(f) No later than August 31 of each year, beginning in 2017, the commissioner shall determine the percentage increase in the rate of inflation, as measured by the implicit price deflator, national data for personal consumption expenditures as determined by the United States Department of Commerce, Bureau of Economic Analysis during the 12-month period immediately preceding that August or, if that data is unavailable, during the most recent 12-month period for which data is available. The minimum wage rates in paragraphs (b), (c), (d), and (e) are increased by the lesser of: (1) 2.5 percent, rounded to the nearest cent; or (2) the percentage calculated by the commissioner, rounded to the nearest cent. A minimum wage rate shall not be reduced under this paragraph. The new minimum wage rates determined under this paragraph take effect on the next January 1.

(g)(1) No later than September 30 of each year, beginning in 2017, the commissioner may issue an order that an increase calculated under paragraph (f) not take effect. The commissioner may issue the order only if the commissioner, after consultation with the commissioner of management and budget, finds that leading economic indicators, including but not limited to projections of gross domestic product calculated by the United States Department of Commerce, Bureau of Economic Analysis; the Consumer Confidence Index issued by the Conference Board; and seasonally adjusted Minnesota unemployment rates, indicate the potential for a substantial downturn in the state's economy. Prior to issuing an order, the commissioner shall also calculate and consider the ratio of the rate of the calculated change in the minimum wage rate to the rate of change in state median income over the same time period used to calculate the change in wage rate. Prior to issuing the order, the commissioner shall hold a public hearing, notice of which must be published in the State Register, on the department's Web site, in newspapers of general circulation, and by other means likely to inform interested persons of the hearing, at least ten days prior to the hearing. The commissioner must allow interested persons to submit written comments to the commissioner before the public hearing and for 20 days after the public hearing.

(2) The commissioner may in a year subsequent to issuing an order under clause (1), make a supplemental increase in the minimum wage rate in addition to the increase for a year calculated under paragraph (f). The supplemental increase may be in an amount up to the full amount of the increase not put into effect because of the order. If the supplemental increase is not the full amount, the commissioner may make a supplemental increase of the difference, or any part of a difference, in a subsequent year until the full amount of the increase ordered not to take effect has been included in a supplemental increase. In making a determination to award a supplemental increase under this clause, the commissioner shall use the same considerations and use the same process as for an order under clause (1). A supplemental wage increase is not subject to and shall not be considered in determining whether a wage rate increase exceeds the limits for annual wage rate increases allowed under paragraph (f).

Subd. 1a. [Expired]

Subd. 2. **Gratuities not applied.** No employer may directly or indirectly credit, apply, or utilize gratuities towards payment of the minimum wage set by this section or federal law.

Subd. 3. **Sharing of gratuities.** For purposes of this chapter, any gratuity received by an employee or deposited in or about a place of business for personal services rendered by an employee is the sole property of the employee. No employer may require an employee to contribute or share a gratuity received by the employee with the employer or other employees or to contribute any or all of the gratuity to a fund or pool operated for the benefit of the employer or employees. This section does not prevent an employee from voluntarily sharing gratuities with other employees. The agreement to share gratuities must be made by the employees without employer coercion or participation, except that an employer may:

- (1) upon the request of employees, safeguard gratuities to be shared by employees and disburse shared gratuities to employees participating in the agreement;
- (2) report the amounts received as required for tax purposes; and
- (3) post a copy of this section for the information of employees.

The commissioner may require the employer to pay restitution in the amount of the gratuities diverted. If the records maintained by the employer do not provide sufficient information to determine the exact amount of gratuities diverted, the commissioner may make a determination of gratuities diverted based on available evidence and mediate a settlement with the employer.

Subd. 4. **Unreimbursed expenses deducted.** Deductions, direct or indirect, from wages or gratuities not authorized by this subdivision may only be taken as authorized by sections 177.28, subdivision 3, 181.06, and 181.79. Deductions, direct or indirect, for up to the full cost of the uniform or equipment as listed below, may not exceed \$50 or, if a motor vehicle dealer licensed under section 168.27 furnishes uniforms or clothing described in clause (1) on an ongoing basis, may not exceed the lesser of 50 percent of the dealer's reasonable expense or \$25 per month, including nonhome maintenance. No deductions, direct or indirect, may be made for the items listed below which when subtracted from wages would reduce the wages below the minimum wage:

- (1) purchased or rented uniforms or specially designed clothing required by the employer, by the nature of the employment, or by statute as a condition of employment, which is not generally appropriate for use except in that employment;
- (2) purchased or rented equipment used in employment, except tools of a trade, a motor vehicle, or any other equipment which may be used outside the employment;

(3) consumable supplies required in the course of that employment;

(4) travel expenses in the course of employment except those incurred in traveling to and from the employee's residence and place of employment.

Subd. 5. **Expense reimbursement.** An employer, at the termination of an employee's employment, must reimburse the full amount deducted, directly or indirectly, for any of the items listed in subdivision 4, except for a motor vehicle dealer's rental and maintenance deduction for uniforms or clothing. When reimbursement is made, the employer may require the employee to surrender any existing items for which the employer provided reimbursement.
