Subd. 3. Exemption from awake-staff requirement. A housing with services establishment that offers or provides assisted living is exempt from the requirement in subdivision 2, paragraph (b), clause (7), item (i), that the person or persons available and responsible for responding to requests for assistance must be awake, if the establishment meets the following requirements:

Subd. 4. Nursing assessment. (a) A housing with services establishment offering or providing assisted living shall:

(1) offer to have the arranged home care provider conduct a nursing assessment by a registered nurse of the physical and cognitive needs of the prospective resident and propose a service plan prior to the date on which a prospective resident executes a contract with a housing with services establishment or the date on which a prospective resident moves in, whichever is earlier; and

(2) inform the prospective resident of the availability of and contact information for long-term care consultation services under section 256B.0911, prior to the date on which a prospective resident executes a contract with a housing with services establishment or the date on which a prospective resident moves in, whichever is earlier.

(b) An arranged home care provider is not obligated to conduct a nursing assessment by a registered nurse when requested by a prospective resident if either the geographic distance between the prospective resident and the provider, or urgent or unexpected circumstances, do not permit the assessment to be conducted prior to the date on which the prospective resident executes a contract or moves in, whichever is earlier. When such circumstances occur, the arranged home care provider shall offer to conduct a telephone conference whenever reasonably possible.

(c) The arranged home care provider shall comply with applicable home care licensure requirements in chapter 144A and sections 148.171 to 148.285, with respect to the provision of a nursing assessment prior to the delivery of nursing services and the execution of a home care service plan or service agreement.

(i) the assisted living client must vacate the apartment, along with all personal possessions, on or before the effective date of termination;

(ii) failure to vacate the apartment by the date of termination may result in the filing of an eviction action in court by the establishment, and that the assisted living client may present a defense, if any, to the court at that time; and

(iii) the assisted living client may seek legal counsel in connection with the notice of termination;

(5) a statement that, with respect to the notice of termination, reasonable accommodation is available for the disability of the assisted living client, if any; and
