116J.5493 MINNESOTA ENERGY TRANSITION PLAN.

- (a) By July 1, 2022, the Energy Transition Advisory Committee established in section 116J.5492 must submit a statewide energy transition plan to the governor and the chairs and ranking minority members of the legislative committees having jurisdiction over economic development and energy.
 - (b) The energy transition plan must, at a minimum, for each impacted facility:
- (1) identify the timing and location of impacted facility retirements and projected job losses in communities:
 - (2) analyze the estimated fiscal impact of impacted facility retirements on local governments;
- (3) describe the statutes and administrative processes that govern how retired utility property impacts a local government tax base;
- (4) review existing state programs that might support impacted communities and impacted workers, and project the effectiveness of each program's response to the effects of impacted facility retirements; and
 - (5) recommend how to effectively respond to the economic effects of impacted facility retirements.
