- (7) an individual who, without providing direct contact services at a licensed program, certified program, or program authorized under chapter 119B, may have unsupervised access to a child receiving services from a program when the commissioner has reasonable cause as defined in section 245C.02, subdivision 15; or
- (8) a volunteer, contractor, prospective employee, or other individual who has unsupervised physical access to a child served by a program and who is not under supervision by an individual listed in clause (1) or (5), regardless of whether the individual provides program services.

- (2) the licensed child care center, certified license-exempt child care center, licensed family child care program, or legal nonlicensed child care provider authorized under chapter 119B has obtained advanced written permission from the parent authorizing the child to receive the services, which is maintained in the child's record;

(3) the licensed child care center, certified license-exempt child care center, licensed family child care program, or legal nonlicensed child care provider authorized under chapter 119B maintains documentation on site that identifies the individual service provider and the services being provided; and

(4) the licensed child care center, certified license-exempt child care center, licensed family child care program, or legal nonlicensed child care provider authorized under chapter 119B ensures that the service provider does not have unsupervised access to a child not receiving the provider's services.

Subd. 6b. **Children's residential facility.** "Children's residential facility" means a children's residential facility licensed by the commissioner of corrections or the commissioner of human services under Minnesota Rules, chapter 2960.

Subd. 13b. **NETStudy 2.0.** "NETStudy 2.0" means the commissioner's system that replaces both NETStudy and the department's internal background study processing system. NETStudy 2.0 is designed to enhance protection of children and vulnerable adults by improving the accuracy of background studies through fingerprint-based criminal record checks and expanding the background studies to include a review of information from the Minnesota Court Information System and the national crime information database. NETStudy 2.0 is also designed to increase efficiencies in and the speed of the hiring process by:

- (1) providing access to and updates from public web-based data related to employment eligibility;
- (2) decreasing the need for repeat studies through electronic updates of background study subjects' criminal records;
- (3) supporting identity verification using subjects' Social Security numbers and photographs;
- (4) using electronic employer notifications; and
- (5) issuing immediate verification of subjects' eligibility to provide services as more studies are completed under the NETStudy 2.0 system.

Subd. 13c. **National criminal history record check.** (a) "National criminal history record check" means a check of records maintained by the Federal Bureau of Investigation through submission of fingerprints through the Minnesota Bureau of Criminal Apprehension to the Federal Bureau of Investigation, when specifically required by law.

(b) For the purposes of this chapter, "national crime information database," "national criminal records repository," "criminal history with the Federal Bureau of Investigation," and "national criminal record check" refer to a national criminal history record check as defined in this subdivision.

Subd. 14. **Person.** "Person" means a child as defined in subdivision 6 or an adult as defined in section 245A.02, subdivision 2.

Subd. 14a. **Private agency.** "Private agency" has the meaning given in section 245A.02, subdivision 12.

Subd. 15. **Reasonable cause.** "Reasonable cause" means information or circumstances exist that provide the commissioner with articulable suspicion that further pertinent information may exist concerning a subject. The commissioner has reasonable cause to require a background study when the commissioner has received a report from the subject, the license holder, or a third party indicating that the subject has a history that would disqualify the individual or that may pose a risk to the health or safety of persons receiving services.

Subd. 15a. **Reasonable cause to require a national criminal history record check.** (a) "Reasonable cause to require a national criminal history record check" means information or circumstances exist that provide the commissioner with articulable suspicion that further pertinent information may exist concerning a background study subject that merits conducting a national criminal history record check on that subject. The commissioner has reasonable cause to require a national criminal history record check when:

(1) information from the Bureau of Criminal Apprehension indicates that the subject is a multistate offender;

(2) information from the Bureau of Criminal Apprehension indicates that multistate offender status is undetermined;

(3) the commissioner has received a report from the subject or a third party indicating that the subject has a criminal history in a jurisdiction other than Minnesota; or

(4) information from the Bureau of Criminal Apprehension for a state-based name and date of birth background study in which the subject is a minor that indicates that the subject has a criminal history.

(b) In addition to the circumstances described in paragraph (a), the commissioner has reasonable cause to require a national criminal history record check if the subject is not currently residing in Minnesota or resided in a jurisdiction other than Minnesota during the previous five years.

Subd. 16. **Recurring maltreatment.** "Recurring maltreatment" means more than one incident of maltreatment for which there is a preponderance of evidence that the maltreatment occurred and that the subject was responsible for the maltreatment.

Subd. 17. [Repealed, 2004 c 288 art 1 s 83]

Subd. 17a. **Roster.** (a) "Roster" means the electronic method used to identify the entity or entities required to conduct background studies under this chapter with which a background subject is affiliated. There are three types of rosters: active roster, inactive roster, and master roster.

(b) "Active roster" means the list of individuals specific to an entity who have been determined eligible under this chapter to provide services for the entity and who the entity has identified as affiliated. An individual shall remain on the entity's active roster and is considered affiliated until the commissioner determines the individual is ineligible or the entity removes the individual from the entity's active roster.

(c) "Inactive roster" means the list maintained by the commissioner of individuals who are eligible under this chapter to provide services and are not on an active roster. Individuals shall remain on the inactive roster for no more than 180 consecutive days, unless the individual submits a written request to the commissioner requesting to remain on the inactive roster for a longer period of time. Upon the commissioner's receipt of information that may cause an individual on the inactive roster to be disqualified under this chapter, the commissioner shall remove the individual from the inactive roster, and if the individual again seeks a position requiring a background study, the individual shall be required to complete a new background study.

(d) "Master roster" means the list maintained by the commissioner of all individuals who, as a result of a background study under this chapter, and regardless of affiliation with an entity, are determined by the commissioner to be eligible to provide services for one or more entities. The master roster includes all background study subjects on rosters under paragraphs (b) and (c).

Subd. 18. **Serious maltreatment.** (a) "Serious maltreatment" means sexual abuse, maltreatment resulting in death, neglect resulting in serious injury which reasonably requires the care of a physician whether or not the care of a physician was sought, or abuse resulting in serious injury.

(b) For purposes of this definition, "care of a physician" is treatment received or ordered by a physician, physician assistant, or nurse practitioner, but does not include:

- (1) diagnostic testing, assessment, or observation;
- (2) the application of, recommendation to use, or prescription solely for a remedy that is available over the counter without a prescription; or
- (3) a prescription solely for a topical antibiotic to treat burns when there is no follow-up appointment.

(c) For purposes of this definition, "abuse resulting in serious injury" means: bruises, bites, skin laceration, or tissue damage; fractures; dislocations; evidence of internal injuries; head injuries with loss of consciousness; extensive second-degree or third-degree burns and other burns for which complications are present; extensive second-degree or third-degree frostbite and other frostbite for which complications are present; irreversible mobility or avulsion of teeth; injuries to the eyes; ingestion of foreign substances and objects that are harmful; near drowning; and heat exhaustion or sunstroke.

(d) Serious maltreatment includes neglect when it results in criminal sexual conduct against a child or vulnerable adult.

Subd. 19. **Subject of a background study.** "Subject of a background study" means an individual on whom a background study is required or completed.

Subd. 20. **Substance use disorder treatment field.** "Substance use disorder treatment field" means a program exclusively serving individuals 18 years of age and older and that is required to be:

- (1) licensed under chapter 245G; or

(2) registered under section 157.17 as a board and lodge establishment that predominantly serves individuals being treated for or recovering from a substance use disorder.

245C.04 WHEN BACKGROUND STUDY MUST OCCUR.

Subdivision 1. **Licensed programs; other child care programs.** (a) The commissioner shall conduct a background study of an individual required to be studied under section 245C.03, subdivision 1, at least upon application for initial license for all license types.

(b) The commissioner shall conduct a background study of an individual required to be studied under section 245C.03, subdivision 1, including a child care background study subject as defined in section 245C.02, subdivision 6a, in a family child care program, licensed child care center, certified license-exempt child care center, or legal nonlicensed child care provider, on a schedule determined by the commissioner. Except as provided in section 245C.05, subdivision 5a, a child care background study must include submission of fingerprints for a national criminal history record check and a review of the information under section 245C.08. A background study for a child care program must be repeated within five years from the most recent study conducted under this paragraph.

(c) At reapplication for a family child care license:

(1) for a background study affiliated with a licensed family child care center or legal nonlicensed child care provider, the individual shall provide information required under section 245C.05, subdivision 1, paragraphs (a), (b), and (d), to the county agency, and be fingerprinted and photographed under section 245C.05, subdivision 5;

(2) the county agency shall verify the information received under clause (1) and forward the information to the commissioner to complete the background study; and

(3) the background study conducted by the commissioner under this paragraph must include a review of the information required under section 245C.08.

(d) The commissioner is not required to conduct a study of an individual at the time of reapplication for a license if the individual's background study was completed by the commissioner of human services and the following conditions are met:

(1) a study of the individual was conducted either at the time of initial licensure or when the individual became affiliated with the license holder;

(2) the individual has been continuously affiliated with the license holder since the last study was conducted; and

(3) the last study of the individual was conducted on or after October 1, 1995.

(e) The commissioner of human services shall conduct a background study of an individual specified under section 245C.03, subdivision 1, paragraph (a), clauses (2) to (6), who is newly affiliated with a child foster care license holder:

(1) the county or private agency shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1 and 5, when the child foster care applicant or license holder resides in the home where child foster care services are provided;

(2) the child foster care license holder or applicant shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1 and 5, when the applicant or license holder does not reside in the home where child foster care services are provided; and

(3) the background study conducted by the commissioner of human services under this paragraph must include a review of the information required under section 245C.08, subdivisions 1, 3, and 4.

(f) The commissioner shall conduct a background study of an individual specified under section 245C.03, subdivision 1, paragraph (a), clauses (2) to (6), who is newly affiliated with an adult foster care or family adult day services and with a family child care license holder or a legal nonlicensed child care provider authorized under chapter 119B and:

(1) except as provided in section 245C.05, subdivision 5a, the county shall collect and forward to the commissioner the information required under section 245C.05, subdivision 1, paragraphs (a) and (b), and subdivision 5, paragraphs (a), (b), and (d), for background studies conducted by the commissioner for all family adult day services, for adult foster care when the adult foster care license holder resides in the adult foster care residence, and for family child care and legal nonlicensed child care authorized under chapter 119B;

(2) the license holder shall collect and forward to the commissioner the information required under section 245C.05, subdivisions 1, paragraphs (a) and (b); and 5, paragraphs (a) and (b), for background studies conducted by the commissioner for adult foster care when the license holder does not reside in the adult foster care residence; and

(3) the background study conducted by the commissioner under this paragraph must include a review of the information required under section 245C.08, subdivision 1, paragraph (a), and subdivisions 3 and 4.

(g) Applicants for licensure, license holders, and other entities as provided in this chapter must submit completed background study requests to the commissioner using the electronic system known as NETStudy before individuals specified in section 245C.03, subdivision 1, begin positions allowing direct contact in any licensed program.

(h) For an individual who is not on the entity's active roster, the entity must initiate a new background study through NETStudy when:

(1) an individual returns to a position requiring a background study following an absence of 120 or more consecutive days; or

(2) a program that discontinued providing licensed direct contact services for 120 or more consecutive days begins to provide direct contact licensed services again.

The license holder shall maintain a copy of the notification provided to the commissioner under this paragraph in the program's files. If the individual's disqualification was previously set aside for the license holder's program and the new background study results in no new information that indicates the individual may pose a risk of harm to persons receiving services from the license holder, the previous set-aside shall remain in effect.

(i) For purposes of this section, a physician licensed under chapter 147 is considered to be continuously affiliated upon the license holder's receipt from the commissioner of health or human services of the physician's background study results.

(j) For purposes of family child care, a substitute caregiver must receive repeat background studies at the time of each license renewal.

(k) A repeat background study at the time of license renewal is not required if the family child care substitute caregiver's background study was completed by the commissioner on or after October 1, 2017, and the substitute caregiver is on the license holder's active roster in NETStudy 2.0.

(l) Before and after school programs authorized under chapter 119B, are exempt from the background study requirements under section 123B.03, for an employee for whom a background study under this chapter has been completed.

Subd. 2. Other state agencies. Applicants and license holders under the jurisdiction of other state agencies who are required in other statutory sections to initiate background studies under this chapter must submit completed background study forms to the commissioner before the background study subject begins in a position allowing direct contact in the licensed program or, where applicable, prior to being employed.

Subd. 3. Personal care provider organizations. (a) The commissioner shall conduct a background study of an individual required to be studied under section 245C.03, subdivision 2, at least upon application for initial enrollment under sections 256B.0651 to 256B.0654 and 256B.0659.

(b) Organizations required to initiate background studies under sections 256B.0651 to 256B.0654 and 256B.0659 for individuals described in section 245C.03, subdivision 2, must submit a completed background study request to the commissioner using the electronic system known as NETStudy before those individuals begin in a position allowing direct contact with persons served by the organization.

(c) Organizations required to initiate background studies under sections 256B.0651 to 256B.0654 and 256B.0659 for individuals described in section 245C.03, subdivision 2, must initiate a new background study through NETStudy when an individual returns to a position requiring a background study following an absence of 120 or more consecutive days.

Subd. 4. Supplemental nursing services agencies. (a) The commissioner shall conduct a background study of an individual required to be studied under section 245C.03, subdivision 3, at least upon application for registration under section 144A.71, subdivision 1.

(b) Each supplemental nursing services agency must initiate background studies using the electronic system known as NETStudy before an individual begins a position allowing direct contact with persons served by the agency and annually thereafter.

(c) A supplemental nursing services agency that initiates background studies through NETStudy 2.0 is exempt from the requirement to initiate annual background studies under paragraph (b) for individuals who are on the agency's active roster.

Subd. 4a. Agency background studies; electronic criminal case information updates; rosters; and criteria for eliminating repeat background studies. (a) The commissioner shall develop and implement an electronic process as a part of NETStudy 2.0 for the regular transfer of new criminal case information that is added to the Minnesota court information system. The commissioner's system must include for review only information that relates to individuals who are on the master roster.

(b) The commissioner shall develop and implement an online system as a part of NETStudy 2.0 for agencies that initiate background studies under this chapter to access and maintain records of background studies initiated by that agency. The system must show all active background study subjects affiliated with that agency and the status of each individual's background study. Each agency that initiates background studies must use this system to notify the commissioner of discontinued affiliation for purposes of the processes required under paragraph (a).

(c) After an entity initiating a background study has paid the applicable fee for the study and has provided the individual with the privacy notice required under section 245C.05, subdivision 2c, NETStudy 2.0 shall immediately inform the entity whether the individual requires a background study or whether the individual is immediately eligible to provide services based on a previous background study. If the individual is immediately eligible, the entity initiating the background study shall be able to view the information previously supplied by the individual who is the subject of a background study as required under section 245C.05, subdivision 1, including the individual's photograph taken at the time the individual's fingerprints were recorded. The commissioner shall not provide any entity initiating a subsequent background study with information regarding the other entities that initiated background studies on the subject.

(d) Verification that an individual is eligible to provide services based on a previous background study is dependent on the individual voluntarily providing the individual's Social Security number to the commissioner at the time each background study is initiated. When an individual does not provide the individual's Social Security number for the background study, that study is not transferable and a repeat background study on that individual is required if the individual seeks a position requiring a background study under this chapter with another entity.

Subd. 5. Personnel agencies; educational programs; professional services agencies. (a) Agencies, programs, and individuals who initiate background studies under section 245C.03, subdivision 4, must initiate the studies annually using the electronic system known as NETStudy.

Subd. 6. Unlicensed home and community-based waiver providers of service to seniors and individuals with disabilities. (a) Providers required to initiate background studies under section 256B.4912 must initiate a study using the electronic system known as NETStudy before the individual begins in a position allowing direct contact with persons served by the provider.

(b) Except as provided in paragraphs (c) and (d), the providers must initiate a background study annually of an individual required to be studied under section 245C.03, subdivision 6.

(c) After an initial background study under this subdivision is initiated on an individual by a provider of both services licensed by the commissioner and the unlicensed services under this subdivision, a repeat annual background study is not required if:

(1) the provider maintains compliance with the requirements of section 245C.07, paragraph (a), regarding one individual with one address and telephone number as the person to receive sensitive background study information for the multiple programs that depend on the same background study, and that the individual who is designated to receive the sensitive background information is capable of determining, upon the request of the commissioner, whether a background study subject is providing direct contact services in one or more of the provider's programs or services and, if so, at which location or locations; and

(2) the individual who is the subject of the background study provides direct contact services under the provider's licensed program for at least 40 hours per year so the individual will be recognized by a probation officer or corrections agent to prompt a report to the commissioner regarding criminal convictions as required under section 245C.05, subdivision 7.

(d) A provider who initiates background studies through NETStudy 2.0 is exempt from the requirement to initiate annual background studies under paragraph (b) for individuals who are on the provider's active roster.

Subd. 7. New study required with legal name change. (a) For a background study completed on an individual required to be studied under section 245C.03, the license holder or other entity that initiated the background study must initiate a new background study using the electronic system known as NETStudy when an individual who is affiliated with the license holder or other entity undergoes a legal name change.

(b) For background studies subject to a fee paid through the NETStudy system, the entity that initiated the study may initiate a new study under paragraph (a) or notify the commissioner of the name change through a notice to the commissioner.

Subd. 8. Current or prospective contractors serving multiple family child care license holders. (a) Before the implementation of NETStudy 2.0, current or prospective contractors who are required to have a background study under section 245C.03, subdivision 1, who provide services for multiple family child care license holders in a single county, and will have direct contact with children served in the family child care setting are required to have only one background study which is transferable to all family child care programs in that county if:

(1) the county agency maintains a record of the contractor's background study results which verify the contractor is approved to have direct contact with children receiving services;

(2) the license holder contacts the county agency and obtains notice that the current or prospective contractor is in compliance with background study requirements and approved to have direct contact; and

(3) the contractor's background study is repeated every two years.

(b) For a family child care license holder operating under NETStudy 2.0, the license holder's active roster shall be the system used to document when a background study subject is affiliated with the license holder.

Subd. 9. Community first services and supports organizations. (a) The commissioner shall conduct a background study of an individual required to be studied under section 245C.03, subdivision 9, at least upon application for initial enrollment under section 256B.85.

(b) Before an individual described in section 245C.03, subdivision 9, begins a position allowing direct contact with a person served by an organization required to initiate a background study under section 256B.85, the organization must receive a notice from the commissioner that the support worker is:

(2) disqualified, but the individual has received a set-aside of the disqualification under section 245C.22.

Subd. 10. Child protection workers or social services staff having responsibility for child protective duties. The commissioner shall conduct background studies of employees of county social services and

(i) the subject's photograph after a period of two years when the requirements of section 245C.051, paragraph (c), are met; and

245C.06 [Repealed, 2007 c 112 s 59]

245C.07 STUDY SUBJECT AFFILIATED WITH MULTIPLE FACILITIES.

(a) Subject to the conditions in paragraph (d), when a license holder, applicant, or other entity owns multiple programs or services that are licensed by the Department of Human Services, Department of Health, or Department of Corrections, only one background study is required for an individual who provides direct contact services in one or more of the licensed programs or services if:

(1) the license holder designates one individual with one address and telephone number as the person to receive sensitive background study information for the multiple licensed programs or services that depend on the same background study; and

(2) the individual designated to receive the sensitive background study information is capable of determining, upon request of the department, whether a background study subject is providing direct contact services in one or more of the license holder's programs or services and, if so, at which location or locations.

(b) When a license holder maintains background study compliance for multiple licensed programs according to paragraph (a), and one or more of the licensed programs closes, the license holder shall immediately notify the commissioner which staff must be transferred to an active license so that the background studies can be electronically paired with the license holder's active program.

(c) When a background study is being initiated by a licensed program or service or a foster care provider that is also registered under chapter 144D, a study subject affiliated with multiple licensed programs or services may attach to the background study form a cover letter indicating the additional names of the programs or services, addresses, and background study identification numbers.

When the commissioner receives a notice, the commissioner shall notify each program or service identified by the background study subject of the study results.

The background study notice the commissioner sends to the subsequent agencies shall satisfy those programs' or services' responsibilities for initiating a background study on that individual.

(d) If a background study was conducted on an individual related to child foster care and the requirements under paragraph (a) are met, the background study is transferable across all licensed programs. If a background study was conducted on an individual under a license other than child foster care and the requirements under paragraph (a) are met, the background study is transferable to all licensed programs except child foster care.

(e) The provisions of this section that allow a single background study in one or more licensed programs or services do not apply to background studies submitted by adoption agencies, supplemental nursing services agencies, personnel agencies, educational programs, professional services agencies, and unlicensed personal care provider organizations.

(f) For an entity operating under NETStudy 2.0, the entity's active roster must be the system used to document when a background study subject is affiliated with multiple entities. For a background study to be transferable:

(1) the background study subject must be on and moving to a roster for which the person designated to receive sensitive background study information is the same; and

(2) the same entity must own or legally control both the roster from which the transfer is occurring and the roster to which the transfer is occurring. For an entity that holds or controls multiple licenses, or unlicensed personal care provider organizations, there must be a common highest level entity that has a legally identifiable structure that can be verified through records available from the secretary of state.

Fingerprints collected under this paragraph shall not be saved by the commissioner after they have been used to verify the identity of the background study subject against the particular criminal record in question.

(e) The commissioner may inform the entity that initiated a background study under NETStudy 2.0 of the status of processing of the subject's fingerprints.

Subd. 2. Background studies conducted by a county agency for family child care. (a) Before the implementation of NETStudy 2.0, for a background study conducted by a county agency for family child care services, the commissioner shall review:

(b) If the individual has resided in the county for less than five years, the study shall include the records specified under paragraph (a) for the previous county or counties of residence for the past five years.

(c) Notwithstanding expungement by a court, the county agency may consider information obtained under paragraph (a), clause (3), unless the commissioner received notice of the petition for expungement and the court order for expungement is directed specifically to the commissioner.

Subd. 3. **Arrest and investigative information.** (a) For any background study completed under this section, if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual, the commissioner also may review arrest and investigative information from:

(c) If the commissioner conducts a national criminal history record check when required by law and uses the information from the national criminal history record check to make a disqualification determination, the data obtained is private data and cannot be shared with county agencies, private agencies, or prospective employers of the background study subject.

(d) If the commissioner conducts a national criminal history record check when required by law and uses the information from the national criminal history record check to make a disqualification determination, the license holder or entity that submitted the study is not required to obtain a copy of the background study subject's disqualification letter under section 245C.17, subdivision 3.

245C.16 DISQUALIFIED INDIVIDUAL'S RISK OF HARM.

Subdivision 1. **Determining immediate risk of harm.** (a) If the commissioner determines that the individual studied has a disqualifying characteristic, the commissioner shall review the information immediately available and make a determination as to the subject's immediate risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people receiving services.

(b) The commissioner shall consider all relevant information available, including the following factors in determining the immediate risk of harm:

- (1) the recency of the disqualifying characteristic;
- (2) the recency of discharge from probation for the crimes;
- (3) the number of disqualifying characteristics;
- (4) the intrusiveness or violence of the disqualifying characteristic;
- (5) the vulnerability of the victim involved in the disqualifying characteristic;

(6) the similarity of the victim to the persons served by the program where the individual studied will have direct contact;

(7) whether the individual has a disqualification from a previous background study that has not been set aside; and

(8) if the individual has a disqualification which may not be set aside because it is a permanent bar under section 245C.24, subdivision 1, or the individual is a child care background study subject who has a felony-level conviction for a drug-related offense in the last five years, the commissioner may order the immediate removal of the individual from any position allowing direct contact with, or access to, persons receiving services from the program.

(c) This section does not apply when the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the subject is determined to be responsible for substantiated maltreatment under section 626.556 or 626.557.

(d) This section does not apply to a background study related to an initial application for a child foster care license.

(e) Except for paragraph (f), this section does not apply to a background study that is also subject to the requirements under section 256B.0659, subdivisions 11 and 13, for a personal care assistant or a qualified professional as defined in section 256B.0659, subdivision 1.

(f) If the commissioner has reason to believe, based on arrest information or an active maltreatment investigation, that an individual poses an imminent risk of harm to persons receiving services, the commissioner may order that the person be continuously supervised or immediately removed pending the conclusion of the maltreatment investigation or criminal proceedings.

Subd. 2. **Findings.** (a) After evaluating the information immediately available under subdivision 1, the commissioner may have reason to believe one of the following:

(1) the individual poses an imminent risk of harm to persons served by the program where the individual studied will have direct contact;

(2) the individual poses a risk of harm requiring continuous, direct supervision while providing direct contact services during the period in which the subject may request a reconsideration; or

(3) the individual does not pose an imminent risk of harm or a risk of harm requiring continuous, direct supervision while providing direct contact services during the period in which the subject may request a reconsideration.

(b) After determining an individual's risk of harm under this section, the commissioner must notify the subject of the background study and the applicant or license holder as required under section 245C.17.

Subd. 3. **County agency.** (a) County licensing agencies performing duties under this section may develop an alternative system for determining the subject's immediate risk of harm to persons served by the program, providing the notices under subdivision 2, paragraph (b), and documenting the action taken by the county licensing agency.

(b) Each county licensing agency's implementation of the alternative system is subject to approval by the commissioner.

(c) Notwithstanding this alternative system, county licensing agencies shall complete the requirements of section 245C.17.

The notice to the individual shall include the identity of the entity that initiated the background study.

(b) Before being provided access to NETStudy 2.0, the license holder or other entity under section 245C.04 shall sign an acknowledgment of responsibilities form developed by the commissioner that includes identifying the sensitive background study information person, who must be an employee of the license holder or entity. All queries to NETStudy 2.0 are electronically recorded and subject to audit by the

commissioner. The electronic record shall identify the specific user. A background study subject may request in writing to the commissioner a report listing the entities that initiated a background study on the individual.

(c) When the commissioner has completed a prior background study on an individual that resulted in an order for immediate removal and more time is necessary to complete a subsequent study, the notice that more time is needed that is issued under paragraph (a) shall include an order for immediate removal of the individual from any position allowing direct contact with or access to people receiving services pending completion of the background study.

Subd. 2. Disqualification notice sent to subject. (a) If the information in the study indicates the individual is disqualified from direct contact with, or from access to, persons served by the program, the commissioner shall disclose to the individual studied:

- (1) the information causing disqualification;
 - (2) instructions on how to request a reconsideration of the disqualification;
 - (3) an explanation of any restrictions on the commissioner's discretion to set aside the disqualification under section 245C.24, when applicable to the individual;
 - (4) a statement that, if the individual's disqualification is set aside under section 245C.22, the applicant, license holder, or other entity that initiated the background study will be provided with the reason for the individual's disqualification and an explanation that the factors under section 245C.22, subdivision 4, which were the basis of the decision to set aside the disqualification shall be made available to the license holder upon request without the consent of the subject of the background study;
 - (5) a statement indicating that if the individual's disqualification is set aside or the facility is granted a variance under section 245C.30, the individual's identity and the reason for the individual's disqualification will become public data under section 245C.22, subdivision 7, when applicable to the individual;
 - (6) a statement that when a subsequent background study is initiated on the individual following a set-aside of the individual's disqualification, and the commissioner makes a determination under section 245C.22, subdivision 5, paragraph (b), that the previous set-aside applies to the subsequent background study, the applicant, license holder, or other entity that initiated the background study will be informed in the notice under section 245C.22, subdivision 5, paragraph (c):
 - (i) of the reason for the individual's disqualification;
 - (ii) that the individual's disqualification is set aside for that program or agency; and
 - (iii) that information about the factors under section 245C.22, subdivision 4, that were the basis of the decision to set aside the disqualification are available to the license holder upon request without the consent of the background study subject; and
 - (7) the commissioner's determination of the individual's immediate risk of harm under section 245C.16.
- (b) If the commissioner determines under section 245C.16 that an individual poses an imminent risk of harm to persons served by the program where the individual will have direct contact with, or access to, people receiving services, the commissioner's notice must include an explanation of the basis of this determination.
- (c) If the commissioner determines under section 245C.16 that an individual studied does not pose a risk of harm that requires immediate removal, the individual shall be informed of the conditions under which

the agency that initiated the background study may allow the individual to have direct contact with, or access to, people receiving services, as provided under subdivision 3.

Subd. 3. **Disqualification notification.** (a) The commissioner shall notify an applicant, license holder, or other entity as provided in this chapter who is not the subject of the study:

(1) that the commissioner has found information that disqualifies the individual studied from being in a position allowing direct contact with, or access to, people served by the program; and

(2) the commissioner's determination of the individual's risk of harm under section 245C.16.

(b) If the commissioner determines under section 245C.16 that an individual studied poses an imminent risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people served by the program, the commissioner shall order the license holder to immediately remove the individual studied from any position allowing direct contact with, or access to, people served by the program.

(c) If the commissioner determines under section 245C.16 that an individual studied poses a risk of harm that requires continuous, direct supervision, the commissioner shall order the applicant, license holder, or other entities as provided in this chapter to:

(1) immediately remove the individual studied from any position allowing direct contact with, or access to, people receiving services; or

(2) before allowing the disqualified individual to be in a position allowing direct contact with, or access to, people receiving services, the applicant, license holder, or other entity, as provided in this chapter, must:

(1) immediately remove the individual studied from any position allowing direct contact with, or access to, people receiving services; or

(2) before allowing the disqualified individual to be in any position allowing direct contact with, or access to, people receiving services, the applicant, license holder, or other entity as provided in this chapter must:

(i) obtain from the disqualified individual a copy of the individual's notice of disqualification from the commissioner that explains the reason for disqualification; and

(ii) ensure that the disqualified individual requests reconsideration within 15 days of receipt of the notice of disqualification.

(e) The commissioner shall not notify the applicant, license holder, or other entity as provided in this chapter of the information contained in the subject's background study unless:

(1) the basis for the disqualification is failure to cooperate with the background study or substantiated maltreatment under section 626.556 or 626.557;

(2) the Data Practices Act under chapter 13 provides for release of the information; or

(3) the individual studied authorizes the release of the information.

Subd. 5. Notice to county or private agency. 245C.20 LICENSE HOLDER RECORD KEEPING.

Subdivision 1. **Background studies initiated by program.** A licensed program shall document the date the program initiates a background study under this chapter and the date the subject of the study first has direct contact with persons served by the program in the program's personnel files. When a background study is completed under this chapter, a licensed program shall maintain a notice that the study was undertaken and completed in the program's personnel files. Except when background studies are initiated through the commissioner's online system, if a licensed program has not received a response from the commissioner under section 245C.17 within 45 days of initiation of the background study request, the licensed program must contact the human services licensing division to inquire about the status of the study. If a license holder initiates a background study under the commissioner's online system, but the background study subject's name does not appear in the list of active or recent studies initiated by that license holder, the license holder must either contact the human services licensing division or resubmit the background study information online for that individual.

Subd. 2. **Background studies initiated by others; personnel pool agencies, temporary personnel agencies, supplemental nursing services agencies, or professional services agencies.** When a license holder relies on a background study initiated by a personnel pool agency, a temporary personnel agency, a supplemental nursing services agency, or a professional services agency for a person required to have a background study completed under section 245C.03, the license holder must maintain a copy of the background study results in the license holder's files.

Subd. 2a. **Background studies initiated by others; educational programs.** When a license holder relies on a background study initiated by an educational program for a person required to have a background study completed under section 245C.03 and the person is on the educational program's active roster, the license holder is responsible for ensuring that the background study has been completed. The license holder may satisfy the documentation requirements through a written agreement with the educational program verifying that documentation of the background study may be provided upon request and that the educational program will inform the license holder if there is a change in the person's background study status. The license holder remains responsible for ensuring that all background study requirements are met.

Subd. 3. **Background studies identified on active rosters.** The requirements in subdivisions 1 and 2 are met for entities for which active rosters are implemented and for whom all individuals affiliated with the entity are recorded on the active roster.

(b) For disqualifications related to studies conducted by the commissioner for child foster care providers monitored by private licensing agencies under section 245A.16, the individual shall submit the request for reconsideration to the private agency that initiated the background study.

(c) A reconsideration request shall be submitted within 30 days of the individual's receipt of the disqualification notice or the time frames specified in subdivision 2, whichever time frame is shorter.

(d) The county or private agency shall forward the individual's request for reconsideration and provide the commissioner with a recommendation whether to set aside the individual's disqualification.

Subd. 2. **Time frame for requesting reconsideration.** (a) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (1) or (2), the disqualified individual must submit the request for a reconsideration within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after the individual's receipt of the notice of disqualification. Upon showing that the information under subdivision 3 cannot be obtained within 30 days, the disqualified individual may request additional time, not to exceed 30 days, to obtain the information.

(b) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (3), the disqualified individual must submit the request for reconsideration within 15 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 15 calendar days of the individual's receipt of the notice of disqualification. (c) An individual who was determined to have maltreated a child under section 626.556 or a vulnerable adult under section 626.557, and who is disqualified on the basis of serious or recurring maltreatment, may request a reconsideration of both the maltreatment and the disqualification determinations. The request must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after the individual's receipt of the notice of disqualification.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, shall not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing sanction. In such cases, a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

Subd. 3. Disqualified individuals; information for reconsideration. (a) The disqualified individual requesting reconsideration must submit information showing that:

(1) the information the commissioner relied upon in determining the underlying conduct that gave rise to the disqualification is incorrect;

(2) for maltreatment, the information the commissioner relied upon in determining that maltreatment was serious or recurring is incorrect; or

(3) the subject of the study does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter, by addressing the information required under section 245C.22, subdivision 4.

(b) In order to determine the individual's risk of harm, the commissioner may require additional information from the disqualified individual as part of the reconsideration process. If the individual fails to provide the required information, the commissioner may deny the individual's request.

Subd. 4. Notice of request for reconsideration. Upon request, the commissioner may inform the applicant, license holder, or other entities as provided in this chapter who received a notice of the individual's disqualification under section 245C.17, subdivision 3, or has the consent of the disqualified individual, whether the disqualified individual has requested reconsideration.

245C.22 REVIEW AND ACTION ON A RECONSIDERATION REQUEST.

Subdivision 1. Time frame; response to disqualification reconsideration requests. (a) The commissioner shall respond in writing or by electronic transmission to all reconsideration requests for which the basis for the request is that the information the commissioner relied upon to disqualify is incorrect or inaccurate within 30 working days of receipt of a complete request and all required relevant information.

(b) If the basis for a disqualified individual's reconsideration request is that the individual does not pose a risk of harm, the commissioner shall respond to the request within 15 working days after receiving a complete request for reconsideration and all required relevant information.

(c) If the disqualified individual's reconsideration request is based on both the correctness or accuracy of the information the commissioner relied upon to disqualify the individual and the individual's risk of harm, the commissioner shall respond to the request within 45 working days after receiving a complete request for reconsideration and all required relevant information.

Subd. 2. **Incorrect information; rescission.** The commissioner shall rescind the disqualification if the commissioner finds that the information relied upon to disqualify the subject is incorrect.

Subd. 3. **Preeminent weight given to safety of persons being served.** In reviewing a request for reconsideration of a disqualification, the commissioner shall give preeminent weight to the safety of each person served by the license holder, applicant, or other entities as provided in this chapter over the interests of the disqualified individual, license holder, applicant, or other entity as provided in this chapter, and any single factor under subdivision 4, paragraph (b), may be determinative of the commissioner's decision whether to set aside the individual's disqualification.

Subd. 4. **Risk of harm; set aside.** (a) The commissioner may set aside the disqualification if the commissioner finds that the individual has submitted sufficient information to demonstrate that the individual does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter.

(b) In determining whether the individual has met the burden of proof by demonstrating the individual does not pose a risk of harm, the commissioner shall consider:

- (1) the nature, severity, and consequences of the event or events that led to the disqualification;
- (2) whether there is more than one disqualifying event;
- (3) the age and vulnerability of the victim at the time of the event;
- (4) the harm suffered by the victim;
- (5) vulnerability of persons served by the program;
- (6) the similarity between the victim and persons served by the program;
- (7) the time elapsed without a repeat of the same or similar event;

(8) documentation of successful completion by the individual studied of training or rehabilitation pertinent to the event; and

- (9) any other information relevant to reconsideration.

(c) If the individual requested reconsideration on the basis that the information relied upon to disqualify the individual was incorrect or inaccurate and the commissioner determines that the information relied upon to disqualify the individual is correct, the commissioner must also determine if the individual poses a risk of harm to persons receiving services in accordance with paragraph (b).

(d) For an individual seeking employment in the substance use disorder treatment field, the commissioner shall set aside the disqualification if the following criteria are met:

- (1) the individual is not disqualified for a crime of violence as listed under section 624.712, subdivision 5, except for the following crimes: crimes listed under section 152.021, subdivision 2 or 2a; 152.022, subdivision 2; 152.023, subdivision 2; 152.024; or 152.025;

(2) the individual is not disqualified under section 245C.15, subdivision 1;

(3) the individual is not disqualified under section 245C.15, subdivision 4, paragraph (b);

(4) the individual provided documentation of successful completion of treatment, at least one year prior to the date of the request for reconsideration, at a program licensed under chapter 245G, and has had no disqualifying crimes or conduct under section 245C.15 after the successful completion of treatment;

(5) the individual provided documentation demonstrating abstinence from controlled substances, as defined in section 152.01, subdivision 4, for the period of one year prior to the date of the request for reconsideration; and

(6) the individual is seeking employment in the substance use disorder treatment field.

Subd. 5. Scope of set-aside. (a) If the commissioner sets aside a disqualification under this section, the disqualified individual remains disqualified, but may hold a license and have direct contact with or access to persons receiving services. Except as provided in paragraph (b), the commissioner's set-aside of a disqualification is limited solely to the licensed program, applicant, or agency specified in the set aside notice under section 245C.23. For personal care provider organizations, the commissioner's set-aside may further be limited to a specific individual who is receiving services. For new background studies required under section 245C.04, subdivision 1, paragraph (h), if an individual's disqualification was previously set aside for the license holder's program and the new background study results in no new information that indicates the individual may pose a risk of harm to persons receiving services from the license holder, the previous set-aside shall remain in effect.

(b) If the commissioner has previously set aside an individual's disqualification for one or more programs or agencies, and the individual is the subject of a subsequent background study for a different program or agency, the commissioner shall determine whether the disqualification is set aside for the program or agency that initiated the subsequent background study. A notice of a set-aside under paragraph (c) shall be issued within 15 working days if all of the following criteria are met:

(1) the subsequent background study was initiated in connection with a program licensed or regulated under the same provisions of law and rule for at least one program for which the individual's disqualification was previously set aside by the commissioner;

(2) the individual is not disqualified for an offense specified in section 245C.15, subdivision 1 or 2;

(3) the commissioner has received no new information to indicate that the individual may pose a risk of harm to any person served by the program; and

(4) the previous set-aside was not limited to a specific person receiving services.

(c) Notwithstanding paragraph (b), clause (2), for an individual who is employed in the substance use disorder field, if the commissioner has previously set aside an individual's disqualification for one or more programs or agencies in the substance use disorder treatment field, and the individual is the subject of a subsequent background study for a different program or agency in the substance use disorder treatment field, the commissioner shall set aside the disqualification for the program or agency in the substance use disorder treatment field that initiated the subsequent background study when the criteria under paragraph (b), clauses (1), (3), and (4), are met and the individual is not disqualified for an offense specified in section 245C.15, subdivision 1. A notice of a set-aside under paragraph (d) shall be issued within 15 working days.

(d) When a disqualification is set aside under paragraph (b), the notice of background study results issued under section 245C.17, in addition to the requirements under section 245C.17, shall state that the disqualification is set aside for the program or agency that initiated the subsequent background study. The notice must inform the individual that the individual may request reconsideration of the disqualification under section 245C.21 on the basis that the information used to disqualify the individual is incorrect.

Subd. 6. Recision of set-aside. The commissioner may rescind a previous set aside of a disqualification under this section based on new information that indicates the individual may pose a risk of harm to persons served by the applicant, license holder, or other entities as provided in this chapter. If the commissioner rescinds a set-aside of a disqualification under this subdivision, the appeal rights under sections 245C.21, 245C.27, subdivision 1, and 245C.28, subdivision 3, shall apply.

Subd. 7. Classification of certain data. (a) Notwithstanding section 13.46, except as provided in paragraph (f), upon setting aside a disqualification under this section, the identity of the disqualified individual who received the set-aside and the individual's disqualifying characteristics are public data if the set-aside was:

(1) for any disqualifying characteristic under section 245C.15, except a felony-level conviction for a drug-related offense within the past five years, when the set-aside relates to a child care center or a family child care provider licensed under chapter 245A, certified license-exempt child care center, or legal nonlicensed family child care; or

(2) for a disqualifying characteristic under section 245C.15, subdivision 2.

(b) Notwithstanding section 13.46, upon granting a variance to a license holder under section 245C.30, the identity of the disqualified individual who is the subject of the variance, the individual's disqualifying characteristics under section 245C.15, and the terms of the variance are public data, except as provided in paragraph (c), clause (6), when the variance:

(1) is issued to a child care center or a family child care provider licensed under chapter 245A; or

(2) relates to an individual with a disqualifying characteristic under section 245C.15, subdivision 2.

(c) The identity of a disqualified individual and the reason for disqualification remain private data when:

(1) a disqualification is not set aside and no variance is granted, except as provided under section 13.46, subdivision 4;

(2) the data are not public under paragraph (a) or (b);

(3) the disqualification is rescinded because the information relied upon to disqualify the individual is incorrect;

(4) the disqualification relates to a license to provide relative child foster care. As used in this clause, "relative" has the meaning given it under section 260C.007, subdivision 26b or 27;

(5) the disqualified individual is a household member of a licensed foster care provider and:

(i) the disqualified individual previously received foster care services from this licensed foster care provider;

(ii) the disqualified individual was subsequently adopted by this licensed foster care provider; and

(iii) the disqualifying act occurred before the adoption; or

(6) a variance is granted to a child care center or family child care license holder for an individual's disqualification that is based on a felony-level conviction for a drug-related offense that occurred within the past five years.

(d) Licensed family child care providers and child care centers must provide notices as required under section 245C.301.

(e) Notwithstanding paragraphs (a) and (b), the identity of household members who are the subject of a disqualification related set-aside or variance is not public data if:

(1) the household member resides in the residence where the family child care is provided;

(2) the subject of the set-aside or variance is under the age of 18 years; and

(3) the set-aside or variance only relates to a disqualification under section 245C.15, subdivision 4, for a misdemeanor-level theft crime as defined in section 609.52.

(f) When the commissioner has reason to know that a disqualified individual has received an order for expungement for the disqualifying record that does not limit the commissioner's access to the record, and the record was opened or exchanged with the commissioner for purposes of a background study under this chapter, the data that would otherwise become public under paragraph (a) or (b) remain private data.

245C.23 COMMISSIONER'S RECONSIDERATION NOTICE.

Subdivision 1. **Disqualification that is rescinded or set aside.** (a) If the commissioner rescinds or sets aside a disqualification, the commissioner shall notify the applicant, license holder, or other entity in writing or by electronic transmission of the decision.

(b) In the notice from the commissioner that a disqualification has been rescinded, the commissioner must inform the applicant, license holder, or other entity that the information relied upon to disqualify the individual was incorrect.

(c) Except as provided in paragraphs (d) and (e), in the notice from the commissioner that a disqualification has been set aside, the commissioner must inform the applicant, license holder, or other entity of the reason for the individual's disqualification and that information about which factors under section 245C.22, subdivision 4, were the basis of the decision to set aside the disqualification are available to the license holder upon request without the consent of the background study subject.

(d) When the commissioner has reason to know that a disqualified individual has received an order for expungement for the disqualifying record that does not limit the commissioner's access to the record, and the record was opened or exchanged with the commissioner for purposes of a background study under this chapter, the information provided under paragraph (c) must only inform the applicant, license holder, or other entity that the disqualifying criminal record is sealed under a court order.

(e) The notification requirements in paragraph (c) do not apply when the set aside is granted to an individual related to a background study for a licensed child care center, certified license-exempt child care center, or family child care license holder, or for a legal nonlicensed child care provider authorized under chapter 119B, and the individual is disqualified for a felony-level conviction for a drug-related offense that

occurred within the past five years. The notice that the individual's disqualification is set aside must inform the applicant, license holder, or legal nonlicensed child care provider that the disqualifying criminal record is not public.

Subd. 2. **Commissioner's notice of disqualification that is not set aside.** (a) The commissioner shall notify the license holder of the disqualification and order the license holder to immediately remove the individual from any position allowing direct contact with persons receiving services from the license holder if:

(1) the individual studied does not submit a timely request for reconsideration under section 245C.21;

(2) the individual submits a timely request for reconsideration, but the commissioner does not set aside the disqualification for that license holder under section 245C.22, unless the individual has a right to request a hearing under section 245C.27, 245C.28, or 256.045;

(3) an individual who has a right to request a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14 for a disqualification that has not been set aside, does not request a hearing within the specified time; or

(4) an individual submitted a timely request for a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14, but the commissioner does not set aside the disqualification under section 245A.08, subdivision 5, or 256.045.

(b) If the commissioner does not set aside the disqualification under section 245C.22, and the license holder was previously ordered under section 245C.17 to immediately remove the disqualified individual from direct contact with persons receiving services or to ensure that the individual is under continuous, direct supervision when providing direct contact services, the order remains in effect pending the outcome of a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14.

(c) If the commissioner does not set aside the disqualification under section 245C.22, and the license holder was not previously ordered under section 245C.17 to immediately remove the disqualified individual from direct contact with persons receiving services or to ensure that the individual is under continuous direct supervision when providing direct contact services, the commissioner shall order the individual to remain under continuous direct supervision pending the outcome of a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14.

(d) For background studies related to child foster care when the applicant or license holder resides in the home where services are provided, the commissioner shall also notify the county or private agency that initiated the study of the results of the reconsideration.

245C.24 DISQUALIFICATION; BAR TO SET ASIDE A DISQUALIFICATION; REQUEST FOR VARIANCE.

Subdivision 1. **Minimum disqualification periods.** The disqualification periods under subdivisions 3 to 5 are the minimum applicable disqualification periods. The commissioner may determine that an individual should continue to be disqualified from licensure because the individual continues to pose a risk of harm to persons served by that individual, even after the minimum disqualification period has passed.

[See Note.]

Subd. 2. **Permanent bar to set aside a disqualification.** (a) Except as provided in paragraphs (b) to (e), the commissioner may not set aside the disqualification of any individual disqualified pursuant to this chapter, regardless of how much time has passed, if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision 1.

(b) For an individual in the chemical dependency or corrections field who was disqualified for a crime or conduct listed under section 245C.15, subdivision 1, and whose disqualification was set aside prior to July 1, 2005, the commissioner must consider granting a variance pursuant to section 245C.30 for the license holder for a program dealing primarily with adults. A request for reconsideration evaluated under this paragraph must include a letter of recommendation from the license holder that was subject to the prior set-aside decision addressing the individual's quality of care to children or vulnerable adults and the circumstances of the individual's departure from that service.

(c) If an individual who requires a background study for nonemergency medical transportation services under section 245C.03, subdivision 12, was disqualified for a crime or conduct listed under section 245C.15, subdivision 1, and if more than 40 years have passed since the discharge of the sentence imposed, the commissioner may consider granting a set-aside pursuant to section 245C.22. A request for reconsideration evaluated under this paragraph must include a letter of recommendation from the employer. This paragraph does not apply to a person disqualified based on a violation of sections 243.166; 609.185 to 609.205; 609.25; 609.342 to 609.3453; 609.352; 617.23, subdivision 2, clause (1), or 3, clause (1); 617.246; or 617.247.

(d) When a licensed foster care provider adopts an individual who had received foster care services from the provider for over six months, and the adopted individual is required to receive a background study under section 245C.03, subdivision 1, paragraph (a), clause (2) or (6), the commissioner may grant a variance to the license holder under section 245C.30 to permit the adopted individual with a permanent disqualification to remain affiliated with the license holder under the conditions of the variance when the variance is recommended by the county of responsibility for each of the remaining individuals in placement in the home and the licensing agency for the home.

Subd. 3. **Ten-year bar to set aside disqualification.** (a) The commissioner may not set aside the disqualification of an individual in connection with a license to provide family child care for children, foster care for children in the provider's home, or foster care or day care services for adults in the provider's home if: (1) less than ten years has passed since the discharge of the sentence imposed, if any, for the offense; or (2) when disqualified based on a preponderance of evidence determination under section 245C.14, subdivision 1, paragraph (a), clause (2), or an admission under section 245C.14, subdivision 1, paragraph (a), clause (1), and less than ten years has passed since the individual committed the act or admitted to committing the act, whichever is later; and (3) the individual has committed a violation of any of the following offenses: sections 609.165 (felon ineligible to possess firearm); criminal vehicular homicide or criminal vehicular operation causing death under 609.2112, 609.2113, or 609.2114 (criminal vehicular homicide or injury); 609.215 (aiding suicide or aiding attempted suicide); felony violations under 609.223 or 609.2231 (assault in the

Subdivision 1. **Fair hearing following a reconsideration decision.** (a) An individual who is disqualified on the basis of a preponderance of evidence that the individual committed an act or acts that meet the definition of any of the crimes listed in section 245C.15; for a determination under section 626.556 or 626.557 of substantiated maltreatment that was serious or recurring under section 245C.15; or for failure to make required reports under section 626.556, subdivision 3; or 626.557, subdivision 3, pursuant to section 245C.15, subdivision 4, paragraph (b), clause (1), may request a fair hearing under section 256.045, following a reconsideration decision issued under section 245C.23, unless the disqualification is deemed conclusive under section 245C.29.

(b) The fair hearing is the only administrative appeal of the final agency determination for purposes of appeal by the disqualified individual. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) Except as provided under paragraph (e), if the individual was disqualified based on a conviction of, admission to, or Alford Plea to any crimes listed in section 245C.15, subdivisions 1 to 4, or for a disqualification under section 256.98, subdivision 8, the reconsideration decision under section 245C.22 is the final agency determination for purposes of appeal by the disqualified individual and is not subject to a

hearing under section 256.045. If the individual was disqualified based on a judicial determination, that determination is treated the same as a conviction for purposes of appeal.

(d) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

(e) Notwithstanding paragraph (c), if the commissioner does not set aside a disqualification of an individual who was disqualified based on both a preponderance of evidence and a conviction or admission, the individual may request a fair hearing under section 256.045, unless the disqualifications are deemed conclusive under section 245C.29. The scope of the hearing conducted under section 256.045 with regard to the disqualification based on a conviction or admission shall be limited solely to whether the individual poses a risk of harm, according to section 256.045, subdivision 3b. In this case, the reconsideration decision under section 245C.22 is not the final agency decision for purposes of appeal by the disqualified individual.

Subd. 2. Consolidated fair hearing following a reconsideration decision. (a) If an individual who is disqualified on the bases of serious or recurring maltreatment requests a fair hearing on the maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and requests a fair hearing under this section on the disqualification following a reconsideration decision under section 245C.23, the scope of the fair hearing under section 256.045 shall include the maltreatment determination and the disqualification.

(b) A fair hearing is the only administrative appeal of the final agency determination. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

245C.28 CONTESTED CASE HEARING RIGHTS.

Subdivision 1. License holder. (a) If a maltreatment determination or a disqualification for which reconsideration was timely requested and which was not set aside is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The license holder must submit the appeal under section 245A.05 or 245A.07, subdivision 3.

(b) As provided under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a disqualification for which reconsideration was timely requested and was not set aside, the scope of the consolidated contested case hearing must include:

(1) the disqualification, to the extent the license holder otherwise has a hearing right on the disqualification under this chapter; and

(2) the licensing sanction or denial of a license.

(c) As provided for under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a determination of maltreatment under section 626.556 or 626.557, or a disqualification for serious or recurring maltreatment which was not set aside, the scope of the contested case hearing must include:

(1) the maltreatment determination, if the maltreatment is not conclusive under section 245C.29;

(2) the disqualification, if the disqualification is not conclusive under section 245C.29; and

(3) the licensing sanction or denial of a license. In such cases, a fair hearing must not be conducted under section 256.045. If the disqualification was based on a determination of substantiated serious or recurring maltreatment under section 626.556 or 626.557, the appeal must be submitted under sections 245A.07, subdivision 3, and 626.556, subdivision 10i, or 626.557, subdivision 9d.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, must not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing sanction. In such cases a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

Subd. 2. Individual other than license holder. If the basis for the commissioner's denial of a license under section 245A.05 or a licensing sanction under section 245A.07 is a maltreatment determination or disqualification that was not set aside under section 245C.22, and the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under section 245C.03, the hearing of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

Subd. 3. Employees of public employer. (a) A disqualified individual who is an employee of an employer, as defined in section 179A.03, subdivision 15, may request a contested case hearing under chapter 14, and specifically Minnesota Rules, parts 1400.8505 to 1400.8612, following a reconsideration decision under section 245C.23, unless the disqualification is deemed conclusive under section 245C.29. The request for a contested case hearing must be made in writing and must be postmarked and sent within 30 calendar days after the employee receives notice of the reconsideration decision. If the individual was disqualified based on a conviction or admission to any crimes listed in section 245C.15, the scope of the contested case hearing shall be limited solely to whether the individual poses a risk of harm pursuant to section 245C.22.

(b) When an individual is disqualified based on a maltreatment determination, the scope of the contested case hearing under paragraph (a), must include the maltreatment determination and the disqualification. In such cases, a fair hearing must not be conducted under section 256.045.

(c) Rules adopted under this chapter may not preclude an employee in a contested case hearing for a disqualification from submitting evidence concerning information gathered under this chapter.

(d) When an individual has been disqualified from multiple licensed programs, if at least one of the disqualifications entitles the person to a contested case hearing under this subdivision, the scope of the contested case hearing shall include all disqualifications from licensed programs.

(e) In determining whether the disqualification should be set aside, the administrative law judge shall consider all of the characteristics that cause the individual to be disqualified, as well as all the factors set forth in section 245C.22, in order to determine whether the individual has met the burden of demonstrating that the individual does not pose a risk of harm. The administrative law judge's recommendation and the commissioner's order to set aside a disqualification that is the subject of the hearing constitutes a determination that the individual does not pose a risk of harm and that the individual may provide direct contact services in the individual program specified in the set aside.

(f) An individual may not request a contested case hearing under this section if a contested case hearing has previously been held regarding the individual's disqualification on the same basis.

Subd. 4. **Final agency order.** The commissioner's final order under section 245A.08, subdivision 5, is conclusive on the issue of maltreatment and disqualification, including for purposes of subsequent background studies. The contested case hearing under this section is the only administrative appeal of the final agency determination, specifically, including a challenge to the accuracy and completeness of data under section 13.04.

245C.29 CONCLUSIVE DETERMINATIONS OR DISPOSITIONS.

Subdivision 1. **Conclusive maltreatment determination or disposition.** Unless otherwise specified in statute, a maltreatment determination or disposition under section 626.556 or 626.557 is conclusive, if:

(1) the commissioner has issued a final order in an appeal of that determination or disposition under section 245A.08, subdivision 5, or 256.045;

(2) the individual did not request reconsideration of the maltreatment determination or disposition under section 626.556 or 626.557; or

(3) the individual did not request a hearing of the maltreatment determination or disposition under section 256.045.

Subd. 2. **Conclusive disqualification determination.** (a) A disqualification is conclusive for purposes of current and future background studies if:

(1) the commissioner has issued a final order in an appeal of the disqualification under section 245A.08, subdivision 5, 245C.28, subdivision 3, or 256.045, or a court has issued a final decision;

(2) the individual did not request reconsideration of the disqualification under section 245C.21 on the basis that the information relied upon to disqualify the individual was incorrect; or

(3) the individual did not timely request a hearing on the disqualification under this chapter, chapter 14, or section 256.045 after previously being given the right to do so.

(b) When a licensing action under section 245A.05, 245A.06, or 245A.07 is based on the disqualification of an individual in connection with a license to provide family child care, foster care for children in the provider's own home, or foster care services for adults in the provider's own home, that disqualification shall be conclusive for purposes of the licensing action if a request for reconsideration was not submitted within 30 calendar days of the individual's receipt of the notice of disqualification.

(c) If a disqualification is conclusive under this section, the individual has a right to request reconsideration on the risk of harm under section 245C.21 unless the commissioner is barred from setting aside the disqualification under section 245C.24. The commissioner's decision regarding the risk of harm shall be the final agency decision and is not subject to a hearing under this chapter, chapter 14, or section 256.045.

245C.30 VARIANCE FOR A DISQUALIFIED INDIVIDUAL.

Subdivision 1. **License holder and license-exempt child care center certification holder variance.** (a) Except for any disqualification under section 245C.15, subdivision 1, when the commissioner has not set aside a background study subject's disqualification, and there are conditions under which the disqualified individual may provide direct contact services or have access to people receiving services that minimize the risk of harm to people receiving services, the commissioner may grant a time-limited variance to a license holder or license-exempt child care center certification holder.

(b) The variance shall state the reason for the disqualification, the services that may be provided by the disqualified individual, and the conditions with which the license holder, license-exempt child care center certification holder, or applicant must comply for the variance to remain in effect.

(c) Except for programs licensed to provide family child care, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home, the variance must be requested by the license holder or license-exempt child care center certification holder.

Subd. 2. **Disclosure of reason for disqualification.** (a) The commissioner may not grant a variance for a disqualified individual unless the applicant, license-exempt child care center certification holder, or license holder requests the variance and the disqualified individual provides written consent for the commissioner to disclose to the applicant, license-exempt child care center certification holder, or license holder the reason for the disqualification.

(b) This subdivision does not apply to programs licensed to provide family child care for children, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home. When the commissioner grants a variance for a disqualified individual in connection with a license to provide the services specified in this paragraph, the disqualified individual's consent is not required to disclose the reason for the disqualification to the license holder in the variance issued under subdivision 1, provided that the commissioner may not disclose the reason for the disqualification if the disqualification is based on a felony-level conviction for a drug-related offense within the past five years.

Subd. 3. **Consequences for failing to comply with conditions of variance.** When a license holder or license-exempt child care center certification holder permits a disqualified individual to provide any services for which the subject is disqualified without complying with the conditions of the variance, the commissioner may terminate the variance effective immediately and subject the license holder to a licensing action under sections 245A.06 and 245A.07 or a license-exempt child care center certification holder to an action under sections 245H.06 and 245H.07.

Subd. 4. **Termination of a variance.** The commissioner may terminate a variance for a disqualified individual at any time for cause.

Subd. 5. **Final decision.** The commissioner's decision to grant or deny a variance is final and not subject to appeal under the provisions of chapter 14.

245C.301 NOTIFICATION OF SET-ASIDE OR VARIANCE.

(a) Except as provided under paragraphs (b) and (c), if required by the commissioner, family child care providers and child care centers must provide a written notification to parents considering enrollment of a child or parents of a child attending the family child care or child care center if the program employs or has living in the home any individual who is the subject of either a set-aside or variance.

(b) Notwithstanding paragraph (a), family child care license holders are not required to disclose that the program has an individual living in the home who is the subject of a set-aside or variance if:

- (1) the household member resides in the residence where the family child care is provided;
- (2) the subject of the set-aside or variance is under the age of 18 years; and

(3) the set-aside or variance relates to a disqualification under section 245C.15, subdivision 4, for a misdemeanor-level theft crime as defined in section 609.52.

(c) The notice specified in paragraph (a) is not required when the period of disqualification in section 245C.15, subdivisions 2 to 4, has been exceeded.

245C.31 INDIVIDUAL REGULATED BY A HEALTH-RELATED LICENSING BOARD; DISQUALIFICATION BASED ON MALTREATMENT.

Subdivision 1. **Board determines disciplinary or corrective action.** (a) When the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the commissioner determines that the regulated individual is responsible for substantiated maltreatment under section 626.556 or 626.557, instead of the commissioner making a decision regarding disqualification, the board shall make a determination whether to impose disciplinary or corrective action under chapter 214.

(b) This section does not apply to a background study of an individual regulated by a health-related licensing board if the individual's study is related to child foster care, adult foster care, or family child care licensure.

Subd. 2. **Commissioner's notice to board.** (a) The commissioner shall notify the health-related licensing board:

(1) upon completion of a background study that produces a record showing that the individual was determined to have been responsible for substantiated maltreatment;

(2) upon the commissioner's completion of an investigation that determined the individual was responsible for substantiated maltreatment; or

(3) upon receipt from another agency of a finding of substantiated maltreatment for which the individual was responsible.

(b) The commissioner's notice to the health-related licensing board shall indicate whether the commissioner would have disqualified the individual for the substantiated maltreatment if the individual were not regulated by the board.

(c) The commissioner shall concurrently send the notice under this subdivision to the individual who is the subject of the background study.

Subd. 3. Commissioner's or local agency's referral to board. (a) When the commissioner or a local agency has reason to believe that the direct contact services provided by an individual may fall within the jurisdiction of a health-related licensing board, the commissioner or local agency shall refer the matter to the board as provided in this section.

(b) If, upon review of the information provided by the commissioner, a health-related licensing board informs the commissioner that the board does not have jurisdiction to take disciplinary or corrective action, the commissioner shall make the appropriate disqualification decision regarding the individual as otherwise provided in this chapter.

Subd. 4. Facility monitoring. (a) The commissioner has the authority to monitor the facility's compliance with any requirements that the health-related licensing board places on regulated individuals practicing in a facility either during the period pending a final decision on a disciplinary or corrective action or as a result of a disciplinary or corrective action. The commissioner has the authority to order the immediate removal of a regulated individual from direct contact or access when a board issues an order of temporary suspension based on a determination that the regulated individual poses an immediate risk of harm to persons receiving services in a licensed facility.

(b) A facility that allows a regulated individual to provide direct contact services while not complying with the requirements imposed by the health-related licensing board is subject to action by the commissioner as specified under sections 245A.06 and 245A.07.

(c) The commissioner shall notify a health-related licensing board immediately upon receipt of knowledge of a facility's or individual's noncompliance with requirements the board placed on a facility or upon an individual regulated by the board.

245C.32 SYSTEMS AND RECORDS.

Subdivision 1. **Establishment.** The commissioner may establish systems and records to fulfill the requirements of this chapter.

Subd. 1a. NETStudy 2.0 system. (a) The commissioner shall design, develop, and test the NETStudy 2.0 system and implement it no later than September 1, 2015.

(b) The NETStudy 2.0 system developed and implemented by the commissioner shall incorporate and meet all applicable data security standards and policies required by the Federal Bureau of Investigation (FBI), Department of Public Safety, Bureau of Criminal Apprehension, and the Office of MN.IT Services. The system shall meet all required standards for encryption of data at the database level as well as encryption of data that travels electronically among agencies initiating background studies, the commissioner's authorized

fingerprint collection vendor, the commissioner, the Bureau of Criminal Apprehension, and in cases involving national criminal record checks, the FBI.

(c) The data system developed and implemented by the commissioner shall incorporate a system of data security that allows the commissioner to control access to the data field level by the commissioner's employees. The commissioner shall establish that employees have access to the minimum amount of private data on any individual as is necessary to perform their duties under this chapter.

(d) The commissioner shall oversee regular quality and compliance audits of the authorized fingerprint collection vendor.

Subd. 1b. **Civil remedies.** When accessing private data on individuals through NETStudy 2.0, entities that are authorized to initiate background studies and the commissioner's authorized fingerprint collection vendors shall be subject to all responsibilities and civil remedies applicable to a responsible authority or government entity as specified under section 13.08.

Subd. 2. **Use.** (a) The commissioner may also use these systems and records to obtain and provide criminal history data from the Bureau of Criminal Apprehension, criminal history data held by the commissioner, and data about substantiated maltreatment under section 626.556 or 626.557, for other purposes, provided that:

(1) the background study is specifically authorized in statute; or

(2) the request is made with the informed consent of the subject of the study as provided in section 13.05, subdivision 4.

(b) An individual making a request under paragraph (a), clause (2), must agree in writing not to disclose the data to any other individual without the consent of the subject of the data.

(c) The commissioner may recover the cost of obtaining and providing background study data by charging the individual or entity requesting the study a fee of no more than \$20 per study. The fees collected under this paragraph are appropriated to the commissioner for the purpose of conducting background studies.

(d) The commissioner shall recover the cost of obtaining background study data required under section 524.5-118 through a fee of \$50 per study for an individual who has not lived outside Minnesota for the past ten years, and a fee of \$100 for an individual who has resided outside of Minnesota for any period during the ten years preceding the background study. The commissioner shall recover, from the individual, any additional fees charged by other states' licensing agencies that are associated with these data requests. Fees under subdivision 3 also apply when criminal history data from the National Criminal Records Repository is required.

Subd. 3. **National records search.** (a) When specifically required by statute, the commissioner shall also obtain criminal history data from the National Criminal Records Repository.

(b) To obtain criminal history data from the National Criminal Records Repository, the commissioner shall require classifiable fingerprints of the data subject and must submit these fingerprint requests through the Bureau of Criminal Apprehension.

(c) The commissioner may require the background study subject to submit fingerprint images electronically. The commissioner may not require electronic fingerprint images until the electronic recording and transfer system is available for noncriminal justice purposes and the necessary equipment is in use in the law enforcement agency in the background study subject's local community.

(d) The commissioner may recover the cost of obtaining and providing criminal history data from the National Criminal Records Repository by charging the individual or entity requesting the study a fee of no more than \$30 per study. The fees collected under this subdivision are appropriated to the commissioner for the purpose of obtaining criminal history data from the National Criminal Records Repository.

When a prospective adoptive parent is seeking to adopt a child who is currently placed in the prospective adoptive parent's home and is under the guardianship of the commissioner according to section 260C.325, subdivision 1, paragraph (b), and the prospective adoptive parent holds a child foster care license, a new background study is not required when:

(2) the background study included a review of the information in section 245C.08, subdivisions 1, 3, and 4; and

(b) Before the kinship placement agreement is signed for the purpose of transferring permanent legal and physical custody to a relative under sections 260C.503 to 260C.515, the commissioner shall conduct a background study on each person age 13 or older living in the home. When a prospective relative custodian has a child foster care license, a new background study is not required when:
