

352.23 TERMINATION OF RIGHTS; REPAYMENT OF REFUND.

(a) When any employee accepts a refund as provided in section 352.22, all existing allowable service credits and all rights and benefits to which the employee was entitled before accepting the refund terminate.

(b) Terminated service credits and rights must not again be restored until the former employee acquires at least six months of allowable service credit after taking the last refund. In that event, the employee may repay all refunds previously taken from the retirement fund.

(c) Repayment of refunds entitles the employee only to credit for service covered by (1) salary deductions; (2) payments previously made in lieu of salary deductions as permitted under law in effect when the payment in lieu of deductions was made; (3) payments made to obtain credit for service as permitted by laws in effect when payment was made; and (4) allowable service previously credited while receiving temporary workers' compensation as provided in section 352.01, subdivision 11, paragraph (a), clause (3).

(d) Payments under this section for repayment of refunds are to be paid with interest at the rate of 8.5 percent until June 30, 2015, and eight percent thereafter compounded annually from the date the refund was taken until the date the refund is repaid. They may be paid in a lump sum or by payroll deduction in the manner provided in section 352.04. Payment may be made in a lump sum up to six months after termination from service.
