

238.02 DEFINITIONS.

Subdivision 1. **Scope.** The words and phrases used in this chapter have the following meanings unless a different meaning clearly appears in the text.

Subd. 1a. **Access.** "Access" means entrance onto the premises of the property owner and an easement for purposes of surveying, designing, installing, inspecting, maintaining, operating, repairing, replacing, or removing equipment used in the construction and operation of a cable communications system.

Subd. 1b. **Affiliated company.** "Affiliated company" means a person, company, corporation, or other entity in which the utility has an affiliated interest as defined under section 216B.48, subdivision 1.

Subd. 1c. **Alternative providers.** "Alternative providers" means other providers of television programming or cable communications services.

Subd. 1d. **Association member.** "Association member" means an individual owner of a cooperatively owned multiple dwelling complex.

Subd. 2. [Repealed, 2004 c 261 art 7 s 29]

Subd. 3. **Cable communications system.** (a) "Cable communications system" means a system that (1) provides the service of receiving and amplifying (i) programs broadcast by one or more television or radio stations and (ii) other programs originated by a person operating a cable communications system or by another person, and (2) distributes those programs by wire, cable, microwave, or other means, regardless of whether the means are owned or leased, to persons who subscribe to the service.

(b) This definition does not include:

(1) a system that serves fewer than 50 subscribers or a system that serves more than 50 but fewer than 1,000 subscribers if the governing bodies of all political subdivisions served by the system, vote, by resolution, to remove the system from the provisions of this chapter; provided that:

(i) no part of a system, nor any area within the municipality served by the system, may be removed from the provisions of this chapter if more than 1,000 subscribers are served by the system; and

(ii) any system serving more than 50 but fewer than 1,000 subscribers that has been removed from the provisions of this chapter becomes subject to the provisions of this chapter if the governing bodies of 50 percent or more of the political subdivisions served by the system vote, by resolution, in favor of the return;

(2) a master antenna television system;

(3) a specialized closed-circuit system that does not use the public rights-of-way for the construction of its physical plant; and

(4) a translator system that receives and rebroadcasts over-the-air signals.

Subd. 3a. **Cable communications system's equipment.** "Cable communications system's equipment" means aerial wires, cables, amplifiers, associated power supply equipment, and other transmission apparatus necessary for the proper operation of the cable communications system in a franchised area.
