525.152 AWARD OF PROPERTY WITH SENTIMENTAL VALUE TO CHILDREN.

Subdivision 1. **Definitions.** (a) "Eligible child" means a child of the decedent who:

(1) is not the child of the surviving spouse, if any;

(2) if there is no surviving spouse, is not a minor, and has a different parent than minor children of the decedent; and

(3) if the decedent dies testate, is a devisee under the decedent's will.

(b) "Sentimental value" means significant emotional or nostalgic value arising out of the relationship of an individual with the decedent or arising out of the relationship of the eligible child with the individual who is the nondecedent parent of the eligible child.

Subd. 2. **Ineligible property.** The following property is not eligible for an award under this section:

(1) real property;

(2) personal property that is the subject of a specific devise under the decedent's will where the will was executed before August 1, 1989, and where the devise specifically identifies the particular item of property, unless the property is selected under section 524.2-403;

(3) personal property that is the subject of a specific devise under a separate writing under section 524.2-513, unless the property is selected under section 524.2-403; and

(4) personal property disposed of by a premarital agreement.

Subd. 3. **Notice to eligible children; petition.** At the time of an allowance selection under section 524.2-403, the person making the selection shall serve personally or by mail a written itemized notice of the property selected to every eligible child of the decedent. This requirement does not apply if an award of property with sentimental value already has been made under this section. Within 30 days of receipt of the notice of selection, an eligible child may petition the court to award property with sentimental value contained in the notice, or other property with sentimental value that belonged to the decedent, to the eligible child.

Subd. 4. **Court decision.** The court shall award property with sentimental value to an eligible child if it finds that the property's sentimental value to the child outweighs its sentimental value to the person entitled to the allowance selection. If more than one eligible child petitions the court for an award of the same property, the court shall award the property to the child for whom the property has the greatest sentimental value. In awarding property with sentimental value to an eligible child, the court shall give weight to the following factors:

(1) the relationship of the eligible child to the acquisition and use of the property;

(2) whether the property was acquired prior to the decedent's marriage to the surviving spouse or prior to the birth of minor children who are entitled to an allowance selection; and

(3) whether the property belonged to the individual who is the nondecedent parent of the eligible child.

Subd. 5. **Payment to estate.** (a) As a condition of an award of sentimental property under this section, the court shall order that the eligible child pay the value of the property to the estate or that the value of the property be deducted from the eligible child's share of the estate. The surviving spouse or minor children may make an additional allowance selection in place of property with sentimental value awarded to an eligible child.

(b) If the court awards property under subdivision 4, the court shall appoint an appraiser who shall determine the value of the property. The value of the property is its appraised value as of the date of the decedent's death without reference to its sentimental value to the eligible child or any other person.

525.313 CLEARANCE FOR MEDICAL ASSISTANCE CLAIMS.

(a) The court shall not enter a decree of descent until the petitioner has filed a clearance for medical assistance claims under this section, and until any medical assistance claims filed under this section have been paid, settled, or otherwise finally disposed of.

(b) After filing the petition, the petitioner or the petitioner's attorney shall apply to the county agency in the county in which the petition is pending for a clearance of medical assistance claims. The application must state the decedent's name, date of birth, and Social Security number; the name, date of birth, and Social Security number of any predeceased spouse of the decedent; the names and addresses of the devisees and heirs; and the name, address, and telephone number of the petitioner or the attorney making the application on behalf of the petitioner, and include a copy of the notice of hearing.

(c) The county agency shall determine whether the decedent or any of the decedent's predeceased spouses received medical assistance under chapter 256B or general assistance medical care formerly codified under chapter 256D giving rise to a claim under section 256B.15. If there is a claim, the county agency shall issue the petitioner a clearance for medical assistance claims stating that a claim exists and the total amount of the claim. The county agency shall mail the completed clearance for medical assistance claims to the applicant within 15 working days after receiving the application without cost to the applicant or others.

(d) The petitioner or attorney shall file the certificate in the proceedings for the decree of descent as soon as practicable after it is received. Notwithstanding any rule or law to the contrary, if a medical assistance claim appears in a clearance for medical assistance claims, then:

(e) Any of the decedent's devisees, heirs, successors, assigns, or their successors and assigns, may apply for a partial decree of descent to facilitate the good faith sale of their interest in any real or personal property described in the petition free and clear of any medical assistance claim any time before the entry of a decree of descent under section 525.312. The applicant must prove an interest in the property as provided under section 525.312. The court may enter a partial decree of descent any time after it could hear and decide the petition for a decree of descent. A partial decree of descent shall assign the interests in the real and personal property described in the application to the parties entitled to the property free and clear of any and all medical assistance claims. The net sale proceeds from the sale shall be:

- (1) substituted in the estate according to this section for the property sold;
- (2) paid over to and held by the petitioner pending the entry of a decree of descent;
- (3) used for payment of medical assistance claims; and
- (4) distributed according to the decree of descent after any medical assistance claims are paid.

(f) The clearance for medical assistance claims must:

(1) include the case name, case number, and district court in which the proceeding for a decree of descent is pending;

(2) include the name, date of birth, and Social Security number of the decedent and any of the decedent's predeceased spouses;

(3) state whether there are medical assistance claims against the decedent, or a predeceased spouse, and the total amount of each claim; and

(4) include the name, address, and telephone number of the county agency giving the clearance for medical assistance claims. The certificate shall be signed by the director of the county agency or the director's designee. The signature of the director or the director's designee does not require an acknowledgment.

(g) All recoveries under this section are recoveries under section 256B.15.

(h) For purposes of this section and chapter 256B, all property identified in the petition and all subsequent amendments to the petition shall constitute an estate.

(i) No clearance for medical assistance claims is required under this section and section 525.312 in an action for a decree of descent proceeding in which all of the following apply to the decedent whose property is the subject of the proceeding:

- (1) the decedent's estate was previously probated in this state;
- (2) the previous probate was not a special administration or summary proceeding; and

525.95 FIDUCIARY POWERS, SUSPENSION DURING WAR SERVICE.

Subdivision 1. **Definitions.** The definitions in this subdivision apply to this section.

(a) "War service" includes the following, during a period when the United States is engaged in war or other major military engagement with a foreign nation:

(1) active membership in the military forces of the United States or any of its allies;

(2) acceptance for membership in the military forces of the United States or any of its allies and awaiting induction into that service;

(3) participation in work abroad in connection with a governmental agency of the United States or any of its allies, with the Red Cross, or with a similar service;

(4) internment by an enemy or absence from the United States and inability to return; and

(5) service arising out of or in connection with the war or other major military engagement, which in the opinion of the court prevents the fiduciary from giving the proper attention to duties.

(b) "Fiduciary" refers to a trustee of a testamentary trust or of an express trust, a guardian of a person or conservator of a person's estate, an executor of a will, an administrator of the estate of the decedent, a custodian under the Minnesota Uniform Transfers to Minors Act, or an advisor or consultant in a testamentary or express trust.

Subd. 2. Powers of fiduciary may be suspended; petition. A fiduciary who contemplates entering war service, a fiduciary who is engaged in war service, a cofiduciary, or an interested person may petition the proper court having jurisdiction in matters of that nature for the suspension of the powers and duties of the fiduciary during the period of war service and until the further order of the court, and may petition for the reinstatement of the fiduciary upon the fiduciary's return.

Subd. 3. Notice of hearing. Notice of the hearing on a petition under subdivision 2 must be given to persons and in the manner the court directs.

Subd. 4. Hearing; order. After a hearing on a petition under subdivision 2 or in the case of an executor, administrator, or guardian on the court's own motion, the court may:

(1) order the suspension of the powers and duties of the fiduciary who is in war service for the period of the war service and until the further order of the court;

(2) appoint a successor fiduciary to serve for the period of suspension of the powers and duties of the fiduciary and until the further order of the court, if upon suspension of powers and duties, there is no fiduciary to exercise the powers and duties of the fiduciary who is in war service, or if in the opinion of the court the appointment of a cofiduciary is advisable;

(3) decree that the ownership and title to the trust property vests in the successor fiduciary or cofiduciary, as the case may be, and that the duties, powers, and discretions, or those of the powers and discretions that are not personal to the fiduciary, may be exercised by the cofiduciary or successor fiduciary;

(4) make other orders the court considers advisable with respect to the trust estate or its administration, and authorize a reasonable compensation to the successor fiduciary; or

(5) reserve jurisdiction for the entry of further orders and for the reinstatement of the fiduciary.

Upon petition, the court shall order the reinstatement of the fiduciary when the fiduciary's war service has terminated if it appears that the trust is not fully executed or administration of the estate is not completed.

Subd. 5. Responsibility of fiduciary. The fiduciary has no responsibility for the acts and doings of the cofiduciary or successor fiduciary during the period of the suspension of the fiduciary's powers and duties, but is not relieved of responsibility for the fiduciary's own acts or doings in the administration of the trust fund or estate. A successor fiduciary appointed under this section is not responsible for the acts of the predecessor fiduciary.
