

**144A.473 ISSUANCE OF TEMPORARY LICENSE AND LICENSE RENEWAL.**

Subdivision 1. **Temporary license and renewal of license.** (a) The department shall review each application to determine the applicant's knowledge of and compliance with Minnesota home care regulations. Before granting a temporary license or renewing a license, the commissioner may further evaluate the applicant or licensee by requesting additional information or documentation or by conducting an on-site survey of the applicant to determine compliance with sections 144A.43 to 144A.482.

(b) Within 14 calendar days after receiving an application for a license, the commissioner shall acknowledge receipt of the application in writing. The acknowledgment must indicate whether the application appears to be complete or whether additional information is required before the application will be considered complete.

(c) Within 90 days after receiving a complete application, the commissioner shall issue a temporary license, renew the license, or deny the license.

(d) The commissioner shall issue a license that contains the home care provider's name, address, license level, expiration date of the license, and unique license number. All licenses are valid for one year from the date of issuance.

Subd. 2. **Temporary license.** (a) For new license applicants, the commissioner shall issue a temporary license for either the basic or comprehensive home care level. A temporary license is effective for up to one year from the date of issuance. Temporary licensees must comply with sections 144A.43 to 144A.482.

(b) During the temporary license year, the commissioner shall survey the temporary licensee after the commissioner is notified or has evidence that the temporary licensee is providing home care services.

(c) Within five days of beginning the provision of services, the temporary licensee must notify the commissioner that it is serving clients. The notification to the commissioner may be mailed or e-mailed to the commissioner at the address provided by the commissioner. If the temporary licensee does not provide home care services during the temporary license year, then the temporary license expires at the end of the year and the applicant must reapply for a temporary home care license.

(d) A temporary licensee may request a change in the level of licensure prior to being surveyed and granted a license by notifying the commissioner in writing and providing additional documentation or materials required to update or complete the changed temporary license application. The applicant must pay the difference between the application fees when changing from the basic level to the comprehensive level of licensure. No refund will be made if the provider chooses to change the license application to the basic level.

(e) If the temporary licensee notifies the commissioner that the licensee has clients within 45 days prior to the temporary license expiration, the commissioner may extend the temporary license for up to 60 days in order to allow the commissioner to complete the on-site survey required under this section and follow-up survey visits.

Subd. 3. **Temporary licensee survey.** (a) If the temporary licensee is in substantial compliance with the survey, the commissioner shall issue either a basic or comprehensive home care license. If the temporary licensee is not in substantial compliance with the survey, the commissioner shall not issue a basic or comprehensive license and there will be no contested hearing right under chapter 14.

(b) If the temporary licensee whose basic or comprehensive license has been denied disagrees with the conclusions of the commissioner, then the licensee may request a reconsideration by the commissioner or

commissioner's designee. The reconsideration request process must be conducted internally by the commissioner or commissioner's designee, and chapter 14 does not apply.

(c) The temporary licensee requesting reconsideration must make the request in writing and must list and describe the reasons why the licensee disagrees with the decision to deny the basic or comprehensive home care license.

(d) A temporary licensee whose license is denied must comply with the requirements for notification and transfer of clients in section 144A.475, subdivision 5.
