Subdivision 1. **Responsibility allocated.** Responsibility for special instruction and services for a blind/visually impaired or deaf/hard-of-hearing child attending the Minnesota State Academy for the Deaf or the Minnesota State Academy for the Blind must be determined in subdivisions 2 to 10.

Subd. 2. **Child's legal residence.** The legal residence of the child is the district in which the child's parent or guardian resides.

Subd. 3. **Educational program; tuition.** (a) When it is determined pursuant to section 125A.69, subdivision 1 or 2, that the child is entitled to attend either school, the board of the Minnesota State Academies must provide the appropriate educational program for the child.

(b) For fiscal year 2006, the board of the Minnesota State Academies must make a tuition charge to the child's district of residence for the cost of providing the program. The amount of tuition charged must not exceed the sum of (1) the general education revenue formula allowance times the pupil unit weighting factor pursuant to section 126C.05 for that child, for the amount of time the child is in the program, plus (2), if the child was enrolled at the Minnesota State Academies on October 1 of the previous fiscal year, the compensatory education revenue attributable to that child under section 126C.10, subdivision 3. The district of the child's residence must pay the tuition and may claim general education aid for the child. Tuition received by the board of the Minnesota State Academies, except for tuition for compensatory education revenue under this paragraph and tuition received under subdivision 4, must be deposited in the state treasury as provided in subdivision 8.

(c) For fiscal year 2007 and later, the district of the child's residence shall claim general education revenue for the child, except as provided in this paragraph. Notwithstanding section 127A.47, subdivision 1, an amount equal to the general education revenue formula allowance times the pupil unit weighting factor pursuant to section 126C.05 for that child for the amount of time the child is in the program, as adjusted according to subdivision 8, paragraph (d), must be paid to the Minnesota State Academies. Notwithstanding section 126C.15, subdivision 2, paragraph (d), the compensatory education revenue under section 126C.10, subdivision 3, attributable to children enrolled at the Minnesota State Academies on October 1 of the previous fiscal year must be paid to the Minnesota State Academies. General education aid paid to the Minnesota State Academies under this paragraph must be credited to their general operation account. Other general education aid attributable to the child must be paid to the district of the child's residence.

Subd. 4. **Unreimbursed costs.** (a) For fiscal year 2006, in addition to the tuition charge allowed in subdivision 3, the academies may charge the child's district of residence for the academy's unreimbursed cost of providing an instructional aide assigned to that child, after deducting the special education aid under section 125A.76, attributable to the child, if that aide is required by the child's individualized education program. Tuition received under this paragraph must be used by the academies to provide the required service.

(b) For fiscal year 2008 and later, the special education aid paid to the academies shall be increased by the academy's unreimbursed cost of providing one to one instructional and behavioral management aides assigned to a child, after deducting the special education aid under section 125A.76 attributable to the child, if the aides are required by the child's individualized education program. Aid received under this paragraph must be used by the academies to provide the required service.

(c) For fiscal year 2008 and later, the special education aid paid to the district of the child's residence shall be reduced by the amount paid to the academies for district residents under paragraph (b).

The board of the Minnesota State Academies must pay the tuition and other program costs including the unreimbursed transportation costs. Aids for children with a disability must be paid to the district providing the special instruction and services. Special transportation must be provided by the district providing the educational program and the state must reimburse that district within the limits provided by law.

Subd. 6. Tuition reduction. Notwithstanding the provisions of subdivisions 3 and 5, the board of the Minnesota State Academies may agree to make a tuition charge, or receive an aid adjustment, as applicable, for less than the amount specified in subdivision 3 for pupils attending the applicable school who are residents of the district where the institution is located and who do not board at the institution, if that district agrees to make a tuition charge to the board of the Minnesota State Academies for less than the amount specified in subdivision 5 for providing appropriate educational programs to pupils attending the applicable school.
