(2) to confer upon the governor and upon governing bodies of the political subdivisions of the state the emergency and disaster powers provided in this chapter;

(3) to provide for the rendering of mutual aid among the political subdivisions of the state, with other states, and with Canadian provinces and to cooperate with the federal government with respect to carrying out of emergency management functions; and

(4) to ensure that financial assistance made available to the state of Minnesota and to eligible applicants in the state, as a result of natural or other disasters, is provided in accord with established rules and regulations.

Subd. 2. **Policy.** It is further declared to be the purpose of this chapter and the policy of the state that all emergency management functions of this state be coordinated to the maximum extent with the comparable functions of the federal government, including its various departments and agencies, of other states and localities, and of private agencies of every type, to the end that the most effective preparations and use may be made of the nation's labor supply, resources, and facilities for dealing with any disaster that may occur.
