

290.432 CORPORATE NONGAME WILDLIFE CHECKOFF.

A corporation that files an income tax return may designate on its original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that corporation and paid into the nongame wildlife management account established by section 290.431 for use by the Department of Natural Resources for its nongame wildlife program. The commissioner of revenue shall, on the corporate tax return, notify filers of their right to designate that a portion of their tax return be paid into the nongame wildlife management account for the protection of endangered natural resources. All interest earned on money accrued, gifts to the program, contributions to the program, and reimbursements of expenditures in the nongame wildlife management account shall be credited to the account by the commissioner of management and budget, except that gifts or contributions received directly by the commissioner of natural resources and directed by the contributor for use in specific nongame field projects or geographic areas shall be handled according to section 84.085, subdivision 1.

The state pledges and agrees with all corporate contributors to the nongame wildlife account to use the funds contributed solely for the nongame wildlife program and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of those programs.
