

124E.17 DISSEMINATION OF INFORMATION.

Subdivision 1. **Charter school information.** (a) Charter schools must disseminate information about how to use the charter school offerings to targeted groups, among others. Targeted groups include low-income families and communities, students of color, and students who are at risk of academic failure.

(b) Authorizers and the commissioner must disseminate information to the public on how to form and operate a charter school. Authorizers, operators, and the commissioner also may disseminate information to interested stakeholders about the successful best practices in teaching and learning demonstrated by charter schools.

Subd. 2. **Financial information.** Upon request of an individual, the charter school must make available in a timely fashion financial statements showing all operations and transactions affecting the school's income, surplus, and deficit during the last annual accounting period; and a balance sheet summarizing assets and liabilities on the closing date of the accounting period. A charter school also must include that same information about its authorizer in other school materials that it makes available to the public.
