327B.04 MANUFACTURERS AND DEALERS; LICENSES; BONDS.

Subdivision 1. **License, bond, and liability insurance required.** No person shall act as a dealer in manufactured homes, new or used, without a license, a surety bond, and liability insurance as provided in this section. No person shall manufacture manufactured homes without a license for each manufacturing facility shipping into or located within Minnesota's boundaries, a surety bond, and liability insurance as provided in this section. The licensing and bonding requirements of this section do not apply to any bank, savings bank, savings association, or credit union, chartered by either this state or the federal government, which acts as a dealer only by repossessioning manufactured homes and then offering the homes for resale.

Subd. 2. **Subagency licenses.** Any dealer who has a place of business at more than one location shall designate one location as its principal place of business, one name as its principal name, and all other established places of business as subagencies. A subagency license shall be required for each subagency. Subagency license renewal must coincide with the principal license date. No dealer shall do business as a dealer under any other name than the name on its license.

Subd. 3. **License application; manufacturer and dealer.** Application for a license and its renewal shall be made to the commissioner, shall be in writing, and duly verified by oath. The applicant shall submit any information required by the commissioner, upon forms provided by the commissioner for that purpose, including:

(a) proof of identity;

(b) the name under which the applicant will be licensed and do business in this state;

(c) the applicant's type and place of business;

(d) the name, home and business address of the applicant's directors, officers, limited and general partners, controlling shareholders and affiliates;

(e) whether the applicant, or any of its directors, officers, limited or general partners, controlling shareholders or affiliates, has been convicted of a crime within the previous ten years that either related directly to the business for which the license is sought or involved fraud, misrepresentation or misuse of funds, or has suffered a judgment in a civil action involving fraud, misrepresentation, or conversion within the previous five years or has had any government license or permit suspended or revoked as a result of an action brought by a federal or state governmental agency in this or any other state within the last five years; and

(f) the applicant's qualifications and business history, including whether the applicant, or any of its directors, officers, limited or general partners, controlling shareholders or affiliates has ever been adjudged bankrupt or insolvent, or has any unsatisfied court judgments outstanding against it or them.

Subd. 4. **License prerequisites.** No application shall be granted nor license issued until the applicant proves to the commissioner that:

(a) the applicant has a permanent, established place of business at each licensed location. An "established place of business" means a permanent enclosed building other than a residence, or a commercial office space, either owned by the applicant or leased by the applicant for a term of at least one year, located in an area where zoning regulations allow commercial activity, and where the books, records and files necessary to conduct the business are kept and maintained. The owner of a licensed manufactured home park who resides in or adjacent to the park may use the residence as the established place of business required by this subdivision, unless prohibited by local zoning ordinance.

If a license is granted, the licensee may use unimproved lots and premises for sale, storage, and display of manufactured homes, if the licensee first notifies the commissioner in writing;

(b) if the applicant desires to sell, solicit or advertise the sale of new manufactured homes, it has a bona fide contract or franchise in effect with a manufacturer or distributor of the new manufactured home it proposes to deal in;

(c) the applicant has secured: (1) a surety bond in the amount of \$20,000 for each agency and each subagency location that bears the applicant's name and the name under which the applicant will be licensed

and do business in this state. Each bond is for the protection of consumer customers, and must be executed by the applicant as principal and issued by a surety company admitted to do business in this state. Each bond shall be exclusively for the purpose of reimbursing consumer customers and shall be conditioned upon the faithful compliance by the applicant with all of the laws and rules of this state pertaining to the applicant's business as a dealer or manufacturer, including sections 325D.44, 325F.67 and 325F.69, and upon the applicant's faithful performance of all its legal obligations to consumer customers; and (2) a certificate of liability insurance in the amount of \$1,000,000 that provides aggregate coverage for the agency and each subagency location. In the event of a policy cancellation, the insurer shall send written notice to the commissioner at the same time that a cancellation request is received from or a notice is sent to the insured;

(d) the applicant has established a trust account as required by section 327B.08, subdivision 3, unless the applicant states in writing its intention to limit its business to selling, offering for sale, soliciting or advertising the sale of new manufactured homes; and

(e) the applicant has provided evidence of having had at least two years' prior experience in the sale of manufactured homes, working for a licensed dealer. The applicant does not have to satisfy the two-year prior experience requirement if:

(1) the applicant sells or brokers used manufactured homes as permitted under section 327B.01, subdivision 7; or

(2) the applicant:

(i) has met all other licensing requirements;

(ii) is the owner of a manufactured home park; and

(iii) is selling new manufactured homes installed in the manufactured home park that the applicant owns.

Subd. 5. Exemption for real estate brokers and salespeople. Any person licensed as a real estate broker or salesperson under chapter 82 who brokers the sale of used manufactured homes is not required to obtain a license or a bond as required by this section, but is subject to all other provisions of sections 327B.01 to 327B.12. Any real estate broker or salesperson who violates a provision of sections 327B.06 to 327B.09 in selling or offering for sale a used manufactured home shall be deemed to have violated a provision of chapter 82.

Subd. 6. Certificate of license. For each license granted the commissioner shall issue a certificate which includes the name of the licensee, the name of the surety company and the amount of the surety bond, and the insurance underwriter and policy number, the names and addresses of any related principal or subagencies, and a license number.

Subd. 7. Licenses; renewal. In addition to the requirements of this section, each application for a license or license renewal must be accompanied by all applicable fees required by section 326B.092. The fees shall be set in an amount which over the fiscal biennium will produce revenues approximately equal to the expenses which the commissioner expects to incur during that fiscal biennium while administering and enforcing sections 327B.01 to 327B.12. If the license is granted, the commissioner shall license the applicant as a dealer or manufacturer for the remainder of the licensure period. Upon application by the licensee, the commissioner shall renew the license for a two-year period, if:

(1) the renewal application satisfies the requirements of subdivisions 3 and 4;

(2) the renewal applicant has made all listings, registrations, notices and reports required by the commissioner during the preceding licensure period; and

(3) the renewal applicant has paid all fees owed pursuant to sections 327B.01 to 327B.12 and all taxes, arrearages, and penalties owed to the state.

Subd. 7a. **Fees.** (a) Fees for licenses issued pursuant to this section shall be calculated pursuant to section 326B.092.

(b) All initial limited dealer licenses shall be effective for more than one calendar year and shall expire on December 31 of the year after the year in which the application is made.

(c) For the purposes of calculating fees under section 326B.092, any license issued under this section is a business license, except that a subagency license is a master license. The commissioner shall in a manner determined by the commissioner, without the need for any rulemaking under chapter 14, phase in the renewal of limited dealer licenses from one year to two years. By June 30, 2011, all renewed limited dealer licenses shall be two-year licenses.

Subd. 8. **Limited dealer's license.** The commissioner shall issue a limited dealer's license to an owner of a manufactured home park authorizing the licensee as principal only to engage in the sale, offering for sale, soliciting, or advertising the sale of used manufactured homes located in the owned manufactured home park. The licensee must be the title holder of the homes and may engage in no more than ten sales during each year of the two-year licensure period. An owner may, upon payment of the applicable fee and compliance with this subdivision, obtain a separate license for each owned manufactured home park and is entitled to sell up to 20 homes per license period provided that only one limited dealer license may be issued for each park. The license shall be issued after:

(1) receipt of an application on forms provided by the commissioner containing the following information:

(i) the identity of the applicant;

(ii) the name under which the applicant will be licensed and do business in this state;

(iii) the name and address of the owned manufactured home park, including a copy of the park license, serving as the basis for the issuance of the license;

(iv) the name, home, and business address of the applicant;

(v) the name, address, and telephone number of one individual that is designated by the applicant to receive all communications and cooperate with all inspections and investigations of the commissioner pertaining to the sale of manufactured homes in the manufactured home park owned by the applicant;

(vi) whether the applicant or its designated individual has been convicted of a crime within the previous ten years that is either related directly to the business for which the license is sought or involved fraud, misrepresentation or misuse of funds, or has suffered a judgment in a civil action involving fraud, misrepresentation, or conversion within the previous five years or has had any government license or permit suspended or revoked as a result of an action brought by a federal or state governmental agency in this or any other state within the last five years; and

(vii) the applicant's qualifications and business history, including whether the applicant or its designated individual has ever been adjudged bankrupt or insolvent, or has any unsatisfied court judgments outstanding against it or them;

(2) payment of the license fee established by subdivision 7a; and

(3) provision of a surety bond in the amount of \$5,000. A separate surety bond must be provided for each limited license.

The applicant need not comply with subdivision 4, paragraph (e). The holding of a limited dealer's license does not satisfy the requirement contained in subdivision 4, paragraph (e), for the licensee or salespersons with respect to obtaining a dealer license. The commissioner may, upon application for a renewal of a license, require only a verification that copies of sales documents have been retained and payment of the renewal fees established by section 326B.092. "Sales documents" mean only the safety feature disclosure form defined in section 327C.07, subdivision 3a, title of the home, financing agreements, and purchase agreements.

The license holder shall, upon request of the commissioner, make available for inspection during business hours sales documents required to be retained under this subdivision.

Subd. 8a. **Service.** Service of a document on a limited dealer licensed under this section may be effected by mail to or by personal service on: (1) the licensee at the licensee's last known address; or (2) the individual designated by the licensee at that individual's last known address.

(2) the examination requirement of section 326B.83, subdivision 3, for manufactured home installers shall be satisfied by successful completion of a written examination administered and developed specifically for the examination of manufactured home installers. The examination must be administered and developed by the commissioner. The commissioner and the state building official shall seek advice on the grading, monitoring, and updating of examinations from the Minnesota Manufactured Housing Association;

(3) a local government unit may not place a surcharge on a license fee, and may not charge a separate fee to installers;

(b) The commissioner may waive all or part of the requirements for licensure as a manufactured home installer for any individual who holds an unexpired license or certificate issued by any other state or other United States jurisdiction if the licensing requirements of that jurisdiction meet or exceed the corresponding

licensing requirements of the department and the individual complies with section 326B.092, subdivisions 1 and 3 to 7.

327B.08 DUTIES.

Subdivision 1. **Disclosure required.** Prior to the consummation of the sale of any manufactured home where a dealer acts as a broker, the dealer shall disclose in writing to all parties to the transaction all charges, payments, commissions and other fees paid or payable in connection with the transaction. Any commission charged by the dealer shall be expressed both as a dollar amount and as a percentage of the sales price. If the home being sold is located in a manufactured home park, prior to the buyer's signing of the purchase agreement the dealer shall disclose in writing to the buyer the state law concerning the in park sale of manufactured homes. This subdivision does not require any dealer to disclose any consideration received (1) for having acted as an insurance agent, as defined in section 60A.02, subdivision 7, in connection with the transaction, or (2) in return for the dealer having agreed to any contingent liability in connection with the financing of the sale. The commissioner may prescribe a form to be used to comply with this subdivision and may require all dealers to use that form.

Subd. 2. **Presence of parties at closing.** A dealer shall not prohibit, prevent or restrain any party to the brokered sale of a manufactured home from being present at the closing. If a dealer at a closing purports to have authority to act for one of the parties who is not present, the dealer shall exhibit the document granting that authority and shall give a copy of that document to the other parties.

Subd. 3. **Trust account required.** Each dealer who acts as a broker shall maintain a trust account. A trust account shall not be an interest bearing account except by agreement of the parties and subject to rules of the commissioner.

Subd. 4. **Segregation of funds.** A dealer shall deposit all trust funds received in a trust account. A dealer shall not commingle personal funds or other funds with the funds in a trust account, except that a dealer may deposit and maintain a sum from personal funds not to exceed \$100 in a trust account, which sum shall be specifically identified and used to pay service charges relating to the trust account.

Subd. 5. **Trust information required.** At the time of application for a license or renewal of license, each dealer who acts or intends to act as a broker shall tell the commissioner the name of the financial institutions and the trust account identification numbers used to comply with the provisions of this section.

A dealer shall immediately report to the commissioner any change of trust account status including changes in financial institutions, account identification numbers, or additional accounts in the same or another financial institution. No dealer may close an existing trust account without giving ten days' written notice to the commissioner.

Subd. 6. **Duty of agency.** (a) A person acting as a broker shall be considered to have created an agency relationship with the borrower in all cases and shall comply with the following duties:

(1) brokers shall reasonably act:

(i) in the borrower's best interest;

(ii) in the utmost good faith toward borrowers; and

(iii) so as not to compromise a borrower's right or interest in favor of another's right or interest, including a right or interest of the broker. A broker shall not accept, give, or charge any undisclosed compensation or realize any undisclosed remuneration, either through direct or indirect means, that inures to the benefit of the broker on an expenditure made for the borrower;

(2) brokers shall carry out all lawful instructions given by borrowers;

(3) brokers shall disclose to borrowers all material facts of which the broker has knowledge which might reasonably affect the borrower's rights, interests, or ability to receive the borrower's intended benefit from the manufactured home loan, but not facts which are reasonably susceptible to the knowledge of the borrower;

(4) brokers shall use reasonable care in performing duties; and

(5) brokers shall account to a borrower for all the borrower's money and property received as an agent.

(5) a person who has an exclusive contract to act as a broker for:

(i) a manufactured home lender;

(ii) a dealer or retailer;

(iii) a limited dealer or retailer; or

(iv) a licensed sales finance company as defined under section 53C.01, subdivision 12.

(c) Nothing in this section prohibits a broker who is bound by the duty of agency from contracting for or collecting a reasonable fee for services rendered and which had been disclosed to the borrower in advance of the provision of such services.

(d) Nothing in this section requires a broker who is bound by the duty of agency to obtain a loan containing terms or conditions not available to the broker in the broker's usual course of business, or to obtain a loan for the borrower from a manufactured home loan lender with whom the broker does not have a business relationship.

Any person who manufactures, sells, offers to sell, solicits or advertises the sale of manufactured homes, or acts as a broker in violation of this subdivision shall nevertheless be subject to the duties, prohibitions and penalties imposed by sections 327B.01 to 327B.12. This chapter does not prohibit either an individual from reselling, without a license, a manufactured home which is or has been the individual's residence or any bank, savings bank, savings association, or credit union, chartered by either this state or the federal government, from reselling, without a license, a repossessed manufactured home.

Subd. 2. **Advertising.** No person shall advertise as a manufactured home dealer, or as a lister, broker or agent for the sale of manufactured homes, without being licensed as a dealer as provided in section 327B.04.

Subd. 3. **Display of license.** No person shall act as a dealer or manufacturer unless the certificate authorizing that activity is prominently displayed on the business premises covered by the license. Before moving to a new location from the established place of business occupied when the license is granted, the licensee must first secure the commissioner's written permission. To obtain that permission, the licensee must prove that the proposed new premises conform to the requirements of section 327B.04, subdivision 4.

Subd. 4. **Net listing prohibited.** No dealer shall use or offer to use a net listing agreement.

Subd. 5. **Broker or dealer arrangement of financing.** A dealer who is acting as a broker for the sale of a manufactured home and who can arrange financing for the sale may charge a separate fee for that service, if:

(a) the listing agreement does not require that the seller or buyer use the dealer's services to arrange financing;

(b) in arranging the financing, the dealer will pay a fee or will guarantee all or part of the buyer's performance to a third person; and

(c) the listing agreement clearly and conspicuously discloses the amount of the fee, the fact that the fee is in addition to the dealer's commission and the fact that the seller and buyer are not required to use the dealer's services to arrange financing.

Subd. 6. **Standards of conduct.** (a) No manufactured home lender shall:

(2) make or cause to be made, directly or indirectly, any false, deceptive, or misleading statement or representation in connection with a manufactured home loan transaction, including, without limitation, a false, deceptive, or misleading statement or representation regarding the borrower's ability to qualify for any manufactured home loan product;

(3) issue any document indicating conditional qualification or conditional approval for a manufactured home loan, unless the document also clearly indicates that final qualification or approval is not guaranteed, and may be subject to additional review;

(4) make or assist in making any manufactured home loan without verifying the reasonable ability of the borrower to repay the loan, taking into consideration taxes and insurance in connection with the manufactured home;

(5) make, provide, or arrange for a manufactured home loan for a higher interest rate or on less favorable terms than the rate or terms for which the borrower qualifies based on criteria typically used by that lender to evaluate rate and term offerings;

(6) make, provide, or arrange for a manufactured home loan all or a portion of the proceeds of which are used to fully or partially pay off a "special loan" unless the borrower has obtained a written certification from an authorized independent loan counselor that the borrower has received counseling on the advisability of the loan transaction. For the purposes of this section, "special loan" means a loan for the purchase, refinance, improvement, or repair of the manufactured home originated, subsidized, or guaranteed by or through a state, tribal, or local government, or nonprofit organization, that bears one or more of the following nonstandard payment terms, which substantially benefit the borrower:

(i) payments vary with income;

(ii) payments of principal or interest are not required or can be deferred under specified conditions;

(iii) principal or interest is forgivable under specified conditions; or

(iv) where no interest or an annual interest rate of two percent or less is charged in connection with the loan. For the purposes of this section, "authorized independent loan counselor" means a nonprofit, third-party individual or organization providing home buyer education programs, foreclosure prevention services, loan counseling, or credit counseling certified by the United States Department of Housing and Urban Development, the Minnesota Home Ownership Center, the Minnesota Mortgage Foreclosure Prevention Association, AARP, or NeighborWorks America;

(7) engage in churning; or

(8) make, provide, or arrange for a manufactured home loan if the borrower's compliance with any repayment option offered under the terms of the loan will result in negative amortization during any six-month period. This excludes existing loan extensions and modifications.

(b) This subdivision does not apply to a state or federally chartered bank, savings bank, or credit union, an institution chartered by Congress under the Farm Credit Act, or to a person making, providing, or arranging a manufactured home loan originated or purchased by a state agency or a tribal or local unit of government.

327B.095 INTEREST, POINTS, FINANCE CHARGES, FEES, AND OTHER CHARGES.

Subdivision 1. **Financed interest, points, finance charges, fees, and other charges.** (a) A manufactured home lender making or modifying a manufactured home loan to a borrower located in this state must not include in the principal amount of any loan, all or any portion of any lender fee in an aggregate amount exceeding:

- (1) five percent of the loan amount for loans over \$60,000;
- (2) six percent of the loan amount for loans less than \$60,000, but greater than or equal to \$40,000; or
- (3) eight percent of the loan amount for loans of less than \$40,000.

(b) "Lender fee" means interest, origination points, finance charges, fees, and other charges payable in connection with the manufactured home loan:

(1) by the borrower to any manufactured home lender or broker or to any assignee of any manufactured home lender or broker; or

(2) by the lender to a broker.

(c) Lender fee does not include discount points, provided there is a concomitant benefit to the borrower, recording fees, taxes, passthroughs, or other amounts that are paid by any person to any government entity, filing office, or other third party that is not a manufactured home lender or broker or to any assignee of any manufactured home lender or broker. Lender fee also does not include any amount that is set aside to pay taxes or insurance on any property securing the manufactured home loan.

(d) "Loan amount" means:

(1) for a line of credit, the maximum principal amount of the line of credit; and

(2) for any other manufactured home loan, the principal amount of the loan, excluding all interest, points, finance charges, fees, and other charges.

(e) A manufactured home lender or broker shall not charge, receive, or collect any excess financed interest, points, finance charges, fees, or other charges described in this subdivision, or any interest, points, finance charges, fees, or other charges with respect to this excess.

Subd. 2. **Prepayment penalties.** No manufactured home loan may contain a provision requiring or permitting the imposition of a penalty, fee, premium, or other charge in the event the manufactured home loan is prepaid in whole or in part unless the penalty, fee, premium, or other charge constitutes consideration for an equal or greater benefit to the borrower.

Subd. 3. **Exemption.** This section does not apply to a manufactured home loan originated by a federal or state chartered bank, savings bank, credit union, or a licensed sales finance company as defined under section 53C.01, subdivision 12.

327B.11 RECOURSE TO THE BOND.

Subdivision 1. **Consumer claimants.** Any consumer customer sustaining injuries within the terms of a surety bond issued pursuant to section 327B.04 may proceed against the principal and surety without making the state a party to the proceedings. Provided, however, that the aggregate liability of the surety to all persons for all losses or damages shall in no event exceed the amount of the bond.

Subd. 2. **Payment of claims; notice to commissioner.** Before paying any claim against a surety bond, the surety company must first notify the commissioner in writing of the amount of the claim, the basis of the claim and the surety company's intention to pay the claim. Unless the commissioner objects in writing within ten days of receiving the notice, the surety company may proceed upon its intention. The commissioner's failure to object is not evidence of the validity of the claim or of the propriety of paying the claim. The commissioner shall object only with reasonable grounds to believe that paying the claim will reduce the obligation of the bond to an amount less than the total amount of other outstanding and valid claims against the bond.

Subd. 3. **Application for a referee.** Within 15 days of objecting to the payment of a claim, the commissioner shall apply to the district court for an order:

- (a) directing the surety company to pay the full obligation of the bond into court; and
- (b) appointing a referee to hear claims against the bond and to propose to the court the proper distribution of the bond proceeds.

The surety company and the principals on the bond shall be parties to the proceedings.
