

203B.17 APPLICATION FOR BALLOT.

Subdivision 1. **Submission of application.** (a) An application for absentee ballots for a voter described in section 203B.16 must be in writing and may be submitted in person, by mail, by electronic facsimile device, by electronic mail, or electronically through a secure website that shall be maintained by the secretary of state for this purpose, upon determination by the secretary of state that security concerns have been adequately addressed. An application for absentee ballots for a voter described in section 203B.16 may be submitted by that voter or by that voter's parent, spouse, sister, brother, or child over the age of 18 years.

(b) An application for a voter described in section 203B.16, subdivision 1, shall be submitted to the county auditor of the county where the voter maintains residence or through the secure website maintained by the secretary of state.

(c) An application for a voter described in section 203B.16, subdivision 2, shall be submitted to the county auditor of the county where the voter or the voter's parent last maintained residence in Minnesota or through the secure website maintained by the secretary of state.

(d) An application for absentee ballots shall be valid for any primary, special primary, general election, or special election from the time the application is received through the end of that calendar year or through the next regularly scheduled state general election, whichever is later.

(e) There shall be no limitation of time for filing and receiving applications for ballots under sections 203B.16 to 203B.27.

Subd. 2. **Required information.** (a) An application shall be accepted if it contains the following information stated under oath:

(1) the voter's name, birthdate, and present address of residence in Minnesota, or former address of residence or parent's former address of residence in Minnesota if the voter is living permanently outside the United States;

(2) a statement indicating that the voter is in the military, or is the spouse or dependent of an individual serving in the military, or is temporarily outside the territorial limits of the United States, or is living permanently outside the territorial limits of the United States and voting under federal law;

(3) a statement that the voter expects to be absent from the precinct at the time of the election;

(4) the address to which absentee ballots are to be mailed;

(5) the voter's signature or the signature and relationship of the individual authorized to apply on the voter's behalf;

(6) the voter's passport number, Minnesota driver's license or state identification card number, or the last four digits of the voter's Social Security number; if the voter does not have access to any of these documents, the voter or other individual requesting absentee ballots may attest to the truthfulness of the contents of the application under penalty of perjury; and

(7) the voter's e-mail address, if the application was submitted electronically through the secure website maintained by the secretary of state.

(b) Notwithstanding paragraph (a), clause (6), an application submitted through the secretary of state's website must include the voter's verifiable Minnesota driver's license number, Minnesota state identification card number, or the last four digits of the voter's Social Security number, and may only be transmitted to

the county auditor for processing if the secretary of state has verified the application information matches the information in a government database associated with the applicant's driver's license number, state identification card number, or Social Security number. The secretary of state must review all unverifiable applications for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

Subd. 3. **Website security.** (a) The secretary of state shall maintain a log of each Internet Protocol address used to submit an absentee ballot application electronically under this section, and must monitor the log, volume of website use, and other appropriate indicators for suspicious activity. Evidence of suspicious activity that cannot be resolved by the secretary of state must be forwarded to an appropriate law enforcement agency for investigation.

(b) The electronic absentee ballot application system must be secure. The website shall maintain the confidentiality of all users and preserve the integrity of the data submitted. The secretary of state shall employ security measures to ensure the accuracy and integrity of absentee ballot applications submitted electronically pursuant to this section. All data sent and received through the website must be encrypted.

(c) The secretary of state must provide ongoing testing and monitoring to ensure continued security. The secretary of state must work with the chief information officer as defined in section 16E.01, subdivision 1, or another security expert to annually assess the security of the system. The security assessment must include a certification signed by the secretary of state that states that adequate security measures are in place. The certification must also be signed by the chief information officer or another security expert affirming that the assessment is accurate. The secretary of state must submit the security assessment to the legislative auditor and to the chairs and ranking minority members of the committees in the senate and house of representatives with primary jurisdiction over elections by January 1 of each year, except that the first annual security assessment must be submitted by September 30, 2014, and no report is required for January 1, 2015.

(d) In developing the electronic absentee ballot application system, the secretary of state must consult with the chief information officer or the chief's designee to ensure the site is secure.
