The notice must include instructions for accessing an online application for license renewal, the renewal deadline, and notice of fees required for renewal. Subd. 3. **Renewal requirements.** (a) To renew a license, a licensee must submit to the board:

(1) a completed, signed, and notarized application for license renewal;

Subd. 4. **Pending renewal.** If a licensee's application for license renewal is postmarked or received by the board by the end of the business day on the expiration date of the license, the licensee may continue to practice after the expiration date while the application for license renewal is pending with the board.

(b) The board shall terminate the license of a licensee whose license renewal is at least 60 days overdue and to whom notification has been sent as provided in paragraph (a). Failure of a licensee to receive notification is not grounds for later challenge of the termination. The former licensee shall be notified of the termination by letter within seven days after the board action, in the same manner as provided in paragraph (a).

The verification must be accompanied by a notarized affirmation that the statement is true and correct to the best knowledge and belief of the former licensee.

Subd. 2. **Continuing education for relicensure.** A former licensee seeking relicensure after license termination must provide evidence of having completed at least 20 hours of continuing education activities for each year, or portion thereof, that the former licensee did not hold a license.

Subd. 3. **Cancellation of license.** The board shall not renew, reissue, reinstate, or restore the license of a former licensee which was terminated for nonrenewal, or voluntarily terminated, and for which relicensure was not sought for more than two years from the date the license was terminated for nonrenewal, or voluntarily terminated. A former licensee seeking relicensure after this two-year period must obtain a new license by applying for licensure and fulfilling all requirements then in existence for an initial license to practice alcohol and drug counseling in Minnesota.

The board must receive the request for inactive status before expiration of

the license, or the person must pay the late fee. A licensee may renew a license that is inactive under this subdivision by meeting the renewal requirements of subdivision 2. A licensee must not practice alcohol and drug counseling while the license is inactive.

Subd. 2. **Requirement.** Every two years, all licensees must complete a minimum of 40 clock hours of continuing education activities that meet the requirements in this section. The 40 clock hours shall include a minimum of nine clock hours on diversity, and a minimum of three clock hours on professional ethics. Diversity training includes, but is not limited to, the topics listed in Minnesota Rules, part 4747.1100, subpart 2. A licensee may be given credit only for activities that directly relate to the practice of alcohol and drug counseling.

Subd. 3. **Standards for approval.** In order to obtain clock hour credit for a continuing education activity, the activity must:

- (1) constitute an organized program of learning;
- (2) reasonably be expected to advance the knowledge and skills of the alcohol and drug counselor;
- (3) pertain to subjects that directly relate to the practice of alcohol and drug counseling;
- (4) be conducted by individuals who have education, training, and experience and are knowledgeable about the subject matter; and
- (5) be presented by a sponsor who has a system to verify participation and maintains attendance records for three years, unless the sponsor provides dated evidence to each participant with the number of clock hours awarded.

Subd. 4. **Qualifying activities.** Clock hours may be earned through the following:

- (1) attendance at educational programs of annual conferences, lectures, panel discussions, workshops, in-service trainings, seminars, and symposia;
- (2) successful completion of college or university courses offered by a regionally accredited school or education program, if not being taken in order to meet the educational requirements for licensure under this chapter. The licensee must obtain a grade of at least a "C" or its equivalent or a pass in a pass/fail course in order to receive the following continuing education credits:

- (i) one semester credit equals 15 clock hours;
- (ii) one trimester credit equals 12 clock hours; and
- (iii) one quarter credit equals ten clock hours;

(3) successful completion of home study or online courses offered by an accredited school or education program and that require a licensee to demonstrate knowledge following completion of the course;

(4) teaching a course at a regionally accredited institution of higher education. To qualify for continuing education credit, the course must directly relate to the practice of alcohol and drug counseling, as determined by the board. Continuing education hours may be earned only for the first time the licensee teaches the course. Ten continuing education hours may be earned for each semester credit hour taught; or

(5) presentations at workshops, seminars, symposia, meetings of professional organizations, in-service trainings, or postgraduate institutes. The presentation must be related to alcohol and drug counseling. A presenter may claim one hour of continuing education for each hour of presentation time. A presenter may also receive continuing education hours for development time at the rate of three hours for each hour of presentation time. Continuing education hours may be earned only for the licensee's first presentation on the subject developed.

Subd. 5. **Activities not qualifying for continuing education clock hours.** Approval shall not be given for courses that do not meet the requirements of this section or are limited to the following:

- (1) any subject contrary to the rules of professional conduct;
- (2) supervision of personnel;
- (3) entertainment or recreational activities;
- (4) employment orientation sessions;
- (5) policy meetings;
- (6) marketing;
- (7) business;
- (8) first aid, CPR, and similar training classes; and
- (9) training related to payment systems, including covered services, coding, and billing.

Subd. 6. **Documentation of reporting compliance.** (a) When the licensee applies for renewal of the license, the licensee must complete and submit an affidavit of continuing education compliance showing that the licensee has completed a minimum of 40 approved continuing education clock hours since the last renewal. Failure to submit the affidavit when required makes the licensee's renewal application incomplete and void.

(b) All licensees shall retain original documentation of completion of continuing education hours for a period of five years. For purposes of compliance with this section, a receipt for payment of the fee for the course is not sufficient evidence of completion of the required hours of continuing education. Information retained shall include:

- (1) the continuing education activity title;

- (2) a brief description of the continuing education activity;
- (3) the sponsor, presenter, or author;
- (4) the location and the dates attended;
- (5) the number of clock hours; and
- (6) the certificate of attendance, if applicable.

(c) Only continuing education obtained during the two-year reporting period may be considered at the time of reporting.

Subd. 7. **Continuing education audit.** (a) At the time of renewal, the board may randomly audit a percentage of its licensees for compliance with continuing education requirements.

(b) The board shall mail a notice to a licensee selected for an audit of continuing education hours. The notice must include the reporting periods selected for audit.

(c) Selected licensees shall submit copies of the original documentation of completed continuing education hours. Upon specific request, the licensee shall submit original documentation. Failure to submit required documentation shall result in the renewal application being considered incomplete and void and constitute grounds for nonrenewal of the license and disciplinary action.

Subd. 8. **Variance of continuing education requirements.** (a) If a licensee is unable to meet the continuing education requirements by the renewal date, the licensee may request a time-limited variance to fulfill the requirements after the renewal date. A licensee seeking a variance is considered to be renewing late and is subject to the late renewal fee, regardless of when the request is received or whether the variance is granted.

(b) The licensee shall submit the variance request on a form designated by the board, include the variance fee subject to section 14.056, subdivision 2, and the late fee for license renewal under section 148F.115. The variance request is subject to the criteria for rule variances in section 14.055, subdivision 4, and must include a written plan listing the activities offered to meet the requirement. Hours completed after the renewal date pursuant to the written plan count toward meeting only the requirements of the previous renewal period.

(c) A variance granted under this subdivision expires six months after the license renewal date. A licensee who is granted a variance but fails to complete the required continuing education within the six-month period may apply for a second variance according to this subdivision.

(d) If an initial variance request is denied, the license of the licensee shall not be renewed until the licensee completes the continuing education requirements. If an initial variance is granted, and the licensee fails to complete the required continuing education within the six-month period, the license shall be administratively suspended until the licensee completes the required continuing education, unless the licensee has obtained a second variance according to paragraph (c).

148F.08 SPONSOR'S APPLICATION FOR APPROVAL.

Subdivision 1. **Content.** Individuals, organizations, associations, corporations, educational institutions, or groups intending to offer continuing education activities for approval must submit to the board the sponsor

application fee and a completed application for approval on a form provided by the board. The sponsor must comply with the following to receive and maintain approval:

- (1) submit the application for approval at least 60 days before the activity is scheduled to begin; and
- (2) include the following information in the application for approval to enable the board to determine whether the activity complies with section 148F.075:
 - (i) a statement of the objectives of the activity and the knowledge the participants will have gained upon completion of the activity;
 - (ii) a description of the content and methodology of the activity which will allow the participants to meet the objectives;
 - (iii) a description of the method the participants will use to evaluate the activity;
 - (iv) a list of the qualifications of each instructor or developer that shows the instructor's or developer's current knowledge and skill in the activity's subject;
 - (v) a description of the certificate or other form of verification of attendance distributed to each participant upon successful completion of the activity;
 - (vi) the sponsor's agreement to retain attendance lists for a period of five years from the date of the activity; and
 - (vii) a copy of any proposed advertisement or other promotional literature.

Subd. 2. **Approval expiration.** If the board approves an activity it shall assign the activity a number. The approval remains in effect for one year from the date of initial approval. Upon expiration, a sponsor must submit a new application for activity approval to the board as required by subdivision 1.

Subd. 3. **Statement of board approval.** Each sponsor of an approved activity shall include in any promotional literature a statement that "This activity has been approved by the Minnesota Board of Behavioral Health and Therapy for ... hours of credit."

Subd. 4. **Changes.** The activity sponsor must submit proposed changes in an approved activity to the board for its approval.

Subd. 5. **Denial of approval.** The board shall not approve an activity if it does not meet the continuing education requirements in section 148F.075. The board shall notify the sponsor in writing of its reasons for denial.

Subd. 6. **Revocation of approval.** The board shall revoke its approval of an activity if a sponsor falsifies information contained in its application for approval, or if a sponsor fails to notify the board of changes to an approved activity as required in subdivision 4.

148F.085 NONTRANSFERABILITY OF LICENSES.

An alcohol and drug counselor license is not transferable.

History: 2012 c 197 art 2 s 18

148F.09 DENIAL, SUSPENSION, OR REVOCATION OF LICENSE.

Subdivision 1. **Grounds.** The board may impose disciplinary action as described in subdivision 2 against an applicant or licensee whom the board, by a preponderance of the evidence, determines:

- (1) has violated a statute, rule, or order that the board issued or is empowered to enforce;
- (2) has engaged in fraudulent, deceptive, or dishonest conduct, whether or not the conduct relates to the practice of licensed alcohol and drug counseling that adversely affects the person's ability or fitness to practice alcohol and drug counseling;
- (3) has engaged in unprofessional conduct or any other conduct which has the potential for causing harm to the public, including any departure from or failure to conform to the minimum standards of acceptable and prevailing practice without actual injury having to be established;
- (4) has been convicted of or has pled guilty or nolo contendere to a felony or gross misdemeanor reasonably related to the provision of alcohol and drug counseling services, or has been shown to have engaged in acts or practices tending to show that the applicant or licensee is incompetent or has engaged in conduct reflecting adversely on the applicant's or licensee's ability or fitness to engage in the practice of alcohol and drug counseling;
- (5) has employed fraud or deception in obtaining or renewing a license, or in passing an examination;
- (6) has had any license, certificate, registration, privilege to take an examination, or other similar authority denied, revoked, suspended, canceled, limited, or not renewed for cause in any jurisdiction or has surrendered or voluntarily terminated a license or certificate during a board investigation of a complaint, as part of a disciplinary order, or while under a disciplinary order;
- (7) has failed to meet any requirement for the issuance or renewal of the person's license. The burden of proof is on the applicant or licensee to demonstrate the qualifications or satisfy the requirements for a license under this chapter;
- (8) has failed to cooperate with an investigation by the board;
- (9) has demonstrated an inability to practice alcohol and drug counseling with reasonable skill and safety as a result of illness, use of alcohol, drugs, chemicals, or any other materials, or as a result of any mental, physical, or psychological condition;
- (10) has engaged in conduct with a client that is sexual or may reasonably be interpreted by the client as sexual, or in any verbal behavior that is seductive or sexually demeaning to a client;
- (11) has been subject to a corrective action or similar, nondisciplinary action in another jurisdiction or by another regulatory authority;
- (12) has been adjudicated as mentally incompetent, mentally ill, or developmentally disabled or as a chemically dependent person, a person dangerous to the public, a sexually dangerous person, or a person who has a sexual psychopathic personality by a court of competent jurisdiction within this state or an equivalent adjudication from another state. Adjudication automatically suspends a license for the duration thereof unless the board orders otherwise;
- (13) fails to comply with a client's request for health records made under sections 144.291 to 144.298, or to furnish a client record or report required by law;

(14) has engaged in abusive or fraudulent billing practices, including violations of the federal Medicare and Medicaid laws or state medical assistance laws; or

(15) has engaged in fee splitting. This clause does not apply to the distribution of revenues from a partnership, group practice, nonprofit corporation, or professional corporation to its partners, shareholders, members, or employees if the revenues consist only of fees for services performed by the licensee or under a licensee's administrative authority. Fee splitting includes, but is not limited to:

(i) dividing fees with another person or a professional corporation, unless the division is in proportion to the services provided and the responsibility assumed by each professional;

(ii) referring a client to any health care provider as defined in sections 144.291 to 144.298 in which the referring licensee has a significant financial interest, unless the licensee has disclosed in advance to the client the licensee's own financial interest; or

(iii) paying, offering to pay, receiving, or agreeing to receive a commission, rebate, or remuneration, directly or indirectly, primarily for the referral of clients.

Subd. 2. Forms of disciplinary action. If grounds for disciplinary action exist under subdivision 1, the board may take one or more of the following actions:

(1) refuse to grant or renew a license;

(2) revoke a license;

(3) suspend a license;

(4) impose limitations or conditions on a licensee's practice of alcohol and drug counseling, including, but not limited to, limiting the scope of practice to designated competencies, imposing retraining or rehabilitation requirements, requiring the licensee to practice under supervision, or conditioning continued practice on the demonstration of knowledge or skill by appropriate examination or other review of skill and competence;

(5) censure or reprimand the licensee;

(6) impose a civil penalty not exceeding \$10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the applicant or licensee of any economic advantage gained by reason of the violation charged, to discourage similar violations or to reimburse the board for the cost of the investigation and proceeding, including, but not limited to, fees paid for services provided by the Office of Administrative Hearings, legal and investigative services provided by the Office of the Attorney General, court reporters, witnesses, reproduction of records, board members' per diem compensation, board staff time, and travel costs and expenses incurred by board staff and board members; or

(7) any other action justified by the case.

Subd. 3. Evidence. In disciplinary actions alleging violations of subdivision 1, clause (4), (12), or (14), a copy of the judgment or proceedings under the seal of the court administrator or of the administrative agency that entered the judgment or proceeding is admissible into evidence without further authentication and constitutes prima facie evidence of its contents.

Subd. 4. Temporary suspension. (a) In addition to any other remedy provided by law, the board may issue an order to temporarily suspend the credentials of a licensee after conducting a preliminary inquiry to determine if the board reasonably believes that the licensee has violated a statute or rule that the board is

empowered to enforce and whether continued practice by the licensee would create an imminent risk of harm to others.

(b) The order may prohibit the licensee from engaging in the practice of alcohol and drug counseling in whole or in part and may condition the end of a suspension on the licensee's compliance with a statute, rule, or order that the board has issued or is empowered to enforce.

(c) The order shall give notice of the right to a hearing according to this subdivision and shall state the reasons for the entry of the order.

(d) Service of the order is effective when the order is served on the licensee personally or by certified mail, which is complete upon receipt, refusal, or return for nondelivery to the most recent address of the licensee provided to the board.

(e) At the time the board issues a temporary suspension order, the board shall schedule a hearing to be held before its own members. The hearing shall begin no later than 60 days after issuance of the temporary suspension order or within 15 working days of the date of the board's receipt of a request for hearing by a licensee, on the sole issue of whether there is a reasonable basis to continue, modify, or lift the temporary suspension. The hearing is not subject to chapter 14. Evidence presented by the board or the licensee shall be in affidavit form only. The licensee or counsel of record may appear for oral argument.

(f) Within five working days of the hearing, the board shall issue its order and, if the suspension is continued, schedule a contested case hearing within 30 days of the issuance of the order. Notwithstanding chapter 14, the administrative law judge shall issue a report within 30 days after closing the contested case hearing record. The board shall issue a final order within 30 days of receipt of the administrative law judge's report.

Subd. 5. **Automatic suspension.** (a) The right to practice is automatically suspended when:

(1) a guardian of an alcohol and drug counselor is appointed by order of a district court under sections 524.5-101 to 524.5-502; or

(2) the counselor is committed by order of a district court under chapter 253B.

(b) The right to practice remains suspended until the counselor is restored to capacity by a court and, upon petition by the counselor, the suspension is terminated by the board after a hearing or upon agreement between the board and the counselor.

Subd. 6. **Mental, physical, or chemical health evaluation.** (a) If the board has probable cause to believe that an applicant or licensee is unable to practice alcohol and drug counseling with reasonable skill and safety due to a mental or physical illness or condition, the board may direct the individual to submit to a mental, physical, or chemical dependency examination or evaluation.

(1) For the purposes of this section, every licensee and applicant is deemed to have consented to submit to a mental, physical, or chemical dependency examination or evaluation when directed in writing by the board and to have waived all objections to the admissibility of the examining professionals' testimony or examination reports on the grounds that the testimony or examination reports constitute a privileged communication.

(2) Failure of a licensee or applicant to submit to an examination when directed by the board constitutes an admission of the allegations against the person, unless the failure was due to circumstances beyond the

person's control, in which case a default and final order may be entered without the taking of testimony or presentation of evidence.

(3) A licensee or applicant affected under this subdivision shall at reasonable intervals be given an opportunity to demonstrate that the licensee or applicant can resume the competent practice of licensed alcohol and drug counseling with reasonable skill and safety to the public.

(4) In any proceeding under this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against the licensee or applicant in any other proceeding.

(b) In addition to ordering a physical or mental examination, the board may, notwithstanding section 13.384 or sections 144.291 to 144.298, or any other law limiting access to medical or other health data, obtain medical data and health records relating to a licensee or applicant without the licensee's or applicant's consent if the board has probable cause to believe that subdivision 1, clause (9), applies to the licensee or applicant. The medical data may be requested from:

- (1) a provider, as defined in section 144.291, subdivision 2, paragraph (h);
- (2) an insurance company; or
- (3) a government agency, including the Department of Human Services.

(c) A provider, insurance company, or government agency must comply with any written request of the board under this subdivision and is not liable in any action for damages for releasing the data requested by the board if the data are released pursuant to a written request under this subdivision, unless the information is false and the provider giving the information knew, or had reason to believe, the information was false.

(d) Information obtained under this subdivision is private data on individuals as defined in section 13.02, subdivision 12.

History: 2012 c 197 art 2 s 19

148F.095 ADDITIONAL REMEDIES.

Subdivision 1. **Cease and desist.** (a) The board may issue a cease and desist order to stop a person from violating or threatening to violate a statute, rule, or order which the board has issued or has authority to enforce. The cease and desist order must state the reason for its issuance and give notice of the person's right to request a hearing under sections 14.57 to 14.62. If, within 15 days of service of the order, the subject of the order fails to request a hearing in writing, the order is the final order of the board and is not reviewable by a court or agency.

(b) A hearing must be initiated by the board not later than 30 days from the date of the board's receipt of a written hearing request. Within 30 days of receipt of the administrative law judge's report, and any written agreement or exceptions filed by the parties, the board shall issue a final order modifying, vacating, or making permanent the cease and desist order as the facts require. The final order remains in effect until modified or vacated by the board.

(c) When a request for a stay accompanies a timely hearing request, the board may, in the board's discretion, grant the stay. If the board does not grant a requested stay, the board shall refer the request to the Office of Administrative Hearings within three working days of receipt of the request. Within ten days after receiving the request from the board, an administrative law judge shall issue a recommendation to grant or deny the stay. The board shall grant or deny the stay within five working days of receiving the administrative law judge's recommendation.

(d) In the event of noncompliance with a cease and desist order, the board may institute a proceeding in district court to obtain injunctive relief or other appropriate relief, including a civil penalty payable to the board, not to exceed \$10,000 for each separate violation.

Subd. 2. **Injunctive relief.** In addition to any other remedy provided by law, including the issuance of a cease and desist order under subdivision 1, the board may in the board's own name bring an action in district court for injunctive relief to restrain an alcohol and drug counselor from a violation or threatened violation of any statute, rule, or order which the board has authority to administer, enforce, or issue.

Subd. 3. **Additional powers.** The issuance of a cease and desist order or injunctive relief granted under this section does not relieve a counselor from criminal prosecution by a competent authority or from disciplinary action by the board.

148F.10 COOPERATION.

An alcohol and drug counselor who is the subject of an investigation, or who is questioned in connection with an investigation, by or on behalf of the board, shall cooperate fully with the investigation. Persons engaged in the practice of alcohol and drug counseling are not exempt from the board's jurisdiction solely by the use of one of the titles in paragraph (a).

Subd. 2. **Students.** Nothing in sections 148F.001 to 148F.11 shall prevent students enrolled in an accredited school of alcohol and drug counseling from engaging in the practice of alcohol and drug counseling while under qualified supervision in an accredited school of alcohol and drug counseling.

Subd. 3. **Federally recognized tribes.** Alcohol and drug counselors practicing alcohol and drug counseling according to standards established by federally recognized tribes, while practicing under tribal jurisdiction, are exempt from the requirements of this chapter. Subdivision 1. **Scope.** Sections 148F.12 to 148F.205 apply to the conduct of all alcohol and drug counselors, licensees, and applicants, including conduct during the period of education, training, and employment that is required for licensure.

Subd. 2. **Purpose.** Sections 148F.12 to 148F.205 constitute the standards by which the professional conduct of alcohol and drug counselors is measured.

Subd. 3. **Violations.** A violation of sections 148F.12 to 148F.205 is unprofessional conduct and constitutes grounds for disciplinary action, corrective action, or denial of licensure.

Subd. 4. **Conflict with organizational demands.** If the organizational policies at the provider's work setting conflict with any provision in sections 148F.12 to 148F.205, the provider shall discuss the nature of the conflict with the employer, make known the requirement to comply with these sections of law, and attempt to resolve the conflict in a manner that does not violate the law.

History: 2012 c 197 art 2 s 25

148F.125 COMPETENT PROVISION OF SERVICES.

Subdivision 1. **Limits on practice.** Alcohol and drug counselors shall limit their practice to the client populations and services for which they have competence or for which they are developing competence.

Subd. 2. **Developing competence.** When an alcohol and drug counselor is developing competence in a service, method, procedure, or to treat a specific client population, the alcohol and drug counselor shall obtain professional education, training, continuing education, consultation, supervision, or experience, or a combination thereof, necessary to demonstrate competence.

Subd. 3. **Experimental, emerging, or innovative services.** Alcohol and drug counselors may offer experimental services, methods, or procedures competently and in a manner that protects clients from harm. However, when doing so, they have a heightened responsibility to understand and communicate the potential risks to clients, to use reasonable skill and safety, and to undertake appropriate preparation as required in subdivision 2.

Subd. 4. **Limitations.** Alcohol and drug counselors shall recognize the limitations to the scope of practice of alcohol and drug counseling. When the needs of clients appear to be outside their scope of practice, providers shall inform the clients that there may be other professional, technical, community, and administrative resources available to them. Providers shall assist with identifying resources when it is in the best interests of clients to be provided with alternative or complementary services.

Subd. 5. **Burden of proof.** Whenever a complaint is submitted to the board involving a violation of this section, the burden of proof is on the provider to demonstrate that the elements of competence have reasonably been met.

History: 2012 c 197 art 2 s 26

148F.13 PROTECTING CLIENT PRIVACY.

Subdivision 1. **Protecting private information.** The provider shall safeguard private information obtained in the course of the practice of alcohol and drug counseling. Private information may be disclosed to others only according to section 148F.135, or with certain exceptions as specified in subdivisions 2 to 13.

Subd. 2. **Duty to warn; limitation on liability.** (a) Private information may be disclosed without the consent of the client when a duty to warn arises, or as otherwise provided by law or court order. The duty to warn of, or take reasonable precautions to provide protection from, violent behavior arises only when a client or other person has communicated to the provider a specific, serious threat of physical violence to self or a specific, clearly identified or identifiable potential victim. If a duty to warn arises, the duty is discharged by the provider if reasonable efforts are made to communicate the threat to law enforcement agencies, the potential victim, the family of the client, or appropriate third parties who are in a position to prevent or avert the harm. No monetary liability and no cause of action or disciplinary action by the board may arise against a provider for disclosure of confidences to third parties, for failure to disclose confidences to third parties, or for erroneous disclosure of confidences to third parties in a good faith effort to warn against or take precautions against a client's violent behavior or threat of suicide.

(b) For purposes of this subdivision, "provider" includes alcohol and drug counseling practicum students and individuals who are participating in a postdegree professional practice in alcohol and drug counseling.

Subd. 3. **Services to group clients.** Whenever alcohol and drug counseling services are provided to group clients, the provider shall initially inform each client of the provider's responsibility and each client's individual responsibility to treat any information gained in the course of rendering the services as private information, including any limitations to each client's right to privacy.

Subd. 4. **Obtaining collateral information.** Prior to obtaining collateral information about a client from other individuals, the provider shall obtain consent from the client unless the consent is not required by law
