceeding, a person may not be questioned about the person's good faith presentation of information to the review team or opinions formed by the person as a result of the review team meetings.

Subd. 6. Immunity. Members of the domestic fatality advisory board, members of the domestic fatality review team, and members of each review panel, as well as their agents or employees, are immune from claims and are not subject to any suits, liability, damages, or any other recourse, civil or criminal, arising from any act, proceeding, decision, or determination undertaken or performed or recommendation made by the domestic fatality review team, provided they acted in good faith and without malice in carrying out their responsibilities. Good faith is presumed until proven otherwise and the complainant has the burden of proving malice or a lack of good faith. No organization, institution, or person furnishing information, data, testimony, reports, or records to the domestic fatality review team as part of an investigation is civilly or criminally liable or subject to any other recourse for providing the information.

Subd. 7. Evaluation and report. (a) Each domestic fatality review team shall develop a system for evaluating the effectiveness of its program and shall focus on identifiable goals and outcomes. An evaluation must include data components as well as input from individuals involved in the review process.

(b) Each fatality review team shall issue an annual report to the chairs and ranking minority members of the senate and house of representatives committees with jurisdiction over public safety issues. The report must consist of the written aggregate recommendations of the domestic fatality review team without reference to specific cases. The report must be available upon request and distributed to the governor, attorney general, Supreme Court, county board, and district court.

611A.53 REPARATIONS AWARDS PROHIBITED.

Subdivision 1. **Generally.** Except as provided in subdivisions 1a and 2, the following persons shall be entitled to reparations upon a showing by a preponderance of the evidence that the requirements for reparations have been met:

- (1) a victim who has incurred economic loss;
- (2) a dependent who has incurred economic loss;
- (3) the estate of a deceased victim if the estate has incurred economic loss;
- (4) any other person who has incurred economic loss by purchasing any of the products, services, and accommodations described in section 611A.52, subdivision 8, for a victim;
- (5) the guardian, guardian ad litem, conservator or authorized agent of any of these persons.

Subd. 1a. **Providers; limitations.** No hospital, medical organization, health care provider, or other entity that is not an individual may qualify for reparations under subdivision 1, clause (4). If a hospital, medical organization, health care provider, or other entity that is not an individual qualifies for reparations under subdivision 1, clause (5), because it is a guardian, guardian ad litem, conservator, or authorized agent, any reparations to which it is entitled must be made payable solely or jointly to the victim, if alive, or to the victim's estate or successors, if the victim is deceased.

Subd. 1b. **Minnesota residents injured elsewhere.** (a) A Minnesota resident who is the victim of a crime committed outside the geographical boundaries of this state but who otherwise meets the requirements of this section shall have the same rights under this chapter as if the crime had occurred within this state upon a showing that the state, territory, United States possession, country, or political subdivision of a country

in which the crime occurred does not have a crime victim reparations law covering the resident's injury or death.

(b) Notwithstanding paragraph (a), a Minnesota resident who is the victim of a crime involving international terrorism who otherwise meets the requirements of this section has the same rights under this chapter as if the crime had occurred within this state regardless of where the crime occurred or whether the jurisdiction has a crime victims reparations law.

Subd. 2. **Limitations on awards.** No reparations shall be awarded to a claimant otherwise eligible if:

(1) the crime was not reported to the police within 30 days of its occurrence or, if it could not reasonably have been reported within that period, within 30 days of the time when a report could reasonably have been made. A victim of criminal sexual conduct in the first, second, third, or fourth degree who does not report the crime within 30 days of its occurrence is deemed to have been unable to have reported it within that period;

(2) the victim or claimant failed or refused to cooperate fully with the police and other law enforcement officials;

(3) the victim or claimant was the offender or an accomplice of the offender or an award to the claimant would unjustly benefit the offender or an accomplice;

(4) the victim or claimant was in the act of committing a crime at the time the injury occurred;

(5) no claim was filed with the board within three years of victim's injury or death; except that (i) if the claimant was unable to file a claim within that period, then the claim can be made within three years of the time when a claim could have been filed; and (ii) if the victim's injury or death was not reasonably discoverable within three years of the injury or death, then the claim can be made within three years of the time when the injury or death is reasonably discoverable. The following circumstances do not render a claimant unable to file a claim for the purposes of this clause: (A) lack of knowledge of the existence of the Minnesota Crime Victims Reparations Act, (B) the failure of a law enforcement agency to provide information or assistance to a potential claimant under section 611A.66, (C) the incompetency of the claimant if the claimant's affairs were being managed during that period by a guardian, guardian ad litem, conservator, authorized agent, or parent, or (D) the fact that the claimant is not of the age of majority; or

(6) the claim is less than \$50.

The limitations contained in clauses (1) and (6) do not apply to victims of child abuse. In those cases the three-year limitation period commences running with the report of the crime to the police.

611A.54 AMOUNT OF REPARATIONS.

Reparations shall equal economic loss except that:

Where compensation is readily available to a claimant from a collateral source, the claimant must take reasonable steps to recoup from the collateral source before claiming reparations;

(2) reparations shall be denied or reduced to the extent, if any, that the board deems reasonable because of the contributory misconduct of the claimant or of a victim through whom the claimant claims; and

(3) reparations paid to all claimants suffering economic loss as the result of the injury or death of any one victim shall not exceed \$50,000.

No employer may deny an employee an award of benefits based on the employee's eligibility or potential eligibility for reparations.

Subdivision 1. **Definition.** For purposes of this section, the following terms have the meanings given them in this subdivision.

(a) "Contract" means an agreement regarding, in whole or in part, (1) the reenactment of an offender's crime by way of a movie, book, newspaper or magazine article, radio or television presentation, or live or recorded entertainment of any kind, or (2) the expression of the offender's thoughts, feelings, opinions, or emotions about the crime.

(b) "Crime" means an offense which is a felony under the laws of Minnesota or that would have been a felony if committed in Minnesota, and includes an offense committed or attempted on an Indian reservation or other trust land.

(c) "Offender" means a person convicted of a crime or found not guilty of a crime by reason of insanity.

(d) "Person" includes persons, corporations, partnerships, and other legal entities.

Subd. 2. [Repealed, 1988 c 638 s 17]

Subd. 2a. Notice and payment of proceeds to board required. A person that enters into a contract with an offender convicted in this state, and a person that enters into a contract in this state with an offender convicted in this state or elsewhere within the United States, must comply with this section if the person enters into the contract during the ten years after the offender is convicted of a crime or found not guilty by reason of insanity. If an offender is imprisoned or committed to an institution following the conviction or finding of not guilty by reason of insanity, the ten-year period begins on the date of the offender's release. A person subject to this section must notify the Crime Victims Reparations Board of the existence of the contract immediately upon its formation, and pay over to the board money owed to the offender or the offender's representatives by virtue of the contract according to the following proportions:

(1) if the crime occurred in this state, the person shall pay to the board 100 percent of the money owed under the contract;

(2) if the crime occurred in another jurisdiction having a law applicable to the contract which is substantially similar to this section, this section does not apply, and the person must not pay to the board any of the money owed under the contract; and

(3) in all other cases, the person shall pay to the board that percentage of money owed under the contract which can fairly be attributed to commerce in this state with respect to the subject matter of the contract.

Subd. 3. **Victim notification.** When the board receives a payment pursuant to this section, it shall attempt to notify any known victims of the crime and shall publish a notice of that fact in a newspaper having general circulation in the county where the crime was committed. The expenses of notification shall be paid from the amount received for that case.

Subd. 4. **Deductions.** When the board has made reparations payments to or on behalf of a victim of the offender's crime pursuant to sections 611A.51 to 611A.68, it shall deduct the amount of the reparations award from any payment received under this section by virtue of the offender's contract unless the board has already been reimbursed for the reparations award from another collateral source.

Subd. 4a. **Offender's minor dependent claims.** Immediately after money is deposited with the board under this section, the board may allocate up to ten percent of any money remaining after a deduction is made under subdivision 4 for the benefit of the offender's dependent minor children. The board shall then retain the funds allocated until a claim is made by the dependent minor children or their representative. Upon receiving a claim, the board shall disburse the allocated funds to the dependent minor children if it is shown by clear and convincing evidence that the funds will not be used in a way that benefits the offender.

Subd. 4b. **Claims by victims of offender's crime.** A victim of a crime committed by the offender and the estate of a deceased victim of a crime committed by the offender may submit the following claims for reparations and damages to the board to be paid from money received by virtue of the offender's contract:

(1) claims for reparations to which the victim is entitled under sections 611A.51 to 611A.68 and for which the victim has not yet received an award from the board;

(2) claims for reparations to which the victim would have been entitled under sections 611A.51 to 611A.68, but for the \$50,000 maximum limit contained in section 611A.54, clause (3); and

(3) claims for other uncompensated damages suffered by the victim as a result of the offender's crime including, but not limited to, damages for pain and suffering.

The victim must file the claim within five years of the date on which the board received payment under this section. The board shall determine the victim's claim in accordance with the procedures contained in sections 611A.57 to 611A.63. An award made by the board under this subdivision must be paid from the money received by virtue of the offender's contract that remains after a deduction or allocation, if any, has been made under subdivision 4 or 4a.

Subd. 4c. **Claims by other crime victims.** The board may use money received by virtue of an offender's contract for the purpose of paying reparations awarded to victims of other crimes pursuant to sections 611A.51 to 611A.68 under the following circumstances:

(1) money remain after deductions and allocations have been made under subdivisions 4 and 4a, and claims have been paid under subdivision 4b; or

(2) no claim is filed under subdivision 4b within five years of the date on which the board received payment under this section.

None of this money may be used for purposes other than the payment of reparations.

Subd. 5. [Repealed, 1988 c 638 s 17]

Subd. 6. **Payments for costs of defense.** Notwithstanding any other provision of this section, the board shall make payments to an offender from the account of amounts received with reference to that offender upon the order of a court of competent jurisdiction after a showing by that offender that the money shall be used for the reasonable costs of defense in the appeal of a criminal conviction or in proceedings pursuant to this section.

Subd. 7. **Deposit of money in state treasury.** All money received by the board pursuant to this section shall be deposited in the state treasury, credited to a special account, and are appropriated to the board for the purposes of this section. Money in the special account may be invested pursuant to section 11A.25. When so invested, any interest or profit shall accrue to, and any loss be borne by, the special account. The board shall allocate money in the special account to each case pursuant to this section.

Subd. 8. **Penalty.** (a) A person who willfully fails to notify the board of the existence of a contract as required by this section is guilty of a gross misdemeanor.

(b) Except as otherwise provided in paragraph (a), any person or offender who takes any action, whether by way of execution of a power of attorney, creation of corporate or trust entities or otherwise, to defeat the purpose of this section is guilty of a misdemeanor.

611A.90 RELEASE OF VIDEOTAPES OF CHILD ABUSE VICTIMS.

Subdivision 1. **Definition.** For purposes of this section, "physical abuse" and "sexual abuse" have the meanings given in section 626.556, subdivision 2, except that abuse is not limited to acts by a person responsible for the child's care or in a significant relationship with the child or position of authority.

Subd. 2. **Court order required.** (a) A custodian of a videotape of a child victim or alleged victim alleging, explaining, denying, or describing an act of physical or sexual abuse as part of an investigation or evaluation of the abuse may not release a copy of the videotape without a court order, notwithstanding that the subject has consented to the release of the videotape or that the release is authorized under law.

(b) The court order may govern the purposes for which the videotape may be used, reproduction, release to other persons, retention and return of copies, and other requirements reasonably necessary for protection of the privacy and best interests of the child.

Subd. 3. **Petition.** An individual subject of data, as defined in section 13.02, or a patient, as defined in sections 144.291 to 144.298, who is seeking a copy of a videotape governed by this section may petition the district court in the county where the alleged abuse took place or where the custodian of the videotape resides for an order releasing a copy of the videotape under subdivision 2. Nothing in this section establishes a right to obtain access to a videotape by any other person nor limits a right of a person to obtain access if access is otherwise authorized by law or pursuant to discovery in a court proceeding.
