

16A.151 PROCEEDS OF LITIGATION OR SETTLEMENT.

Subdivision 1. **State funds; general fund.** (a) This subdivision applies, notwithstanding any law to the contrary, except as provided in subdivision 2.

(b) A state official may not commence, pursue, or settle litigation, or settle a matter that could have resulted in litigation, in a manner that would result in money being distributed to a person or entity other than the state.

(c) Money recovered by a state official in litigation or in settlement of a matter that could have resulted in litigation is state money and must be deposited in the general fund.

Subd. 2. **Exceptions.** (a) If a state official litigates or settles a matter on behalf of specific injured persons or entities, this section does not prohibit distribution of money to the specific injured persons or entities on whose behalf the litigation or settlement efforts were initiated. If money recovered on behalf of injured persons or entities cannot reasonably be distributed to those persons or entities because they cannot readily be located or identified or because the cost of distributing the money would outweigh the benefit to the persons or entities, the money must be paid into the general fund.

(b) Money recovered on behalf of a fund in the state treasury other than the general fund may be deposited in that fund.

(c) This section does not prohibit a state official from distributing money to a person or entity other than the state in litigation or potential litigation in which the state is a defendant or potential defendant.

(d) State agencies may accept funds as directed by a federal court for any restitution or monetary penalty under United States Code, title 18, section 3663(a)(3), or United States Code, title 18, section 3663A(a)(3). Funds received must be deposited in a special revenue account and are appropriated to the commissioner of the agency for the purpose as directed by the federal court.

(e) Tobacco settlement revenues as defined in section 16A.98, subdivision 1, paragraph (t), may be deposited as provided in section 16A.98, subdivision 12.

(f) Any money received by the state resulting from a settlement agreement or an assurance of discontinuance entered into by the attorney general of the state, or a court order in litigation brought by the attorney general of the state, on behalf of the state or a state agency, related to alleged violations of consumer fraud laws in the marketing, sale, or distribution of opioids in this state or other alleged illegal actions that contributed to the excessive use of opioids, must be deposited in a separate account in the state treasury and the commissioner shall notify the chairs and ranking minority members of the Finance Committee in the senate and the Ways and Means Committee in the house of representatives that an account has been created. Notwithstanding section 11A.20, all investment income and all investment losses attributable to the investment of this account shall be credited to the account. This paragraph does not apply to attorney fees and costs awarded to the state or the Attorney General's Office, to contract attorneys hired by the state or Attorney General's Office, or to other state agency attorneys. If the licensing fees under section 151.065, subdivision 1, clause (16), and subdivision 3, clause (14), are reduced and the registration fee under section 151.066, subdivision 3, is repealed in accordance with section 256.043, subdivision 4, then the commissioner shall transfer from the separate account created in this paragraph to the opiate epidemic response fund under section 256.043 an amount that ensures that \$20,940,000 each fiscal year is available for distribution in accordance with section 256.043, subdivision 3.

(g) Notwithstanding paragraph (f), if money is received from a settlement agreement or an assurance of discontinuance entered into by the attorney general of the state or a court order in litigation brought by

the attorney general of the state on behalf of the state or a state agency against a consulting firm working for an opioid manufacturer or opioid wholesale drug distributor and deposited into the separate account created under paragraph (f), the commissioner shall annually transfer from the separate account to the opiate epidemic response fund under section 256.043 an amount equal to the estimated amount submitted to the commissioner by the Board of Pharmacy in accordance with section 151.066, subdivision 3, paragraph (b). The amount transferred shall be included in the amount available for distribution in accordance with section 256.043, subdivision 3. This transfer shall occur each year until the registration fee under section 151.066, subdivision 3, is repealed in accordance with section 256.043, subdivision 4, or the money deposited in the account in accordance with this paragraph has been transferred, whichever occurs first.
