

60B.435 QUALIFIED FINANCIAL CONTRACTS.

Subdivision 1. **Exercise of contractual rights.** Notwithstanding any other provision of this chapter, including any other provision of this chapter permitting the modification of contracts, or other law of a state, no person shall be stayed or prohibited from exercising:

(1) a contractual right to cause the termination, liquidation, acceleration, or close-out of obligations under or in connection with any netting agreement or qualified financial contract with an insurer because of:

(i) the insolvency, financial condition, or default of the insurer at any time, provided that the right is enforceable under applicable law other than this chapter; or

(ii) the commencement of a formal delinquency proceeding under this chapter;

(2) any right under a pledge, security, collateral, reimbursement or guarantee agreement or arrangement or any other similar security arrangement, or arrangement or other credit enhancement relating to one or more netting agreements or qualified financial contracts;

(3) subject to any provision of section 60B.34, any right to set off or net out any termination value, payment amount, or other transfer obligation arising under or in connection with one or more qualified financial contracts where the counterparty or its guarantor is organized under the laws of the United States or a state or a foreign jurisdiction approved by the Securities Valuation Office (SVO) of the National Association of Insurance Commissioners as eligible for netting; or

(4) if a counterparty to a master netting agreement or a qualified financial contract with an insurer subject to a proceeding under this chapter terminates, liquidates, closes out, or accelerates the agreement or contract, damages shall be measured as of the date or dates of termination, liquidation, close-out, or acceleration. The amount of a claim for damages shall be actual direct compensatory damages calculated in accordance with subdivision 6.

Subd. 2. **Termination of agreement; transfer to insurer's receiver.** Upon termination of a netting agreement or qualified financial contract, the net or settlement amount, if any, owed by a nondefaulting party to an insurer against which an application or petition has been filed under this chapter shall be transferred to or on the order of the receiver for the insurer, even if the insurer is the defaulting party, notwithstanding any walkaway clause in the netting agreement or qualified financial contract. For purposes of this subdivision, the term "walkaway clause" means a provision in a netting agreement or a qualified financial contract that, after calculation of a value of a party's position or an amount due to or from one of the parties in accordance with its terms upon termination, liquidation, or acceleration of the netting agreement or qualified financial contract, either does not create a payment obligation of a party or extinguishes a payment obligation of a party in whole or in part solely because of the party's status as a nondefaulting party. Any limited two-way payment or first method provision in a netting agreement or qualified financial contract with an insurer that has defaulted shall be deemed to be a full two-way payment or second method provision as against the defaulting insurer. Any such property or amount shall, except to the extent it is subject to one or more secondary liens or encumbrances, or rights of netting or setoff, be a general asset of the insurer.

Subd. 3. **Transfer by receiver.** In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under this chapter, the receiver shall either:

(1) transfer to one party, other than an insurer subject to a proceeding under this chapter, all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding, including:

(i) all rights and obligations of each party under each netting agreement and qualified financial contract; and

(ii) all property, including any guarantees or other credit enhancement, securing any claims of each party under each netting agreement and qualified financial contract; or

(2) transfer none of the netting agreements, qualified financial contracts, rights, obligations, or property referred to in clause (1), with respect to the counterparty and any affiliate of the counterparty.

Subd. 4. Transfer by receiver; obligation to notify certain parties. If a receiver for an insurer makes a transfer of one or more netting agreements or qualified financial contracts, then the receiver shall use its best efforts to notify any person who is party to the netting agreements or qualified financial contracts of the transfer by 12:00 noon, the receiver's local time, on the business day following the transfer. For purposes of this subdivision, "business day" means a day other than a Saturday, Sunday, or any day on which either the New York Stock Exchange or the Federal Reserve Bank of New York is closed.

Subd. 5. Avoidance of transfer by receiver. Notwithstanding any other provision of this chapter, a receiver may not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract, or any pledge, security, collateral, or guarantee agreement or any other similar security arrangement or credit support document relating to a netting agreement or qualified financial contract, that is made before the commencement of a formal delinquency proceeding under this chapter. However, a transfer may be avoided under section 60B.32 if the transfer was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

Subd. 6. Disaffirmance or repudiation by receiver; damages. (a) In exercising the receiver's rights of disaffirmance or repudiation with respect to any netting agreement or qualified financial contract to which an insurer is a party, the receiver for the insurer shall either:

(1) disaffirm or repudiate all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding; or

(2) disaffirm or repudiate none of the netting agreements and qualified financial contracts referred to in clause (1), with respect to the person or any affiliate of the person.

(b) Notwithstanding any other provision of this chapter, any claim of a counterparty against the estate arising from the receiver's disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or immediately preceding conservation or rehabilitation case shall be determined and shall be allowed or disallowed as if the claim had arisen before the date of the filing of the petition for liquidation or, if a conservation or rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for conservation or rehabilitation. The amount of the claim shall be the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract. The term "actual direct compensatory damages" does not include punitive or exemplary damages, damages for lost profit or lost opportunity, or damages for pain and suffering, but does include normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivatives, securities, or other market for the contract and agreement claims.

Subd. 7. Sources of contractual right. The term "contractual right" as used in this section includes any right set forth in a rule or bylaw of a derivatives clearing organization as defined in the Commodity Exchange Act, a multilateral clearing organization as defined in the Federal Deposit Insurance Corporation Improvement

Act of 1991, a national securities exchange, a national securities association, a securities clearing agency, a contract market designated under the Commodity Exchange Act, a derivatives transaction execution facility registered under the Commodities Exchange Act, or a board of trade as defined in the Commodity Exchange Act, or in a resolution of the governing board thereof and any right, whether or not evidenced in writing, arising under statutory or common law, or under law merchant, or by reason of normal business practice.

Subd. 8. **Affiliates of insurer; nonapplication.** The provisions of this section shall not apply to persons who are affiliates of the insurer that is the subject of the proceeding.

Subd. 9. **Allocating among accounts.** All rights of counterparties under this chapter shall apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts if the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts and entered into on behalf of that separate account.
