

116D.06 EFFECT OF EXISTING OBLIGATIONS.

Subdivision 1. **Specific statutory obligations.** Nothing in sections 116D.03 to 116D.045 shall in any way affect the specific statutory obligations of any state agency to:

- (1) comply with criteria or standards of environmental quality;
- (2) coordinate or consult with any federal or state agency; or
- (3) act or refrain from acting contingent upon the recommendations or certification of any other state agency or federal agency.

Subd. 2. **Supplementary.** The policies and goals set forth in sections 116D.01 to 116D.06 are supplementary to those set forth in existing authorizations of state agencies.
