EXPLANATION

Cite this publication as Minnesota Statutes
2017 Supplement, section _____

This is the Minnesota Statutes 2017 Supplement to Minnesota Statutes 2016. It contains the laws of a general and permanent nature enacted at the 2017 Regular Session and the 2017 First Special Session of the 90th legislature.

Laws that amend sections or subdivisions in Minnesota Statutes 2016 are published with the numbers of the amended sections and subdivisions. When all subdivisions of a particular section or the text of an entire section are not included in this supplement, their omission is indicated in the following manner: [*For text of subs .. and .., see M.S. 2016*] or [*For text of section, see M.S. 2016*]. New laws have been classified and numbered in conformity with the numbering system of Minnesota Statutes. Repeals of sections and subdivisions of Minnesota Statutes 2016 are shown. In addition, revisor's instructions enacted in the 2017 regular session and 2017 First Special Session have been implemented and those sections are added to the supplement. Finally, notes have been updated where necessary. At the beginning of each chapter of the supplement is a list of the sections that are included.

A new statutes table of 2017 acts (Table II) is included in Volume 13 listing section or subdivision numbers of enactments published for the first time in this supplement. If the coding of a section has been changed from the coding shown in Laws 2017, or an uncoded section in Laws 2017 or another year has been coded, an asterisk following the section number indicates that the coding is different from that shown in the session laws.

New statutory text in this supplement is indexed in Volumes 13 and 14.

Changes or additions to Court Rules since publication in Minnesota Statutes 2016 have been supplemented in Volume 15. Sentencing Guidelines has been printed in its entirety.
