Subd. 2. **Thoroughbred and quarterhorse categories.** (a) With respect to available money apportioned in the thoroughbred and quarterhorse categories, 20 percent must be expended as follows:

(1) at least one-half in the form of grants, contracts, or expenditures for equine research and related education at the University of Minnesota School of Veterinary Medicine; and

(2) the balance in the form of grants, contracts, or expenditures for one or more of the following:

(i) additional equine research and related education;

(ii) substance abuse programs for licensed personnel at racetracks in this state; and

(c) The commission shall include in its annual report a summary of each grant, contract, or expenditure under paragraph (a), clause (2), and a description of how the commission has coordinated activities among recipients to ensure the most efficient and effective use of funds.

(d) After deducting the amount for paragraph (a), the balance of the available proceeds in each category may be expended by the commission to:

(1) supplement purses for races held exclusively for Minnesota-bred or Minnesota-foaled horses, and supplement purses for Minnesota-bred or Minnesota-foaled horses racing in nonrestricted races in that category;

(2) pay breeders' or owners' awards to the breeders or owners of Minnesota-bred horses in that category which win money at licensed racetracks in the state; and

(3) provide other financial incentives to encourage the horse breeding industry in Minnesota.

Subd. 3. **Standardbred category.** (a) With respect to the available money apportioned in the standardbred category, 20 percent must be expended as follows:

(1) one-half of that amount to supplement purses for standardbreds at non-pari-mutuel racetracks in the state;

(2) one-fourth of that amount for the development of non-pari-mutuel standardbred tracks in the state; and

(3) one-fourth of that amount as grants for equine research and related education at public institutions of postsecondary learning in the state.

(b) After deducting the amount for paragraph (a), the balance of the available proceeds in the standardbred category must be expended by the commission to:

(1) supplement purses for races held exclusively for Minnesota-bred and Minnesota-foaled standardbreds;

(2) pay breeders or owners awards to the breeders or owners of Minnesota-bred standardbreds which win money at licensed racetracks in the state; and

(3) provide other financial incentives to encourage the horse breeding industry in Minnesota.

Subd. 3a. **Other categories.** Available money apportioned to breeds other than breeds contained in subdivisions 2 and 3 must be distributed as financial incentives to encourage horse racing and horse breeding for such breeds. Available money apportioned for the Arabian breed may be distributed to owners who are Minnesota residents racing at licensed Minnesota racetracks or at racetracks of border states.

Subd. 4. **Rules; advisory committees.** The commission shall adopt rules governing the distribution of the fund. The commission may establish advisory committees to advise it on the distribution of money under this section, provided that the members of an advisory committee shall serve without compensation.
