(3) at greater than slow-no wake speed within 150 feet of:

(i) a shoreline;

(ii) a dock;

(iii) a swimmer;

(iv) a raft used for swimming or diving; or

(ii) the personal watercraft is equipped with factory-installed or factory-specified accessory mirrors that give the operator a wide field of vision to the rear;

(5) without the lanyard-type engine cutoff switch being attached to the person, clothing, or personal flotation device of the operator, if the personal watercraft is equipped by the manufacturer with such a device;

(6) if any part of the spring-loaded throttle mechanism has been removed, altered, or tampered with so as to interfere with the return-to-idle system;

(7) to chase or harass wildlife;

(8) through emergent or floating vegetation at other than a slow-no wake speed;

(9) in a manner that unreasonably or unnecessarily endangers life, limb, or property, including weaving through congested watercraft traffic, jumping the wake of another watercraft within 150 feet of the other watercraft, or operating the watercraft while facing backwards;

(10) in any other manner that is not reasonable and prudent; or

(11) without a personal watercraft rules decal, issued by the commissioner, attached to the personal watercraft so as to be in full view of the operator.

(b) Paragraph (a), clause (3), does not apply to a person operating a personal watercraft to launch or land a person on water skis, a kneeboard, or similar device by the most direct route to open water.

Subd. 2. **Age of operator.** Except in the case of an emergency, a person under the age of 13 years may not operate or be permitted to operate a personal watercraft, regardless of horsepower. It is unlawful for the owner of a personal watercraft to permit the personal watercraft to be operated contrary to this subdivision.

Subd. 3. **Operator's permit; adult supervision.** Except in the case of an emergency, a person 13 years of age or over but less than 18 years of age may not operate a personal watercraft, regardless of horsepower, without possessing a valid watercraft operator's permit as required by section 86B.305, unless there is a person 21 years of age or older on board the craft. In addition to the permit requirement, a person 13 years of age operating a personal watercraft must remain under visual supervision by a person who is 21 years of age or older. An owner of a personal watercraft may not permit the personal watercraft to be operated contrary to this subdivision.

Subd. 4. **Dealers and rental operations.** (a) A dealer of personal watercraft shall distribute a summary of the laws and rules governing the operation of personal watercraft and, upon request, shall provide instruction to a purchaser regarding:

(3) shall require that a watercraft operator's permit from this state or from the operator's state of residence be shown each time a personal watercraft is rented to any person younger than age 18 and shall record the permit on the form provided by the commissioner.

(c) Each dealer of personal watercraft or person offering personal watercraft for rent shall have the person who purchases or rents a personal watercraft sign a form provided by the commissioner acknowledging that the purchaser or renter has been provided a copy of the laws and rules regarding personal watercraft operation and has read them. The form must be retained by the dealer or person offering personal watercraft for rent for a period of six months following the date of signature and must be made available for inspection by sheriff's deputies or conservation officers during normal business hours.
