

**326B.098 CONTINUING EDUCATION.**

Subdivision 1. **Department seminars.** This section applies to seminars offered by the department for the purpose of enabling licensees to meet continuing education requirements for license renewal.

Subd. 2. **Rescheduling.** An individual who is registered with the department to attend a seminar may reschedule one time only, to attend the same seminar on a date within one year after the date of the seminar the individual was registered to attend.

Subd. 3. **Fees nonrefundable.** All seminar fees paid to the department are nonrefundable except for any overpayment of fees or if the department cancels the seminar.

Subd. 4. **Courses submitted by the state.** State agencies submitting courses for review that are intended for licensees regulated by the department are not required to pay the course approval fee. Courses must still be reviewed for appropriate credit in the designated license discipline. The department will act as sponsor for courses submitted by state agencies that are approved for continuing education.
