

325F.05 RULES.

The commissioner of public safety shall act so as to have effective rules concerning standards for nonflammable, flame resistant and durably resistant materials and for labeling requirements by January 1, 1976. In order to comply with sections 325F.03 and 325F.04 all materials and labels must comply with the rules adopted by the commissioner. The commissioner has general rulemaking power to otherwise implement sections 325F.03 to 325F.07.

History: *1975 c 341 s 3; 1985 c 248 s 70*
