

176.095 LEGISLATIVE FINDINGS.

The legislature finds that workers' compensation benefits for total disabilities should exceed those benefits provided for partial disabilities in order to fairly compensate the person unable to engage in gainful employment or suffering an injury described in section 176.101, subdivision 5. It is the policy of the legislature that any change in the benefit schedule for total disability be accompanied by an appropriate change in the benefit schedule for partial disability.
