

**245A.06 CORRECTION ORDER AND CONDITIONAL LICENSE.**

Subdivision 1. **Contents of correction orders and conditional licenses.** (a) If the commissioner finds that the applicant or license holder has failed to comply with an applicable law or rule and this failure does not imminently endanger the health, safety, or rights of the persons served by the program, the commissioner may issue a correction order and an order of conditional license to the applicant or license holder. When issuing a conditional license, the commissioner shall consider the nature, chronicity, or severity of the violation of law or rule and the effect of the violation on the health, safety, or rights of persons served by the program. The correction order or conditional license must state:

- (1) the conditions that constitute a violation of the law or rule;
- (2) the specific law or rule violated;
- (3) the time allowed to correct each violation; and
- (4) if a license is made conditional, the length and terms of the conditional license.

(b) Nothing in this section prohibits the commissioner from proposing a sanction as specified in section 245A.07, prior to issuing a correction order or conditional license.

Subd. 1a. **Correction orders and conditional licenses for programs licensed as home and community-based services.** (a) For programs licensed under both this chapter and chapter 245D, if the license holder operates more than one service site under a single license governed by chapter 245D, the order issued under this section shall be specific to the service site or sites at which the violations of applicable law or rules occurred. The order shall not apply to other service sites governed by chapter 245D and operated by the same license holder unless the commissioner has included in the order the articulable basis for applying the order to another service site.

(b) If the commissioner has issued more than one license to the license holder under this chapter, the conditions imposed under this section shall be specific to the license for the program at which the violations of applicable law or rules occurred and shall not apply to other licenses held by the same license holder if those programs are being operated in substantial compliance with applicable law and rules.

Subd. 2. **Reconsideration of correction orders.** (a) If the applicant or license holder believes that the contents of the commissioner's correction order are in error, the applicant or license holder may ask the Department of Human Services to reconsider the parts of the correction order that are alleged to be in error. The request for reconsideration must be made in writing and must be postmarked and sent to the commissioner within 20 calendar days after receipt of the correction order by the applicant or license holder, and:

- (1) specify the parts of the correction order that are alleged to be in error;
- (2) explain why they are in error; and
- (3) include documentation to support the allegation of error.

A request for reconsideration does not stay any provisions or requirements of the correction order. The commissioner's disposition of a request for reconsideration is final and not subject to appeal under chapter 14.

(b) This paragraph applies only to licensed family child care providers. A licensed family child care provider who requests reconsideration of a correction order under paragraph (a) may also request, on a form and in the manner prescribed by the commissioner, that the commissioner expedite the review if:

(1) the provider is challenging a violation and provides a description of how complying with the corrective action for that violation would require the substantial expenditure of funds or a significant change to their program; and

(2) describes what actions the provider will take in lieu of the corrective action ordered to ensure the health and safety of children in care pending the commissioner's review of the correction order.

**Subd. 3. Failure to comply.** If the commissioner finds that the applicant or license holder has not corrected the violations specified in the correction order or conditional license, the commissioner may impose a fine and order other licensing sanctions pursuant to section 245A.07.

**Subd. 4. Notice of conditional license; reconsideration of conditional license.** If a license is made conditional, the license holder must be notified of the order by certified mail or personal service. If mailed, the notice must be mailed to the address shown on the application or the last known address of the license holder. The notice must state the reasons the conditional license was ordered and must inform the license holder of the right to request reconsideration of the conditional license by the commissioner. The license holder may request reconsideration of the order of conditional license by notifying the commissioner by certified mail or personal service. The request must be made in writing. If sent by certified mail, the request must be postmarked and sent to the commissioner within ten calendar days after the license holder received the order. If a request is made by personal service, it must be received by the commissioner within ten calendar days after the license holder received the order. The license holder may submit with the request for reconsideration written argument or evidence in support of the request for reconsideration. A timely request for reconsideration shall stay imposition of the terms of the conditional license until the commissioner issues a decision on the request for reconsideration. If the commissioner issues a dual order of conditional license under this section and an order to pay a fine under section 245A.07, subdivision 3, the license holder has a right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The scope of the contested case hearing shall include the fine and the conditional license. In this case, a reconsideration of the conditional license will not be conducted under this section. If the license holder does not appeal the fine, the license holder does not have a right to a contested case hearing and a reconsideration of the conditional license must be conducted under this subdivision.

The commissioner's disposition of a request for reconsideration is final and not subject to appeal under chapter 14.

Requirement to post correction order.** (a) For licensed family child care providers and child care centers, upon receipt of any correction order or order of conditional license issued by the commissioner under this section, and notwithstanding a pending request for reconsideration of the correction order or order of conditional license by the license holder, the license holder shall post the correction order or order of conditional license in a place that is conspicuous to the people receiving services and all visitors to the facility for two years. When the correction order or order of conditional license is accompanied by a maltreatment investigation memorandum prepared under section 626.556 or 626.557, the investigation memoranda must be posted with the correction order or order of conditional license.

(b) If the commissioner reverses or rescinds a violation in a correction order upon reconsideration under subdivision 2, the commissioner shall issue an amended correction order and the license holder shall post the amended order according to paragraph (a).

(c) If the correction order is rescinded or reversed in full upon reconsideration under subdivision 2, the license holder shall remove the original correction order posted according to paragraph (a).

Subd. 9. **Child care correction order quotas prohibited.** The commissioner and county licensing agencies shall not order, mandate, require, or suggest to any person responsible for licensing or inspecting a licensed family child care provider or child care center a quota for the issuance of correction orders on a daily, weekly, monthly, quarterly, or yearly basis.
