

477A.014 COMMISSIONER'S RESPONSIBILITIES.

Subdivision 1. **Calculations and payments.** (a) The commissioner of revenue shall make all necessary calculations and make payments pursuant to sections 477A.013 and 477A.03 directly to the affected taxing authorities annually. In addition, the commissioner shall notify the authorities of their aid amounts, as well as the computational factors used in making the calculations for their authority, and those statewide total figures that are pertinent, before August 1 of the year preceding the aid distribution year.

(b) For the purposes of this subdivision, aid is determined for a city or town based on its city or town status as of June 30 of the year preceding the aid distribution year. If the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is on or before June 30 of the year preceding the aid distribution year, such change in boundaries or form of government shall be recognized for aid determinations for the aid distribution year. If the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is after June 30 of the year preceding the aid distribution year, such change in boundaries or form of government shall not be recognized for aid determinations until the following year.

(c) Changes in boundaries or form of government will only be recognized for the purposes of this subdivision, to the extent that: (1) changes in market values are included in market values reported by assessors to the commissioner, and changes in population and household size are included in their respective certifications to the commissioner as referenced in section 477A.011, or (2) an annexation information report as provided in paragraph (d) is received by the commissioner on or before July 15 of the aid calculation year. Revisions to estimates or data for use in recognizing changes in boundaries or form of government are not effective for purposes of this subdivision unless received by the commissioner on or before July 15 of the aid calculation year. Clerical errors in the certification or use of estimates and data established as of July 15 in the aid calculation year are subject to correction within the time periods allowed under subdivision 3.

(d) In the case of an annexation, an annexation information report may be completed by the annexing jurisdiction and submitted to the commissioner for purposes of this subdivision if the net tax capacity of annexed area for the assessment year preceding the effective date of the annexation exceeds five percent of the city's net tax capacity for the same year. The form and contents of the annexation information report shall be prescribed by the commissioner. The commissioner shall change the net tax capacity, the population, the population decline, the commercial industrial percentage, and the transformed population for the annexing jurisdiction only if the annexation information report provides data the commissioner determines to be reliable for all of these factors used to compute city revenue need for the annexing jurisdiction. The commissioner shall adjust the pre-1940 housing percentage and household size only if the entire area of an existing city or town is annexed or consolidated and only if reliable data is available for all of these factors used to compute city revenue need for the annexing jurisdiction.

Subd. 2. **Errors.** A taxing authority may object to the commissioner of revenue with respect to the amount of the distribution it has been certified to receive pursuant to subdivision 1. No objection shall be raised later than 60 days after the taxing authority has received notice from the commissioner of the amount which it has been certified to receive.

Subd. 3. **Aid amount correction.** If, due to an error in the factors used to calculate a taxing authority's aid pursuant to section 477A.013 the amount indicated in the certification of the commissioner to the taxing authority for a year is less than the amount to which it is entitled pursuant to this section, the commissioner of revenue shall additionally distribute the amount necessary to make the full correct distribution to the

taxing authority. The additional distribution shall be paid from the general fund and shall not diminish the distributions made to other taxing authorities under this section.
