124E.17 DISSEMINATION OF INFORMATION.

Subdivision 1. **Charter school information.** (a) Charter schools must disseminate information about how to use the charter school offerings to targeted groups, among others. Targeted groups include low-income families and communities, students of color, and students who are at risk of academic failure.

- (b) Authorizers and the commissioner must disseminate information to the public on how to form and operate a charter school. Authorizers, operators, and the commissioner also may disseminate information to interested stakeholders about the successful best practices in teaching and learning demonstrated by charter schools.
- Subd. 2. **Financial information.** Upon request of an individual, the charter school must make available in a timely fashion financial statements showing all operations and transactions affecting the school's income, surplus, and deficit during the last annual accounting period; and a balance sheet summarizing assets and liabilities on the closing date of the accounting period. A charter school also must include that same information about its authorizer in other school materials that it makes available to the public.
