

219.08 CROSSINGS; CHANGING GRADE OF APPROACHES.

When a railroad company changes or raises the grade of its tracks at a crossing, it shall also grade the approaches on each side so as to make the approach and crossing of the tracks safe for vehicles.

History: (4735) 1911 c 329 s 1; 1980 c 460 s 10; 1985 c 265 art 4 s 1
