

**477B.04 APPROPRIATION, PAYMENT, AND ADMINISTRATION.**

Subdivision 1. **Payments.** (a) The commissioner must make payments to the Public Employees Retirement Association for deposit in the statewide volunteer firefighter fund on behalf of a municipality or independent nonprofit firefighting corporation that is a member of the statewide volunteer firefighter plan under chapter 353G, or directly to a municipality or county designated by an independent nonprofit firefighting corporation. The payment is equal to the amount of fire state aid apportioned to the applicable fire state aid recipient under section 477B.03.

(b) Fire state aid is payable on October 1 annually. The amount of state aid due and not paid by October 1 accrues interest payable to the recipient at the rate of one percent for each month or part of a month that the amount remains unpaid after October 1.

(c) The interest under paragraph (b) does not apply when payment has not been made by October 1 due to noncompliance with sections 424A.014 and 477B.02, subdivision 7.

Subd. 2. **Appropriation.** The amount necessary to make the payments under this section and section 477B.03 is annually appropriated to the commissioner from the general fund.

Subd. 3. **Deposit of state aid.** (a) This paragraph applies if the municipality or the independent nonprofit firefighting corporation is covered by the statewide volunteer firefighter plan. If this paragraph applies and the executive director of the Public Employees Retirement Association has not approved an aid allocation plan under section 477B.041, the executive director must credit the fire state aid against future municipal contribution requirements under section 353G.08 and must notify the municipality or the independent nonprofit firefighting corporation of the fire state aid so credited at least annually. If this paragraph applies and the executive director has approved an aid allocation plan under section 477B.041, the executive director must allocate fire state aid in the manner described under section 477B.041.

(b) If (1) the municipality or the independent nonprofit firefighting corporation is not covered by the statewide volunteer firefighter plan and is affiliated with a duly incorporated firefighters relief association, (2) the relief association has filed a financial report with the municipality pursuant to section 424A.014, subdivision 1 or 2, whichever applies, and (3) there is not an aid allocation agreement under section 477B.042 in effect, then the treasurer of the municipality must, within 30 days after receipt, transmit the fire state aid to the treasurer of the relief association. If clauses (1) and (2) are satisfied and there is an aid allocation agreement under section 477B.042 in effect, then fire state aid must be transmitted as described in that section. If the relief association has not filed a financial report with the municipality, then, regardless of whether an aid allocation agreement is in effect, the treasurer of the municipality must delay transmission of the fire state aid to the relief association until the complete financial report is filed.

(c) The treasurer of the municipality must deposit the fire state aid money in the municipal treasury if (1) the municipality or independent nonprofit firefighting corporation is not covered by the statewide volunteer firefighter plan, (2) there is no relief association organized, (3) the association has dissolved, or (4) the association has been removed as trustees of state aid. The money may be disbursed from the municipal treasury only for the purposes and in the manner set forth in section 424A.08 or for the payment of the employer contribution requirement with respect to firefighters covered by the public employees police and fire retirement plan under section 353.65, subdivision 3.
