

260C.609 SOCIAL AND MEDICAL HISTORY.

(a) The responsible social services agency shall work with the birth family of the child, foster family, medical and treatment providers, and the child's school to ensure there is a detailed, thorough, and currently up-to-date social and medical history of the child as required under section 259.43 on the forms required by the commissioner.

(b) When the child continues in foster care, the agency's reasonable efforts to complete the history shall begin no later than the permanency progress review hearing required under section 260C.204 or six months after the child's placement in foster care.

(c) The agency shall thoroughly discuss the child's history with the adopting parent of the child and shall give a copy of the report of the child's social and medical history to the adopting parent. A copy of the child's social and medical history may also be given to the child, as appropriate.

(d) The report shall not include information that identifies birth relatives. Redacted copies of all the child's relevant evaluations, assessments, and records must be attached to the social and medical history.
