

353G.14 PURCHASE OF ANNUITY CONTRACTS.

The executive director may purchase an annuity contract on behalf of a retiring firefighter retiring from the lump-sum retirement division of the statewide retirement plan with a total premium payment in an amount equal to the lump-sum service pension payable under section 353G.09 if the purchase was requested by the retiring firefighter in a manner prescribed by the executive director. The annuity contract must be purchased from an insurance carrier that is licensed to do business in this state. If purchased, the annuity contract is in lieu of any service pension or other benefit from the lump-sum retirement plan of the retirement plan. The annuity contract may be purchased at any time after the volunteer firefighter discontinues active service, but the annuity contract must stipulate that no annuity amounts are payable before the former volunteer firefighter attains the age of 50.
