

120B.304 SCHOOL DISTRICT ASSESSMENT COMMITTEE.

(a) A school district that does not have an agreement between the school board and the exclusive representative of the teachers about selecting assessments must establish a district assessment committee to advise the school board on administering standardized assessments to students in addition to the assessments required under section 120B.30 and applicable federal law unless paragraph (b) applies. The committee must include an equal number of teachers and administrators and at least one parent of a student in the district and may include at least one representative from each school site in the district.

(b) A school district may seek this assessment advice from the district advisory committee under section 120B.11, subdivision 3, instead of establishing a committee under this section.
