

**121A.22 ADMINISTRATION OF DRUGS AND MEDICINE.**

Subdivision 1. **Applicability.** This section applies only:

- (1) when the parent of a pupil requests school personnel to administer drugs or medicine to the pupil;
- or
- (2) when administration is allowed by the individualized education program of a child with a disability.

The request of a parent may be oral or in writing. An oral request must be reduced to writing within two school days, provided that the district may rely on an oral request until a written request is received.

Subd. 2. **Exclusions.** In addition, this section does not apply to drugs or medicine that are:

- (1) purchased without a prescription;
- (2) used by a pupil who is 18 years old or older;
- (3) used in connection with services for which a minor may give effective consent, including section 144.343, subdivision 1, and any other law;
- (4) used in situations in which, in the judgment of the school personnel who are present or available, the risk to the pupil's life or health is of such a nature that drugs or medicine should be given without delay;
- (5) used off the school grounds;
- (6) used in connection with athletics or extra curricular activities;
- (7) used in connection with activities that occur before or after the regular school day;
- (8) provided or administered by a public health agency to prevent or control an illness or a disease outbreak as provided for in sections 144.05 and 144.12;
- (9) prescription asthma or reactive airway disease medications self-administered by a pupil with an asthma inhaler, consistent with section 121A.221, if the district has received a written authorization from the pupil's parent permitting the pupil to self-administer the medication, the inhaler is properly labeled for that student, and the parent has not requested school personnel to administer the medication to the pupil. The parent must submit written authorization for the pupil to self-administer the medication each school year; or
- (10) epinephrine auto-injectors, consistent with section 121A.2205, if the parent and prescribing medical professional annually inform the pupil's school in writing that (i) the pupil may possess the epinephrine or (ii) the pupil is unable to possess the epinephrine and requires immediate access to epinephrine auto-injectors that the parent provides properly labeled to the school for the pupil as needed.

Subd. 3. **Labeling.** Drugs or medicine subject to this section must be in a container with a label prepared by a pharmacist according to section 151.212 and applicable rules.

Subd. 4. **Administration.** Drugs and medicine subject to this section must be administered in a manner consistent with instructions on the label. Drugs and medicine subject to this section must be administered, to the extent possible, according to school board procedures that must be developed in consultation:

- (1) with a school nurse, in a district that employs a school nurse;
- (2) with a licensed school nurse, in a district that employs a licensed school nurse;

(3) with a public or private health or health-related organization, in a district that contracts with a public or private health or health-related organization, according to section 121A.21; or

(4) with the appropriate party, in a district that has an arrangement approved by the commissioner of education, according to section 121A.21.

Subd. 5. **Children with a disability.** For drugs or medicine used by children with a disability, administration may be as provided in the individualized education program.

Subd. 6. **Health treatments.** For the purpose of this section, special health treatments and health functions, such as catheterization, tracheostomy suctioning, and gastrostomy feedings, do not constitute administration of drugs or medicine.
