The board shall grant or deny an application no later than 90 days after the application is filed in proper form. If the applicant seeks the opportunity to show that issuance or renewal of a certificate was mistakenly denied, or if the board is unable to determine whether it should be granted or denied, the board may issue to the applicant a provisional certificate that expires 90 days after its issuance, or when the board determines whether or not to issue or renew the certificate for which application was made, whichever occurs first.

(b) Certificate holders who do not provide professional services and do not use the certified public accountant designation in any manner are not required to renew their certificates provided they have notified the board as provided in board rule and comply with the requirements for nonrenewal as specified in board rule.

(c) Applications for renewal of a certificate that are complete and timely filed with the board and are not granted or denied by the board before January 1 are renewed on a provisional basis as of January 1 and for 90 days thereafter, or until the board grants or denies the renewal of the certificate, whichever occurs first, provided the licensee meets the requirements in this chapter and rules adopted by the board.
