290C.01 PURPOSE.

It is the policy of this state to promote sustainable forest resource management on the state's public and private lands. The state's private forests comprise approximately one-half of the state forest land resources. These forests play a critical role in protecting water quality and soil resources, and provide extensive wildlife habitat, diverse recreational experiences, and significant forest products that support the state's economy. Ad valorem property taxes represent a significant annual cost that can discourage long-term forest management investments. In order to foster silviculture investments and retain these forests for their economic and ecological benefits, this chapter, hereafter referred to as the "Sustainable Forest Incentive Act," is enacted to encourage the state's private forest landowners to make a long-term commitment to sustainable forest management.

290C.02 DEFINITIONS.

Subdivision 1. **Application.** When used in sections 290C.01 to 290C.13, the terms in this section have the meanings given them.

Subd. 2. **Approved plan writers.** "Approved plan writers" are natural resource professionals who are self-employed, employed by private companies or individuals, nonprofit organizations, local units of government, or public agencies, and who are approved by the commissioner of natural resources. Persons determined to be certified foresters by the Society of American Foresters shall be deemed to meet the standards required under this subdivision. The commissioner of natural resources shall issue a unique identification number to each approved planner.

Subd. 3. **Claimant.** (a) "Claimant" means:

(1) a person, as that term is defined in section 290.01, subdivision 2, who owns forest land in Minnesota and files an application authorized by the Sustainable Forest Incentive Act;

(2) a purchaser or grantee if property enrolled in the program was sold or transferred after the original application was filed and prior to the annual incentive payment being made; or

(3) an owner of land previously covered by an auxiliary forest contract that automatically qualifies for inclusion in the Sustainable Forest Incentive Act program pursuant to section 88.49, subdivision 9a, or 88.491, subdivision 2.

(b) Owners of land that qualifies for inclusion pursuant to section 88.49, subdivision 9a, or 88.491, subdivision 2, must notify the commissioner in writing of the expiration of the auxiliary forest contract or land trade with a governmental unit and submit an application to the commissioner by July 1 in order to be eligible to receive a payment by October 1 of that same year. For purposes of section 290C.11, claimant also includes any person bound by the covenant required in section 290C.04.

(c) No more than one claimant is entitled to a payment under this chapter with respect to any tract, parcel, or piece of land enrolled under this chapter that has been assigned the same parcel identification number. When enrolled forest land is owned by two or more persons, the owners must determine between them which person is eligible to claim the payments provided under sections 290C.01 to 290C.13. In the case of property sold or transferred, the former owner and the purchaser or grantee must determine between them which person is eligible to claim the payments provided under sections 290C.01 to 290C.13. The owners, transferees, or grantees must notify the commissioner in writing which person is eligible to claim the payments.

Subd. 4. **Commissioner.** "Commissioner" means the commissioner of revenue.

Subd. 5. [Repealed, 1Sp2017 c 1 art 10 s 17]

Subd. 6. **Forest land.** "Forest land" means land containing a minimum of 20 contiguous acres for which the owner has implemented a forest management plan that was prepared or updated within the past ten years by an approved plan writer. For purposes of this subdivision, acres are considered to be contiguous even if they are separated by a road, waterway, railroad track, or other similar intervening property. At least 50 percent of the contiguous acreage must meet the definition of forest land in section 88.01, subdivision 7. For the purposes of sections 290C.01 to 290C.13, forest land does not include (i) land used for residential or agricultural purposes, (ii) land enrolled in the reinvest in Minnesota program, a state or federal conservation reserve or easement reserve program under sections 103F.501 to 103F.531, the Minnesota agricultural property tax law under section 273.111, or land subject to agricultural land preservation controls or restrictions as defined in section 40A.02 or under the Metropolitan Agricultural Preserves Act under chapter 473H, (iii) any land that becomes subject to a conservation easement funded under section 97A.056 or a comparable permanent easement conveyed to a governmental or nonprofit entity after May 30, 2013; or (iv) land improved with a structure; pavement, other than a paved trail under easement, lease, or terminable license to the state of Minnesota or a political subdivision; sewer; campsite; or any road, other than a township road, used for purposes not prescribed in the forest management plan.

Subd. 7. **Forest management plan.** "Forest management plan" means a written document providing a framework for site-specific healthy, productive, and sustainable forest resources. A forest management plan must include at least the following: (i) forest management goals for the land; (ii) a reliable field inventory of the individual forest cover types, their age, and density; (iii) a description of the soil type and quality; (iv) an aerial photo and/or map of the vegetation and other natural features of the land clearly indicating the boundaries of the land and of the forest land; (v) the proposed future conditions of the land; (vi) prescriptions to meet proposed future conditions of the land; (vii) a recommended timetable for implementing the prescribed activities; and (viii) a legal description of the land encompassing the parcels included in the plan. All management activities prescribed in a plan must be in accordance with the recommended timber harvesting and forest management guidelines. The commissioner of natural resources shall provide a framework for plan content and updating and revising plans.

Subd. 8. **Timber harvesting and forest management guidelines.** "Timber harvesting and forest management guidelines" means guidelines developed under section 89A.05 and adopted by the Minnesota Forest Resources Council in effect at the time the tract, parcel, or piece of land is enrolled in the sustainable forest incentive program.

290C.03 ELIGIBILITY REQUIREMENTS.

(a) Land may be enrolled in the sustainable forest incentive program under this chapter if all of the following conditions are met:

(1) the land consists of at least 20 contiguous acres and at least 50 percent of the land must meet the definition of forest land in section 88.01, subdivision 7, during the enrollment;

(2) a forest management plan for the land must be prepared by an approved plan writer and implemented during the period in which the land is enrolled;

(7) the claimant has registered the forest management plan under clause (2) with the commissioner of natural resources, who has determined that the land meets qualifications for enrollment and has issued the claimant a registration number; and

(8) no portion of the tax parcel containing the enrolled land is classified as class 2c managed forest land.

(b) Claimants required to allow access under paragraph (a), clause (6), do not by that action:

290C.04 APPLICATIONS.

(a) A landowner may apply to enroll forest land for the sustainable forest incentive program under this chapter. The claimant must complete, sign, and submit an application to the commissioner by October 31 in order for the land to become eligible beginning in the next year. The application shall be on a form prescribed by the commissioners of revenue and natural resources and must include the information the commissioners deem necessary. At a minimum, the application must show the following information for the land and the claimant: (i) the claimant's Social Security number or state or federal business tax registration number and date of birth, (ii) the claimant's address, (iii) the claimant's signature, (iv) the county's parcel identification numbers for the tax parcels that completely contain the claimant's forest land that is sought to be enrolled, (v) the number of acres eligible for enrollment in the program, (vi) the approved plan writer's signature and identification number, (vii) proof, in a form specified by the commissioner, that the claimant has executed and acknowledged in the manner required by law for a deed, and recorded, a covenant that the land is not and shall not be developed in a manner inconsistent with the requirements and conditions of this chapter, and (viii) a registration number for the forest management plan, issued by the commissioner of natural resources. The covenant shall state in writing that the covenant is binding on the claimant and the claimant's successor or assignee, and that it runs with the land for a period of not less than eight years unless the claimant requests termination of the covenant after a reduction in payments due to changes in the payment formula under section 290C.07 or as a result of executive action, the amount of payment a claimant is eligible to receive under section 290C.07 is reduced or limited. The commissioner shall specify the form of the covenant and provide copies upon request. The covenant must include a legal description that encompasses all the forest land that the claimant wishes to enroll under this section or the certificate of title number for that land if it is registered land. The commissioner of natural resources shall record the area eligible for enrollment into the Sustainable Forest Incentive Act as electronic geospatial data, as defined in section 16E.30, subdivision 10.

(b) The commissioner shall provide by electronic means data sufficient for the commissioner of natural resources to determine whether the land qualifies for enrollment. The commissioner must make the data available within 30 days of receipt of the application filed by the claimant or by October 1, whichever is sooner. The commissioner of natural resources must notify the commissioner whether the land qualifies for enrollment within 30 days of the data being available, and if the land qualifies for enrollment, the commissioner of natural resources shall specify the number of qualifying acres per tax parcel.

(c) The commissioner shall notify the claimant within 90 days after receipt of a completed application that either the land has or has not been approved for enrollment. A claimant whose application is denied may appeal the denial as provided in section 290C.13.

(d) Within 90 days after the denial of an application, or within 90 days after the final resolution of any appeal related to the denial, the commissioner shall execute and acknowledge a document releasing the land from the covenant required under this chapter. The document must be mailed to the claimant and is entitled to be recorded.

(e) The Social Security numbers collected from individuals under this section are private data as provided in section 13.355. The federal business tax registration number and date of birth data collected under this section are also private data on individuals or nonpublic data, as defined in section 13.02, subdivisions 9 and 12, but may be shared with county assessors for purposes of tax administration and with county treasurers for purposes of the revenue recapture under chapter 270A.

290C.05 ANNUAL CERTIFICATION AND MONITORING.

(a) On or before May 15 of each year, beginning with the year after the original claimant has received an approved application, the commissioner shall send each claimant enrolled under the sustainable forest incentive program a certification form. For purposes of this section, the claimant is the current property owner on record, or the person designated by the owners in the case of multiple ownership. The claimant must sign and return the certification to the commissioner by July 1 of that same year, and (1) attest that the requirements and conditions for continued enrollment in the program are currently being met, and (2) provide a report in the form and manner determined by the commissioner of natural resources describing the management practices that have been carried out on the enrolled property during the prior year. If the claimant does not return an annual certification form by the due date, the provisions in section 290C.11 apply. The commissioner of natural resources must verify that the land meets program requirements.

(b) The commissioner must provide the certification form and annual report described in paragraph (a), clause (2), to the commissioner of natural resources by August 1.

(c) The commissioner of natural resources must conduct annual monitoring of a subset of claimants, excluding land also enrolled in a conservation easement program. Claimants will be selected for monitoring based on reported violations, annual certification, and random selections. Monitoring will be conducted on ten percent of claimants as of July 1 of each year. Monitoring may include, but is not limited to, a site visit by a Department of Natural Resources or contracted forester. The commissioner of natural resources must develop a monitoring form to record the monitoring data.

290C.055 LENGTH OF COVENANT.

(a) Claimants enrolling any land that is subject to a conservation easement funded under section 97A.056 or a comparable permanent easement conveyed to a governmental or nonprofit entity must enroll their land under a covenant with a minimum duration of eight years. All other claimants may choose to enroll their land under a covenant with a minimum duration of eight, 20, or 50 years. If the claimant requests removal of land from the program before it has been enrolled for one-half the number of years of the covenant's duration, the covenant remains in effect for the entire duration of the covenant from the date recorded.

(b) If land that has been enrolled for one-half the number of years of the covenant's minimum duration or more is removed from the program for any reason, there is a waiting period before the covenant terminates. The covenant terminates on January 1 of the fifth, 11th, or 26th calendar year for the eight-, 20-, or 50-year minimum covenant, respectively, that begins after the date that:

(1) the commissioner receives notification from the claimant that the claimant wishes to remove the land from the program under section 290C.10; or

(2) the date that the land is removed from the program under section 290C.11.

(c) Notwithstanding the other provisions of this section, the covenant is terminated:

(1) at the same time that the land is removed from the program due to acquisition of title or possession for a public purpose under section 290C.10; or

(2) at the request of the claimant (i) if there is a reduction in payments due to changes in the payment formula under section 290C.07; or (ii) if, as a result of executive action, the amount of payment a claimant is eligible to receive under section 290C.07 is reduced or limited.

290C.06 CALCULATION OF AVERAGE ESTIMATED MARKET VALUE; MANAGED FOREST LAND.

The commissioner shall annually calculate a statewide average estimated market value per acre for class 2c managed forest land under section 273.13, subdivision 23.

History: 1Sp2001 c 5 art 8 s 10; 2009 c 88 art 10 s 15

290C.07 CALCULATION OF INCENTIVE PAYMENT.

(a) An approved claimant under the sustainable forest incentive program is eligible to receive an annual payment for each acre of enrolled land, excluding any acre improved with a paved trail under easement, lease, or terminable license to the state of Minnesota or a political subdivision. The payment shall equal a percentage of the property tax that would be paid on the land determined by using the previous year's statewide average total tax rate for all taxes levied within townships and unorganized territories, the estimated market value per acre as calculated in section 290C.06, and a class rate of one percent as follows: (1) for claimants enrolling land that is subject to a conservation easement funded under section 97A.056 or a comparable permanent easement conveyed to a governmental or nonprofit entity before May 31, 2013, 25 percent; (2) for claimants enrolling land that is not subject to a conservation easement under an eight-year covenant, 65 percent; (3) for claimants enrolling land that is not subject to a conservation easement under a 20-year covenant, 90 percent; and (4) for claimants enrolling land that is not subject to a conservation easement under a 50-year covenant, 115 percent.

(b) The calculated payment must not increase or decrease by more than ten percent relative to the payment received for the previous year. In no case may the payment be less than the amount paid to the claimant for the land enrolled in the program in 2017. If an eligible claimant elects to change the length of the covenant on enrolled land on or before May 15, 2019, the limits under this paragraph do not apply and the claimant must receive payment in the amount corresponding to the new covenant length as calculated under paragraph (a).

(c) In addition to the payments provided under this section, a claimant enrolling more than 1,920 acres shall be allowed an additional payment per acre equal to the amount prescribed in paragraph (a), clause (1), for all acres of enrolled land on which public access is allowed, as required under section 290C.03, paragraph (a), clause (6), excluding any land subject to a conservation easement funded under section 97A.056, or a permanent easement conveyed to a governmental or nonprofit entity that is required to allow for public access under section 290C.03, paragraph (a), clause (6).

290C.08 ANNUAL INCENTIVE PAYMENT; APPROPRIATION.

Subdivision 1. **Annual payment.** An incentive payment for each acre of enrolled land will be made annually to each claimant in the amount determined under section 290C.07. By September 15 of each year, the commissioner of natural resources must certify to the commissioner the lands eligible for payment. The incentive payment shall be paid by the commissioner on or before October 1 each year based on the certifications due July 1 of that year. Interest at the annual rate determined under section 270C.40 shall be included with any incentive payment not paid by the later of October 1 of the year the certification was due, or 45 days after the completed certification was returned or filed if the commissioner accepts a certification filed after July 1 of the taxes payable year as the resolution of an appeal.

Subd. 2. **Appropriation.** The amount necessary to make the payments under this section is annually appropriated to the commissioner from the general fund.

290C.09 REMOVAL FOR PROPERTY TAX DELINQUENCY.

The commissioner shall immediately remove any land enrolled in the sustainable forest incentive program for which taxes are determined to be delinquent as provided in chapter 279 and shall notify the claimant of such action. Lands terminated from the sustainable forest incentive program under this section are not entitled to any payments provided in this chapter and are subject to removal penalties prescribed in section 290C.11. The claimant has 60 days from the receipt of notice from the commissioner under this section to pay the delinquent taxes. If the delinquent taxes are paid within this 60-day period, the lands shall be reinstated in the program as if they had not been withdrawn and without the payment of a penalty.

History: *1Sp2001 c 5 art 8 s 13; 2003 c 127 art 5 s 39*

290C.10 WITHDRAWAL PROCEDURES.

(a) The current owner of land enrolled under the sustainable forest incentive program for a minimum of one-half the number of years of the covenant's minimum duration may notify the commissioner of the intent to terminate enrollment. Within 90 days of receipt of notice to terminate enrollment, the commissioner shall inform the claimant in writing, acknowledging receipt of this notice and indicating the effective date of termination from the sustainable forest incentive program. Termination of enrollment in the sustainable forest incentive program occurs on January 1 of the calendar year following receipt by the commissioner of the termination notice, but no earlier than January 1 of the fifth, 11th, or 26th calendar year for the eight-, 20-, or 50-year respective minimum covenant, subject to the applicable covenant duration period under section 290C.055. After the commissioner issues an effective date of termination, a claimant wishing to continue the land's enrollment in the sustainable forest incentive program beyond the termination date must apply for enrollment as prescribed in section 290C.04. A claimant who withdraws a parcel of land from this program may not reenroll the parcel for a period of three years. Within 90 days after the termination date, the commissioner shall execute and acknowledge a document releasing the land from the covenant required under this chapter. The document must be mailed to the claimant and is entitled to be recorded.

(b) Notwithstanding paragraph (a), on request of the claimant, the commissioner may allow early withdrawal from the Sustainable Forest Incentive Act without penalty when the state of Minnesota, any local government unit, or any other entity which has the power of eminent domain acquires title or possession to the land for a public purpose. In the case of an eligible acquisition under this paragraph, the commissioner shall execute and acknowledge a document releasing the land acquired by the state, local government unit, or other entity from the covenant.

(c) Notwithstanding paragraph (a), upon request of the claimant, the commissioner shall allow early withdrawal from the Sustainable Forest Incentive Act without penalty when a government or nonprofit entity acquires a permanent conservation easement on the enrolled property and the conservation easement is at least as restrictive as the covenant required under section 290C.04. The commissioner of natural resources must notify the commissioner of lands acquired under this paragraph that are eligible for withdrawal. In the case of an eligible easement acquisition under this paragraph, the commissioner shall execute and acknowledge a document releasing the land subject to the easement from the covenant.

(d) Notwithstanding paragraph (a), upon request of the claimant, the commissioner shall allow early withdrawal from the Sustainable Forest Incentive Act without penalty for land that is subject to fee or easement acquisition or lease to the state of Minnesota or a political subdivision of the state for the public purpose of a paved trail. The commissioner of natural resources must notify the commissioner of lands acquired under this paragraph that are eligible for withdrawal. In the case of an eligible fee or easement acquisition or lease under this paragraph, the commissioner shall execute and acknowledge a document releasing the land subject to fee or easement acquisition or lease by the state or political subdivision of the state.

(e) All other enrolled land must remain in the program.

290C.101 TRANSFER OF OWNERSHIP.

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "New owner" means a prospective purchaser or grantee.

(c) "Owner" means a grantor or seller.

Subd. 2. **Notification to commissioner.** (a) An owner must notify the commissioner if the owner transfers any or all of the owner's land enrolled in the sustainable forest incentive program to one or more new owners within 60 days of the transfer of title to the property. The notification must include the legal descriptions of the transferred property, the tax parcel numbers, and the name and address of the new owner. If transfer of ownership is a result of the death of the claimant, the provisions of section 290C.12 apply.

(b) Upon notification, the commissioner shall inform the new owner of the restrictions of the covenant required by section 290C.04 and the withdrawal procedures under section 290C.10. In order for the new owner to receive payments pursuant to this chapter, the new owner must file an application and register a new forest management plan with the commissioner of natural resources within two years from the date the title of the property was transferred to remain eligible.

Subd. 3. **Termination of enrollment.** The commissioner will terminate enrollment according to the procedure in section 290C.10 for failure of the new owner to register a forest management plan within the time period of subdivision 2, paragraph (b).

History: *1Sp2017 c 1 art 10 s 12*

290C.11 PENALTIES FOR REMOVAL.

(a) If the commissioner determines that land enrolled in the sustainable forest incentive program is in violation of the conditions for enrollment as specified in section 290C.03, or upon notification by the

commissioner of natural resources that land enrolled is in violation of the conditions for enrollment, the commissioner shall notify the current owner of the land of the intent to remove the tax parcel of the enrolled land where the violation has occurred from the sustainable forest incentive program. The penalties described under paragraph (c) apply. The current owner has 60 days to appeal this determination under the provisions of section 290C.13.

(b) If the commissioner determines the land is to be removed from the sustainable forest incentive program due to the construction or addition of an improvement to the property, the owner of the tax parcel that is in violation is liable for payment to the commissioner in the amount equal to: (1) the payments issued related to the enrolled tax parcel under this chapter for the number of years the land has been bound by the covenant, or one-half the covenant length, whichever is less, plus interest; and (2) 25 percent of the estimated market value of the property as reclassified under section 273.13 due to the structure being on the tax parcel, as determined by the assessor.

(c) If the commissioner of natural resources determines that the land is used for purposes other than forestry purposes, the commissioner of natural resources shall notify the commissioner of revenue, who shall notify the current owner of the tax parcel that is in violation that the current owner is liable to the commissioner in an amount equal to: (1) 30 percent of the estimated market value as property reclassified under section 273.13, due to the change in use, as determined by the assessor; and (2) the payments issued related to the enrolled tax parcel under this chapter for the number of years the land has been bound by the covenant, or one-half the covenant length, whichever is less, plus interest.

(d) The claimant has 90 days to satisfy the payment for removal of land from the sustainable forest incentive program under this section. If the penalty is not paid within the 90-day period under this paragraph, the commissioner shall certify the amount to the county auditor for collection as a part of the general ad valorem real property taxes on the land in the following taxes payable year.

290C.12 DEATH OF CLAIMANT.

Within one year after the death of the claimant, the claimant's heir, devisee, or estate must either:

(1) notify the commissioner of election to terminate enrollment in the sustainable forest incentive program; or

(2) make an application under this chapter to continue enrollment of the land in the program.

Upon notification under clause (1), the commissioner shall terminate the enrollment and issue a document releasing the land from the covenant as provided in section 290C.04, paragraph (d). Penalties under section 290C.11 shall not apply. If the application under clause (2) is approved, the land is enrolled in the program without a break. If the commissioner does not receive notification within one year after the date of death, enrollment in the program shall be terminated and penalties under section 290C.11 shall not apply.

290C.13 APPEALS.

Subdivision 1. **Claimant right to reconsideration.** A claimant may obtain reconsideration by the commissioner of a determination removing enrolled land from the sustainable forest incentive program, a determination denying an application to enroll land in the program, or a denial of part or all of an incentive

payment by filing an administrative appeal under subdivision 4. A claimant cannot obtain reconsideration under this section if the action taken by the commissioner is the outcome of an administrative appeal.

Subd. 2. **Appeal by claimant.** A claimant who wishes to seek administrative review must follow the procedures in subdivision 4.
