(c) "Inactive roster" means the list maintained by the commissioner of individuals who are eligible under this chapter to provide services and are not on an active roster. Individuals shall remain on the inactive roster for no more than 180 consecutive days, unless the individual submits a written request to the commissioner requesting to remain on the inactive roster for a longer period of time. Upon the commissioner's receipt of information that may cause an individual on the inactive roster to be disqualified under this chapter, the commissioner shall remove the individual from the inactive roster, and if the individual again seeks a position requiring a background study, the individual shall be required to complete a new background study.

(d) "Master roster" means the list maintained by the commissioner of all individuals who, as a result of a background study under this chapter, and regardless of affiliation with an entity, are determined by the commissioner to be eligible to provide services for one or more entities.
