(b) For facilities required to submit a plan review under rules of the commissioner of agriculture, the commissioner may withdraw by written order the approval of a facility or equipment if:

(b) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification to a person from another state if that person has had a registration, permit, license, or certification denied, revoked, or suspended by another state for an offense reasonably related to the requirements, qualifications, or duties of a registration, permit, license, or certification issued under this chapter.

(c) The commissioner may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing, permit, license, or certification to a person after receiving satisfactory evidence that the registrant, permittee, licensee, or certificate holder has used fraudulent and deceptive practices in the evasion or attempted evasion of this chapter.
