

114C.14 ENFORCEMENT AND JUDICIAL REVIEW.

Subdivision 1. **Enforcement.** A Minnesota XL permit may be enforced in any manner provided by law for the enforcement of permits issued under chapter 115 or 116, except for requirements of other state or local agencies that are included in the permit and except that the defense in section 609.671, subdivision 14, also applies to any misdemeanor action taken under section 115.071, subdivision 2, paragraph (a). Requirements of other state or local agencies may be enforced using whatever authorities would be available if the requirements had been included in permits, licenses, or other approvals issued directly by the other agencies. The other agencies shall consult with the commissioner of the Pollution Control Agency prior to taking any action enforcing a Minnesota XL permit.

Subd. 2. **Judicial review.** Any person aggrieved by a final decision of the Pollution Control Agency to issue, amend, or revoke a Minnesota XL permit may obtain judicial review pursuant to sections 14.63 to 14.69.
