(a) By July 1 of each year, except for 1998 and 1999 information, the commissioner shall issue a public report providing statistics for the previous calendar year compiled from the data submitted under sections 145.4131 to 145.4133 and sections 145.4241 to 145.4249. For 1998 and 1999 information, the report shall be issued October 1, 2000. Each report shall provide the statistics for all previous calendar years, adjusted to reflect any additional information from late or corrected reports. The commissioner shall ensure that none of the information included in the public reports can reasonably lead to identification of an individual having performed or having had an abortion. All data included on the forms under sections 145.4131 to 145.4133 and sections 145.4241 to 145.4249 must be included in the public report, except that the commissioner shall maintain as confidential, data which alone or in combination may constitute information from which an individual having performed or having had an abortion may be identified using epidemiologic principles. The commissioner shall submit the report to the senate Health and Family Security Committee and the house of representatives Health and Human Services Committee.

(b) The commissioner may, by rules adopted under chapter 14, alter the submission dates established under sections 145.4131 to 145.4133 for administrative convenience, fiscal savings, or other valid reason, provided that physicians or facilities and the commissioner of human services submit the required information once each year and the commissioner issues a report once each year.
