Subdivision 1. **Reports required.** (a) Except as provided in paragraph (b), a person mandated to report under section 626.556, subdivision 3, shall immediately report to the local welfare agency if the person knows or has reason to believe that a woman is pregnant and has used a controlled substance for a nonmedical purpose during the pregnancy, including, but not limited to, tetrahydrocannabinol, or has consumed alcoholic beverages during the pregnancy in any way that is habitual or excessive.

(b) A health care professional or a social service professional who is mandated to report under section 626.556, subdivision 3, is exempt from reporting under paragraph (a) a woman's use or consumption of tetrahydrocannabinol or alcoholic beverages during pregnancy if the professional is providing the woman with prenatal care or other health care services.

The local welfare agency may also take any appropriate action under chapter 253B, including seeking an emergency admission under section 253B.05.
