

43A.10 SELECTION PROCESS; ELIGIBILITY TO COMPETE.

Subdivision 1. **General.** Entrance to the classified service shall be through successful competition in a selection process and appointment from a finalist pool except as provided in section 43A.15 or other law and for employees in a bargaining unit as defined in section 179A.10, appointments shall be subject to applicable provisions of collective bargaining agreements.

Subd. 2. **Selection criteria and methods.** All selection criteria and methods for filling positions in the classified service shall be job related and designed to fairly assess ability to perform the duties of the vacant position for which the selection process is conducted.

Subd. 2a. **Application requirements.** The commissioner shall establish and maintain a database of applicants for state employment. The commissioner shall establish, publicize, and enforce minimum requirements for application. The appointing authority shall enforce the established minimum requirements for application for individuals who express interest directly to the appointing authority.

Subd. 2b. **Term of eligibility.** The term of eligibility on layoff lists shall be as provided in the collective bargaining agreement or plan established under section 43A.18, under which the layoff list was established. The term of eligibility for all other applicants shall be determined by the commissioner but shall not be less than six months.

Subd. 2c. **Managerial positions.** (a) The commissioner, and any applicable appointing authority, must ensure that all hiring for classified positions identified as managerial under section 43A.18, subdivision 3, is conducted through a fair and open process where all candidates who meet the minimum qualifications for the position are considered. For classified management positions filled through a competitive selection process, under no circumstances may:

- (1) the job requirements be altered to fit a particular candidate prior to the posting of a position; or
 - (2) internal documents identify a particular candidate as the future holder of a position prior to their official hiring.
- (b) Notice of a vacant position subject to this section must be posted, and applications must be accepted, for a period of no fewer than 21 days before the position is filled. Upon request of an appointing authority, the commissioner may waive the requirements of this paragraph. Notice of a waiver must be published in the State Register no more than 14 days after the waiver is granted. The notice must describe the reason for the waiver.

(c) This subdivision does not apply to positions subject to more specific appointment procedures under section 43A.15 or other applicable law, and does not restrict the authority of the commissioner to limit or remove an applicant from consideration under subdivision 6a or 6b.

Subd. 3. **Facilities furnished for selection procedures.** The authorities having control of public buildings in political subdivisions of the state and school districts, upon written request of the commissioner, shall furnish convenient facilities for the administration of selection procedures. Upon such request, it shall be the duty of state and local authorities and employees, as it is consistent with their other duties, to aid in carrying out the provisions of this section. Campuses of the Minnesota State Colleges and Universities may charge the commissioner for actual costs incurred in providing facilities for selection procedures, provided that the costs were incurred due solely to the selection procedure.

When the commissioner refuses to consider an applicant, the commissioner shall, upon request of the applicant, furnish the applicant a statement of the reasons for the refusal. Upon receipt of relevant information, the commissioner shall reconsider the refusal and may restore the applicant to consideration.

Subd. 7. **Selection process accommodations.** Upon request, the commissioner or appointing authority shall provide selection process accommodations to an applicant with a disability that does not prevent performance of the duties of the position. The accommodations must provide an opportunity to fairly assess the ability of the applicant to perform the duties of the position notwithstanding the disability but must preserve, to the extent feasible, the validity of the selection process and equitable comparison of results with the results of competitors without disabilities.
