

171.13 EXAMINATION.

Subdivision 1. **Examination subjects and locations; provisions for color blindness, disabled veterans.** (a) Except as otherwise provided in this section, the commissioner shall examine each applicant for a driver's license by such agency as the commissioner directs. This examination must include:

- (1) a test of the applicant's eyesight;
- (2) a test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic;
- (3) a test of the applicant's knowledge of (i) traffic laws; (ii) the effects of alcohol and drugs on a driver's ability to operate a motor vehicle safely and legally, and of the legal penalties and financial consequences resulting from violations of laws prohibiting the operation of a motor vehicle while under the influence of alcohol or drugs; (iii) railroad grade crossing safety; (iv) slow-moving vehicle safety; (v) laws relating to pupil transportation safety, including the significance of school bus lights, signals, stop arm, and passing a school bus; (vi) traffic laws related to bicycles; and (vii) the circumstances and dangers of carbon monoxide poisoning;
- (4) an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle; and
- (5) other physical and mental examinations as the commissioner finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways.

(b) Notwithstanding paragraph (a), no driver's license may be denied an applicant on the exclusive grounds that the applicant's eyesight is deficient in color perception. War veterans operating motor vehicles especially equipped for disabled persons, if otherwise entitled to a license, must be granted such license.

(c) The commissioner shall make provision for giving the examinations under this subdivision either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant.

(d) The commissioner shall ensure that an applicant is able to obtain an appointment for an examination to demonstrate ability under paragraph (a), clause (4), within 14 days of the applicant's request if, under the applicable statutes and rules of the commissioner, the applicant is eligible to take the examination.

Subd. 1a. **Waiver when license issued by another jurisdiction.** (a) The commissioner may waive the requirement that the applicant demonstrate ability to exercise ordinary and reasonable control in the operation of a motor vehicle on determining that the applicant possesses a valid driver's license issued by a jurisdiction that requires a comparable demonstration for license issuance.

(b) For purposes of this subdivision, "jurisdiction" includes, but is not limited to, both the active and reserve components of any branch or unit of the United States armed forces, and "valid driver's license" includes any driver's license that is recognized by that branch or unit as currently being valid, or as having been valid at the time of the applicant's separation or discharge from the military within a period of time deemed reasonable and fair by the commissioner, up to and including one year past the date of the applicant's separation or discharge.
