Subd. 2. Investigation of complaints. The board may initiate an investigation upon receiving a complaint or other oral or written communication that alleges or implies that a person has violated sections 148.6401 to 148.6449. In the receipt, investigation, and hearing of a complaint that alleges or implies a person has violated sections 148.6401 to 148.6449, the board must follow the procedures in sections 214.10 and 214.103.

Subd. 5. Reinstatement requirements after disciplinary action. A person who has had licensure suspended may request and provide justification for reinstatement following the period of suspension specified by the board.
