Subd. 2. **Application.** (a) An application for a class C license must be on a form the commission prescribes and must be accompanied by an affidavit of qualification that the applicant:

(b) The application must also contain an irrevocable consent statement, to be signed by the applicant, which states that suits and actions relating to the subject matter of the application or acts or omissions arising from it may be commenced against the applicant in any court of competent jurisdiction in this state by the service on the secretary of state of any summons, process, or pleading authorized by the laws of this state. If any summons, process, or pleading is served upon the secretary of state, it must be by duplicate copies. One copy must be retained in the Office of the Secretary of State and the other copy must be forwarded immediately by certified mail to the address of the applicant, as shown by the records of the commission.

Subd. 2a. **Certain occupational licenses.** The commission may issue a license to an applicant otherwise disqualified pursuant to subdivision 2, paragraph (a), clause (2), for an occupation that does not involve gaming operations, security, surveillance, or the handling of pari-mutuel or card club revenues provided that the applicant has not been convicted of a felony or a crime involving fraud or misrepresentation within ten years of application, has never been convicted of a gambling-related offense, does not have a felony charge pending, has been discharged from any supervision related to the disqualifying offense for a period of at least five years, and is not required to register pursuant to section 243.166.

Subd. 3. **Investigations.** The commission shall investigate each applicant for a class C license to the extent it deems necessary, and may request the assistance of and may reimburse the Division of Alcohol and Gambling Enforcement in investigating applicants. The commission may by rule require that an applicant be fingerprinted or furnish the applicant's fingerprints. Investigations must be conducted and their costs paid in the manner prescribed by section 240.06, subdivision 3. The commission may cooperate with national and international organizations and agencies in conducting investigations. The commission may by rule provide for examining the qualifications of an applicant for the license being applied for. The commission has access to all criminal history data compiled by the Division of Alcohol and Gambling Enforcement on class C applicants and licensees.

Subd. 4. **License issuance and renewal.** If the commission determines that the applicant is qualified for the occupation for which licensing is sought and will not adversely affect the public health, welfare, and safety or the integrity of racing in Minnesota, it may issue a class C license to the applicant. If it makes a similar finding for a renewal of a class C license it may renew the license. Class C licenses are effective until December 31 of the calendar year for which they are issued. Certain types of class C licenses, to be determined by the commission, are effective until December 31 of the third calendar year for which they have been issued.

Subd. 5. **Revocation and suspension.** (a) The commission may revoke a class C license for a violation of law or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, the public health, welfare, or safety, or for an intentional false statement made in a license application.

The commission may suspend a class C license for up to one year for a violation of law, order or rule.

The commission may delegate to its designated agents the authority to impose suspensions of class C licenses, and the revocation or suspension of a class C license may be appealed to the commission according to its rules.

(b) A license revocation or suspension for more than 90 days is a contested case under sections 14.57 to 14.69 of the Administrative Procedure Act and is in addition to criminal penalties imposed for a violation of law or rule. The commission may summarily suspend a license for more than 90 days prior to a contested case hearing where it is necessary to ensure the integrity of racing or to protect the public health, welfare, or safety. A contested case hearing must be held within 30 days of the summary suspension and the administrative law judge's report must be issued within 30 days from the close of the hearing record. In all cases involving summary suspension the commission must issue its final decision within 30 days from receipt of the report of the administrative law judge and subsequent exceptions and argument under section 14.61.
