Subd. 3. **Case plan.** "Case plan" means any plan for the delivery of services to a child and parent or guardian, or, when reunification is not required, the child alone, that is developed according to the requirements of section 245.4871, subdivision 19 or 21; 245.492, subdivision 16; 256B.092; 260C.212, subdivision 1; or 626.556, subdivision 10.

Subd. 4. **Child.** "Child" means an individual under 18 years of age. For purposes of this chapter and chapter 260D, child also includes individuals under age 21 who are in foster care pursuant to section 260C.451.

(1) is abandoned or without parent, guardian, or custodian;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from an infant with a disability with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or advanced practice registered nurse's reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or advanced practice registered nurse's reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody, including a child who entered foster care under a voluntary placement agreement between the parent and the responsible social services agency under section 260C.227;

(16) has a parent whose parental rights to one or more other children were involuntarily terminated or whose custodial rights to another child have been involuntarily transferred to a relative and there is a case plan prepared by the responsible social services agency documenting a compelling reason why filing the termination of parental rights petition under section 260C.503, subdivision 2, is not in the best interests of the child.

Subd. 7. **Child-placing agency.** "Child-placing agency" means anyone licensed under sections 245A.01 to 245A.16 and 252.28, subdivision 2.

clothing, shelter, education, or medical care a duty to provide that care. For an Indian child, custodian means any Indian person who has legal custody of an Indian child under tribal law or custom or under state law or to whom temporary physical care, custody, and control has been transferred by the parent of the child, as provided in section 260.755, subdivision 10.

Subd. 14. **Egregious harm.** "Egregious harm" means the infliction of bodily harm to a child or neglect of a child which demonstrates a grossly inadequate ability to provide minimally adequate parental care. The egregious harm need not have occurred in the state or in the county where a termination of parental rights action is otherwise properly venued. Egregious harm includes, but is not limited to:

(1) conduct towards a child that constitutes a violation of sections 609.185 to 609.2114, 609.222, subdivision 2, 609.223, or any other similar law of any other state;

(b) A child is in foster care under this definition regardless of whether the facility is licensed and payments are made for the cost of care. Nothing in this definition creates any authority to place a child in a home or facility that is required to be licensed which is not licensed. "Foster care" does not include placement in any of the following facilities: hospitals, inpatient chemical dependency treatment facilities where the child is the recipient of the treatment, facilities that are primarily for delinquent children, any corrections facility or program within a particular correction's facility not meeting requirements for title IV-E facilities as determined by the commissioner, facilities to which a child is committed under the provision of chapter 253B, forestry camps, or jails.
